SUMMARY.

Senior Class.	4
Junior Class.....	10
Freshman Class.....	14
Preparatory Classes.....	101
Primary Classes.....	40
	169
Total.....	169

COURSE OF STUDY.

PRIMARY DEPARTMENT.

Orthography (Sanders & Willson).	Mental Arithmetic.
Reading (Willson).	First Lessons in Geography.
Writing.	Object Lessons.

PREPARATORY DEPARTMENT.

Reading (Willson's series).	Natural Philosophy (Quackenbos).
Arithmetic (Thompson & Robinson).	Astronomy (Mattison).
English Grammar (Kerl & Quackenbos).	Latin Reader.
History of the United States.	Greek Reader.
Writing (Spencerian system).	Latin (Cæsar's Com., 4 books).
Latin, first book (McClintock & Crook's).	Greek Testament.
Greek, first book.	Physiology, first lessons (Cutter).
	Elementary Algebra (Davies).
	Book-Keeping (Fulton & Eastman).

COLLEGIATE DEPARTMENT.

FRESHMAN CLASS—FIRST TERM.

Algebra.....	<i>Davies' Bourdon.</i>
Physiology.....	<i>Cutter.</i>
Composition and Rhetoric.....	<i>Quackenbos.</i>
Latin.....	<i>Sallust.</i>
Greek.....	<i>Xenophon's Anabasis.</i>

SECOND TERM.

Algebra (completed)	<i>Bourdon.</i>
Geometry (five books)	<i>Davies' Legendre.</i>
Elocution	<i>Russell.</i>
Latin	<i>Ovid and Virgil.</i>
Greek	<i>Herodotus.</i>
Classical Literature	<i>Fiske.</i>

THIRD TERM.

Latin	<i>Virgil.</i>
Greek	<i>Homer's Iliad.</i>
Geometry (completed)	<i>Davies' Legendre.</i>
General History	<i>Willson.</i>
Classical Literature	<i>Fiske.</i>

SOPHOMORE CLASS—FIRST TERM.

Plane Trigonometry	<i>Legendre and Loomis.</i>
Mensuration of Surfaces, Heights and Distances “	“
Latin	<i>The Odes and Epodes of Horace.</i>
Greek	<i>Homer's Odyssey.</i>
Zoology	<i>Agassiz.</i>

SECOND TERM.

Spherical Trigonometry	<i>Legendre and Loomis</i>
Mensuration of Solids	“
Latin	<i>The Satires and Epistles of Horace</i>
Greek	<i>Homer's Odyssey</i>
Political Economy	<i>Wayland</i>

THIRD TERM.

Surveying and Navigation	<i>Robinson</i>
Latin	<i>Cicero's De Senectute et Amicitia</i>
Greek	<i>Xenophon's Memorabilia</i>
Political Science	<i>Story</i>

JUNIOR CLASS—FIRST TERM.

Analytical Geometry	<i>Loomis</i>
Rhetoric	<i>Whately</i>
Latin	<i>Tacitus</i>
Greek	<i>Sophocles' Electra</i>

SECOND TERM.

Calculus.....	<i>Loomis</i>
Chemistry.....	<i>Porter</i>
Logic.....	<i>Whately</i>
Latin.....	<i>Juvenal</i>

THIRD TERM.

Mechanics.....	<i>Olmstead</i>
Botany.....	<i>Wood</i>
Physical Geography.....	_____
Greek.....	<i>Demosthenes De Corona</i>

SENIOR CLASS—FIRST TERM.

Natural Philosophy.....	<i>Olmstead</i>
Moral Science.....	<i>Wayland and Rivers</i>
Natural Theology.....	<i>Paley</i>

SECOND TERM.

Astronomy.....	<i>Olmstead</i>
English Literature.....	<i>Shaw</i>
Geology and Mineralogy.....	<i>Hithcock</i>
Mental Philosophy.....	<i>Upham</i>

THIRD TERM.

