

Minutes of the International Club Association Meeting

Friday, December 12, 1950

Office of Dean Onthank

Presents: Mrs. Warner, Mr. Ager, Mr. Paville, Mr. Johnson, Mr. Tillman,
Mr. Onthank.

Meeting was called by the secretary with the consent and approval of all present, the usual notice and call by the chairman being waived.

By motion of Mr. Paville, seconded by Mrs. Warner, Mr. Onthank was elected temporary chairman.

Minutes of the meeting of June 18, 1950, were read and approved without correction, the addition to the list of trustees of the name of Mr. L. H. Johnson.

Attention was called to the vacancies in the board of trustees due to the removal from Eugene of Mr. G. V. Blue and Mr. Paul R. Kelly and the resignation of Mr. Roy Booth. Upon motion duly seconded and carried Mr. Paul Ager was elected to the vacancy caused by the departure of Mr. Blue, Mr. Will Jarrett to the vacancy caused by the departure of Mr. Kelly, and Mr. C. F. Tillman to the vacancy caused by the resignation of Mr. Booth.

Mr. L. H. Johnson present his resignation as treasurer. Upon motion the resignation was accepted and Mr. Paul Ager was elected treasurer of the association to take office immediately.

The secretary reported that the international group organization had outstanding bills which it is at present unable to meet from current income as follows:

Taxes - - - - -	\$114.00
Wiring and electrical equipment - - - - -	52.00
Repairs to furnace - - - - -	75.00
Food - - - - -	54.00
Total - - - - -	<u>295.00</u>

It was explained that through the generosity of Mrs. Warner the rent has been paid but that the current income from residents in the house has not as yet been sufficient to meet the various expenses for furniture and otherwise connected with opening the house and the bills listed above, but it is expected within two or three months there will be a margin sufficient to cover all these bills. Meanwhile it is desirable that they be paid in order to avoid penalties on the taxes and to protect the credit of the house.

Motion by Dean Paville, seconded by Mr. Ager carried:

That a loan of \$200.00 be approved and the treasurer be authorized to sign a note for this amount for the association.

Director of the International Child Development Center

Bellevue, New York 11551

Office of the Director

Enclosed for the Director, New York, New York, are two copies of the report of the Committee on the Status of the Child, as of 1950.

The Committee on the Status of the Child, as of 1950, was organized in 1949 by the United Nations Children's Fund (UNICEF) and the United States Department of State. The Committee's purpose was to study the status of the child in the United States and to make recommendations for the improvement of the child's status.

The Committee's report, as of 1950, is a comprehensive study of the child's status in the United States. It covers the child's physical, mental, and social development, and it makes recommendations for the improvement of the child's status.

Mr. Tillman stated that it might be possible through the Rotary Club to arrange for the loan without interest provided payment in a short time can be assured.
Motion carried:

That the loan be placed with the Rotary Club if it is practicable to do so and that the necessary arrangements be left to Mr. Agar and Mr. Tillman.

After some discussion of the agreement entered into informally by some of the members of the board with Dr. Hebec for the house at present occupied by the International Club, motion carried:

That the group continue with the present verbal agreement with Dr. Hebec as to rental, taxes, etc. until the end of the present year as specified, namely, August 31, 1942/

Mrs. Warner called attention to the need for planning for adequate financing for the support of the house for the international group after this year since her assumption of the rent of the house is for this year only. There was considerable discussion on this point, the consensus of opinion being that adequate provision can be made through the help of the Rotary organization and individuals. It was left to Mr. Tillman to follow up the matter with the Rotary Club.

The secretary was instructed to call the attention of the student management of the house to the following:

1. The desirability of having a definite business arrangement with Mrs. Tuttle whereby she will be paid a fair salary for her services and the members of the Tuttle family will contribute the same amount for the support of current expenses as that paid by the students instead of receiving as at present merely a reduction in the house charges.
2. The importance of having adequate insurance on the furniture and equipment owned by the association and by the individual members of the group.

Mrs. Warner called attention to the need of developing a more cordially friendly attitude on the part of students on the campus toward foreign students coming to the University and suggested various means of arousing such interest.

Meeting adjourned.

Karl W. Onthank, Secretary.
