Doors to Bell Field Closed as Beavers Hold
Secret Scrimmage for Gonzaga Game

On the Cuff - -

"Bruising Orangemen" How Does That Sound to you?

By CHUCK BUXTON
Sock! Sock! Sock! That just about summarizes the Oregon State system of blocking and tackling this fall. "Get your man and rock him" is the new motto for the Orange football players and that is just what these men do. No longer will opponents help Oregon State players to their feet after a play but instead these Orangemen will have to do a lot of assisting to opposing players.

"Bruising Orangemen" — how does that sound? Something unheard of in the last 10 years but highly descriptive of this "new deal" football team which Lon Stiner is rapidly rounding into shape for the Gonzaga game in Portland Saturday. For references about the "bruising Orangemen" write to Howard Hobson of Southern Oregon Normal, Spec Keene of Willamette or "Bunny" Oakes of Montana. These three coaches probably could get plenty of written testimonials from their players about the change in the contact method of the Orangemen.

Loud were the moans by Hobson following his game 21 to 0 stand against the Orangemen about the brutal tactics of the Oregon State players who left his men with plenty of sore muscles and bruises. Keene, an Oregon State man by the way, watched his men give and take about equally for three quarters and then had to sit through 15 minutes of agony (for any coach hates to see his best players get tackled) while the Orange first string crushed the Beacrats.

The Willamette players were faring not badly until Kaiser took a three-tooth punch at John Biancone, Orange quarter. And for the first time in a varsity game in recent years an Oregon State player lost his temper and tossed a few fists for his teammate. More power to the fighting Ed "Toad" McIntosh, who rushed up the field to the aid of the fallen Johnny. Coach Stiner must have thought—"So they want fight, do they?"—for he immediately sent for the "bruising" first string to come down and finish the fray. Earlier in the afternoon these same men had played Southern Oregon Normal and had gone to showers with the seconds left to care for the Beacrats.

Back came the first-stringers and in no time at all the Beacrats folded up. Keene was burned up.

Now you may ask why can the Orangemen hold a scrimmage like that one last night and come up without any major casualties. Proper condition has a lot to do with injuries and these boys are in the best of condition. Another factor is that Coach Stiner says to the athlete seeking sympathy—"That's tough, but doesn't see Blah look great in your old position." And

BEAVERS PRACTICE IN SECRET SESSION

Heikenen, McIntosh, Look Good in Scrimmage When Second, Third, String Tangle; Stiff Workouts on Deck in Preparation for Gonzaga Tilt

By PHIL BRANDT

Holding a tough two-hour secret scrimmage yesterday afternoon Coach Lon Stiner and his Orange football squad settled down to four days of hard practice in preparation for the Gonzaga university game to be played in Portland next Saturday afternoon at 2 o'clock.

The second and third string spent the entire two hour session in a hard-fought scrimmage that had all the qualities of a real game, with the exception of the kickoff. The first string, after receiving a few new power plays, spent an hour on signal drill, winding up the practice period with a stiff half hour's work on the tackling and blocking dummies.

Intramural Groups To Begin Speedball, Basketball, Practice

Intramural groups interested in beginning speedball practice may secure balls from the towel room in the men's gym. The fields are open to the first ones to come. Speedball starts October 9 with a schedule out October 6. Basketball is one of the most popular sports on the intramural schedule this year with every intramural group signing the entry list. Practice may be held this week and next if courts are signed for on the bulletin board. Official competition begins October 16 with schedules available October 13.

considerably as he said "the bigger Orangemen went to town on his boys. Maybe it was bad for Keene but it surely was good for Oregon State as it united those eleven players into a fighting team which is bound to give many an opposing gridiron crew things to think about."

After hearing that Montana had a great team and that Bob Stansberry was the greatest ball-carrier on the coast the Orangemen went into action again. There was hardly a Montana player who saw time in the game who did not limp or have something the matter with him, while Stansberry, who really is a great ball carrier, packed the ball about twice before he was met past the line of scrimmage by Hal Pangle, who stopped the Montana back dead. Every time after that Stansberry just ducked his head and ran and caused the Orangemen little trouble.

Thinking that all this about the Orangemen being so "bruising" had some background, I wandered out to Bell Field last night and watched a two-hour scrimmage between the second and third string teams. Every time the ball was snapped headgear, shoulder pads and other protective devices began to take a beating as the two eleven jams into each other. The strange thing about the whole battle was that nobody was hurt. And that little scrimmage session was all in fun.

