AS WE SEE IT

Professional Football

By BUD FORRESTER

Henry Hughes, former Oregon State college halfback, is going big guns in professional football this year. He was graduated here last spring and signed a contract with the Boston Braves, a professional ball team, which he joined this fall. The big fellow came to Oregon State from the Hawaiian Islands and certainly made a fine name for himself at Oregon State as a fine athlete and a most perfect gentleman.

Although Hughes did not play regular at Oregon State for the entire three years of his stay he is now one of the best quarterbacks in professional football circles today. He does all of the passing, kicking, signal barking and much of the ball carrying for the Boston club and is doing a mighty fine job of it. He has played every minute of the last five games on the Boston schedule and will see more action unless hindered by injuries before the season is over.

While at Oregon State Hughes was known far and wide as the barefoot kicker from the Islands. He could boot a ball with his bare hoof as far as the best punter on the coast can with a cleated shoe. He gained his knowledge and ability while playing in the barefoot football league in the islands where no shoes are worn and the player is minus padded pants and the usual protective equipment.

However, in a letter which Hughes sent from Chicago a few days ago he says that his only wish is that the old Henry Hughes could see the present one kick and pass. He also informs us that professional football is a smart game, nothing dirty, although the huge linemen make it a rough sport. Hughes says that he especially appreciates his first year of ball, and he hopes his last, as it gives him a chance to play smart ball against men like Harold Grange, Benny Friedman, Chris Cagle and Herb Joesting.

Buck Hammer, center, and Jack Cox, guard, former Orange players who were graduated last spring have been released from the Boston club but Reg Rust, another Orange halfback, is making good with the Braves, although he has been on the injured list during most of the season. Hughes says that he has been quite lucky as most of the first string backfield men have been injured this season while he has as yet gone unscathed.

Gil Bergerson, huge Orange guard, who also matriculated last spring, is a running mate to Jule Carlsen, former Orange guard, who was graduated here in 1928, on the Chicago Bears football team. This is Red Grange's eleven and a mighty good one. Bergerson has apparently snapped out of his slump and is playing good ball. He finds that the average professional lineman is as large as he and he must drive to protect himself.

Although the professional game is a "cut throat" one in many ways it has proven very interesting and profitable. Of course, men are paid for their work and usually do not overwork themselves in getting over to help the other fellow. In other words if a man is running the right end ragged he must do something about it for another fellow does not pull out to help him for he might look bad doing it and would in turn get a cut in pay.

Authorities tell us that any professional football team in the east would unmercifully wallop the best college football team in the country. Professional ball is faster, smarter and better coached. The men are all stars in their different positions and easily work well together. It is a fine education and a good living for a man who is a good ball player and wishes to gain mere knowledge of the game and at the same time capitalize upon his ability.

FAST BASKETBALL GAMES ONE-SIDED IN FRAT LEAGUE

Beta Theta Pi, Sigma Nu, Run Rough Shod to Victory as A. Schmidt, Larson, Loken, Palmberg Run Wild.

Only two games of last night's interfraternity basketball schedule were played. There were three games postponed and one forfeited. Beta Theta Pi took their contest from Phi Gamma Delta, 27 to 12. Little opposition was offered the Betas by their opponents. Schmidt and Loken of the winners had little trouble sifting through the Fiji defense. Each garnered 10 points during the course of the game.

Sigma Nu ran roughshod over Kappa Sigma for a 59 to 4 win. The score at half time was 32 to 0 and it was late in the game before the Kappa Sigs were able to score. Palmberg and Larson ran up the majority of points for the Sigma Nu tossers. Temple, by some clever floor work rang up the two buckets for the losers.

Tonight's schedule is as follows: League D, 6 o'clock—Alpha Sigma Phi vs. Sigma Alpha Epsilon; Phi Kappa Tau vs. Theta Xi; Delta Tau Delta vs. Sigma Chi. League E, 7 o'clock—Alpha Gamma Rho vs. Sigma Phi Sigma; Alpha Tau Omega vs. Pi Kappa Alpha; Tau Kappa Epsilon vs. Theta Chi.

