Dear Tip,

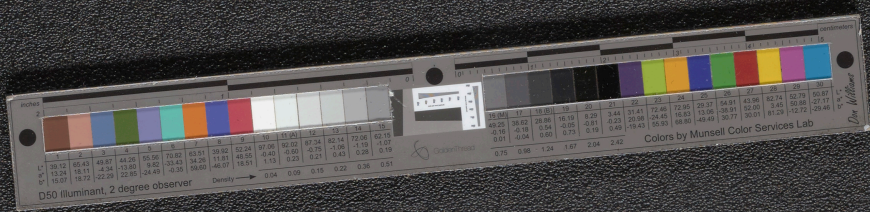

A meef is a Virginia Kidd word; it means a bleat, a complaint, a beef, a whine.

Josephine Saxton, Ivy House, 6 Daintry St., Leek, Staffs., England ST 13 5PG.

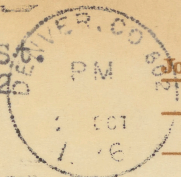

If you haven't read Group Feast (Doubleday, 1971) & can get it in library, do so. It's funny & marvelous. She's written about 3 more (she tells me), nobody wants 'em. I cannot believe it, since she is so very good, but maybe a new agent would help. Anyway, I worry about her.

I'm afraid of male irrelevancy. It's inhumane and I think too rather silly. Who isn't irrelevant from somebody's pax p.o.v.? Must go. Hurried.

Josephine
love,
