

dentist giv it to me - for DRY MOUTH.
 Do you ever suffer from that, with all
 the shit they're trying on you? Well,
 if they get to the MAO Inhibitors
 (anti depressant which fixed me up) you
 will! And yesterday - the 5th ^{Tiptree} Inter-
 viewer (the Wyoming Prof, a perfectly
 darling man) kept me talking 6 mortal
 hours (and smoking), and by hour 4
 my mouth was the Sinai and my ton-
 gue was the PLO. So I tried this
 for the first time - you spray it in,
 tasteless - and suddenly I was 19
 again! literally unbelievable - and
 lasted 7 more hours. Name is

XERQ-LUBE, made by Scherer, Dallas.

Just a thought, in case my ^{old} Swan
 needed it. Doctors don't know it, I think, it's
 a dentisty thing... Til soon, sweetie - X.

R. B. S.

Darling -

14 June 82

(Will it shock you if I write in another
 color than blue?)

How grand - To my Jo, how dear
 of you to send Amor V.F. - I'd expected
 a long tedious hunt before I could enjoy
 another dollop of your clean, lovely,
 lethal prose. Now it's here! - And
 just as "soon as" I finish the dire job
 of correcting this absurd Gale Rsch
 Contemporary Authors "Interview" -
 which I haven't the faintest memory of -
 I shall clutch my Russ-ian and
 curl up & revel in it.

Oh - I came on something - my

* MONO AMINE OXIDASE Inhibitors
