## COVER

### Row 1

William Asa Finley, Vital Statistics: b. 1839, Missouri, d. 1912, California; Presidential Tenure: 1865 - 1872; Education: A.M. Degree 1864 Pacific Methodist College, honorary D.D. Degree 1871 Wofford College of Spartanburg, South Carolina. He was President during the period when Corvallis College was designated as the state's agricultural college under the provisions of the Morrill Act of 1862.

Benjamin Lee Arnold, Vital Statistics: b. 1839, Virginia, d. 1892, Oregon; Presidential Tenure: 1872 - 1892; Education: A.M. Degree 1861 Randolph-Macon College of Ashland, Virginia. He presided over the turbulent period during which the college evolved from a private liberal arts college under church control into a public agricultural college under state control.

John McKnight Bloss, Vital Statistics: b. 1839, Indiana, d. 1905, Indiana; Presidential Tenure: 1892 - 1896; Education: A.B. Degree with Honors 1860 Hanover College. Bloss's brief presidency was marked by the construction of several new buildings on the campus, the relaxing of social regulations for students, and the appearance of intercollegiate football on campus.

### Row 2

Henry B. Miller, Vital Statistics: b. 1854, Ohio, d. 1921, Oregon; Presidential Tenure 1896 - 1897; Education: High School Diploma. Miller was serving on the Board of Regents when he was appointed to serve as President of OAC. His tenure was controversial and abbreviated.

Thomas Milton Gatch, Vital Statistics: b. 1833, Ohio, d. 1913, Washington; Presidential Tenure 1897 - 1907; Education: A.B. Degree 1855 Ohio Wesleyan University, honorary D.D. Degree Lane Theological Seminary, Ph.D. Degree 1874 Indiana Asbury University (now DePauw University). Gatch considered OAC as primarily "the farmer's school;" he initiated the first branch Agricultural Experiment Station and saw to the appointment in 1901 of James Withycombe as Director of Experiment Stations.

William Jasper Kerr, Vital Statistics: b. 1863, Utah d. 1947, Oregon; Presidential Tenure: 1907 - 1932; Education: B.S. Degree 1885 University of Utah. Kerr's 25 years as President of OAC were characterized by both tremendous growth in enrollment, faculty, programs, and facilities and a period of extreme controversy that centered around Kerr's character and Mormon past.

### Row 3

George Wilcox Peavy, Vital Statistics: b. 1869, Michigan, d. 1951, Oregon; Presidential Tenure: 1934 - 1940; Education: B.L. Degree 1895 University of Michigan, M.S. Degree in Forestry 1905 University of Michigan. Peavy's tenure was beset with difficulties ranging from the Great Depression to continued struggles with the University of Oregon for programs and resources.

Frank Llewellyn Ballard, Vital Statistics: b. 1891, New Hampshire, d. 1971, Oregon; Presidential Tenure: 1940 - 1941; Education: B.S. Degree 1916 Oregon Agricultural College. Ballard's very brief presidency was ended by personal illness before it could take on any specific character.

August LeRoy Strand, Vital Statistics: b. 1894, Texas, d. 1980, Oregon; Presidential Tenure: 1942 - 1961; Education: B.S. Degree 1917 Montana State College, M.S. Degree 1925 University of Minnesota, Ph.D. Degree 1928 University of Minnesota. Strand's long tenure saw the conversion of the college from peace time to full mobilization during World War II, and he also actively directed the institution through much of the Cold-War period.

James Herbert Jensen, Vital Statistics: b. 1906, Nebraska, d. 1993, Washington; Presidential Tenure: 1961 - 1969; Education: B.Sc. Degree 1928 University of Nebraska, M.A. Degree 1930 University of Nebraska, Ph.D. 1934 University of Wisconsin. Jensen's tenure saw the expansion of the institution in both the quantity and quality of academic programs.

### Row 4

Robert William MacVicar, Vital Statistics: b. Minnesota; Presidential Tenure: 1970 - 1984; Education: B.S. Degree with Highest Honors 1939 University of Wyoming, Rhodes Scholar 1939, M.A. Degree 1940 Oklahoma State University, Ph.D. Degree 1946 University of Wisconsin. MacVicar oversaw a tremendous expansion in the physical facilities of the University as well as the forging of stronger ties between OSU and the people of Oregon.

John Vincent Byrne, Vital Statistics: b. New York; Presidential Tenure: 1984 - 1995; Education: B.A. Degree 1951 Hamilton College, M.A. Degree 1953 Columbia University, Ph.D. Degree 1957 University of Southern California. Byrne's 11-year presidency was impacted by significant reductions in state funding, forcing the merger and elimination of a number of programs, departments, and colleges.

Paul Gillan Risser, Vital Statistics: b. Oklahoma; Presidential Tenure: 1996 - Present; Education: B.A. Degree 1961 Grinnell College, M.S. Degree 1965 University of Wisconsin, Ph.D. Degree 1967 University of Wisconsin. Risser is an internationally known biologist whose research interests include the structure and function of grassland and forest ecosystems, environmental planning and management, landscape ecology, and global change.

## Preface

This year's *OSU Fact Book* highlights the future of Oregon State University by portraying our twelve past University Presidents and welcoming our new University President, Paul G. Risser. Dr. Risser was appointed in January 1996 to replace John V. Byrne. After serving the University for more than thirty years, including eleven very productive years as President, Dr. Byrne retired in 1995 to become President Emeritus. OSU is proud of its distinguished past and looks forward to President Risser's leadership as we approach the 21st Century.

This year's *Fact Book* represents the continuing commitment of our staff to collecting and publishing quality information to enhance understanding of Oregon State University. We hope that the *Fact Book* will serve as a useful resource document for members of the university community and the public who seek answers to questions about OSU's history, students, faculty, budgets, and facilities. I encourage you to contact us for any additional information you need. We are committed to appropriately support institutional analysis concerning the University.

We wish to thank all those who worked with us to prepare this year's *Fact Book*. As always, we encourage readers to provide comments and suggestions for improvement. Please contact me or any other member of our staff with your suggestions, in writing or by telephone.

### III - STUDENT INFORMATION

#### Admissions

<i>Source of Admitted Students: Fall Term 1995</i> . . . . .	31
<i>By Gender, Fall Term 1995: Undergraduate and Graduate</i> . . . . .	31
<i>Total Admitted Five-Year Trend (Fall Terms, 1991 - 1995)</i> . . . . .	31
<i>Admitted Undergraduate Transfer Students, Fall Term 1995</i> . . . . .	31
<i>Freshman Entrance Test Scores (SAT and ACT): 10-Year Trend By Gender, 1986 to 1995</i> . . . . .	32
<i>Entering Freshmen High School GPA: 10-Year Trend By Residency and Gender 1986 to 1995</i>	33
<i>Oregon Residents</i> . . . . .	33
<i>Non-Oregon Residents</i> . . . . .	33

#### Enrollment

<i>New Students, Fall Term 1995</i> . . . . .	34
<i>By Source</i> . . . . .	34
<i>By Academic Unit</i> . . . . .	35
<i>By Class Standing and Gender</i> . . . . .	35
<i>By Academic Unit and Gender</i> . . . . .	35
<i>Enrollment, Fall End-of-Term: 1912 to 1995</i> . . . . .	36

#### Enrollment: By Class Standing, Gender, and Ethnicity

<i>Headcount Enrollment: Fall Term 1995</i> . . . . .	37
<i>By Class Standing</i> . . . . .	37
<i>By Level and Gender</i> . . . . .	37
<i>U.S. Minority Enrollment: Fall Term 1995</i> . . . . .	38
<i>By Minority Status</i> . . . . .	38
<i>By Gender</i> . . . . .	38

#### Enrollment: By Residency

<i>Origin of Enrolled Students: Fall Term 1995</i> . . . . .	39
<i>By Level</i> . . . . .	39
<i>OSU Student Enrollment, Oregon County Residence: Fall Term 1990-1995</i> . . . . .	40
<i>OSU Student Enrollment Summary: Fall Term, 4th Week</i> . . . . .	40
<i>OSU Student Enrollment By Oregon Counties: Fall Term 1995 (Map)</i> . . . . .	41
<i>OSU Student Enrollment, United States Residence (Excluding Oregon): Fall Term 1990-1995</i>	42
<i>OSU Student Enrollment By States: Fall Term 1995 (Map)</i> . . . . .	43
<i>OSU Student Enrollment, International Residence: Fall Term, 1990-1995</i> . . . . .	44
<i>International Student Enrollment</i> . . . . .	47
<i>10-Year Trend, Fall Term 1986-87 to 1995-96</i> . . . . .	47
<i>By College, Fall Term 1995</i> . . . . .	47
<i>Enrollment By Academic Unit: Fall Term 1995</i> . . . . .	48

#### Student Credit Hours

<i>Summary Credit Hours and FTE: Summary By Class--Fall Term 1995</i> . . . . .	48
<i>Student Credit Hours, Three-Term Average By College: Academic Year 1994-95</i> . . . . .	49
<i>Student Credit Hours By College - By Level</i> . . . . .	50
<i>Three-Term Average 1994-95</i> . . . . .	50
<i>Fall Term 1995</i> . . . . .	50
<i>Student Credit Hours By Class Level</i> . . . . .	51
<i>Total Three-Term - By Level: 1994-95</i> . . . . .	51
<i>Three-Term Student Credit Hours: 1989-90 to 1994-95</i> . . . . .	51

#### Grade Point Average

<i>Grade Point Average: Fall Term 1995</i> . . . . .	52
<i>Undergraduate Students By College (including Mean GPA)</i> . . . . .	52
<i>Graduate Students By College (including Mean GPA)</i> . . . . .	52
<i>By Class Level and Gender</i> . . . . .	52

GENERAL  
INFORMATION

## Mission of Oregon State University

**OREGON STATE UNIVERSITY** serves the people of Oregon, the nation, and the world through education, research, and service.

