PATRICK WAYNE VALLEY FIELD

One of the nation's most modern track and field facilities is Patrick Wayne Valley Field, which was dedicated March 30, 1974. The facility includes the first international track (400 meters) to have been built in the United States. The track itself is a Chevron 440 surface, possibly the most resilient surface ever produced. The entire layout of Patrick Wayne Valley Field is one of the nation's most imaginative and modern in terms of surface and provision for electronic aids. The track was named in the memory of Patrick Wayne Valley, a former student-athlete who died in 1969. His father, Wayne Valley, was also an Oregon State graduate who made numerous contributions to the OSU athletic program. Wayne Valley was a highly successful businessman in the San Francisco Bay Area. At one time he was the principal owner of the Oakland Raiders of the NFL. Patrick Wayne Valley was a lineman on the OSU football team from 1964 to 1966 and a member of the 1964 Rose Bowl squad. He died in a drowning accident in 1969. Wayne Valley passed away in 1986.

THE COACHING STAFF

CHUCK McNEIL Head Coach

Now in his fourth year as Oregon State's track and field coach, Chuck McNeil became the Beavers' head coach in August, 1983 on an interim basis for one year and was then given the job the following year.

McNeil, 53, replaced Frank Morris as head coach in 1983 after Morris left to take a position as assistant coach at Arizona State. McNeil served as an assistant coach at Oregon State under Sam Bell and Berny Wagner from 1964 to 1976.

At OSU, McNeil is the head coach for the combined men's and women's program. The men's program has been 2-4, 2-5 and 0-8 in dual meets under McNeil's guidance, while the women have gone 0-4, 1-6, 3-5. The OSU men have men ninth, seventh and 10th in the Pacific-10 Conference meet, respectively, under McNeil. The OSU women have placed sixth three years in a row in the finals of the NorPac Conference. This year the OSU women are also in the Pacific-10 Conference.

Under Bell and Wagner, McNeil helped develop several outstanding athletes, including nine individual NCAA champions, while concentrating mainly on the sprints, hurdles and javelin, but also aiding with the jumps and weightmen.

McNeil is a 1959 graduate of San Jose State University with a degree in Physical Education. He received his master's degree from Oregon State in Counseling and Guidance in 1964. He is a 1951 graduate of Turlock High School in Turlock, Ca. McNeil spent three years in the Navy before entering Modesto JC and later San Jose State.

Originally from California, McNeil competed as a sprinter in high school and at San Jose State University where he was a member of the world's fastest 880 relay team his senior year. He also ran competitively for the Southern California Striders and the Santa Clara Valley Youth Village track clubs.

His previous coaching experience includes stints on the high school and junior college levels. He served as an assistant coach at Bakersfield College (1960-61) and was head coach at South High in Bakersfield, Ca., from 1962-64. He was a member of the OSU Physical Education staff from 1965, as well as his 1964-1976 stint as an assistant track coach, until taking over the track program in 1983.

McNeil also boasts international coaching experience in sxi foreign countries. He had the head coaching job for the Isreali National Team to develop athletes for the Moscow Olympics of 1980. He also coached in Ghana preparing athletes for the Munich Olympics and worked with the track and field program in Tanzania in 1970 as part of a Fulbright Professorship.

Born 9/25/33 and his wife's name is Bev.

MIKE CHRISS Assistant Coach

Mike Chriss, 30, joined the Oregon State staff in September 1982 after serving as an assistant track and field coach at Tigard High School during the 1981-82 school year. Mike works with the sprinters, hurdlers and jumpers at OSU.

He also coached at Sprague High School in Salem from 1979-81.

Mike is a former football and track athlete from Medford High School in Medford, Oregon. He earned four letters in football as a defensive back and four in track as a hurdler. He was the state AAA champion his senior year at Medford in the high hurdles. He earned prep All-America honors in both sports.

Mike attended the University of Oregon on a football scholarship and played both football and ran for the Ducks' track team. He graduated from Medford in 1974 and he earned his B.S. in Health Education from Oregon in 1979.

Mike was born 5/7/56 at Medford. He is single.

DOUG HICKS
Assistant Coach

Douglas Hicks, 37, joined the Oregon State staff as an assistant coach in the Fall of 1986 after spending the three previous years as a part time assistant, replacing Gary Sievers who resigned to join the LSU staff.

At Oregon State, Doug is in charge of the Bevers shot put and discus performers in the weight events and also the long and triple jumpers.

Doug hails from Australia where he has coached at the club sports level for the past 12 years. He has had a wide range of coaching and administrative experience in his native Australia.

Throughout his career, Doug has coached athletes to state, national and international levels of competition in Australia. At the club level he coached shot put, discus, javelin, hurdles, sprints, pentathlon and decathlon. His athletes have placed fifth or better some 51 times at the state and national competition at both the junior and senior level.

He is a former head coach of track and field and cross country at Brisbane State High School. In his four years as coach, Brisbane was the state track and field champions.

During his coaching career in Australia, three of his athletes gained honors on Australian National Teams and performed in the Conference Games in 1977 and the Commonwealth Games in 1978 and the National Team tour to England and Poland in 1981.

Doug was born March 21, 1950 at Stanthorpe, Queensland, Australia. He attended Miami High School at Gold Coast, Queensland, Australia, where he competed in track and field as a sprinter and hurdler. He received his Bachelor of Education degree from Brisbane College in 1978 in Health and Physical Education. He received his advanced degree in the College of Advanced Education from Brisbane College in Queensland, Australia in 1983. He gained his Master of Science degree in 1986 from Oregon State, with major emphasis placed on the study of the physiological aspects of strengths and power development in competitive athletes.

Australia does not have college athletics so Doug participated on the club sport level in track and field, field hockey, rugby and cricket.

Doug is married. Doug and his wife Carol do not have any children.

OSU NCAA CROSS COUNTRY CHAMPIONS IN 1961

Oregon State, led by All-America Dale Story, captured its first, and so far only, NCAA championship by winning the NCAA crown in cross country in 1961.

On that winning team was Story, Rich Cuddihy, Bill Boyd, Cliff Thompson and Jerry Brady. Sam Bell, now at Indiana, was the head coach of the national champions for the Beavers.

Story, a former national high school mile record holder from Orange, Ca., who had transferred to OSU in the Fall of 1961 from Santa Ana Junior College as only a sophomore, won the individual championship with a time of 19:46.6 over the four-mile course at Michigan State in East Lansing, Mich. He outdistanced his nearest competitor by 11 seconds.

Other OSU placers were Cuddihy, 12th; Boyd, 16th; Thompson, 25th and Brady, 51st. Story's split times were 10:04.4 at the two-mile mark and 14:53.0 at the three-mile mark.
