ACADEMIC COSTUME

ACADEMIC GOWNS represent a tradition which comes down from the universities of the Middle Ages. At that time they were a common form of dress and were retained by the clergy when the laity adopted more modern styles. The caps, originally round, later became square mortar boards. The hoods attached to the gown were originally cowls which could be slipped over the head for protection from the weather.

The significance of the costume is indicated especially by the sleeves and hoods. The bachelor's gown has pointed sleeves; the master's gown has long, closed sleeves; and the doctor's gown has bell-shaped sleeves and velvet trimmings.

The colored velvet border of the hood indicates the field of study to which the degree pertains. For example, Agriculture is maize; Arts and Humanities, white; Business, drab; Education, light blue; Engineering, orange; Forestry, russet; Home Economics, maroon; Music, pink; Pharmacy, olive green; Philosophy, dark blue; Physical Education, sage green; Science, golden yellow; Veterinary Science, gray.

The colorful lining of the hood indicates the institution from which the wearer received his or her degree. The lining of the Harvard University hood, for example, is crimson; Yale, blue; Wisconsin, bright red; Minnesota, old gold and maroon; California, gold; Washington, purple above gold; Oregon, lemon yellow and dark green; Stanford, cardinal; Michigan State, green; Iowa State, gold above cardinal; Oregon State, burnt orange.

ACADEMIC PROCESSIONS

PROCESSIONAL

Chief Marshal

The President of the University and Guests

The Faculties

The Candidates for Advanced Degrees

The Class of 1974

RECESSIONAL

The order of the Recessional is the reverse of the Processional, the Class of 1974 marching first and the President and Chief Marshal last.

ACADEMIC COLORS

Doctoral candidates wear gold tassels and candidates for master's degrees wear black tassels on their caps.

The tassels of the caps of candidates for baccalaureate degrees are in colors distinctive of their schools according to the Academic Costume Code:

The Graduate School	Black, gold
The College of Liberal Arts	White
The College of Science	Golden yellow
The School of Agriculture	Maize
The School of Business and Technology	Drab
The School of Education	Light blue
The School of Engineering	Orange
The School of Forestry	Russet
The Division of Health and Physical Education	Sage green
The School of Home Economics	Maroon
The School of Pharmacy	Olive green

The flowers in the auditorium are *Eremurus*, commonly called Desert Candle or Fox-tail Lily.

PROFESSIONAL SCHOOLS AND DIVISION

The undergraduate professional curricula at Oregon State University are offered through the Schools of Agriculture, Business and Technology, Education, Engineering, Forestry, the Division of Health and Physical Education, and the Schools of Home Economics and Pharmacy. The School of Oceanography offers graduate degrees only.

Candidates receive their diplomas from their deans in the order listed below.

School of Agriculture

Wilbur Tarlton Cooney/*Dean*

The diverse professional and occupational areas in agriculture include production, processing, and marketing of food and fiber; outdoor recreation; and efficient utilization of human and natural resources. The main instructional fields within the School are Agricultural Chemistry, Agricultural Economics, Agricultural Education, Agricultural Engineering Technology, Agronomic Crop Science, Animal Science, Fisheries Science, Food Science and Technology, Horticulture, Poultry Science, Rangeland Resources, Soil Science, and Wildlife Science. Extension methods and veterinary medicine offer additional areas of instruction and the Agricultural Experiment Station and the Oregon State University Extension Service are closely connected with the School and its programs.

School of Business and Technology

Earl Goddard/Dean

The School of Business and Technology offers major work in Business Administration with concentrations in general business, international business, accounting and cost control, financial management, management, management science, marketing management, personnel management and industrial relations, and agricultural business management. Minors to accompany each major are available in science, applied mathematics, agriculture, behavioral science, computer science, food technology, forestry, and industrial engineering. The School also offers major curricula in Business Education and Distributive Education (jointly with the School of Education) and in Office Administration. With the School of Home Economics, it offers a joint program in Hotel and Restaurant Management, and a joint program in Residential Institution Management with the School of Home Economics and the Division of Health and Physical Education.