**Oregon State** extends its programs throughout the world, and is committed to providing access and educational opportunities to minorities and to challenged and disadvantaged students.

**Oregon State** has an inherent commitment to provide a comprehensive array of high-quality educational programs in the sciences, liberal arts, and selected professions. The University encourages students, both on and off campus, to develop an enriched awareness of themselves and their global environment.

Through research, **Oregon State** extends the frontiers of knowledge in the sciences, liberal arts, and in all aspects of natural, human, and economic resources. **Oregon State** contributes to the intellectual development and the economic and technological advancement of human-kind.

As a Land Grant, Sea Grant, and Space Grant university, **Oregon State** has a special responsibility for education and research enabling the people of Oregon and the world to develop and utilize human, land, atmospheric, and oceanic resources. Unique programs of public service throughout Oregon supplement campus-based university teaching and research.

---

### Oregon State University's Aims

"Aims" are the means by which Oregon State University provides overall guidance to its routine strategic planning and budgetary allocation processes. The following aims were approved in March 1995.

- |                          |   |
|--------------------------|---|
| <b>Quality</b>           | <b>Over the next four years, and as a result of attention to the quality of all aspects of the undergraduate and graduate learning experience, Oregon State University's reputation for educational excellence would be sufficient to attract and to retain a student body of 16,000.</b> |
| <b>Stakeholder Value</b> | <b>In four years, every unit within Oregon State University will demonstrate major improvements in the levels of satisfaction expressed by their "stakeholders."</b>  |
| <b>Diversity</b>         | <b>In four years and as a result of attention to all aspects of Oregon's great statewide university, the number of faculty, staff, and students from under-represented groups will double.</b>  |

## Charter Day Documents of OREGON STATE UNIVERSITY

### Oregon Legislative Act

AN ACT to secure the Location of the Lands donated by Congress to the State for an agricultural College, and to establish such College.

*Be it enacted by the Legislative Assembly of the State of Oregon:*

Section 1. That J. F. Miller, J. H. Dauthitt, and J. C. Avery are hereby constituted a board of Commissioners, with power--

1. To locate all the lands to which this State is entitled by act of Congress, for the purpose of establishing an agricultural College, and as soon as such locations are made to report the same to the Secretary of State;
2. To take into consideration the further organization and perfecting of a plan for the permanent establishment of such College in accordance with the requirements of the act of Congress making such donation and report the same to the Governor by the first day of August 1870.
3. To fill all vacancies in the College by appointment that may occur in any Senatorial district under the provisions of this act.

Section 2. That until other provisions are made the Corvallis College is hereby designated and adopted as the agricultural College, in which all students sent under the provisions of this act shall be instructed in all the arts, sciences, and other studies in accordance with the requirements of the act of Congress making such donation.

Section 3. Each state Senator is hereby authorized and empowered to select one student not less than sixteen years of age who shall be received by the Faculty of said College and instructed by them in the manner provided in this Act for the space of two years unless such student shall be discharged for misconduct *provided, however,* that this Act shall not be binding until the Trustees of said College shall adopt a resolution and file a certified copy thereof with the Secretary of State assenting to and agreeing on their part to faithfully carry out the provisions of this act.

Section 4. Upon the certificate of the President of the Corvallis College that any Student so appointed is in attendance at School, it shall be the duty of the Secretary of State at the middle of each quarter to draw his warrant upon the State Treasurer in favor of the said College for the sum of \$11.25 for each student so attending and it shall be the duty of the State Treasurer to pay such warrants out of any funds in his hands not otherwise appropriated; and a separate account of such funds shall be kept and designated the agricultural College funds.

Section 5. All funds paid out in accordance with the provisions of the foregoing sections, with interest thereon at ten per cent per annum shall be refunded to the State Treasurer from the first interest that shall accrue from the proceeds of the sale of any lands located for said College.

Section 6. The board of Commissioners hereby created shall make all the reports required by law and shall each receive a salary of five dollars per day for the number of days actually employed to be paid upon the sworn statement of such Commissioner.

Whereas, It appears that unless an agricultural College is provided by law at this session of the Legislature the grant by Congress will be lost, therefore this act shall take effect from the date of its passage.

Approved October 27, A.D., 1868

### Corvallis College Board of Trustees Acceptance

Whereas, The Legislative Assembly of the State of Oregon did on the twenty-fifth day of October A.D. 1868 pass an act entitled an "Act to secure the location of the lands donated to the State for an Agricultural College and to establish such College" the same having been approved October 27th.

And Whereas, Said Legislative Assembly did designate and adopt Corvallis College as the agricultural College in which all students sent under the provisions of said act should be instructed in all the arts, sciences and other studies in accordance with the requirements of the act of Congress making such donation.

Therefore, Be it resolved by the Trustees of Corvallis College that said act with all its privileges and requirements is hereby accepted; and we promise on our part to faithfully carry out the provisions of said act.

Approved October 31, 1868

W. B. Bryan, President *pro tem*  
B. R. Biddle, Secretary

## Chronological History of OREGON STATE UNIVERSITY

- 1845 - Future site of Corvallis and Oregon State University, near the confluence of the Willamette and Marys Rivers, first settled by Joseph C. Avery in October.
- 1851 - Oregon territorial legislature passed an act whereby a territorial university would be "located and established at Marysville" (the Oregon Territory extended from Canada to California and from the Rocky Mountains to the Pacific).
- 1853 - Territorial legislature named three commissioners to select the Marysville site and erect the university.
- Town name changed from Marysville to Corvallis, meaning the 'heart of the valley,' on December 20.
- 1855 - Corvallis briefly became the Oregon Territory capital.
- Site of the territorial university relocated from Corvallis to Jacksonville following legislative action in January.
- 1856 - Corvallis Academy, the first community school in the area, established.
- 1858 - Corvallis College, with no religious affiliation, incorporated by six local citizens on January 20. Instruction was co-educational at the primary and preparatory levels. There would be no college-level curriculum until 1865.
- 1860 - Corvallis College (building and land) sold at sheriff's auction to satisfy a mechanic's lien.
- The college, after financial difficulties, reopened in November with Rev. W. M. Culp as principal.
- 1861 - Sale of Corvallis College to a Corvallis community Board of Trustees in January (each a member of the Methodist Episcopal Church, South).
- 1862 - First Morrill Act, which established land-grant colleges, signed by President Lincoln on July 2. The act offers every state grants of public land to help support colleges in the areas of agriculture and mechanic arts.
- Morrill Act provisions "irrevocably adopted" by the Oregon Legislature on October 9, although no action is taken at that time to establish a state college.
- 1865 - Rev. William A. Finley, A.M., D.D., appointed the first president of Corvallis College (October, 1865-May 4, 1872).
- A Collegiate Department offering a four-year, collegiate-level, liberal arts curriculum added to the Primary and Preparatory Departments.
- 1867 - First class of collegiate standing enrolled (4 students).
- 1868 - Corvallis College reincorporated August 22 as a degree-granting "literary" institution of higher education.
- **OSU Charter Day** -- October 27, 1868; the first State support for higher education in Oregon.
  - State legislature "designated and adopted" Corvallis College on October 27 "as the Agricultural College" of the State of Oregon; conditions accepted by the Corvallis College Board of Trustees on October 31.
- 1870 - New agricultural curriculum begun with 25 students, appointed by state senators to obtain a higher education (with tuition paid by the State).
- First class--one woman and two men--graduated with bachelor of Science (B.S.) degrees. These are the first degrees granted in the Far West by a state-assisted college or university.
- On October 21, Corvallis College was "designated and permanently adopted as the Agricultural College of the State of Oregon" by the State Legislature.
- 1871 - First Bachelor of Arts (A.B.) degree conferred.
- The Corvallis College Board of Trustees purchased a farm, 34.85 acres in size, on April 17; thereafter referred to as the Experimental Farm (and as Lower Campus).
- 1872 - Benjamin Lee Arnold, A.M., appointed the second president of Corvallis College and the Agricultural College of Oregon (August 31, 1872-January 30, 1892).
- 1873 - Corvallis State Agricultural College published its first agricultural research bulletin; the topic was "White Soil."
- Capt. Benjamin D. Boswell appointed Professor of Military Science and Tactics, the first U.S. Army officer on active duty to hold such a position in any land-grant college in the West.
- 1874 - First Biennial Report (1872-1874) of the College issued.
- 1875 - Alumni Association organized.
- 1876 - First Master of Arts (A.M.) degree conferred.
- 1883 - Department of Agriculture established; first in the Pacific Northwest.
- 1884 - Agricultural College farm tendered to the State by the Board of Trustees.
- 1885 - State of Oregon assumed complete control of Corvallis College from the Methodist Episcopal Church, South on February 11. Policy of the college assigned to a Board of Regents appointed by the governor.
- 1888 - First Oregon Agricultural Experiment Station established on the Lower Campus college farm on July 2.
- On July 2, Governor Penney accepted the new Administration Building (now Benton Hall) and property for the State; a gift from the citizens of Corvallis and Benton County.
- 1889 - College completes move from the 5th Street location to the new campus; first classes held in the new facility.
- Margaret Comstock Snell, M.D., appointed the first professor of Household Economy and Hygiene; the first such department and position in the Far West.
- 1892 - Upon the death of President Arnold on January 30, Professor John D. Letcher, C.E., senior faculty member, appointed acting president (February 17, 1892-May 31, 1892).
- John M. Bloss, A.B., A.M., M.D., appointed the third president of the State Agricultural College of the State of Oregon (June 1, 1892-June 24, 1896).
- 1893 - Orange selected as the school color on May 2. (By tradition, orange and black are generally used together.)
- Athletic program, including football, established.
  - In its 25th year after designation as a state college: collegiate enrollment--184 (179 undergraduate and 5 graduate students); degrees granted--19; teaching and research staff--16; library collection--1,950 volumes.
- 1894 - Farmers' Short Course, first in the West, offered.
- "Hayseed", forerunner of the Beaver yearbook, published by a group from the junior class; the first yearbook published in Oregon.

