Dear Dr Harada:

I felt very sorry that I could not have waited in Portland until after the 26th, but I have a conference in New York, which I feel I must attend on the 29th and that would not have given me time to get there. I hope my cable did not inconvenience you and that you have a place for those things where they will not be in your way.

I can not begin to tell you how much I appreciate what you are doing to enhance the art value of the Japanese section of the Murray Warner Collection, which was established at the University of Oregon, in order to promote friendly relations. President Boyer was quite thrilled when I told him what you are doing for us. Certainly your coming to the University was and still is a great blessing.

An effort is going to be made this summer to divide the real estate belonging to my mother's estate. It is a difficult thing to determine the relative future values of city real estate, so that everybody will get an equal share. As soon as I know when I returning to Eugene I will write you.

In the meantime I have \$800.00 in my savings account in the First National Bank of Eugene toward the \$ 1,500.00 that I have my heart set on sending you by the middle of November, 1937. If you prefer to hold the whole shipment until after the New Year that will be all right with me.

Your name is very affectionately spoken of at the University by the young and old- including me.

With greetings to Mrs Harada and all good wishes,

Very gratefully yours,

Gertrude Bass Warner, Director
