Mr. Wallace S. Baldinger,
Associate Professor,
History of Art,
University of Oregon
Eugene, Oregon

Dear Professor Baldinger:

I have yours of the 21st inst. You may call on Mr. Lindstrom for \$30.00 to finish the honorarium of \$100. Also I shall be very pleased to preside and introduce Dr. Harada, as hereinafter explained.

I am enclosing a copy of my letter to Dr. Harada outlining our plan to meet him here and motor him to Eugene. I have an appointment here at 4 P.M. May 4, so must return the morning of the 4th. Will you please reserve a double room with bath for Mrs. Barker and me at either hotels as I do not want to drive home at night.

I am also enclosing a carbon of my letter to President Newburn re the Erb Memorial. You can govern yourself accordingly.

Also Dr. Harada writes that he is traveling with two gentlemen, Mr. Jiro Arimitsu, formerly Vice Minister of Education, now a member of the Cultural Property Protection Commission; and Mr. Kinji Fujikawa, chief of the administrative section of that Commission. You will see by my letter that I presume they will accompany him as he writes "We shall pay a visit to Portland Art Museum". I am wondering if you expected them in Eugene. I am merely passing on to you the information I have.

I suggest that you invite President Newburn to preside and introduce me. I would like him to come to know Harada. I rather gleaned from the programme you sent me that you had not counted on him in your plans which I think ^{you} should.

If Harada suggests other plans I shall let you know.

Very Cordially,

Burt Brown Barker