## Chronological History of Oregon State University (Continued)

- 1896 - H. B. Miller, a member of the Board of Regents, appointed the fourth president of the State Agricultural College of the State of Oregon (July 28, 1896-June 30, 1897).
  - Dean of the College Department established.
- 1897 - Thomas M. Gatch, A.B., A.M., Ph.D., D.D., appointed the fifth president of the Agricultural College of the State of Oregon (Summer, 1897-January 9, 1907).
- 1898 - Chair of Pharmacy established following a petition by druggists of the state for such a position.
- 1900 - Department of Commerce established, the 11th in the United States and the first in the Pacific Northwest.
- 1901 - First branch experiment station established at Union.
- 1902 - Oregon State joins the Northwest Intercollegiate Association.
- 1905 - Gamma Delta Phi becomes the first permanent Greek letter social organization on campus in April.
- 1907 - William Jasper Kerr, B.S., D.Sc., LL.D., appointed the sixth president of the Agricultural College of the State of Oregon (July 17, 1907-September 6, 1932).
  - First professional degree conferred, an M.E. degree in engineering.
- 1908 - Summer School for teachers offered for the first time.
  - Preparatory Department discontinued; entrance requirements raised--two years of high school or equivalent.
  - John C. Olmsted's long-range campus plan presented.
  - Establishment of professional schools in Agriculture (A.B. Cordley, M.S., Dean), Commerce (J.A. Bexell, A.M., Dean), Engineering and Mechanic Arts (G.A. Covell, M.E., Dean), and Domestic Science and Art (Juliet Greer, A.B., Dean).
  - Student yearbook began publication on an annual basis--entitled the Orange; retitled the Beaver in 1917.
- 1909 - State Board of Higher Curricula established in March (function/mission of Oregon Agricultural College defined).
- 1910 - First reference to "Beavers" as an athletic team name.
- 1913 - School of Forestry (George W. Peavy, Dean) and School of Mines (H. M. Parks, Dean) established on July 19.
- 1914 - Cooperative Extension Service in Agriculture, Home Economics, and Forestry established.
  - OSU Bookstore founded.
- 1915 - Oregon State became a charter member of the Pacific Coast (Athletic) Conference.
- 1918 - In its 50th year after designation as a state college: enrollment--1,668; degrees conferred--181; teaching and research staff--160; library collection--36,478 volumes.
- 1919 - "Carry Me Back" adopted as Alma Mater.
  - Food Technology Department, first in the United States, established.
- 1923 - All work of less than collegiate standing abolished.
- 1924 - Oregon Agricultural College accredited by the Northwest Association of Secondary and Higher Schools.
  - Chapter of Phi Kappa Phi honor society installed on June 6.
- 1926 - Oregon Agricultural College placed on the accredited list of the Association of American Universities in November.
- 1929 - Memorial Union dedicated on June 1.
  - Oregon State Agricultural College became part of the Oregon State System of Higher Education.
- 1932 - Reorganization of the Oregon State System of Higher Education adopted on March 7; operational management of OSSHE to be by a Board appointed Chancellor.
  - On September 6, Dr. William Jasper Kerr appointed as the first Chancellor of the OSSHE.
  - George W. Peavy, Dean and Director of Forestry, and senior member of the Administrative Council, appointed acting president (October 10, 1932-January 15, 1934).
- 1934 - George Wilcox Peavy, B.L., M.S.F., Sc.D., LL.D., appointed the seventh president of Oregon State Agricultural College (January 15, 1934-June 30, 1940).
- 1935 - First Ph.D. degrees conferred (three in Science and one in Agriculture) during the 65th Commencement.
- 1940 - Frank Llewellyn Ballard, B.S., D.Sc., LL.D., appointed the eighth president of Oregon State College (July 1, 1940-September 10, 1941).
- 1941 - President Ballard resigns. Francois Archibald Gilfillan, Dean of the School of Science, appointed acting president (September 10, 1941-October 14, 1942).
- 1942 - August Leroy Strand, B.S., M.S., Ph.D., LL.D., appointed the ninth president of Oregon State College (October 15, 1942-August 22, 1961).
- 1943 - In its 75th year after dedication as a state college: enrollment--4,743 (summer-660); degrees conferred--611; library collection--193,479 volumes.
- 1947 - Oregon State College Foundation established.
- 1949 - ROTC established.
- 1951 - Pharmacy curriculum changed to five-year instead of four; one of the first in the country to establish this curriculum requirement.
- 1952 - First appearance of "Benny the Beaver."
- 1953 - The name of the institution officially recognized by the Oregon legislature as Oregon State College on April 15.
- 1954 - Forest Experiment Station established.
- 1957 - Oregon State College invited to become one of 62 members of the National Association of State Universities.
- 1961 - First oceanographic research vessel, the 80-foot *Acona*, acquired (the first United States academic vessel designed specifically for oceanographic research).
  - On March 6, Governor Mark Hatfield signed into law the legislative act which changed the name of the institution to Oregon State University.
  - James Herbert Jensen, B.Sc., M.A., Ph.D., appointed the tenth president of Oregon State University (August 22, 1961-June 30, 1969).
- 1965 - OSU Marine Science Center at Newport dedicated.
- 1968 - OSU one of three universities in the nation selected to take part in the new Sea Grant program.
- 1968 - Oregon State University Centennial Celebration. In its 100th year after designation as a state college: enrollment is 15,791 (summer--4,908); degrees conferred--4,908; library collection--538,000 volumes.
- 1969 - Roy Alton Young, A.A., B.S., M.S., Ph.D., appointed acting president (June 16, 1969-June 30, 1970).
- 1970 - Robert William MacVicar, B.S.M.A., Ph.D., appointed the eleventh president of Oregon State University (July 1, 1970-November 16, 1984).

## Chronological History of Oregon State University (*Continued*)

- 
- 1971 - OSU/School of Oceanography designated as one of the nation's first four Sea Grant Colleges.
- 1972 - Dr. Harold J. Evans elected to the National Academy of Science--the first from Oregon State University.
- 1981 - LaSells Stewart Center completed (the largest private-gift project ever financed at an Oregon public college or university).
- 1982 - OSU and Western Oregon State College established the only jointly administered School of Education in the United States.
- 1984 - John Vincent Byrne, B.A., M.A., Ph.D., J.D., appointed as the twelfth president of Oregon State University (November 16, 1984- December 31, 1995).
- Milton Harris established an endowed chair in polymer chemistry in the Department of Chemistry; the first endowed chair established at OSU.
- 1986 - School of Education (OSU/WOSC) established the first "teacher warranty program" in the United States.
- Certificate program in Peace Studies established in the College of Liberal Arts (first in the Pacific Northwest).
  - OSU graduate Linus Pauling (the only person to be given two unshared Nobel awards in two different areas: Chemistry and Peace) designated OSU as the official repository of his papers and medals.
- 1987 - OSU's long-range planning document, "Preparing for the Future", published.
- In December, Knute Buehler (Class of 1986, with a B.S. degree in microbiology and a minor in History) awarded a Rhodes Scholarship (OSU's first Rhodes Scholar).
- 1988 - Trysting Tree Golf Course (18-Hole) dedicated.
- Baccalaureate Core, new undergraduate curriculum and graduation requirements for OSU students, approved; implementation set for Fall Term 1990.
  - First graduate degrees authorized in the College of Liberal Arts; masters degree in Scientific and Technical Communication, and masters/doctorate degrees in Economics.
  - Dedication of the Electrical and Computer Engineering Building--financed by Oregon State Lottery funds.
- 1989 - OSU Portland Center opens on January 9th.
- New OSU logo adopted on May 10.
  - State Police begin providing law enforcement coverage for campus on November 15.
- 1990 - OSU completed and equipped a new library at the Hatfield Marine Science Center in Newport.
- "Creating the Future" planning document published.
  - TQM (Total Quality Management) workshops initiated.
- 1991 - As a result of Ballot Measure 5, state general fund assistance is reduced by \$12.5 million. Colleges of Education and Home Economics are merged and several departments are targeted for closure, including Journalism, Religious Studies, and General Science.
- First TQM "Teamwork" Fair is held on April 23.
- 1992 - New B.A. degree in International Studies is approved.
- Vision statement is published on April 30.
  - New University organization structure is implemented.
  - Mercedes A. Bates Family Study Center opens October 3; the only U.S. facility dedicated to lifespan family study.
- 1993 - OSU became the first university in the U.S. to offer a concurrent baccalaureate degree program in International Studies--the International Degree.
- Telephone registration system is initiated Spring Term.
  - OSU receives the 1993 CASE Circle of Excellence Award.
- 1994 - OSU ranked number one in Oregon and 219 in the U.S. in terms of donations; \$27.1 million during the 1992-93 fiscal year.
- New OSU Portland Center opened at Third and Yamhill Streets, near Pioneer Place in downtown Portland.
  - In April, OSU was ranked as the only university in the state and one of two in the Pacific Northwest as a Research I higher education institution by the Carnegie Foundation.
  - In August, a new 1/4 scale Westinghouse Electric Corporation AP600 nuclear reactor unveiled at the Radiation Center.
  - OSU ranked as the safest in the Pac-10 according to a University of Southern California study in September.
  - Ballot Measure 8, which requires public employees to pay part of the salary toward their pension and also reduces those pensions, approved by voters in November.
  - On December 10, OSU Senior Debra Walt was selected as one of 32 Americans and the only Oregonian, to win the prestigious Rhodes Scholarship for 1995.
  - OSU received the first place Innovative Management Achievement Award from the National Association of College and University Business Officers in recognition of its total quality management (TQM) efforts.
  - University undergraduate degree requirements reduced from 192 to 180 credit hours, approved by the Faculty Senate.
- 1995 - In March, the Strategic Planning Committee published three "Aims" for the university: quality, stakeholder value, and diversity.
- In May, classified employees of the Oregon Public Employees Union went on strike for one week.
  - Fall Term 1995, OSU initiated a new department and a B.A./B.S. degree program in Ethnic Studies.
  - Fall Term 1995, new Honors College initiated.
  - On December 31, 1995, John V. Byrne retired after 11 years as OSU's 12th President.
- 1996 - Paul Gillan Risser, B.A., M.S., Ph.D., D.Sc., appointed as the 13th president of Oregon State University (January 1, 1996).
-

