Dear President Inlow: I am sending you for the Normal School Library a set of collotype plates (119 in number), which I gave to the students at the University of Oregon, 1935-36, in my lecture course on Japanese Art and Culture. These plates reproduce the outstanding examples of Japanese art and I send them to you in hope that they may be of interest to those who study things Japanese.

Enclosed please find a short paragraph on Japanese art to go with the set and I also enclose a table giving periods of Japanese art.
