MEMORANDUM:

TO : BUSINESS OFFICE, University of Oregon, Campus  
Attention: Mr. W. N. McLaughlin, Ass't. Mgr.

FROM : James F. Colley, Acting Director, Museum of Art, Campus

SUBJECT : "List of articles of Oriental Art in Three Cases Placed  
in the First National Bank of Eugene, Oregon, dated  
June 20, 1930, etc., etc."

Please be advised that we have checked out all of the items listed in this particular document herein referred to and find that they have all since been placed in the Museum of Art, Murray Warner Collection and that they all do appear at present on our inventory cards covering the collection.

It would seem that this was perhaps a duplicate list covering these items and that the original list was used at some time or another in the interval since June of 1930 to secure these items from the First National Bank. At any rate they are all accounted for and the receipt as such is not now valuable and may be declared null and void.