## History of Institution Name Changes

Year	Name
1856 to 1858	Corvallis Academy
1858 to 1868	Corvallis College
1868 to 1872	Corvallis College and Agricultural College (of the State)
1872 to 1876	Corvallis State Agricultural College
1876 to 1879	State Agricultural College (Corvallis College)
1879 to 1882	Corvallis College and State Agricultural College
1882 to 1885	Corvallis College and Oregon State Agricultural College
1885 to 1888	Corvallis and Oregon Agricultural College
1888 to 1896	State Agricultural College of the State of Oregon
1896 to 1908	Agricultural College of the State of Oregon
1908 to 1927	Oregon Agricultural College
1927 to 1937	Oregon State Agricultural College
1937 to 1961	Oregon State College <sup>1</sup>
1961 to Present	Oregon State University <sup>2</sup>

<sup>1</sup> The name of the institution was officially recognized by the Oregon legislature as Oregon State College on April 15, 1953.

<sup>2</sup> On March 6, 1961 Governor Mark Hatfield signed into law the legislative act changing the name of the institution to Oregon State University.

- University Libraries University Librarian
- Central Computing Director
- Graduate School Dean
- Communication Media Center Director
- Extended Education Dean/Director
- Consulting Services Head
- OSU Extension Service
- Continuing Higher Education
- Network Services Director

Academic Affairs  
Associate Provost

- Honors College Director
- Educational Opportunities Programs Director
- Services for Students with Disabilities Director
- Enrollment Services Director
- Summer Session Coordinator
- Pre-College Programs Director
- Undergraduate Academic Programs Director
- ROTC Commanders
- Faculty Senate

Student Affairs  
Vice Provost

- Dean of Students Dean
- Financial Aid Director
- University Counseling and Psychological Services Director
- University Housing and Dining Services Director
- Career Planning and Placement Center Director
- Memorial Union and Educational Activities Director
- Recreational Sports Director
- Student Health Services Co-Directors

- Legal Advisor
- Affirmative Action Director
- Multicultural Affairs Director

- Alumni Relations Director
- Conferences and Special Events Director
- Development Director
- University Relations and Marketing Director