HAWLEY HALL STOPS FAST BUXTON TEAM

Intramural Speedballers Out in Bad Weather to Fight for Club Crown

Playing the last half of their speedball game in darkness and mud, Hawley "night-hawks" defeated the Buxton "owls" last night, 7 to 0, and in spite of the adverse conditions, the former displayed a defense that was impossible for the latter to pierce. This victory puts Hawley in the finals for the club championship.

Hawley scored their first touchdown by a pass from B. Weiks to H. Weiks, good for two points. After the kick-off of the second half, they repeated their feat to put Hawley ahead, 4 to 0. With a half minute left to play, B. Weiks dribbled down the field to score a field goal through the darkened goal posts to cinch the game for Hawley.

Following are the schedules for this week's games in the semi-final round:

Wednesday, Nov. 2—Field 1
Sigma Pi vs. Theta Chi, 4:15 o'clock.

Phi Delta Theta vs. Sigma Nu, 4:15 o'clock.

Thursday, Nov. 3—Field 1
Winner of Phi Delta Theta vs. Sigma Nu winner of Sigma Pi vs. Theta Chi, 4:15 o'clock.

Field 2
Beta Theta Pi vs. Delta Upsilon, 4:15 o'clock.

Field 3
Hesperian vs. Hawley, 4:15 o'clock.

Big Orangeman Making Good

Here's Henry Hughes, Hawaiian boy halfback who was graduated here last spring, and the large hoof which has been lifting him to fame in professional football circles this fall. Hank passes, kicks, calls signals and does plenty of ball carrying for the Boston Braves.

PING PONG PLAYERS FURTHER ONSLAUGHT

18 Men Brave Elements for Chance at Coveted Cup; Upsets Feature

Old "Jube" Pluvius' stormy threats again failed to keep the ping-pongers at home beside warm fires as 18 men appeared on scheduled time in the men's gym last night to continue the onslaught for second round honors in the ping-pong tournament. Nine men fell by the wayside, victims of smashing drives from the paddles of their opponents.

The most interesting match of the evening was played between Bob Bronson, Phi Delta Theta, and A. R. Brown, Alpha Chi Rho, with Bronson winning the odd game by one point. In what may be termed as an upset, Hal Pangle, Delta Upsilon, was eliminated in the first round by Emmett Hughson, Alpha Sigma Phi, 3-0. Delbert Ball, Sigma Phi Epsilon, and Russ Acheson, Delta Upsilon, came through with easy triumphs over their opponents as expected. Ball and Acheson will be hard to beat because their power drives and smashes over the net travel with lightning speed.

The evening's matches resulted as follows: Dave Longtin, Independent, defeated Bud Nock, Beta Theta Pi, 3-1; Wes Heise, Sigma Alpha Epsilon, defeated Munn Dunkin, Phi Kappa Alpha, 3-0; Emmett Hughson, Alpha Sigma Phi, defeated Hal Pangle, Delta Upsilon, 3-0; D. Ball, Sigma Phi Epsilon,

DELBERT TURNER IS COUNTRY RUN CHAMP

10 Minutes, 40 Seconds Best Time for This Week

Delbert Turner, Kappa Delta Rho, has turned in the best time so far this week in intramural cross country. Turner's time is 10 minutes and 40 seconds.

In the fourth week of cross country Cauthorn hall, Theta Xi, Orion club and Alpha Gamma Rho are the leading organizations. Cauthorn hall is leading Theta Xi with 13 points. The number of men running the course so far this week is 25. Cross country will close at the end of next week although bad weather has hindered.

BOB PATRICK IN HOSPITAL DUE TO RECENT ILLNESS

Rook Hopes for Win in Annual Frosh Contest Very Gloomy as Battle Nears; Eugene Is Scene of Encounter.

Bob Patrick, flashy rook first string quarterback, is confined to the hospital with an attack of tonsillitis, and probably will not see action against the frosh Friday.

