PATRICK WAYNE VALLEY FIELD

One of the nation's most modern track and field facilities is Patrick Wayne Valley Field, which was dedicated March 30, 1974. The facility includes the first international track (400 meters) to have been built in the United States. The track itself is a Chevron 440 surface, possibly the most resilient surface ever produced. The entire layout of Patrick Wayne Valley Field is one of the nation's most imaginative and modern in terms of surface and provision for electronic aids. The track was named in the memory of Patrick Wayne Valley, a former student-athlete who died in 1969. His father, Wayne Valley, was also an Oregon State graduate who made numerous contributions to the OSU athletic program. Wayne Valley was a highly successful businessman in the San Francisco Bay Area. At one time he was the principal owner of the Oakland Raiders of the NFL. Patrick Wayne Valley was a lineman on the OSU football team from 1964 to 1966 and a member of the 1964 Rose Bowl squad. He died in a drowning accident in 1969. Wayne Valley passed away in 1986.

THE COACHING STAFF

CHUCK McNEIL Head Coach

Now in his fifth year as Oregon State's track and field coach, Chuck McNeil became the Beavers' head coach in August, 1983 on an interim basis for one year and was then given the job the following year.

McNeil, 54, replaced Frank Morris as head coach in 1983 after Morris left to take a position as assistant coach at Arizona State. McNeil served as an assistant coach at Oregon State under Sam Bell and Berny Wagner from 1964 to 1976.

At OSU, McNeil is the head coach for the combined men's and women's program. The men's program has been 2-4, 2-5, 0-8 and 0-5 in dual meets under McNeil's guidance, while the women have gone 0-4, 1-6, 3-5, and 0-5. The OSU men have men ninth, seventh, 10th and ninth in the Pacific-10 Conference meet, respectively, under McNeil. The OSU women have placed sixth three years in a row in the finals of the NorPac Conference and 10th last year in the first season of the Pacific-10 Conference.

Under Bell and Wagner, McNeil helped develop several outstanding athletes, including nine individual NCAA champions, while concentrating mainly on the sprints, hurdles and javelin, but also aiding with the jumps and weightmen.

McNeil is a 1959 graduate of San Jose State University with a degree in Physical Education. He received his master's degree from Oregon State in Counseling and Guidance in 1964. He is a 1951 graduate of Turlock High School in Turlock, Ca. McNeil spent three years in the Navy before entering Modesto JC and later San Jose State.

Originally from California, McNeil competed as a sprinter in high school and at San Jose State University where he was a member of the world's fastest 880 relay team his senior year. He also ran competitively for the Southern California Striders and the Santa Clara Valley Youth Village track clubs.

His previous coaching experience includes stints on the high school and junior college levels. He served as an assistant coach at Bakersfield College (1960-61) and was head coach at South High in Bakersfield, Ca., from 1962-64. He was a member of the OSU Physical Education staff from 1965, as well as his 1964-1976 stint as an assistant track coach, until taking over the track program in 1983.

McNeil also boasts international coaching experience in sxi foreign countries. He had the head coaching job for the Isreali National Team to develop athletes for the Moscow Olympics of 1980. He also coached in Ghana preparing athletes for the Munich Olympics and worked with the track and field program in Tanzania in 1970 as part of a Fulbright Professorship.

Born 9/25/33 and his wife's name is Bev.

MIKE CHRISS Assistant Coach

Mike Chriss, 31, joined the Oregon State staff in September 1982. Mike works with the sprinters, hurdlers, heptathletes and decathletes.

Mike has had great success in developing athletes who are often overlooked by others and who have not yet demonstrated their potential. Some of these athletes typically walk on to the OSU program and end up placing in the conference championships and some even have qualified for the NCAA championships.

The OSU top 10 list has a number of athletes on it coached by Chriss. Since his arrival at OSU, the women's hurdles top 10 list has been rewritten several times.

Athletes coached by Chriss have received many of the track and field awards presented at the conclusion of each season, including six most improved awards and four most valuable awards.

Prior to joining the OSU program, Mike served as an assistant track coach at Tigard High School and Sprague High School where he successfully coached hurdlers tot he state championships. He has also served as a clinician with foreign Olympic committees in third world countries working in camps with young athletes and clinics for national coaches.

Mike is a former football and track athlete from Medford High School in Medford, Oregon. He was a defensive back and running back in football and ran hurdles for the Black Tornados and led Medford to the state track championship his senior year. He was a three-time State AAA champion at Medford in the high and intermediate hurdles. He placed fifth in the junior national AAU championships in the 110 meter high hurdles and fourth in the Golden West Invitational in the 400 meter hurdles his senior year. He earned prep All-America honors in both sports.

Mike attended the University of Oregon and played both football and ran track for the Ducks. He was team captain of the football team where he was a strong safety, and he competed as a hurdler and decathlete on the track team.

He graduated from Medford in 1974 and he earned his B.S. in Comprehensive Health Education as a Pre-Physical Theray major from Oregon in 1979. Mike is presently completing a Masters of Arts degree in Interdisciplinary Studies emphasizing health education, exercise science and communications.

Mike was born 5/7/56 at Medford and he is single.

OSU NCAA CROSS COUNTRY CHAMPIONS IN 1961

Oregon State, led by All-America Dale Story, captured its first, and so far only, NCAA championship by winning the NCAA crown in cross country in 1961.

On that winning team was **Story, Rich Cuddihy, Bill Boyd, Cliff Thompson and Jerry Brady**. Sam Bell, now at Indiana, was the head coach of the national champions for the Beavers.

Story, a former national high school mile record holder from Orange, Ca., who had transferred to OSU in the Fall of 1961 from Santa Ana Junior College as only a sophomore, won the individual championship with a time of 19:46.6 over the four-mile course at Michigan State in East Lansing, Mich. He outdistanced his nearest competitor by 11 seconds.

Other OSU placers were Cuddihy, 12th; Boyd, 16th; Thompson, 25th and Brady, 51st. Story's split times were 10:04.4 at the two-mile mark and 14:53.0 at the three-mile mark.
