Mrs. Gertrude Bass Warner  
Heathman Hotel  
Portland, Oregon

Dear Mrs. Warner:

Many thanks for your letter of January 17th. You know, the interesting part of the matter is that I think that I agree with you and I suspect that I too am getting in touch with Dean Bovard probably just to see what he thinks about it. And I, like you, may not change my opinion. However, I can not change my opinion too easily and so I must see the Dean and then I will get in touch with you.

It is extremely interesting that we have such similar views with regard to Oriental problems. It certainly is pleasing that we do.

Again, with many thanks for your extreme interest in the matter, I remain

Very cordially yours,

*Burt Brown Barker*