School of Education

Stanley Ellsworth Williamson/*Dean*

The School of Education offers undergraduate preparation for teaching in elementary and secondary schools, and graduate programs in guidance, adult education, community college teaching, remedial reading, and student personnel work. For elementary and secondary school teaching, students may prepare in art, English, health, mathematics, modern languages, music, physical education, or science. For secondary school teaching, they may prepare in biological and physical sciences, journalism, language arts-social studies, social studies, or speech communication, or in one of the vocational fields—agricultural education, business education, home economics education, distributive education, or industrial education.

Division of Health and Physical Education

James Waldo Long/Director

This Division is responsible for professional study programs leading to baccalaureate degrees in Health emphasizing school health education, community health education, or environmental health, and in Physical Education emphasizing school physical education, athletic training, or applied education. The Division also provides basic instruction in health and physical education for all OSU students; professional service courses in health and physical education for students in the Colleges and Schools of the University; basic four-year and standard five-year teacher education programs; and professional courses in health and physical education for graduate programs. The Division cooperates in the interdisciplinary major in Residential Institution Management.

School of Pharmacy

Charles Owens Wilson/*Dean*

The curriculum for the School of Pharmacy consists of two years of prepharmacy courses taken during the freshman and sophomore years, followed by three years of professional pharmacy courses, making a total of five years required to complete formal pharmacy education. Major areas include Pharmaceutical Chemistry, Pharmaceutical Science, and Pharmacology and Toxicology. A student may concentrate in such areas as general pharmacy practice, clinical pharmacy, administrative pharmacy, or industrial pharmacy, or may prepare for graduate study.

B.Ed., 1950, Wisconsin State University
M.S., 1961, University of Wisconsin
Major: Education

Major Professor: E. Smith

Thesis: A Factor Analysis of the Occupational Competence of Vocationally Certified Teachers of Business Education Subjects

Jack Starr, Tacoma, Washington

B.S., 1961, University of Idaho
M.S., 1964, University of Idaho
Major: Education

Major Professor: P. Atteberry

Thesis: An Analysis of Selected Program Outcomes in the Industrial Arts Education Project: Occupational Versatility

* Candidate who completed all requirements and was awarded a diploma at the end of summer term, 1973.

William B. Warberg, Portland

B.S., 1956, Linfield College
 M.S.T., 1971, Portland State University
 Major: Education
 Major Professor: P. Davis

Thesis: An Analysis of the Ability and Achievement of Students in Career Cluster Programs Compared to Students not in Career Cluster Programs

***Marvin Wesley Weiss, Oregon City**

B.S., 1955, Dickinson State College
 Ed.M., 1964, University of Oregon
 Major: Education

Major Professor: M. Miller

Thesis: Coordination and Cooperation Between Community Colleges and Community Schools in Selected Community College Districts

DOCTOR OF PHILOSOPHY**Wanee Akratanakul, Thailand**

B.S., 1968, Kasetsart University
 M.S., 1970, Oregon State University
 Major: Horticulture

Major Professor: J. Baggett

Thesis: The Inheritance and the Responses to Plant Spacing, Fertilizer and Transplanting of Axillary Heading in Cabbage, *Brassica oleracea* var. *capitata*

Edward Elmo Albin, Livermore, California

B.S., 1967, University of California, Berkeley
 M.S., 1969, University of California, Livermore
 Major: Biochemistry

Major Professor: R. Newburgh

Thesis: Cyclic Nucleotides, Cyclic Nucleotide Phosphodiesterase, Protein Kinase, and Phosphoprotein Phosphatase in the Central Nervous System of *Manduca sexta*.

Maximino Arturo Alcalá de Stefano, Mexico

B.S., 1957, Esc Sup Agric a Narro
 M.S., 1964, Texas A&M University
 Major: Agronomic Crop Science

Major Professor: W. Kronstad

Thesis: Evaluation of Parental Performance of Grain Yield in Two Populations of Wheat (*Triticum Aestivum* Vill., Host)

Charles Michael Anderson, Oroville, California

B.S.M.E., 1965, Chico State College
 M.S.M.E., 1969, Santa Clara University
 Major: Mechanical Engineering

Major Professor: R. Boubel

Thesis: Performance of Rigid Porous Sheets of Sintered Polyethylene Powder for Filtering Airborne Sander Dust

