My dear Mr. Harada:

I thank you for sending me word about how to secure the Shosoin publications. I sent for them yesterday and enclosed a draft. I asked them to send the volumes separately, and to send them as soon as possible because we are needing them for your lectures.

It was an oversight on my part; otherwise I would have sent for them before, as it is a publication we should have in our Museum Library.

I am looking forward to the time when I can get back to Eugene to hear your lectures.

With friendly regards,

Very sincerely yours,