Analogy of Religion.....	<i>Butler</i>
Criticism.....	<i>Kames</i>
Law of Nations.....	<i>Vattel</i>
Evidences of Christianity.....	<i>Paley</i>

There will be weekly exercises in Composition, Declamation and Original Addresses.

MISCELLANEOUS INFORMATION.

ADMISSION, EXAMINATION, ETC.

Candidates for admission, if from another Institution, must satisfy the Faculty with respect to their honorable withdrawal from the same.

None will be admitted into the Freshman Class under fourteen years of age; nor into any advanced class without a corresponding age. Candidates will be examined on the studies previously pursued by the class which they propose to enter.

Public examinations of the classes are made at the close of the year, and no student who absents himself from the examination, or fails to master the studies of the session, will be permitted to proceed with his class.

SCIENTIFIC COURSE.

The full Collegiate Course above prescribed, is earnestly recommended as best for all, but if any prefer to omit the Ancient Languages, they can pursue the Scientific Course, embracing the remaining studies in the foregoing scheme.

DEGREES.

The degrees of Bachelor of Science, Bachelor of Arts, and Master of Arts, are the regular degrees conferred by the College.

The first named is granted to those who complete, in a satisfactory manner, the scientific course.

The degree of Bachelor of Arts is conferred on those, only, who pursue the full course, Classical and Scientific.

The degree of Master of Arts may be conferred, in course, on every Bachelor of Arts of three years standing, or more, who has been engaged, since his graduation, in some literary occupation, and has sustained a good moral character. It will be conferred only on

those who apply for it at least a week before commencement, and provide for the payment of the customary fee.

FEMALE DEPARTMENT.

Young ladies will be admitted into all the College Classes, and will be entitled to the same honors and diplomas as are conferred upon young gentlemen.

In addition to the thorough mental discipline that this arrangement will give them, competent instructors will be secured for the departments of Music, Painting, Drawing, etc.

LOCATION.

The College is located in Corvallis, Benton County, Oregon. To those who have once visited Corvallis, there is no need of mentioning that our city, in point of climate and natural scenery, is unsurpassed in the State. Corvallis is justly noted for the salubrity and healthfulness of its climate.

SESSIONS.

The School Year is divided into three sessions of fourteen weeks each. There is one vacation of ten weeks.

MERIT AND DEMERIT.

A daily record of the merit and demerit of each pupil is kept, which is at all times subject to the examination of parents and guardians.

EXPENSES.

TUITION PER SESSION, Primary Dep't	\$ 6 00
Preparatory (English) "	\$8 00 & 10 00
" (Classical) "	12 00
Collegiate (Irregular) "	13 00
" (Regular) "	15 00
EXTRAS, Music, (Piano)	17 50
Modern Languages, each	8 00
Graduating Fee, Classical Course	10 00
" " Scientific Course	5 00

PAYMENT.

Tuition is payable *in all cases* in advance. When payment is delayed until the close of the session, ten

per cent. additional will be charged.

No one living out of the county will be admitted into the classes until tuition fees are paid.

Special conditions to Clergymen.

Pupils can enter at any time, and pay from the *time of entering to the close of the session*. No deduction is made for absence of less than two weeks, and then only in cases of sickness.

Payment required in U. S. GOLD COIN.

FUNDS.

The parent of each minor in the male department, is expected to name some member of the Faculty as the guardian of his son while attending College, with whom his funds shall be deposited, and to whom he shall be accountable for their proper use. The funds for young ladies must be deposited with the keeper of the boarding house. Most of our difficulties arise from the improper use of money injudiciously intrusted to pupils.

All persons are forbidden to trust a minor without the consent of his or her guardian.

BOARDING.

No pupil will be allowed to board at a place not approved by the Faculty; and no pupil will be allowed to change from one boarding house to another without permission.

Young Ladies will be required to board at the Young Ladies' Boarding House, unless they have near relatives who can receive them, and who are willing to assume the entire responsibility of their government.

Boarding four dollars per week.