***David Lawrence Anderson, Canada**

B.S., 1965, University of Alberta
 M.A., 1967, University of Alberta
 Major: Geography

Major Professor: J. Jensen

Thesis: A Search for Solutions to Conflicting Demands of Outdoor Recreation in the Oregon Dunes Coastal Environment

***Robert Charles Wiley, Corvallis**

B.A., 1964, Central Washington State College
 Ed.M., 1968, Central Washington State College
 Major: Education

Major Professor: J. Hall

Thesis: Self Actualization of Students Participating in The Junior Block Teacher Education Program at Oregon State University

***Perry David Anderson, Canada**

B.A., 1962, University of Western Ontario
 M.Sc., 1965, University of Western Ontario
 Major: Fisheries and Wildlife

Major Professor: L. Weber

Thesis: An Approach to the Study of Multiple Toxicity Through The Derivation and Use of Quantal Response Curves

Gerald Andrew Armstrong, Portland

B.S., 1966, University of Portland
 Major: Statistics

Major Professor: D. Pierce

Thesis: A Characterization of Strongly Identifiable Linear Functionals of Mixing Distributions

Frank Edward Augustine, Corvallis

B.A.E., 1953, Catholic University of America
 M.S., 1958, California Institute of Technology
 Major: Mechanical Engineering

Major Professor: R. Boubel

Thesis: Airborne Sampling of Particles Emitted to the Atmosphere from Kraft Paper Processes and Their Characterization by Electron Microscopy

Richard Burke Bailey, Jr., Corvallis

B.S., 1968, Washington State University
 Major: Microbiology

Major Professor: L. Parks

Thesis: S-Adenosylmethionine: Δ^{24} -sterol methyltransferase and the regulation of ergosterol biosynthesis in *Saccharomyces cerevisiae*

***Steven M. Baker, Corvallis**

B.S., 1962, Oregon State University
 Major: Mathematics

Major Professor: J. Smith

Thesis: Obstruction Theory for Simplicial Bundles

Stefan Stanislaw Bandrowski, Canada

B.A., 1939, Wilno University, Poland
 M.A., 1962, Ottawa University

Major: Forest Management

Major Professor: C. Sutherland, Jr.

Thesis: An Economic Analysis with Emphasis on Stochastic Evaluation of the Structural and Marketing Changes of the Oregon Millwork Industry

* Candidate who completed all requirements and was awarded a diploma at the end of summer term, 1973.

Edward William Barlow, Corvallis

B. Rur. Sc., 1963, Univ. of New England, Australia
M. Rur. Sc., 1967, Univ. of New England, Australia
Major: Soil Science
Major Professor: L. Boersma
Thesis: Physiological Effects of Water Stress on Young Corn Plants

Milton Arlo Barzee, Palmer, Alaska

B.S., 1967, Utah State University
M.S., 1969, Ohio State University
Major: Agronomic Crop Science
Major Professor: D. Chilcote
Thesis: Physiological and Biochemical Factors Related to the Differential Toxicity of 3, 5-Dibromo-4-hydroxybenzoxonitrile in Winter Wheat (*Triticum aestivum* L.) and Coast Fiddleneck (*Amsinckia Intermedia* Fisch. & Mey)

*Robert Edward Batie, Centralia, Washington

B.S., 1968, University of Puget Sound
M.S., 1971, Oregon State University
Major: Zoology
Major Professor: C. Bayne
Thesis: Population Structure of the Intertidal Shore Crab *Hemigrapsus oregonensis* (Brachyura, Grapsidae) in Yaquina Bay, a Central Oregon Coast Estuary

*Sandra Sutch Batie, Corvallis

B.A., 1967, University of Washington
M.S., 1971, Oregon State University
Major: Agricultural Economics
Major Professor: E. Castle
Thesis: The United States' Importation of Fishery Products: An Econometric Case Study of the Southern Atlantic and Gulf Shrimp Industry

Ronald Wayne Berg, Campbell, California

B.A., 1968, San Jose State College
M.S., 1971, Oregon State University
Major: Microbiology
Major Professor: A. Anderson
Thesis: Yeast Extractives in the Nutrition of San Francisco Sourdough Bacteria (*Lactobacillus sanfrancisco*)

