	Total - - - \$705.50

Mrs. Macduff informs me that the student hasn't any money of her own or necessary clothes for school, and in preparing the estimate these conditions were considered.

Up to the present time we have received \$80.00 for this student, \$50.00 of which has been paid by Mrs. Warner; the balance of \$30.00 by Citizens of Eugene through Mrs. Macduff's efforts. It is my understanding that you and Mrs. Warner have kindly consented to share equally this girl's expenses. Therefore, I have computed that your share of the expense is \$337.75. Mrs. Warner's share is \$337.75 but as she has paid \$50.00, her
