

Hiye MARU
Oct. 15, 1936

My dear Mrs. Garner:

You must be back in Eugene by this time. I hope you found everything all right at the Museum and at home, which I hope did not suffer any from the big fire.

Thank you very much for everything you have done for me. The trunks and boxes are safely on board - many thanks.

Please remember me to Mr. Garner.

Sincerely,
J. Harada