Young men, by renting rooms, can board themselves at half this amount.

LITERARY SOCIETIES.

There are two Literary Societies (the Adelpian and Philomathian) in connection with the College, which meet weekly for Debate, Declamation and Composition.

GOVERNMENT.

The discipline of the Institution will be mild, but

firm. Our rules are such as we believe best calculated to develop the mental and moral faculties. No pupil who is idle or vicious, or whose influence is detrimental, will be permitted to remain. All pupils over fourteen years of age will be required to sign the laws before entering the classes.

RELIGIOUS EXERCISES.

The public duties of each day are opened with appropriate religious exercises. Attendance upon these, and also at some place of worship on the Sabbath, is required of all pupils.

CALENDAR FOR 1870—71.

First Session begins September 14, 1870.

First Session ends December 16, 1870.

Second Session begins December 19, 1870.

Second Session ends March 23, 1871.

Third Session begins March 27, 1871.

Annual Examination begins June 26, 1871.

Commencement Exercises, Thursday, June 29, 1871.

COLLEGE LAWS.

Believing that the perfection of government consists in teaching others to govern themselves, the Trustees publish the following rules, more to indicate the *principles* which students will be required to observe than to constitute a code of statutes:

1. Students will be required to abstain from all obscene and profane language.
2. They will be expected to maintain a gentlemanly deportment towards the teachers and one another.
3. No student shall play at cards or billiards, or frequent places of gambling or drinking, or buy, keep, or use in his room or elsewhere, any intoxicating liquors.
4. No one can remain a member of the Institution who is idle or vicious, or whose influence is considered detrimental to the discipline or reputation of the College.
5. Young ladies boarding in the village or vicinity, who are under the care of the Faculty, will not be permitted to receive the visits of young gentlemen, with-

out the written consent of their parents, under such restrictions as the Faculty may require.

6. All students will be required to practice punctuality and diligence, and to yield prompt and cheerful obedience to such additional regulations as the Faculty may from time to time find it expedient to adopt.

COLLEGE LIBRARY AND CABINET.

Donations to the Library and Cabinet of Natural Curiosities are solicited from friends throughout the State.

AGRICULTURAL COLLEGE.

The Legislature, at its last session, by the passage of the following bill, designated **CORVALLIS COLLEGE** as the Agricultural College of the State :

AN ACT to secure the Location of the Lands Donated by Congress to the State for an Agricultural College, and to establish such College.

Be it enacted by the Legislative Assembly of the State of Oregon:

SECTION 1. That J. F. Miller, J. H. Douthit, and J. C. Avery are hereby constituted a Board of Commissioners, with power—

1. To locate all the lands to which this State is entitled by act of Congress, for the purpose of establishing an Agricultural College; and, as soon as such locations are made, to report the same to the Secretary of State;

2. To take into consideration the further organization and perfecting of a plan for the permanent establishment of such College, in accordance with the requirements of the Act of Congress making such donation, and report the same to the Governor by the first day of August, 1870;

3. To fill all vacancies in the College, by appointment, that may occur in any senatorial district under the provisions of this Act.

SEC. 2. That until other provisions are made, the **CORVALLIS COLLEGE** is hereby designated and adopted as the Agricultural College, in which all students sent under the provisions of this Act shall be instructed in all the arts, sciences, and other studies, in accordance with the requirements of the Act of Congress making such donation.

SEC. 3. Each State Senator is hereby authorized and empowered to select one student, not less than sixteen

years of age, who shall be received by the Faculty said College, and instructed by them in the manner provided in this Act, for the space of two years, unless such student shall be discharged for misconduct; *Provided, however,* That this Act shall not be binding until the Trustees of said College shall adopt a resolution, and file a certified copy thereof with the Secretary of State, assenting to and agreeing on their part to faithfully carry out the provisions of this Act.

