My dear Mrs. Dean:

Referring to my letter written you this morning -

I see that I have made a mistake in the date I gave you for my return to Eugene. April sixteenth is Thursday, not Tuesday.

Please write me here- Hotel Heathman, Park at Salmon, Portland - and let me know whether you will be able to come on Thursday, April sixteenth, to Eugene, the weather permitting.

Very sincerely yours

My dear Mrs. Deam:

Your letter of April second has been received.

In answer to your question about taking your screen to the Museum at the University of Oregon, there would be no point in doing that at the time you specify. I am in Portland just now, and shall not be in Eugene again before Tuesday, April the sixteenth. If you want to bring it up to the Museum at that time you can do so, it being clearly understood that I make no promise to buy it.

You ask if there is some one at the Museum who can identify some odds and ends of ceramics that you have picked up at auctions. It is not museum practice to do that, and I suggest that you take them to one of the art stores in Portland, as they are the ones whose business it would be to tell you their value.

Very sincerely yours

Gertrude Bass Warner