Look over the principle "bruisers" on the Oregon State first team and then thank your lucky stars you are not playing football for Gonzaga. Vic Curtin—200 pounds—very rough—left end; Tar Schwammel—220 pounds—nice suitable fellow out of a football suit—left tackle; Bill Tomshack—195 pounds—always drives even in practice—left guard; Clyde Devine—190 pounds—long, sharp arms

GUIDE STANFORD FOOTBALL DESTINY

The new coaching staff at Stanford, Cal., university includes (left to right) James W. Lawson, end coach; Ernie Nevers, backfield mentor, and Claude E. "Tiny" Thornhill, head coach. Thornhill is making his debut as a head coach after serving as assistant to "Pop" Warner for years. (Associated Press Photo)

OLD GRID MASTER SHOWS 'EM HOW AT TEMPLE

Glen S. "Pop" Warner, former Stanford coach, is now applying his strategy at Temple university in Philadelphia. He is showing the squad how the ball should be carried through the line, using his assistants for the demonstration. Left to right: Chuck Winterburn, backfield coach; Warner, Fred Swan, line coach, and Heinie Miller, end coach. (Associated Press Photo)

WASHINGTON CREW TO GET INVITATION

Oregon State Rowers Anxious to Schedule Meet Here
Definite action in the form of an invitation to the University of Washington crew to compete with an Oregon State college crew during homecoming was decided at a meeting of the Oregon State Rowing club held in the men's gymnasium last night.

The invitation extended to the northern school was accompanied by assurances to accommodate the visiting men during their stay here. The crew making the trip will not be the regular varsity shellmen, but will consist of one of the numerous teams prominent on the Washington campus. Regular workouts will be started as soon as the shells are launched, according to Albert Lubersky, president of the club. Friday at 4 o'clock has been set as the tentative date for the moving of the shells from Kidder hall.

Lubersky, being vice-president, assumed role of president when Gene O'Blisk, president, failed to return to school. Election for vice-president will be held at a later date. Crew work may be taken for credit by freshmen and sophomore men, and those men not taking crew for credit now may be transferred if they desire.

STUDENTS TO INSTRUCT HANDBALL IN ROOK GYM

Three students in education, Don Anderson, Wayne Harn and Tom Ward, will help in the instruction of handball for the freshman physical education classes. They will first give mass instruction in how to meet the ball correctly and in all of the fundamentals of the game. Later doubles and singles will be played in the form of a tournament. O. C. Mauthe plans to start class competition as soon as he can after the "motor-efficiency" tests are completed. He will post the handball class schedule in the gymnasium. Upper-classmen who wish to get more instruction in handball may enter these classes without credit as long as there is room.

and legs with wandering elbows and knees—center; Vernon Wedding—195 pounds—quiet but likes to rock 'em—right guard; Harry Field—228 pounds—just beginning to find that football is a serious business—right tackle; Woody Joslin—190 pounds—gracefully clumsy—

SIGMA DELTA PSI TO START TRIALS

First Fall Events Scheduled to Begin October 12
Sigma Delta Psi, national honorary in athletics, will swing into action Thursday, October 12, to assure completion of the listed fall tryouts.

The events are varied and the tests are so planned that only a versatile athlete can pass all of them. In the past five years only 25 men have successfully passed Sigma Delta Psi. Three men, John E. Alskog, Lloyd R. Williamson and Leon Underwood, passed the tests last year. Many rook candidates are expected at the first turnout, according to Ralph O. Coleman, director of intramural athletics.

Trophies for the greatest number of points are awarded to each fraternity and club winner on the campus. The men who pass all the tests satisfactorily are entitled to wear the official key of Sigma Delta Psi. Points that are gained by each fraternity or club shall count for the all-school intramural cup awarded each year to the organization having the largest per cent participation during the entire intramural program.

The events to be passed are as follows:

- 1. 100 yard dash—11 3/5 seconds.
- 2. 120 yard low hurdles—16 seconds.
- 3. Running high jump—5 feet.
- 4. Running broad jump—17 feet.
- 5. 16 lb. shot put—30 feet.
- 6. 20 foot rope climb—12 seconds.
- 7. Baseball throw or javelin throw—120 feet.
- 8. Football punt—120 feet.
- 9. 100 yard swim—1 minute, 45 seconds.
- 10. 1 mile run—6 minutes.
- 11. Front hand spring, landing on feet.
- 12. Hand stand—10 seconds.
- 13. Fence vault—chin high.
- 14. Good posture—Standard B (H. B.M.).
- 15. Scholarship—eligible for varsity competition.