Rook hopes to defeat the frosh look gloomy, with Bob Patrick the spirited Irish signal caller out of practice.

The line also has received its share of hard luck. Rushing, left tackle returned to practice Monday after spending five days in the hospital. Myall has been unable to scrimmage since the first game with the frosh due to the injury received while playing. Demming, the regular right tackle is nursing a pulled muscle in his leg.

In spite of the gloom the spirit and determination of the squad is still running high and will be no easy obstacle for the ducklings from Eugene to overcome.

Jowdy is working at quarter, and seems to fit nicely into the backfield combination of Joslin.

Arnold Heikenen Good Wingman on State Grid Team

Arnold "Hike" Heikenen, fullback from last year's rook team, is playing a great game on the Oregon State varsity this year. Changing positions has not handicapped "Hike" for he plays the wing position like a veteran.

Arnold made an outstanding record at Washington high school in Portland. He played four years of football, and was captain of the 1928 team that won the state championship. He made the Portland all-star team at fullback during his last two years, and in 1928 won the coveted Zell trophy for the most valuable individual player of the season.

"Hike" also played four years of basketball and three years of baseball. He took an active interest in student activities, holding the office of student body president and belonging to the Hi-Y and Varsity "W" clubs.

Heikenen is 21 years old, weighs 175 pounds and is 6 feet tall.

Makelt and Tihla. Coach Eilers is devoting the practice mainly to work on the dummy and timing of running plays.

SCHULMERICHS IN TOWN

Mr. and Mrs. Wesley Schulmerich of Hillsboro were visiting friends in Corvallis during the weekend. Mr. Schulmerich is one of Oregon State's most prominent ex-football stars, with a wide acquaintance in Corvallis and on the college campus.

M. BRANDS LOOMING DARK HORSE PLAYER

Features in Week's Intramural Golf Tournament Upset

Maurice Brands proved to be the "dark horse" of the intramural golf tournament in defeating George Renond in an overtime match. After playing 18 holes all square the match was decided on the 20th hole when Brands, true to "dark horse" form, pulled a beautiful wood shot and holed out one stroke under Renond to win the hole.

Bruce Beardsley defeated Henry Brands by a large margin to put himself into the semi-finals. Beardsley will play Charles Endicott in the semi-finals.

Marion Shellenbarger will meet Maurice Brands in the semi-finals. This match may be another upset for both boys are evenly matched. Shellenbarger knows the golf course and has had much experience in Portland golf tournaments. Brands is given the edge on this match, but the match will be a close one whoever wins.

These matches must be completed by Monday, November 7.

"What on earth are you up to now?"

FINDING things out, smarty! I thought I'd examine the tobacco in a cigarette.

"Look here...this is Chesterfield tobacco. Notice its lighter color...you don't see any dark heavy types, do you? I guess that's why Chesterfields are milder.

"I'm told that uniformly lighter color is due to cross-blending. It sort of welds all the tobaccos into one.

"And here's something else. Notice that these long shreds are all cut the same width. It stands to reason they burn smoother and cooler.

"I don't pretend to be an expert but it looks to me as if they make Chesterfields right.

"Here, light one. That's the best test after all. They Satisfy."

"Y" SOCIAL DIVISION NAMES GENERAL HEAD

Isabel Dutton Elected Chairman by Group; Other Officers Chosen

Isabel Dutton, freshman in business administration, was elected general chairman of the social division of the Y.W.C.A. freshman commission at a meeting of the group last night.

Freshmen members of the Y. W. C. A. are divided into five interest groups. Officers of other divisions are Edith Somppi, chairman, Virginia Schulte, secretary, and Edith Baer, project chairman of health education; Helen Gibson, chairman, and Gwendolyn Haight, secretary of discussion and handicraft; Marjorie Hunter, chairman, and Catherine Goodyear, secretary of chorus music.

Ruth Sterling, sophomore in education, is advisor for the freshman commission which is composed of the general chairmen and secretaries of the five divisions.

