Dr Burt Brown Barker  
Vice-President of University of Oregon  
Oregon Building  
Portland, Oregon.

My dear Dr Barker:

I am enclosing the signed declaration for free entry and the presentation statement. Thank you very much for sending me the later.

I would like to have the man from the Customs unpack the box on either Monday afternoon or any time on Tuesday. The Museum is open on Wednesday and Thursday and this unpacking has to be done in the lobby. I think Mr Wheeler came down with the shipment before.

Thanking you for all your trouble.

With kindest regards,

Sincerely yours,

Gertrude Bass Warner