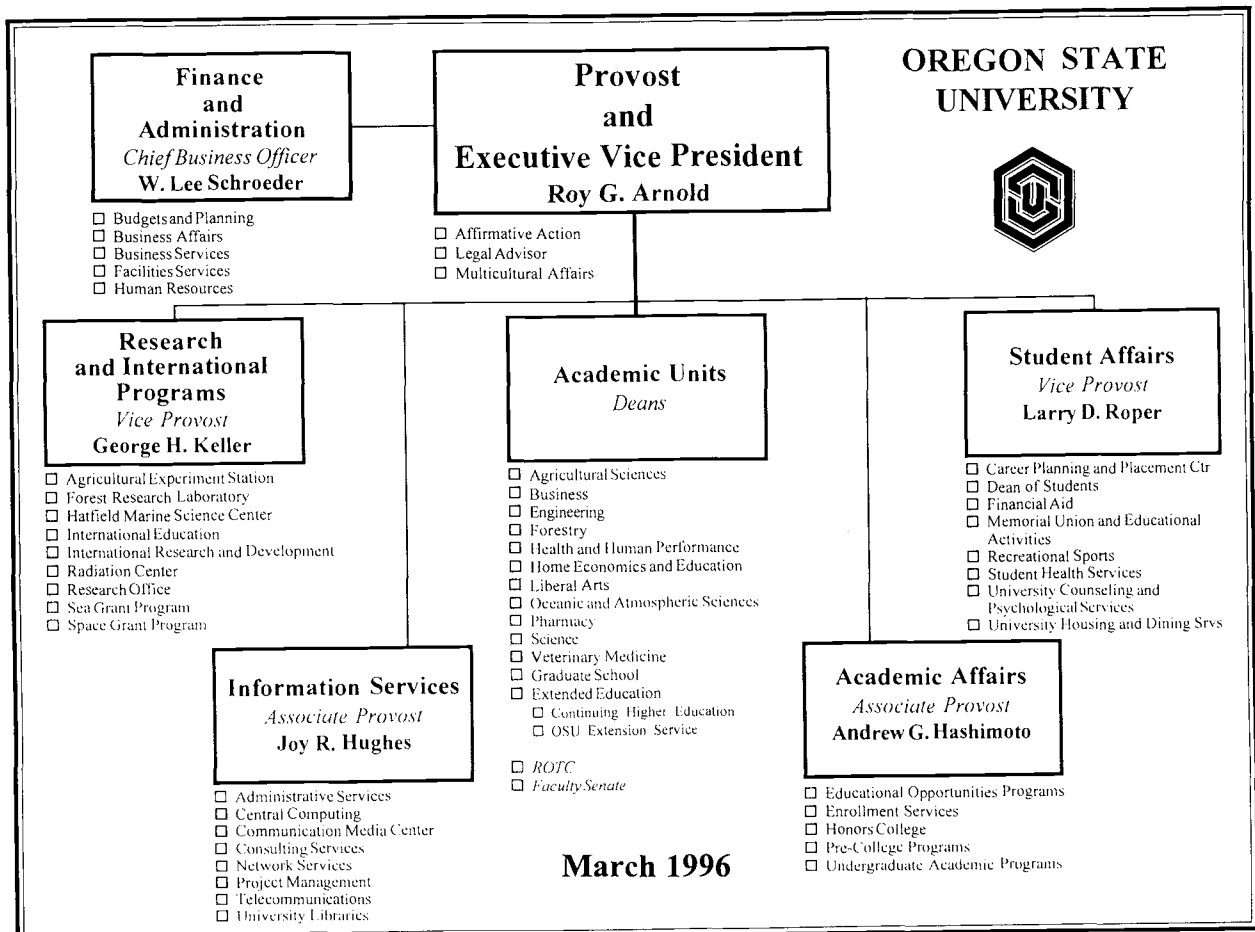

Colleges

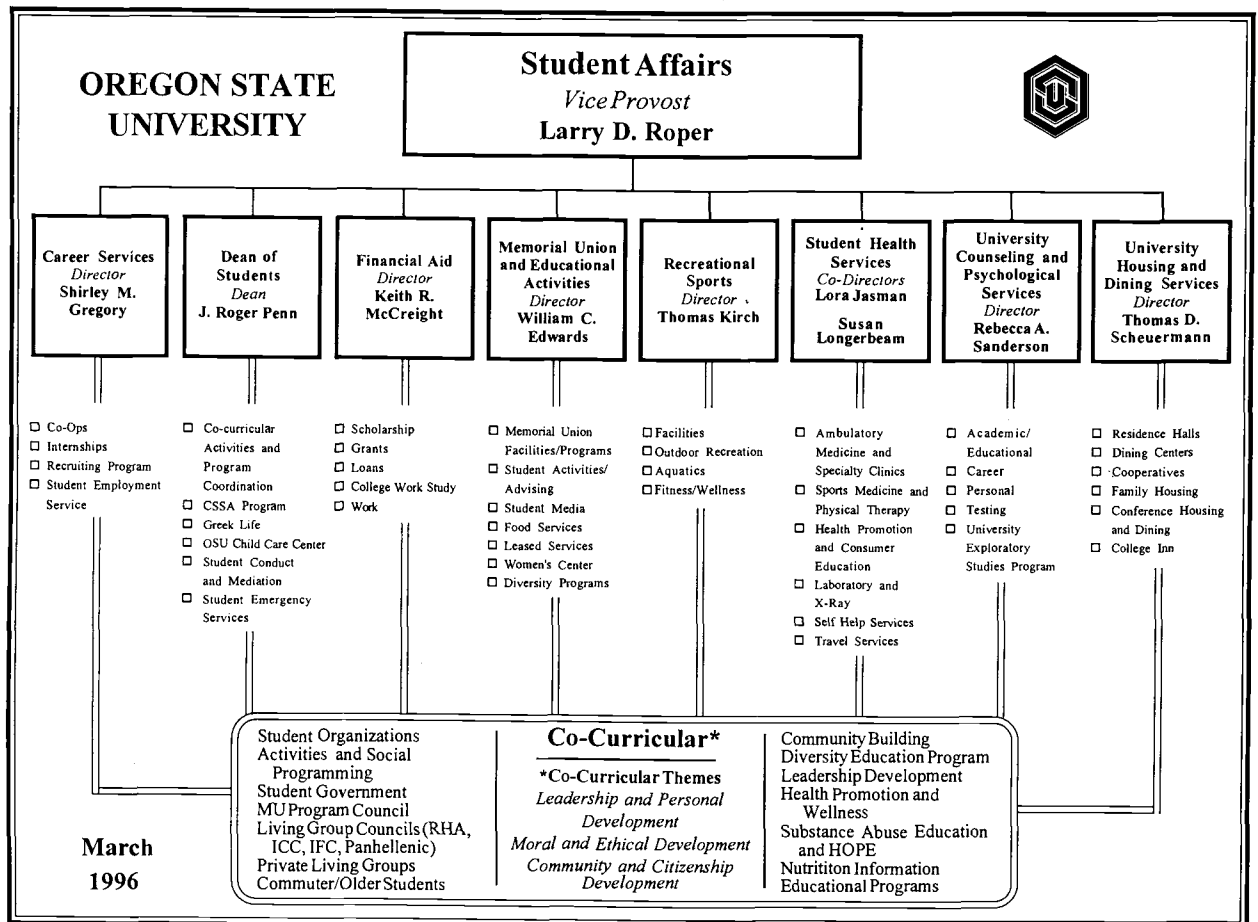

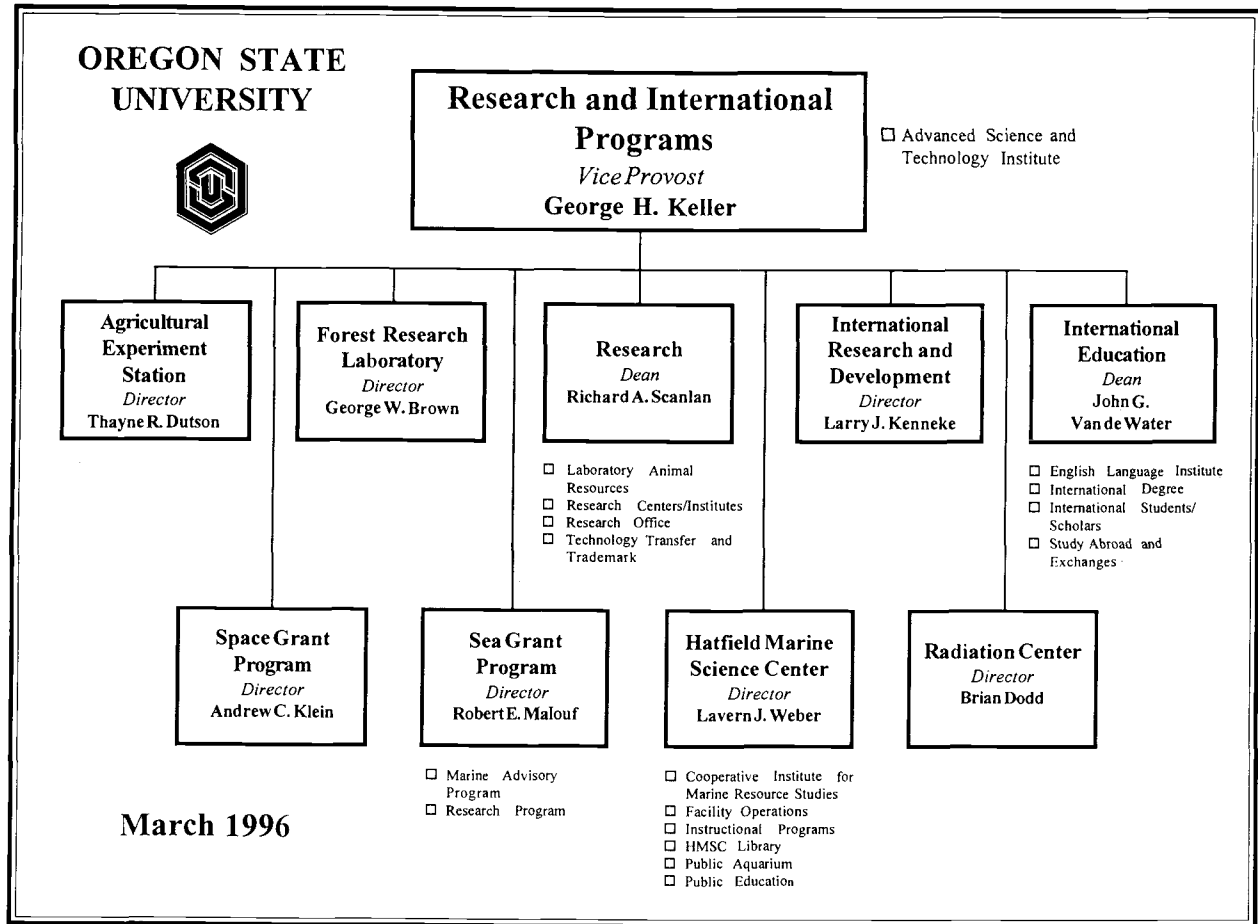

- Agricultural Sciences Dean/Agricultural Experiment Station Director
- Business Dean
- Engineering Dean
- Forestry Dean/Forest Research Laboratory Director
- Health and Human Performance Dean
- Home Economics and Education Dean
- Liberal Arts Dean
- Oceanic and Atmospheric Sciences Dean
- Pharmacy Dean
- Science Dean
- Veterinary Medicine Dean

glt/95-6 v.1

## Academic and Administrative Deans 1995-96

College/School/Office	Name	Office Held Since
<b>College of Agricultural Sciences</b>		
Dean/Director, Agricultural Experiment Station	<b>Thayne R. Dutson</b>	November 1993
Associate Dean	Michael J. Burke	August 1984
Associate Dean	L. J. (Kelvin) Koong	March 1994
<b>College of Business</b>		
Dean	<b>Donald F. Parker</b>	May 1991
<b>College of Engineering</b>		
Dean	<b>S. John T. Owen</b>	January 1990
Associate Dean for Administration	Tom M. West (Acting)	January 1993
Associate Dean for Research and Graduate Studies/ Director of Engineering Research Office	R. Gary Hicks	January 1990
Assistant Dean for Academic and Student Affairs	Roy C. Rathja	January 1991
<b>College of Forestry</b>		
Dean/Director, Forest Research Laboratory	<b>George W. Brown</b>	January 1990
Associate Dean	Bart A. Thielges	September 1990
Assistant Dean, Extended Education	A. Scott Reed	October 1990
<b>College of Health and Human Performance</b>		
Dean	<b>Timothy P. White</b>	January 1996
Assistant Dean	Kathleen F. Heath	July 1984
<b>College of Home Economics and Education</b>		
Dean	<b>Kinsey B. Green</b>	April 1984
Associate Dean for Instruction and Research	Sandra A. Helmick	January 1991
Associate Dean for Extension Home Economics	Lois A. Goering	September 1988
<b>College of Liberal Arts</b>		
Dean	<b>Kay F. Schaffer</b>	September 1994
Associate Dean	William G. Robbins	September 1995
Assistant Dean for Student Services	James J. O'Connor	September 1989
<b>College of Oceanic and Atmospheric Sciences</b>		
Dean	<b>G. Brent Dalrymple</b>	August 1994
Associate Dean	Nicklas G. Piasias	September 1993
<b>College of Pharmacy</b>		
Dean	<b>Richard A. Ohvall</b>	July 1976
Assistant Dean for Pharmacy Practice, OHSU	Randall L. Vanderveen	October 1988
<b>College of Science</b>		
Dean	<b>Frederick H. Horne</b>	October 1986
Associate Dean for Research and Administration	George D. Pearson	October 1991
Associate Dean for Students and Curriculum/ Head Adviser	Richard W. Thies	January 1987
<b>College of Veterinary Medicine</b>		
Dean	<b>Norman E. Hutton</b> (Interim)	January 1995
Assistant Dean	<b>Robert C. Wilson</b> (June 1996)	January 1995
	Linda L. Blythe (Interim)	January 1995
<b>Graduate School</b>		
Dean	<b>Thomas J. Maresh</b>	January 1989
Associate Dean	John C. Ringle	February 1981
<b>Office of Extended Education</b>		
Dean/Director of Extension Service	<b>Lyla E. Houglum</b>	January 1995
<b>Office of International Education</b>		
Dean	<b>John G. Van de Water</b>	October 1989
<b>Office of Research</b>		
Dean	<b>Richard A. Scanlan</b>	January 1989
<b>Office of the Dean of Students</b>		
Dean	<b>J. Roger Penn</b>	July 1983
Assistant Dean	Nancy M. Vanderpool	September 1979
<b>Honors College</b>		
Director	<b>Jon A. Hendricks</b>	April 1995

