Dear Professor Baldinger:

When I wrote you yesterday, I quite forgot to touch upon slides. I did not bring any slides with me, but I think it would be nice to use them if available. At this moment I do not know what to use, but I would like to choose from your collection and from Mrs. Warner's at the museum, and I know Mrs. Garner will be willing. Immediately upon my arrival at Eugene, I shall go through the available slides and make my choice.

Thank you very much for the offer of your service to operate the projector.

Sincerely yours,

Jiro Hanada