"OLD MAN INJURY" VISITS STATE TEAM

(Continued From Page One) winter rain, seems to have decided to spend a prolonged visit with the Beavers. Among his victims to date are Norman Franklin, out for the rest of the season with a broken arm; Tommy Ward, still hobbling about on a weak ankle; Hal Joslin, who has just recovered from a bad back bruise; Dan Mitola, still suffering from a dislocated shoulder; Harry Field, slowed by a strained leg, and finally Ed McIntosh and Willard Jarvis.

As a result of the unwanted visitation the Orangemen will enter the homecoming game decidedly lacking in reserves, especially at the left halfback post where only the starter, Hal Pangle, is left for service. The only experienced halfback carrying backs left are Biancone, Joslin and Little, the last two being fullbacks.

Even the elements seem to have turned against the Orangemen as the rain continued to pour yesterday. Bell field is getting a thorough soaking and will probably be wet and slippery, and as a result the heavier Oregon team will be conceded a greater edge in the game.

ELEPHANT BONES ADDED TO FOSSIL COLLECTION

Washington State College, Pullman, Nov. 2.—Bones of a prehistoric elephant have been added to the collection of fossils and petrified species of the geology department at Washington State college. The bones are the foreleg or tibia bones of this giant animal which roamed the northwest and are estimated to be 20,000 years old.

The bones were found on the ranch of W. L. Babb, south of Washtucna, and were presented to the department by his son, Donald. The Columbian elephant with which the tibia has been identified were numerous during the period of formation of the Palouse soil.

U.C.L.A. SORORITIES PRACTICE ECONOMY

Greek Letter Societies Boast Low Budgets for Recent Social Entertaining

Los Angeles, Calif., Nov. 2.—Taking literally the request of Dr. Ernest Carroll Moore, vice-president and provost of the University of California at Los Angeles that they eliminate all waste and forego elaborate entertainment during the current university year, sororities at the University of California at Los Angeles are exhibiting amazingly low budgets.

The past fortnight of post-rush season affairs which served to introduce their newly pledged members to campus life was staged by the entertaining groups with amazing economy, according to figures filed at the office of the dean of women. During that period 18 campus organizations, the majority of which were Greek letter organizations, entertained an average of 100 guests attending each affair, and several of the affairs boasting orchestras for dancing, the average cost per affair totals but \$21.44.

Costs of individual organization parties listed by the dean's office ranged from \$5 to \$60, with but one party listed to cost the latter amount. With the exception of one other affair listed as costing \$50, most of the entertainments cost \$35 and less and four organizations entertained with charming affairs which cost but \$5 each. These latter events, the young hostesses explain, vied with more extravagant parties in the number of guests entertained, but they boasted no orchestras and as they were given in the organizations' own homes, the total cost was the amount spent for punch.

Many of the Greek letter groups on the campus are actively engaged in one or another charity, and several chapters maintain scholarships, and it is felt that in a year when many students are finding it difficult to attend college, elaborate functions and expensive parties are in bad taste.

WASHINGTON STATE PLANS HOMEcoming FEATURES

Washington State College, Pullman, Oct. 28.—Students and faculty at Washington State college are planning one of the largest homecoming celebrations in the history of the school. Activities begin Friday night and last until late Saturday night, November 5. The classic of the weekend will be the game with the University of Idaho Saturday afternoon.

Friday night the students will be joined by the alumni in witnessing a huge pyrotechnic display on Rogers field. A program of collegiate entertainment composed of music, skits, yells, pep talks by coaches and prominent alumni will be given. The public address system will be installed so the entire program will be audible in all corners of the stands.

Saturday afternoon the Washington State Cougars will take the field against the University of Idaho. The 100-piece band will present novel musical and drill features on the field before the game and between halves. The yell king and his dukes have arranged special stunts for the amusement of the crowd. Former students will be guests at a banquet at the Commons. The annual homecoming dance is scheduled for Saturday night.

Traffic will be directed by members of the R.O.T.C. unit, and extra parking space will be provided.
