Mr. Jiro Harada
Museum of Art, University of Oregon
Eugene, Oregon

My dear Mr. Harada:

I have had some delightful news from Mr. Barker. He tells me that you are planning to help me with information about the Museum the latter part of the summer. I have never had any one at the Museum who really knew anything about Oriental Art until you came, and am greatly in need of your deep knowledge of things of which this collection is a very small expression. When I had the good word from Mr. Barker I felt that a very joyful thing had come my way, and I am very grateful. Of course the expense's connected with this research work will be my responsibility.

The persimmons were kept quite a while until nice and ripe, and were very much enjoyed.

I am getting better all the time and am expecting to be able to go back to Eugene before very long.

With all good wishes for a happy New Year to you and yours,

Very cordially

Gertrude Bass Warner, Director
