My Dear Mrs. Warner, —

I am sending you today by express forty one Japanese prints, all authentic as to age & artists except two or three which are unsigned.

You are not interested of course in why I must part with my prints but will just say that I want the money more than I want the prints — just now.

I have placed a price of \$3000 for the lot — I could never replace them at double the price as of course you will know

When you examine them -
I can not give you any bank
reference in Eugene but in
Portland Frederick Greenwood assistant
Manager of the Bank of California will
vouch for my reliability. Also in
Eugene Mr + Mrs Robert Belts I have
known many years.

I should like you to examine my
little group of prints carefully &
if you can use them in your
Museum or else where I shall be
very happy -

Yours sincerely
(Mrs John) Emma B Olson