*Paul Edward Bishop, Corvallis

B.S., 1964, Washington State University
M.S., 1970, Oregon State University
Major: Food Science and Technology
Major Professor: J. Lee
Thesis: Isolation and Characterization of *Bacillus Subtilis* Mutants Resistant to Ethidium Bromide and Aflatoxin B₁

*Pierre Francois Blanchet, Canada

B.S., Universite de Moncton
Major: Chemistry
Major Professor: J. Krueger
Thesis: Nucleophilic Substitution at Nitrogen. Mechanisms and Intermediates Involved in Substitution Reactions of the Hydroxylamine-O-Sulfonate Ion

*Jack H. Blok, Corvallis

B.A., 1964, University of California, Los Angeles
M.A., 1967, University of California, Los Angeles
Major: Geography
Major Professor: R. Highsmith, Jr.
Thesis: The Evolution of Agricultural Resource Use Strategies in the Willamette Valley

Shirley Smith Bowden, Fresno, California

B.S., 1947, University of California, Los Angeles
M.S., 1968, California State University, Fresno
Major: Education
Major Professor: S. Lee
Thesis: The Influence of Work Values in the Life Planning of Tenth-Grade Girls

Melinda Jane Burrill, Winnetka, Illinois

B.S., 1969, University of Arizona
Major: Genetics
Major Professor: R. Bogart
Thesis: An Analysis of the Response to Selection for High and Low Rate of Gain in the Mouse, *Mus musculus*

*Robert Leroy Carr, Cheney, Washington

B.A., 1964, Eastern Washington State College
M.A., 1966, University of Michigan
Major: Botany
Major Professor: K. Chambers
Thesis: A Taxonomic Study in the Genus *Hackelia* in Western North America

Justin Jeng-Yie Chen, Taiwan

B.S., 1964, Taiwan Provincial CHung-Hsing Univ.
M.S., 1967, Taiwan Provincial CHung-Hsing Univ.
Major: Forest Management
Major Professor: C. Sutherland, Jr.
Thesis: Economic Analysis of Chemical Brush Control in Western Oregon

Wu-Yan Chiu, Taiwan

B.S., 1961, Cheng Kung University
M.S., 1968, Oregon State University
Major: Industrial Engineering
Major Professor: J. Riggs
Thesis: The Estimations of Transition Probabilities in a Student Flow Model

*Robert Gordon Colwell, Chico, California

B.S., 1961, Washington State University
M.S., 1966, Washington State University
Major: Mechanical Engineering
Major Professor: J. Welty
Thesis: Experimental Investigation of Natural Convection of Mercury in an Open, Uniformly Heated, Vertical Channel

* Candidate who completed all requirements and was awarded a diploma at the end of summer term, 1973.

Elaine Johnson Copeland, Corvallis

B.S., 1964, Livingston College
 M.A.T., 1971, Winthrop College
 Major: Education

Major Professor: G. Clark

Thesis: Peer Counselor Effect on Self Concept and Academic Adjustment of Educational Opportunity Students Who Participated in Group Counseling

Robert McDaniel Copeland, Corvallis

B.S., 1964, Livingstone College
 M.S., 1971, Oregon State University
 Major: Science Education

Major Professor: S. Williamson

Thesis: A Comparison of the Visual Perception of Teacher Nonverbal Behavior and its Relationship to Student Affect Between Members of Three Different Ethnic Groups

**Robert O'Neal Coppedge, Hobbs,
New Mexico**

B.B.A., New Mexico State University
 M.S., New Mexico State University
 Major: Agricultural Economics

Major Professor: R. Johnston

Thesis: An Economic Analysis of Some Factors Related to Low Income in Rural Oregon With Special Reference to the Role of Education

Michele Allen Crayton, St. Paul, Minnesota

B.S., 1967, University of Missouri
 M.S., 1969, University of Missouri
 Major: Botany

Major Professor: R. Quatrano

Thesis: Sulfation of Fucoidan in *Fucus* Embryos and its Possible Role in Localization