## Academic Department Chairpersons/Heads 1995-96

College/Department (Established)	Name	Office Held Since
<b>College of Agricultural Sciences (1908)</b>		
Agricultural and Resource Economics	William G. Boggess	1995
Agricultural Chemistry	Ian J. Tinsley	1990
Agricultural Education and General Agriculture	R. Lee Cole	1987
Animal Sciences	James A. Fitzgerald	1995
Bioresource Engineering*	James A. Moore	1996
Botany and Plant Pathology**	Stella M. Coakley	1988
Crop and Soil Science	Sheldon L. Ladd	1985
Entomology**	Paul C. Jepson	1995
Fisheries and Wildlife	Erik K. Fritzell	1994
Food Science and Technology	Daniel F. Farkas	1990
Horticulture	Charles D. Boyer	1993
Microbiology**	John L. Fryer	1976
Rangeland Resources	William C. Krueger	1981
Statistics**	Justus F. Seely	1986
* Jointly administered with the College of Engineering.		
** Jointly administered with the College of Science.		
<b>College of Business (1908)</b>		
Accounting, Finance, and Information Management	Ilene Kleinsorge (Interim)	1995
Management, Marketing, and International Business	Ronald L. Miller	1987
<b>College of Engineering (1908)</b>		
Bioresource Engineering*	James A. Moore	1996
Chemical Engineering	W. James Frederick, Jr.	1992
Civil, Construction, and Environmental Engineering	Wayne C. Huber	1991
Computer Science	Walter G. Rudd	1985
Electrical and Computer Engineering	Vijai K. Tripathi	1995
Industrial and Manufacturing Engineering	Sabah U. Randhawa (Acting)	1993
Mechanical Engineering	Gordon M. Reistad	1987
Nuclear Engineering	Alan H. Robinson	1986
* Jointly administered with the College of Agricultural Sciences		
<b>College of Forestry (1913)</b>		
Forest Engineering	Steven D. Tesch	1995
Forest Products	Thomas E. McLain	1993
Forest Resources	John D. Waistad	1988
Forest Science	Logan A. Norris	1983
<b>College of Health and Human Performance (1974)</b>		
Exercise and Sport Science	Anthony R. Wilcox	1994
Public Health	Rebecca Donatelle (Interim)	1995
<b>College of Home Economics and Education (1908)</b>		
Apparel, Interiors, Housing, and Merchandising	Sally K. Francis	1982
Extension Home Economics	Lois A. Goering	1995
4-H Youth Development Education	James A. Rutledge	1995
Human Development and Family Sciences	Alan Acock	1990
Nutrition and Food Management	Ann M. Messersmith	1994
<b>School of Education (1918)</b>		
Wayne W. Haverson		1992
<b>College of Liberal Arts (1959)</b>		
Anthropology	John A. Young	1987
Art	David P. Hardesty	1984
Economics	Victor J. Tremblay	1995
English	Robert B. Schwartz	1994
Ethnic Studies	R. Lincoln Kesler (Interim)	1995
Foreign Languages and Literatures	Joseph T. Krause (Interim)	1995
History	Paul L. Farber	1991
Music	Marlan G. Carlson	1993
Philosophy	Kathleen D. Moore	1992
Political Science	James C. Foster	1990
Psychology	Lawrence J. Ryan	1994
Sociology	Rebecca L. Warner	1995
Speech Communication	Gregg B. Walker (Interim)	1995
<b>College of Oceanic and Atmospheric Sciences (1972)</b>		
<b>College of Pharmacy (1898)</b>		
<b>College of Science (1932)</b>		
Biochemistry and Biophysics	Christopher K. Mathews	1978
Botany and Plant Pathology*	Stella M. Coakley	1988
Chemistry	Carroll W. DeKock	1985
Entomology*	Paul C. Jepson	1995
Geosciences	Sherman H. Bloomer	1995
Mathematics	Francis J. Flaherty	1987
Microbiology*	John L. Fryer	1976
Physics	Kenneth S. Krane	1984
Science and Mathematics Education	Margaret L. Niess	1989
Statistics*	Justus F. Seely	1986
Zoology	Charles E. King (Interim)	1995
* Jointly administered with the College of Agricultural Sciences.		
<b>College of Veterinary Medicine (1975)</b>		
<b>Reserve Officers Training Corps</b>		
Air Force Studies	Col. Richard C. Fast	1995
Military Science	Lt. Col. Gregory L. Hightower	1995
Naval Science	Capt. Marvin R. Rice	1994

II.  
ACADEMIC  
INFORMATION

## Institutional and Professional Accreditation

College	Department/Major	Accrediting/Membership Group	Last	Next
<b><u>Institutional Accreditation</u></b>				
Oregon State University <sup>1</sup>		*Commission on Colleges of the Northwest Association of Schools and Colleges (NASC)	1990	2001
<b><u>Professional Academic Accreditation</u></b>				
Agricultural Sciences	Rangeland Resources (B,M,D)	Society for Range Management (SRM)	1987	1997
Business <sup>2</sup>	Business (B,MBA); Accounting (B)	*American Assembly of Collegiate Schools of Business (AACSB)	1986	1998
Engineering	Chemical, Civil, Computer, Electrical and Electronics, Industrial, Manufacturing, Mechanical, Nuclear (B)	*Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology (ABET)	1994	1998
	Construction Engineering Management (B)	*American Council for Construction Education (ACCE)	1990	1996
Forestry <sup>1</sup>	(B,M,D)	*Society of American Foresters (SAF)	1990	2000
Health and Human Performance	Environmental Health (B)	National Environmental Health Science and Protection Accreditation Council (NEHSP)	1991	1996
	Environmental Health and Safety (B - Occupational Safety Option)	*Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology (ABET)	1992	1997
	Exercise and Sport Science (B - Athletic Training Option)	*Commission on Accreditation of Allied Health Education Programs (CAAHEP)	1994	1999
	Health Care Administration (B)	Association of University Programs in Health Administration (AUPHA) <sup>3</sup>	1991	1996
	Health Education (M)	*National Council for Accreditation of Teacher Education (NCATE) and the Association for the Advancement of Health Education (AAHE) <sup>4</sup>	1994	2004
Home Economics and Education	Home Economics (B,M,D)	Council for Professional Development of the American Home Economics Association (AHEA)	1995	2005
	Nutrition and Food Management (B - Dietetic Option)	*American Dietetic Association (ADA) <sup>5</sup>	1990	2000
	Elementary/Secondary Education (M,D)	*National Council for Accreditation of Teacher Education (NCATE) Oregon Teacher Standards and Practices Commission (OTSPC)	1994 1993	2002 1998
	Counseling (M,D)	Council of Accreditation of Counseling and Related Educational Programs (CACREP)	1992	1997
Pharmacy	(B,Pharm.D,M,D)	*American Council on Pharmaceutical Education (ACPE)	1992	1998
Science	Chemistry (B,M,D)	American Chemical Society (ACS)	1992	1997
Veterinary Medicine	(M,D,FP)	*Council on Education of the American Veterinary Medical Association (AVMA)	1993	1998
<b><u>Other Professional Accreditation</u></b>				
Student Health Service		American Association for Ambulatory Health Care (AAHC)	1995	1998

<sup>1</sup> Interim accreditation review was in 1995.

<sup>2</sup> Accreditation of the undergraduate and graduate programs in business and the undergraduate program in accounting.

<sup>3</sup> Full membership in AUPHA.

<sup>4</sup> Folio approved and nationally recognized program.

<sup>5</sup> An ADA "approved" program.

\* National institutional and specialized accrediting bodies recognized by the U.S. Secretary of Education.

B = Bachelors; M = Masters; D = Doctorate; FP = First Professional (DVM)

## Academic Programs and Degrees 1995-96

Programs By College	Degrees			Special Programs	IPEDS* Code
	Bachelor	Master	Doctorate		
<b>College of Agricultural Sciences (AGR)</b>					
Agriculture	--	M.Agr.	--	--	020101
Bioresources Research <sup>1</sup> (OSU)	B.S.	--	--	--	260616
Botany <sup>2</sup> (SCI)	B.S.	--	--	--	260301
Botany and Plant Pathology <sup>2</sup> (SCI)	--	M.A., M.S.	Ph.D.	M.Agr., M.A.I.S.	260301
Entomology <sup>2</sup> (SCI)	B.A., B.S.	M.A., M.S.	Ph.D.	M.Agr., M.A.I.S.	260702
Genetics	--	M.A., M.S.	Ph.D.	M.Agr., M.A.I.S.	260613
Microbiology <sup>2</sup> (SCI)	B.S.	M.A., M.S.	Ph.D.	M.Agr., M.A.I.S.	260501
Statistics <sup>2</sup> (SCI)	--	M.A., M.S.	Ph.D.	M.Agr., M.A.I.S.	270501
Pre-Veterinary Medicine	--	--	--	T	511104

- <sup>1</sup> Interdisciplinary program involving 15 departments in the Colleges of Agricultural Sciences, Forestry, and Science. Degrees are awarded in the College of Agricultural Sciences.
- <sup>2</sup> Joint department funding with the College of Science. Degrees are awarded through the College of Science.
- <sup>3</sup> Master of Arts in Teaching (MAT) degree is awarded in the College of Home Economics and Education.
- <sup>4</sup> Degrees are awarded through the College of Engineering.
- <sup>5</sup> Diplomas are entitled "Business Administration."
- <sup>6</sup> Master of Engineering in Manufacturing Engineering is a joint program with Portland State University. Degrees are jointly awarded by OSU and PSU.
- <sup>7</sup> Interdisciplinary program involving the Colleges of Agricultural Sciences, Forestry, Liberal Arts, and Science. Degrees are awarded in the College of Forestry.
- <sup>8</sup> The M.P.H. is a collaborative degree program involving Portland State University and the Oregon Health Sciences University.
- <sup>9</sup> The College of Education closed on June 30, 1992. Graduate degrees and one baccalaureate degree program that remained were merged with the College of Home Economics. The School of Education is now located in the College of Home Economics and Education.
- <sup>10</sup> OSU's Secondary and K-12 Professional Teacher Education programs are a cooperative effort involving the Colleges of Agricultural Sciences, Health and Human Performance, Home Economics and Education, Liberal Arts, and Science.
- <sup>11</sup> The M.A. and M.S. degrees in Scientific and Technical Communication are awarded through a joint program of the Departments of English and Speech Communication.
- <sup>12</sup> The M.A./M.S. and Ph.D. degrees are part of a joint program (with the Colleges of Agricultural Sciences and Forestry) in Economics.
- <sup>13</sup> New department and undergraduate degree program effective Fall Term 1995.
- <sup>14</sup> Diplomas are entitled "Speech Communication."
- <sup>15</sup> New first professional degree, the Pharm. D., is a two-year post-baccalaureate program. Effective: Fall Term 1995.
- <sup>16</sup> Interdisciplinary program involving the Colleges of Agricultural Sciences, Engineering, Forestry, Health and Human Performance, Liberal Arts, Oceanic and Atmospheric Sciences, and Science. Degrees are awarded in the College of Science.
- <sup>17</sup> The Environmental Science option is at the Master's and Doctorate levels. Degrees are entitled General Science.
- <sup>18</sup> History of Science option program is administered in the Department of History (College of Liberal Arts). Degrees are entitled General Science and are awarded in the College of Science.
- <sup>19</sup> Concurrent degree; must be completed in combination with another baccalaureate degree program. Degrees can be awarded by any academic college.
- <sup>20</sup> Coordinated by the Water Resources Research Institute.