CROSS COUNTRY RUNS WILL START MONDAY

All Contestants Must Take Physical Examinations Before Competing
Intramural cross country will start Monday, October 9th, with the contests being held every Monday, Tuesday, Thursday and Friday from 4:15 to 5 o'clock and from 5 to 6. The run will be over a four week period. Every man running cross country is required to take a physical examination at the health service. A man without the examination will be declared ineligible.

The course which requires 12 minutes to run, and is 2 miles in length, must be run three times before the contest opens. Cross country managers will check the name before and after each run from 4 to 6 o'clock until next Saturday.

Organizations, which are divided into two groups—fraternities and clubs—must enter five men to qualify for the intramural trophy during the four weeks of the contest. Each man will be allowed to hand in his name twice a week to the intramural manager in charge, and the organization having the greatest number of points will win. Only track and cross country lettermen will be ineligible, according to Ralph O. Coleman, head of the intramural sports department.

DEAN VISITS SEATTLE

William A. Schoenfeld, dean of agriculture, left yesterday for Seattle on business. He will return to the campus on Friday.

Co-ed Spotlight

Dancing Classes Start

By VELVO LUCAS

More men than women attended the first social dancing class under the supervision of Miss Betty Lynd Thompson, assistant professor of physical education, which began last Tuesday at 5 o'clock. According to Miss Thompson this is unusual as in the past there has always been more women than men. More co-eds are asked to turn out for these classes.

Beginning classes in social dancing will be held on Tuesdays at 5 o'clock. The intermediate group in dancing meets on Thursday at the same hour. Miss Thompson states that it is not too late to turn out for the beginning class in dancing. Although a small number of girls turned out for volley ball yesterday, a larger number is expected by the end of the week, and the sport promises to be one of the outstanding of this term.

The pool is open every day except Tuesday at 5 o'clock for all co-eds. Especially during these warm days this sport promises to attract a large number of women.

varsity competition, and their relative strength can be measured by their respective freshmen teams. The rooks will have plenty of stiff workouts with the varsity. In the past the babes have been drilled on various systems of play to give the Orange eleven experience against their coast conference opponents. This procedure will be followed again this year, until the rooks are drilled to a point where they will be able to offer real competition.

The dopsters are awaiting the meeting of the Orange babes and Slats Gill, the opposing basketball mentor, is making his debut as leader of the Orange yearlings. With Gill, the developer of champions, coaching the Orange team, Riehant will have plenty of worries on his hands.

MR. ROBERT L. RIPLEY

"Parker's Utterly New Vacuumatic Filler REVOLUTIONIZES FOUNTAIN PENS"

The Saeless, Ultra-Smart, Laminated Pearl Beauty that holds 102% more ink. Tells you when to refill, hence ends running dry.

Geo. S. Parker now announces a marvelous new Pen development in the Parker Vacuumatic Filler—a development that forever ends the nuisance of having your pen run dry at some critical moment.

Invented by a scientist at the University of Wisconsin, and developed by Parker, the Vacuumatic Filler is the first saeless pen containing no piston pump or valves—nothing to render it useless later. And it holds 102% more ink with no increase in size. Go right now and see this new-day writer. See how it fills by vacuum—see the ink within through the clear-vision rings—see the double quantity—try writing two ways with this one Reversible Point. All good pen counters are demonstrating The Parker Pen Co., Janesville, Wis.

THIS IS AN INK THAT PARES A PEN'S SELF-CLEANER—CONTAINS A SECRET SOLVENT THAT DISSOLVES SEDIMENT. DIES 51% FASTER THAN Average on Paper but—More Slowly on a Pen Point. —Its Name—PARKER QUINK

Parker VACUOMATIC FILLER Laminated Pearl or Plain Jet Pen with Match, \$3.50; Jet or Plain Transparent Pen, \$5; Pencil, \$2.50

PRESIDENTS AND DEPARTMENT HEADS OF THE LEADING UNIVERSITIES RECOMMEND WEBSTER'S COLLEGIATE

"The best American dictionary that has yet appeared for a college student to keep within arm's reach. It has no does not find between its covers in relation to the general use of words in speech or on printed pages will not be necessary to a liberal arts degree."—Orvan Leno, Director, Western Institute of Literature, University of Miami.

The best abridged dictionary because it is based on the "Supreme Authority"—Webster's New International Dictionary. 100,000 entries including hundreds of new words, with definitions, spellings, and correct use; a dictionary of Biography; a Glossary; a list of punctuation, size of capital, abbreviations, etc.; a dictionary of foreign words and phrases. Many other features of special value. 1,200 pages. 1,700 illustrations. See It At Your College Bookstore or Write for Information to the Publishers.