**David Ballantyne Curtis, Pasadena,
California**

B.A., 1962, University of Colorado
 Major: Chemistry

Major Professor: R. Schmitt

Thesis: A Chemical Study of the Minerals from L-6 Chondritic Meteorites

*** Abderrazak Daaloul, Tunisia**

B.S., 1968, School of Agriculture, Tunisia
 M.S., 1972, Oregon State University

Major: Agronomic Crop Science

Major Professor: W. Kronstad

Thesis: Genetic and Environmental Factors Influencing the Effectiveness of Early Generation Selection in a Diallel Cross Involving Four Winter Wheat Cultivars (*Triticum aestivum*, Vill., Host)

**James Cornelius Daly, San Luis Obispo,
California**

B.S., 1966, Gonzaga University
 Major: Statistics

Major Professor: D. Guthrie

Thesis: A Bayesian Approach to Two-Phase Regression

Nassar Dastrange, Iran

B.S., 1959, Tehran University
 M.S., 1966, Michigan State University
 Major: Mathematics

Major Professor: W. Stone

Thesis: On the Reconstruction of Band-Limited Signals From Sampled Values

*** Leonard William Deaton, Santa Maria,
California**

B.S., 1965, California State Polytechnic
 M.S., 1967, University of Iowa

Major: Statistics

Major Professor: H. Brunk

Thesis: A Prior Distribution for Smooth Regression

*** Gary Joel DeJong, Corvallis**

B.S., 1965, University of California, Riverside

Major: Chemistry

Major Professor: E. Piepmeyer

Thesis: High Intensity Pulsed Hollow Cathode Lamps

*** Delmar DeLee Dingus, San Luis Obispo,
California**

B.S., 1966, Berea College

M.S., 1968, West Virginia University

Major: Soil Science

Major Professor: M. Harward

Thesis: The Nature and Properties of Amorphous Colloids from Mazama Tephra

*** Menno Gustaaf Dinkelmann, Corvallis**

B.S., 1963, Swiss Federal Institute of Technology

M.S., 1967, Swiss Federal Institute of Technology

Major: Oceanography

Major Professor: T. van Andel

Thesis: Late Quaternary Radiolarian Paleo-Oceanography in the Panama Basin, Eastern Equatorial Pacific

Yadolah Dodge, Corvallis

B.S., 1966, University of Jundi Shapour

M.S., 1971, Utah State University

Major: Statistics

Major Professor: N. Hartmann, Jr.

Thesis: Estimability Considerations for N-Way Classification Experimental Arrangements With Missing Observations

*** James Maxwell Donally, Corvallis**

B.A., 1960, Reed College

M.S., 1962, University of Washington

Major: Physics

Major Professor: M. Cutler

Thesis: Measurement of the Hall Coefficient of Liquid Solutions of Thallium-Tellurium

Clive Edgar Dorman, Corvallis

B.A., 1965, University of California, Riverside

M.S., 1972, Oregon State University

Major: Oceanography

Major Professor: C. Paulson

Thesis: An Analysis of Meteorological and Oceanographic Data From Ocean Weather Station N (30 N 140 W)

DISTINGUISHED SERVICE AWARDS

Upon recommendation of the Faculty Recognition and Awards Committee, the Faculty Senate of Oregon State University has selected the following recipients of the Oregon State University Distinguished Service Award:

PAUL HUGH EMMETT . . . a 1922 graduate of Oregon State University who has been generally regarded internationally for three decades as the major figure in the area of surface chemistry and catalysis . . . his famous paper on adsorption opened the door to a scientific understanding of the function of catalysts in industrial chemistry . . . his contributions have included fundamental studies of iron-catalyzed ammonia synthesis (one of the keystones of the fertilizer industry) and of hydrocarbon synthesis, a work of great importance in the search for a resolution of the energy crisis since it is directly related to the gasification and liquefaction of coal . . . his 147 publications span the years from 1924 to 1969 . . . awarded an honorary doctor of science degree by this institution in 1939 . . . elected to the National Academy of Sciences in 1955 . . . in 1970, an international award bearing his name was created by the Catalysis Society . . . a kind, friendly, unassuming man of highest moral principles . . . honored again today by his alma mater for a lifetime of distinguished service to science and to society.