# Extended Education Programs in Oregon

## OSU Extended Education

As a leading Land Grant University, OSU's mission has three parts: resident instruction, research, and extended education. Extended education is education and service for citizens who are not resident at the University's campus which draws upon the knowledge base of the University. Our goal is to improve the total university response to local educational needs through extended education.

Implementation of the OSU Extended Education mission began in 1995.

The office of Extended Education is administered by a Dean of Extended Education and Director of the OSU Extension Service. The dean and director has overall responsibility for all University-wide extended education programs including administration of the Extension Service and Continuing Higher Education programs. Each academic dean is responsible to the Dean of Extended Education for the program planning, implementation, and evaluation of all extended education programs administered through his/her college.

The Dean of Extended Education works closely with the Extended Education Council (academic deans), to provide leadership and policy guidance to assure that OSU is a leader in identifying needs of Oregonians and meeting them through extended education programs.

An Extended Education Coordinating Committee is the working group that assists the Dean in coordination of planning and programming in extended education. The coordinating committee includes one person from each college and Sea Grant, the Associate Directors of the Extension Service, the Director of Continuing Higher Education, three county Extension staff chairs, and one representative each from information services, development, and communications.

The involvement of local users is essential to the direction and success of extended education programs state-wide. OSU will involve local people and user groups on an advisory council that represents Oregon needs and issues.

---

## OSU Extension Service

The OSU Extension Service is the University's off-campus, informal education link with the people of Oregon. Extension Service programs help people solve problems and improve skills in the areas of agriculture, energy, forestry, home economics, sea grant and 4-H youth development.

Leadership for Extension Service programs is provided through assigned academic colleges. Leadership for the Extension Service is provided by the Dean of Extended Education and Director of the OSU Extension Service. All Extension Service faculty, county agents, and specialists have academic appointments in appropriate colleges.

Some 175 Extension Service faculty are located in more than 40 offices around the state, including at least one office in most Oregon counties. In addition, more than 90 faculty are located in nine OSU colleges where they work side by side with laboratory and classroom colleagues. These professionals are the eyes and ears of the University, working closely with Oregonians in all walks of life. They listen to what Oregonians are saying and provide feedback to the University for determining research needs.

OSU Extension Service has been a part of the University for more than 80 years. It was officially created in 1911 by action of the Oregon Legislature, and recognized nationally in 1914 by the Smith-Lever Act. Funding for Extension Service programs comes from federal, state, and county government, and from fees, grants, and contacts.

**PROGRAMS:** ♦ Agriculture ♦ Energy ♦ Forestry ♦ Home Economics  
♦ Sea Grant ♦ 4-H Youth Development

## Continuing Higher Education

The Office of Continuing Higher Education's (OCHE) mission, within the overall mission of extended education at Oregon State, is to extend the academic and related support services of the University to learners across the state. OCHE provides essential administrative support to OSU academic units and their faculty, thus enabling participants at a variety of locations to have convenient access to education and training opportunities.

OCHE concentrates on three primary areas, each designed to meet the needs of particular groups, organizations, and individuals:

### Degree Completion Programs and Courses

#### Liberal Studies Program for Distance Learners

An upper division bachelor's (B.A., B.S.) degree program with courses delivered via Oregon EdNet to Astoria, Bend, Coos Bay, Hood River, and Newport.

#### Evening/Weekend Degree Program

An upper division Liberal Studies bachelor's (B.A., B.S.) degree program with live weekend and evening classes on the OSU campus.

#### Individualized Directed Learning

Over 50 independent study courses taught by OSU faculty used to supplement both on-campus and distance learning programs.

#### Doctor of Education (Ed.D.) with an Emphasis in Community College Leadership

#### Master's of Education (M.Ed.) with an Emphasis in Adult Basic Education

Designed for cohorts of working professionals to complete graduate degrees, with courses both on and off campus.

#### Specialized Courses

Intensive language programs and computer courses are two examples of programs offered in a variety of locations and formats.

### Partnerships with Business, Industry, and Public Organizations

OCHE promotes partnerships with the private sector and public groups to serve their specialized needs for education and training. Design of customized programs and courses, needs assessment, and innovative delivery methods that match expertise with needs, are provided these partners. Courses have included credit/non-credit workshops, management training seminars, and graduate level technical courses. Examples include OSU/Good Samaritan Hospital Institute for Management and Professional Development and COSTCO Leadership training.

### Continuing Professional Development

Courses, seminars, and workshops for professional certification and licensure, or for updating skills, are offered for teachers, foresters, engineers, and many other professional groups. These programs are offered for academic credit, and/or continuing education units.

In addition, OCHE provides a variety of special workshops, training programs, and planning and evaluation assistance to public and private organizations.

# OSU Telecommunicated Distance Education

## Programs in Oregon 1995-96

Oregon State University uses a variety of telecommunication systems to extend programs and services throughout Oregon.

**Oregon ED-NET.** OSU originates and receives programs over ED-NET's two satellite based networks. Network I is a full motion, broadcast quality network that reaches 181 sites located at high schools, community centers, hospitals, state offices, and all OSSHE institutions and community colleges. Network II is a digitally compressed network capable of two-way audio and video interaction between 37 specially equipped sites in Oregon. Network II sites include all OSSHE institutions and community colleges as well as several community sites. ED-NET allows OSU to deliver quality degree and certificate programs and special events directly to communities throughout Oregon.

**Instructional Television Fixed Service (ITFS).** ITFS is a low power, omnidirectional, line-of-sight television transmitting system that provides linkages with homes, schools, and businesses. Approval of ITFS channels have been received from the FCC and are being developed in the Willamette Valley. The ITFS network will allow OSU to broadcast a range of courses to business and educational institutions in Portland and the Willamette Valley.

**Terrestrial Microwave.** A terrestrial microwave system connects OSU to the ED-NET satellite uplink in Portland, and to an ITFS system in Portland.

**NERO.** NERO is a new leased fiber optic system that links the graduate schools of engineering at PSU, OSU, UO and OGI. The system uses compressed video, audio and graphics to share courses and data between institutions. The system originally was funded through a NASA grant and is a test site for the new ATM data distribution protocol.

**OSU Extension Service.** The OSU Extension Service is an off-campus arm of Oregon State University. Satellite downlinking facilities are located at 34 of the 36 county offices located in Oregon. County Extension Offices are able to receive programming from Oregon ED-NET or directly from OSU's ADEC uplink.

**ADEC Satellite Uplink.** ADEC is a consortium of land grant institutions that use a satellite system to share courses and special events among members. OSU, as a charter member of ADEC, has a steerable satellite uplink located on campus. The uplink offers OSU the ability to originate programs to state, national, and international audiences.

**Internet and World-Wide Web.** Through Internet and World-Wide Web access, OSU provides a growing number of full course and partial course offerings to students with local internet access and from throughout the world. These offerings can be previewed by linking through the OSU Home Page.

## OREGON STATE UNIVERSITY

# International Study Abroad and Student Exchange Programs

### 1995-96

Opportunities for students to study abroad continue to expand at OSU. There are now 58 programs in 30 countries. A new policy on international exchange, implemented in 1992 by a faculty Study Abroad Advisory Committee (SAAC), encourages departments to initiate and administer international exchange and study abroad programs specific to their academic units. The purpose of the new policy is to encourage faculty initiatives and to expand the diversity of academic programs and geographic locations available through study abroad and student/faculty exchange programs. Study Abroad and Student Exchange Programs at OSU are defined as Category A or Category B programs.

**Category A:** The Office of International Education continues to administer programs with a broad scope involving students from a number of academic units. These include the Oregon State System of Higher Education (OSSHE) programs in China, Ecuador, France, Germany, Hungary, Japan, Korea, Mexico, and Thailand. Also included are the Northwest Council on Study Abroad (NCSA) programs in Avignon, France; London, England; Cologne, Germany; and Siena, Italy. Programs in Bathurst, Australia; Sussex, England; and the Former Soviet Union are open to all students and are administered in the Office of International Education.

**Category B:** Programs involving students from one department or college will be the responsibility of that academic unit with the Office of International Education providing assistance, support, and budget review. This new policy has already generated several new programs and administrative changes. The College of Engineering has year-long programs for engineering students at the University of Nottingham, the University of Sussex, and the University of Mexico. College of Science students may spend a year at the University of Lancaster or the University of Sussex. Agriculture students have programs at the University of British Columbia, and at Lincoln College in New Zealand. A College of Liberal Arts program in Guadalajara, Mexico, places education students in bilingual schools for field experience, and Spanish language majors work in language schools. The College of Business has programs at Agder College in Kristiansand, Norway and Aarhus and Copenhagen, Denmark.

## Intercollegiate Athletics 1995-96

Oregon State's 15 sports are recognized at the Division I level of the National Collegiate Athletic Association (NCAA). In 1915, OSU became a charter member of the Pacific Coast (Athletic) Conference, now the Pacific-10 Conference.