SEC. 4. Upon the certificate of the President of the Corvallis College that any student so appointed is in attendance at school, it shall be the duty of the Secretary of State, at the middle of each quarter to draw his warrant upon the State Treasurer in favor of the said College for the sum of \$11.25 for each student so attending. And it shall be the duty of the State Treasurer to pay such warrants out of any funds in his hands not otherwise appropriated, and a separate account of such funds shall be kept, and designated the "Agricultural College funds."

SEC. 5. All funds paid out in accordance with the provisions of the foregoing sections, with interest thereon at ten per cent. per annum, shall be refunded to the State Treasurer from the first interest that shall accrue from the proceeds of the sale of any lands located for said College.

SEC. 6. The Board of Commissioners hereby created shall make all the reports required by law, and shall each receive a salary of five dollars per day for the number of days actually employed, to be paid upon the sworn statement of such Commissioner.

WHEREAS, It appears that, unless an agricultural college is provided by law at this session of the Legislature, the grant by Congress will be lost, therefore this Act shall take effect from the date of its passage.

Approved October 27, A. D. 1868.

The Trustees of the College met on the 31st day of October, A. D. 1868, when the following preamble and resolution, accepting the donation made by the Legislative Assembly were read, and on motion, adopted:

WHEREAS, The Legislative Assembly of the State of

CORVALLIS COLLEGE.

regon did, on the twenty-fifth of October, A. D. 1868, pass an Act entitled "An Act to secure the location of the lands donated to the State for an Agricultural College, and to establish such College, the same having been approved October 27th; and

WHEREAS, Said Legislative Assembly did designate and adopt CORVALLIS COLLEGE as the Agricultural College, in which all students sent under the provisions of said Act should be instructed in all the arts, sciences, and other studies, in accordance with the requirements of the Act of Congress making such donation; therefore,

Be it resolved by the Trustees of Corvallis College, That said Act, with all its privileges and requirements, is hereby accepted, and we promise on our part faithfully to carry out the provisions of said Act.

W. B. BRYAN, President *pro tem*.

B. R. BIDDLE, Secretary.

The Board, at a subsequent meeting, appointed a committee for the purpose of preparing a *course of study* in Agriculture and the Mechanic Arts, said Committee to report at the next session of the Board of Trustees.

AGRICULTURAL COURSE.

"Chemistry is the corner-stone of Scientific Agriculture."—DR. JOHN A. WARDER.

"Without a knowledge of Physics, of Chemistry, and of Agricultural Geology in the widest signification, is no understanding of Plant and Animal life to be gained. The Natural Sciences can never be learned, *thoroughly*, that is, so that practical application of them can be made in life, from books or lectures. The student will grasp, understand, and assimilate mentally what he has learned, and read only when he *makes Chemical Experiments, Physical Experiments, dissects Plants, and investigates and observes for himself.*"

The work laid down in the following course is designed at once to supplement and explain the Lectures delivered from time to time on the various branches of Agriculture, and to afford such general education as is absolutely necessary to progress in any direction, and which must, for the present, be provided for students here, since they do not bring it with them.

Students desiring to remain but a single year and pursue special branches during that time, will be allowed to do so.

APPARATUS.

During the past year the College has received from New York a splendid Philosophical and Chemical apparatus,—a *desideratum* in this Department.

COURSE OF STUDY.

FIRST YEAR.—*First Term.*—Chemical Physics and Inorganic Chemistry, Structural and Physiological Botany. First five books of Davies' Legendre.

Second Term.—Organic Chemistry. How Crops Grow. English Language.

Third Term.—Qualitative Analysis. Detection of the alkalis, alkaline-earths, earths, etc. Systematic Botany; Excursions and Collections. English Language.

SECOND YEAR.—*First Term.*—Qualitative Analysis continued. Detection and Separation of the Elements. Chain Surveying and Mensuration. Geometrical Drawing. General Principles of Zoology, (or German).

Second Term.—General Principles of Geology. Vegetable Economy; How Plants Feed. Topographical Drawing. Animal Physiology, (or German).

Third Term.—Geology of Oregon. Vegetable Economy. Entomology, (or German).
