MISCELLANEOUS INFORMATION.

ADMISSION, EXAMINATION, ETC.

Candidates for admission, if from another Institution, must satisfy the Faculty with respect to their honorable withdrawal from the same.

None will be admitted into the Freshman Class under fourteen years of age; nor into any advanced class without a corresponding age. Candidates will be examined on the studies previously pursued by the class which they propose to enter.

Public examinations of the classes are made at the close of the year, and no student who absents himself from the examination, or fails to master the studies of the session, will be permitted to proceed with his class.

SCIENTIFIC COURSE.

The full Collegiate Course above prescribed, is earnestly recommended as best for all, but if any prefer to omit the Ancient Languages, they can pursue the Scientific Course, embracing the remaining studies in the foregoing scheme.

DEGREES.

The degree of Bachelor of Science, Bachelor of Arts, and Master of Arts, are the regular degrees conferred by the College.

The first named is granted to those who complete, in a satisfactory manner, the scientific course.

The degree of Bachelor of Arts is conferred on those, only, who pursue the full course, Classical and Scientific.

The degree of Master of Arts may be conferred, in course, on every Bachelor of Arts of three years standing, or more, who has been engaged, since his graduation, in some literary occupation,

and has sustained a good moral character. It will be conferred only on those who apply for it at least a week before commencement, and provide for the payment of the customary fee.

FEMALE DEPARTMENT.

Young ladies will be admitted into all the College Classes, and will be entitled to the same honors and diplomas as are conferred upon young gentlemen.

In addition to the thorough mental discipline that this arrangement will give them, competent instructors will be secured for the departments of Music, Painting, Drawing, etc.

The College is located in Corvallis, Benton County, Oregon. To those who have once visited Corvallis, there is no need of mentioning that our city, in point of climate and natural scenery, is unsurpassed in the State. Corvallis is justly noted for the salubrity and healthfulness of its climate.

COLLEGE LAWS.

Believing that the perfection of government consists in teaching others to govern themselves, the Trustees publish the following rules, more to indicate the *principles* which students will be required to observe than to constitute a code of statutes :

1. Students will be required to abstain from all obscene and profane language.
2. They will be expected to maintain a gentlemanly deportment towards the teachers and one another.
3. No student shall play at cards or billiards, or frequent places of gambling or drinking, or buy, keep, or use in his room or elsewhere, any intoxicating liquors.

4. No one can remain a member of the Institution who is idle or vicious, or whose influence is considered detrimental to the discipline or reputation of the College.

6. All students will be required to practice punctuality and diligence, and to yield prompt and cheerful obedience to such additional regulations as the Faculty may from time to time find it expedient to adopt.

COLLEGE LIBRARY AND CABINET.

Donations to the Library and Cabinet of Natural Curiosities are solicited from friends throughout the State.

AGRICULTURAL COLLEGE.

The Legislature, at its last session, by the passage of the following bill, designated CORVALLIS COLLEGE as the Agricultural College of the State :

AN ACT to secure the Location of the Lands Donated by Congress to the State for an Agricultural College, and to establish such College.

Be it enacted by the Legislative Assembly of the State of Oregon :

SECTION 1. That J. F. Miller, J. H. Douthit, and J. C. Avery are hereby constituted a Board of Commissioners, with power—

1. To locate all the lands to which this State is entitled by act of Congress, for the purpose of establishing an Agricultural College; and, as soon as such locations are made, to report the same to the Secretary of State;

2. To take into consideration the further organization and perfecting of a plan for the permanent establishment of such College, in accordance with the requirements of the Act of Congress making such donation, and report the same to the Governor by the first day of August, 1870;

3. To fill all vacancies in the College, by appointment, that may occur in any senatorial district under the provisions of this Act.

SEC. 2. That, until other provisions are made, the CORVALLIS COLLEGE is hereby designated and adopted as the Agricultural College, in which all students sent under the provisions of this Act shall be instructed in all the arts, sciences, and other studies, in accordance with the requirements of the Act of Congress making such donation.

SEC. 3. Each State Senator is hereby authorized and empowered to select one student, not less than sixteen years of age, who shall be received by the Faculty of said College, and instructed by them in the manner provided in this Act, for the space of two years, unless such student shall be discharged for misconduct; *Provided, however,* That this Act shall not be binding until the Trustees of said College shall adopt a resolution, and file a certified copy thereof with the Secretary of State, assenting to and agreeing on their part to faithfully carry out the provisions of this act.

SEC. 4. Upon the certificate of the President of the Corvallis College that any student so appointed is in attendance at school, it shall be the duty of the Secretary of State, at the middle of each

quarter, to draw his warrant upon the State Treasurer in favor of the said College for the sum of \$11.25 for each student so attending. And it shall be the duty of the State Treasurer to pay such warrants out of any funds in his hands not otherwise appropriated, and a separate account of such funds shall be kept, and designated the "agricultural college funds."

SEC. 5. All funds paid out in accordance with the provisions of the foregoing sections, with interest thereon at ten per cent. per annum, shall be refunded to the State Treasurer from the first interest that shall accrue from the proceeds of the sale of any lands located for said College.

SEC. 6. The Board of Commissioners hereby created shall make all the reports required by law, and shall each receive a salary of five dollars per day for the number of days actually employed, to be paid upon the sworn statement of such Commissioner.

WHEREAS, It appears that, unless an agricultural college is provided by law at this session of the Legislature, the grant by Congress will be lost, therefore this Act shall take effect from the date of its passage.

Approved October 27, A. D. 1868.

The Trustees of the College met on the 31st day of October, A. D. 1868, when the following preamble and resolution, accepting the donation made by the Legislative Assembly, were read, and, on motion, adopted :

WHEREAS, The Legislative Assembly of the State of Oregon did, on the twenty-fifth of October, A. D. 1868, pass an Act entitled "An Act to secure the location of the lands donated to the State for an Agricultural College, and to establish such College, the same having been approved October 27th; and

WHEREAS, Said Legislative Assembly did designate and adopt CORVALLIS COLLEGE as the Agricultural College, in which all students sent under the provisions of said Act should be instructed in all the arts, sciences, and other studies, in accordance with the requirements of the Act of Congress making such donation; therefore,

Be it resolved by the Trustees of Corvallis College. That said Act, with all its privileges and requirements, is hereby accepted, and we promise on our part faithfully to carry out the provisions of said Act.

W. B. BRYAN, President *pro tem.*
