

Geo Pierce Ennis =  
My dear Mr Ennis =

Your letter J. 6 33

with regard to a chap of the  
league in Eugene Ore  
has just come to my attention

Of course we are  
cell into in the Am  
sup of Am artists. <sup>However</sup> The  
Oregon M of F. A. is  
purely Oriental but at

art school of the U.S.  
there is a picture gallery  
which is used for exhibits.

I have nothing to do with the art  
department outside of my  
activities and as the school  
is purely oriental this prof  
league wouldnt connect  
up with my activities.

~~I will send your letter to  
Maude I Kerns.~~

I would suggest that  
you write Miss Maude  
I Kerns of the Art Dept  
of the U of O & E regarding this  
matter of chairmanship.

Very cordially yours —
