Miss Harriett Long, Librarian
State Library
Salem, Oregon.

Dear Miss Long:

I am sending you for the State Library one set of 224 and 18 sets of 70 each of collotype plates, which I gave to the students at the University of Oregon, 1935-36, in my lecture course on Japanese Art and Culture. These plates reproduce the outstanding examples of Japanese art and I send them to you in hope that they may be of interest to those who study things Japanese.

Enclosed please find a short paragraph on Japanese art to go with each group and I also enclose a table giving the periods of Japanese art. Perhaps you will be so good as to make a copy of the table to go along with each group of the plates, as I do not have extra copies of it.

Yours very truly,
Jiro Harada.

Very truly yours,
