POSTCARD

Hi Sweetie Now this card is
pretty, right?

Just wanted to say, in case I
turn up on the wrong end of the
odds Wednesday, if there is another
world someone will be waiting for
you there ready to argue your
arm off. [which is by way of saying

that the exam - which was fun, believe it or not - showed Imme-
diate action was necessary.] (Travel.: The surgeon is broke) Love, Honey -
if it needs saying - it's been great - so are you. AT-T.
