1556 South West 14th Street
Portland, Oregon.

Dear Mrs Hurst:

Your letter of September 25th and the note that followed it have been forwarded to me, as well as the photograph of the shawl. I am returning the photograph to you under separate cover.

The Murray Warner Collection is purely a collection of Oriental Art and consequently I am not in the market for things from other countries.

Hoping that you will be able to dispose of your shawl under the conditions that you want to.

Yours very truly,

Gertrude Bass Warner.