G. & C. MERRIAM CO. SPRINGFIELD, MASS.

SMUDGE

from the Pot

And now, boys and girls, that school has started in deadly (for some of us) earnest, the joke can be told about the rook at the Freshman Mix who said:

"When a girl goes out with me she can smoke and she can drink, but she's got to be decent."

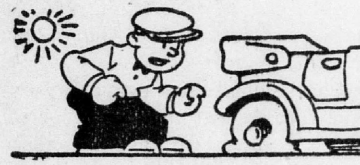

And to think there's such a little angel in the class of 1937!!

Good description of a last year's knit suit, girls!—"That brown boucle, the rear view of which looks like nothing so much as a worm's eye view of an occupied hammock." Yeah, we read that somewhere.

There are lots of dippy hats on the campus this fall. Have you noticed?

Current post-vacation question: Did you go to the World's Fair?

It is easy enough to be happy when you are out with a Delt(?) But the gal whose worth while is the gal who can smile when the gas runs out in the veid.

Meaning the jungle between here and Albany.

Did you ever hear the tale of poor Adelaide who "was so sweet and so pure and so simple—?" You ought to.

Who said good-looking rookesses?

GUNMAN

DEBATE MEET MARKS START OF PROGRAM

(Continued From Page One) each meet, in an endeavor to give experience to as many men as possible.

work. Pickthall, a three-year letterman, was graduated last spring. He won first place in the state old line oratorical in 1933, and previously had represented the college in other contests, including the state extempore contest in which he placed second.

McKnight, a two-year letterman, won the state peace contest two years ago. He was also one of those graduated. Another loss on the squad due to graduation was George Fletcher, a three-year letterman. Fletcher was an extempore speaker and won first place in the state after dinner speaking contest three years ago. In the four major contests in which he had entered, he had never received less than a third. Warren Reid, a one-year letterman, is lost to the squad due to his work on the Barometer. He participated in the state after dinner contest last year.

Only two lettermen remain in varsity oratory and extempore speaking. They are John Hamilton, winner of second place last year in the Pacific coast extempore speaking contest and Dick Bars, also a one year man, who received first place last spring in the state peace contest.

Other men who are from last year's squad are Nelson Smith and Ralph Boden, both of whom participated in the 1933 Linfield tournament, and Jesse Leonard, who won first place in last season's freshman contest.

Gus, the Delta Upsilon bulldog, who has modeled for statues, is again back at the fraternity to greet all comers.

Red Franklin, flashy Oregon State left halfback, who was picked on the all-opponents team last season by Washington State college, has already this season shown himself to be far above last year's standard. Franklin does the ball packing for the Beavers and is counted upon for points against Gonzaga in Portland Saturday.

Etherizing

(Continued From Page Two) grams over a coast-to-coast CBS network beginning Monday, October 16, at 5:30 p.m. Will you give a listening-ing-ing-ing?

And just in case you didn't know it, Ye Olde Oregon Loggers have a right smart following on their Monday night broadcasts from KOAC. One hundred and twenty-three letters last week, and about two hundred spectators in the studio last Monday eve. They're on every Monday at 8:30 p.m.

AIRLINES

Tito Guizar sang two hours steadily at a fashionable party in Old Westbury, L. I., this week to fill twenty requests for songs in four languages. There were 3,800 people cramed into Carnegie Hall to see the debut of Harry Richmond and Milton Berle on the Fred Waring program, and there were plenty more in 57th street wishing they had come earlier.

The Mystery Chef is a scion of the Scottish landed gentry. Charles Carlisle is tired of brushing the cool, creamy foam

PHRATERES HOLDS FIRST MEETING OF FALL TERM

Phrateres, national social organization for college women, held its first open meeting Monday night at 7:30 o'clock in Memorial Union 217. Plans were made for a series of monthly dinners to be held during the term, the first one being scheduled for Monday, October 23. Louise Scheel, sophomore in home economics, is chairman of the dinners and those assisting her are Rebecca Oglesby, junior in secretarial science; Mable Sandoz, junior in home economics, and Inex Gilbert, senior in pharmacy. Thelma Gentry, social chairman, gave a report of the social events of the organization for fall term.

off his mustache so he shaved it off this week (the mustache, not the foam).