CHARLES N. HOLMAN . . . distinguished physician, administrator, and leader in medical education and research . . . dean of the University of Oregon Medical School since 1968 and professor of medicine for 35 years . . . lifelong Oregonian who entered Oregon State in pharmacy and left an honor student in pre-medicine destined for a noteworthy career . . . a fellow in the American College of Physicians and a diplomate in the American Board of Internal Medicine . . . active in a score of medical, hospital, and allied health societies and organizations . . . president of the Oregon Tuberculosis and Health Association and the Oregon Association of Hospitals . . . motivator in medical research . . . much of the historic pioneering work in the field of heart surgery at the Medical School came during his tenure as administrator of the university hospitals . . . OSU programs involving statistics, engineering, biology, and environmental health have been stimulated and encouraged by his attitude of friendly and helpful cooperation . . . a revered doctor's doctor—quiet, meticulous, thoughtful, dedicated, and human.

FRITZ LEONHARDT . . . noted international engineer and educator . . . bridges around the world testify to his genius in construction design . . . communication towers of modern society are reminders that his was among the first in 1953 . . . member of national and international scientific committees working on unification of world building codes . . . born in Stuttgart, Germany . . . now a distinguished professor at Stuttgart University and rector (president) from 1967-69 . . . great friend of Oregon State University in the establishment of the Oregon Study Center in Germany . . . his untiring cooperation, personal concern, and continued encouragement have helped assure the success of the overseas program that has broadened the education of scores of Oregon students . . . assisted in the design of the award-winning German Pavillion at Expo 1967 in Montreal, Canada, and the main structure at the 1972 Munich Olympic Games . . . recipient in 1965 of his country's highest award in the field of technical achievements . . . author of major new book on the responsibility of engineers "to aesthetic values in the environment and to the ecology of nature" . . . 150 other publications carry his name as evidence of his contributions to international progress and peace.

MABEL C. MACK . . . *dynamic leader in adult education who has given nearly half a century of distinguished service to Oregon State University and the State of Oregon . . . hundreds of thousands of Oregonians have benefitted from Extension programs she has spearheaded—Rural Health, Nutrition, Consumer Marketing, Farm Safety, Civil Defense, Great Decisions, and Town and Country Church Conferences . . . once described as an “administrative genius,” she has the unique ability to breathe life into a project and to make it practical and effective . . . a 1928 Oregon State graduate who started her career as a County Home Extension agent in Jackson County . . . joined the statewide Extension staff after completing work for her master’s degree in 1940 . . . played a key role in keeping Oregon farm production rolling during World War II as leader of the Womens’ Land Army . . . in retirement, plunged energetically into promotion of senior citizen centers and fund-raising for Oregon Museum of Science and Industry and American Home Economics Association . . . enthusiastic and enterprising, compassionate and understanding, she has won the love and respect of Oregonians everywhere.*

JOHN HOLMES MARTIN . . . *one of the fathers of modern crop science in America and renowned research scientist for half a century with the U.S. Department of Agriculture . . . co-author of classic books on Principles of Field Crop Production and Cereal Crops that are used as textbooks and references around the world . . . helped lay the foundation of the multi-million-dollar hybrid sorghum industry with ingenious laboratory and field work . . . his amazingly productive career also includes both basic and applied studies in taxonomy, physiology, and breeding and genetics of wheat . . . a fellow in the American Society of Agronomy and the American Association for the Advancement of Science . . . holder of both the Meritorious Award and the coveted Superior Service Award of the USDA . . . answered requests of countries on three other continents for assistance with research projects and agricultural problems . . . stood 60 years ago on June 9, 1914, with agricultural graduates of this Land-Grant institution . . . stands now in league with America’s greatest agronomists.*

CLARENCE W. RICHEN . . . *one of America’s most progressive and influential industrial foresters . . . a native Oregonian who has become a leader of Paul Bunyan dimensions in the state’s giant forest industry . . . 1935 OSU forestry graduate and faculty member from 1938 to 1942 . . . Crown Zellerbach executive since 1942 including service as chief forester, manager of Northwest timber operations, and now vice president . . . recipient in 1969 of the National Forest Products Association leadership award in forest management and the outstanding achievement-service award of the Western Forestry and Conservation Association in 1970 . . . prime mover behind the passage in 1971 of Oregon’s Forest Practices Act, landmark legislation that now is viewed as a model for enlightened and far-sighted forest land management . . . member of the State Board of Forestry, National Research Advisory Committee, and scores of other state and national bodies working for the advancement of forestry and society . . . unselfish advocate of the public’s interests and environmental concerns in the management of private forests . . . firm, fair, and forceful . . . honored today for exceptional and distinguished service to the land and people he loves.*

HOWARD VOLLUM . . . *imaginative industrialist and creative scientist and inventor . . . co-founder, president, and now chairman of the board of Tektronix, Inc., a world-known manufacturer of superb electronics instruments . . . developed first oscilloscope in 1934 as a college student . . . that led 12 years later to the formation of the company that is now Oregon's largest employer . . . worked in a British electronics research laboratory during World War II . . . received two Legion of Merit awards for design of radar-controlled weapons systems . . . fellow of the Institute of Electrical and Electronics Engineers and recipient of three top leadership, service, and achievement awards from the electronics industry . . . staunch supporter of both private and public education . . . trustee, board member, and director of numerous Oregon institutions and enterprises . . . helped originate and establish the unique Oregon Graduate Center for Study and Research . . . positive, progressive, and persistent, he has blazed new trails and made a magnificent mark in Oregon business and industry and in worldwide scientific advances.*

THE HONOR SOCIETY OF PHI KAPPA PHI . . . *a national society whose primary purpose is to promote the pursuit of excellence in all fields of higher education . . . which has faith in the equivalence of all branches of knowledge, in the vital service to society provided by both the pure and applied arts and sciences, and in professional schools deeply rooted in both theory and practice . . . which for three-quarters of a century has recognized outstanding achievement by students and faculty through election to membership, scholarships, fellowships, and other honors . . . which stimulates and rewards scholarly accomplishment among students at all levels and in all departments of colleges and universities where chapters are located . . . which has been a leader in coordinating the efforts of all college honor societies since it helped found the Association of College Honor Societies in 1925 . . . whose Oregon State chapter this year celebrates its 50th Anniversary . . . marking the chapter's first half-century of service to the institution in stimulating intellectual achievement, rewarding accomplishment, and actively participating in the Society's broad scope and purpose . . . a national voluntary society that Oregon State University honors today as a representative of all college honor societies for their role in helping universities reach one of their vital objectives.*

GIFTS

Oregon State University gratefully acknowledges the receipt of many gifts to the institution. These gifts from individuals and organizations significantly benefit students, faculty, and programs. Student awards are described in the catalog and a partial list is recorded elsewhere in this commencement booklet.

Oregon State University Foundation

The Oregon State University Foundation, the non-profit corporation through which interested persons or organizations may make gifts and bequests for the institution or any of its divisions, has brought many direct and indirect benefits to Oregon State. The Foundation fills the need for a legally sound, inclusive, and permanent agency apart from, but working in close coordination with, the University. Its purpose is to aid and promote educational and charitable activities for the benefit of the public served by Oregon State University through education, research, and service.

Funds received from all sources into the Foundation for the fiscal year 1973: \$2,008,684.

Oregon State University Library

GIFTS AND MEMORIAL BOOKS

Gift books, memorial books, and cash donations play an important role in the Library's acquisition program. Through the OSU Foundation, the Library received \$6,380.94 from gifts, memorial book funds, and endowments. Memorial books constitute an enduring tribute from individuals and groups to deceased relatives and friends. During the last year 86 volumes memorializing 24 persons were added to the Library. Each of these books has a special bookplate recording the name of the person memorialized and that of the donor.

In addition, the Library's collection was enriched by 1,997 gift books from individuals, groups, publishers, and firms, with an estimated value of \$6,879.46.

The Memorial Book Plan, originated in 1943 and originally sponsored and promoted by the Friends of the Library, Oregon State University, has grown over the years and is now directed through the OSU Foundation for greater ease of administration.

Memorial Union

The Memorial Union acknowledges the gracious cooperation and generous support of the many friends who have made its cultural and educational programs for the entire campus community possible.

Horner Museum

The museum wishes to acknowledge all donors of the many fine heirlooms, specimens, and personal items contributed this past year. Special thanks are extended to the new members of the Horner Museum Society.