Vera Van, the pretty blonde songstress from California, is fast becoming a favorite with CBS musicians; the men in Mark Warnow's orchestra gave her a great big hand after her debut in "Mark Warnow Presents" last week.

While scanning the efforts of our friend O. O. McIntyre some weeks

SOCIETY

New Chaperones Honored

Miss Mary McIntyre, Mrs. Mary Drake and Mrs. Laura Olson, house mothers of Sigma Kappa, Pi Beta Phi and Alpha Chi Omega, are giving a tea this afternoon at the Alpha Chi Omega sorority house in honor of Mrs. Alice Fisher of Alpha Delta Pi, Mrs. Cora Jackson of Gamma Phi Beta and Mrs. A. E. Parr of Delta Delta Delta, who are new house mothers on the campus this year.

Miss McIntyre has been here for 17 years and Mrs. Olson and Mrs. Drake have both been here nine years.

ago we were quite taken by a terrific tongue twister. It seems that a couple were arrested by a police officer in Lieth, a small town in France. After considerable grilling they were set free, and stated the fact to a friend in this fashion, "The Lieth police dismisseth us."—like it?

PLEDGING ANNOUNCED

Phi Mu Delta announces the pledging of Gerald Baker, freshman in engineering, of Portland.

FORENSIC APPOINTMENTS ANNOUNCED BY MANAGER

Five forensic appointments for this year were announced yesterday by Kenneth Scott Wood, junior in education, general forensic manager. They are Rich Warrington, junior in pre-medicine, manager of men's varsity debate; Mansfield Howells, sophomore in journalism, assistant manager; Le Verne Hessler, senior in home economics, manager of women's varsity debate; John Hamilton, junior in commerce, manager of oratory and extempore speaking, and Melvin Brees, sophomore in pharmacy, intramural debate manager.

RADIO KOAC SCHEDULES "CORN DRYING" SPEECH

Radio KOAC has scheduled at 12:20 o'clock today a talk on "Corn Drying," by F. E. Price, the first of a series of two on this subject. At 2 o'clock Anthony Euwer will continue his discussion of the poets in Oregon and elsewhere.

"Rubber Tires for Tractors" will be the topic of an address at 7 o'clock tonight by Clyde Walker, terminating the agriculture programs for the day.

ONE YEAR AGO

Beaver football men start drill for Trojan game after a 27 to 0 defeat at the hands of the Stanford Indians. The Stanford clash brought out some outstanding men who should prove to be valuable to the team, before the season is over.

FORMER STUDENTS TEACHING IN CHINA

(Continued From Page One) in 1928 and 1929 is teaching with Miss Hamna Kim at Ewha College.

Another prominent leader in Home Economics who received her masters degree here in 1931 is Miss Boui Lang Ding, head of the home economics department in Hwa Non college at Foochow, located half way between Peking in the north and Canton in the south.

Many of us remember charming Pik Wan Hoh, who left last summer for Canton after two years advanced study on the campus. She is now teaching in the Lingnan university. This too is a co-educational institution. The home economics rooms are especially designed in the women's dormitory and a fund has been started for the home-management house. Before sailing Miss Hoh married Kawn L. Wang, graduate student on the campus last year.

Miss Woh Ping Loh, who has been teaching in the True Light Middle school in Condon, was expected to arrive to take graduate work this fall but due to the unexpected death of her honorable father will be unable to come until winter term.

Four years after Dean Milam's

work in China the Chinese government made home economics a requirement in all high schools for girls.

If the interest is maintained and the means continue, the Chinese women will have opportunities to study home economics, comparable to those of American women, and thus generally improve the Chinese standard of living. Oregon State will be proud of its helpful aid in advancing the work.

PICNIC FOR ROOKESSES SCHEDULED BY Y.W.C.A.

The Y.W.C.A. invites all rookesses to the annual freshman commission picnic on Mary's river tomorrow afternoon following social ethics class.

Elizabeth Steel, advisor of freshman commission, announces that at this time the new girls will have the opportunity of selecting their hobbies for the year. Those interested will include such groups as social, handicraft, office hostess, radiocraft and discussions.

Miss Marion Bertram, now Y. W. C. A. secretary, will be introduced to the girls at the picnic.

WOMEN RECEIVE OFFICES

Two Oregon State women received offices in the international organization of past queens and honorary members of Job's Daughters, fraternity organization for girls, which was recently installed at the annual convention in Flint, Michigan, August 24 to 26. Beatrice Ames, junior in home economics, was elected international recording secretary, and Doris Shaver, senior in home economics, international corresponding secretary.