### Women's Sports

#### Basketball

**Head Coach:** Judy Spoelstra  
**Participants:** 14      **Scholarships:** 14  
**Facility:** Gill Coliseum      **Seats:** 10,400  
**Championships:** Nor-Pac: 1983; Region Nine: 1979, 1981.

An NCAA Tournament team in both 1994 and 1995, the Beavers were 21-7 in 1994-95, third in the Pac-10, and finished the season ranked 21st on both the AP and USA Today polls. The team has been as high as 12th in both polls this year. First-year head coach Judy Spoelstra, a standout player at OSU, returns to her alma mater after successful coaching stints as an assistant at Boise State and as head coach at Montana State. She inherited an experienced, senior-dominated squad featuring All-American Tanja Kostic, among Division I's scoring leaders.

#### Crew

**Head Coach:** Charlie Owen  
**Participants:** 51      **Scholarships:** 1.94  
**Facility:** Stevens Crew House

Highlights from the women's crew season under head coach Charlie Owen included a varsity eight victory over Cal and a pair of Pac-10 fourth place finishes for the JV and Novice boats. The program placed three national champion crews in 1980 alone and ten regional champion crews since 1975. Holly (Kays) Brunkow was a national team member in 1989 and 1990.

#### Golf

**Head Coach:** Rise Lakowske  
**Participants:** 9      **Scholarships:** 4.32  
**Facility:** Trysting Tree Golf Club 7,104 yards, par 72

The women's golf team returned to regionals for the third spring in four years, and head coach Rise Lakowske welcomes back five key veterans from that team. Felicia Galindo toured with the Pac-10 team last summer and Kathleen Takaishi had a big freshman year. Coach Lakowske teamed with OSU All-American Mary Budke to take third at national in 1974.

#### Gymnastics

**Head Coach:** Jim Turpin  
**Participants:** 15      **Scholarships:** 10  
**Facility:** Gill Coliseum      **Seats:** 9,000  
**Championships:** Nor-Pac: 1983, 1985; Pac-10: 1991, 1992, 1994; Regional: 1979, 1980, 1981, 1982, 1985, 1988, 1991, 1992, 1994.

Women's gymnastics averages 6,000 fans per home meet as a perennial national power. They drew over 34,000 fans at home to the 1990 and 1993 NCAA National Championships. The team has 14 All-Americans, nine of whom earned the title more than once. Head coach Jim Turpin fielded one of his youngest lineups in 1995, but still landed a super six finish at nationals. The gymnastics team won the national academic championship in 1991 and 1992 with grade point averages of 3.611 and 3.385.

#### Soccer

**Head Coach:** Tom Rowney  
**Participants:** 20      **Scholarships:** 7.74  
**Facility:** Women's Field      **Seats:** 1,200

Head coach Tom Rowney's squad established themselves in 1994 and 1995 as a nationally-ranked team. The program has its first All-American, Val Williams, who won the honor in her sophomore season. OSU's newest intercollegiate women's sport advanced to the NCAA Tournament in 1994. Coach Rowney, in his 4th year, finished the 1995 season ranked No. 21-ISSA and No. 17-Soccer America.

#### Softball

**Head Coach:** Kirk Walker  
**Participants:** 16      **Scholarships:** 8.94  
**Facility:** Ropes-Fetrow Field      **Seats:** 500

Under second-year coach Kirk Walker, the team made great strides, with OSU's finest Pac-10 conference season in years. The departure of only three seniors, coupled with a solid recruiting effort, makes for a promising 1996. Walker's debut as a head coach came after contributing as an assistant to numerous national championship teams in the last 11 years at UCLA.

#### Swimming

**Head Coach:** Julie Saunders  
**Participants:** 14      **Scholarships:** 5.8  
**Facility:** Osborn Aquatic Center      **Seats:** 650

For the second straight season, the women's swimming program was represented at the NCAA National Championships by senior All-American Amy van Loben Sels in the 50-yard freestyle. The team shattered seven school records last year and is rewriting those books again in 1995-96.

#### Volleyball

**Head Coach:** Jeff Mozzochi  
**Participants:** 13      **Scholarships:** 12  
**Facility:** Gill Coliseum      **Seats:** 9,000

Volleyball has advanced to the National Invitational Volleyball Championship two of the last three years and has its sights set on post-season play again in 1996. Rachel Hochesang, Staci Hintze, Miya Malauulu, Heather Lowe, and Stacey Holley all have extensive Pac-10 experience, competing against the nation's best. Jeff and Marty Mozzochi and Jerry Wagner make up the Beaver staff. The Mozzochis led Portland State to four Division II National Championships.

# Intercollegiate Athletics

## 1995-96

### Men's Sports

#### Baseball

**Head Coach:** Pat Casey  
**Participants:** 40      **Scholarships:** 11.31  
**Facility:** Coleman Field      **Seats:** 3,000  
**Championships:** Pac-10 Northern Division:  
 1938, 1940, 1943, 1951, 1952, 1958, 1962, 1963,  
 1975, 1981, 1982, 1984, 1994.

Despite losing several signed prospects to the major league draft, second-year coach Pat Casey still had an outstanding recruiting year. The newcomers will supplement a young team that still matched the school record with 42 season home runs and put together OSU's ninth winning season in the last decade. Since 1990, 15 Beavers have gone on to play pro baseball. Casey succeeded Jack Riley, who retired as OSU's winningest baseball coach ever with the 1994 Pac-10 Northern Division Championship.

#### Basketball

**Head Coach:** Eddie Payne  
**Participants:** 15      **Scholarships:** 12  
**Facility:** Gill Coliseum      **Seats:** 10,400  
**Championships:** Pac-10: 1916, 1933, 1947,  
 1949, 1955, 1958, 1966, 1980, 1981, 1982, 1984,  
 1990; Regional: 1949, 1963.

New faces dominate a new era in the storied history of OSU men's basketball. Head coach Eddie Payne comes to Corvallis from East Carolina, where he advanced the program to its first two consecutive winning seasons in 25 years and led the team to the NCAA Tournament for the first time in two decades. OSU has one of the richest collegiate traditions in the nation. Two Basketball Hall of Fame coaches, Amory "Slats" Gill and Ralph Miller, have produced the vast majority of more than 1,400 victories.

#### Crew

**Head Coach:** Dave Reischman  
**Participants:** 40      **Scholarships:** 1.86  
**Facility:** Stevens Crew House

Men's crew closed out their spring at the Intercollegiate Rowing Championships in New Jersey after the varsity eight qualified with a third place finish at the Pac-10's. Although three seniors depart that varsity eight lineup, second-year coach Dave Reischman has potential replacements from the Novice and JV squads waiting in the wings. The Willamette River has been home to a dozen national team members. Three crews have won national championships.

#### Football

**Head Coach:** Jerry Pettibone  
**Participants:** 108      **Scholarships:** 85  
**Facility:** Parker Stadium      **Seats:** 35,547  
**Championships:** Pac-10: 1941, 1956, 1964;  
**Rose Bowl:** 1942; other Rose Bowl appear-  
**ances:** 1957, 1965; Liberty Bowl: 1962.

Record-setting season ticket sales and the nation's 15th best defense were prime indications that good things are in store for head coach Jerry Pettibone and company. OSU tradition has more winning seasons than losing ones. Pettibone was dubbed the runner-up for National Coach of the Year honors by Sports Illustrated in 1993. The football program has to its credit 20 former All-Americans and, in Terry Baker, a rare west coast Heisman trophy winner and Sports Illustrated's 1962 Sportsman of the Year. Tommy Prothro led the Beavers to three bowl games, two of them Rose Bowl appearances.

#### Golf

**Head Coach:** Steve Altman  
**Participants:** 12      **Scholarships:** 3.95  
**Facility:** Trysting Tree Golf Club 7,104 yards,  
 par 72

Men's golf is counting on a big year on the strong summers carded by Charles Kingsbaker and Birk Nelson. Kingsbaker never let up after taking third at the Pac-10 championships. Nelson and Marty James are coming off a redshirt season. Head coach Steve Altman is looking to improve on 1994 when the Beavers made a NCAA national appearance, OSU's first since 1973. Altman's fifth (1993) and fourth (1994) place finishes in the tough Pac-10 are consecutive Beaver bests.

#### Soccer

**Head Coach:** James Conway  
**Participants:** 22      **Scholarships:** 6.93  
**Facility:** Women's Field      **Seats:** 1,200  
**Championships:** Northwest Collegiate Confer-  
**ence:** 1990.

Head coach Jimmy Conway came within one match of taking a team that was winless in conference play a year ago into 1995 post-season play. Conway was selected Mountain Pacific Division Coach of the Year for the effort. The team opened the season with a tournament championship against St. Mary's and Santa Clara. Conway, who has been the only coach in the program's seven-year history, won the Northwest conference crown in its third year. OSU moved up to the Mountain Pacific Sports Federation in 1993.

#### Wrestling

**Head Coach:** Joe Wells  
**Participants:** 38      **Scholarships:** 9.87  
**Facility:** Gill Coliseum      **Seats:** 9,000  
**Championships:** Pac-10: 1913, 1915, 1916, 1917,  
 1918, 1920, 1921, 1922, 1923, 1924, 1925, 1926, 1941,  
 1942, 1948, 1950, 1955, 1956, 1957, 1959, 1960, 1961,  
 1962, 1963, 1964, 1965, 1966, 1967, 1968, 1969, 1970,  
 1971, 1972, 1973, 1976, 1977, 1978, 1979, 1983, 1984,  
 1992, 1994.

Last year's runner-up finish at nationals was the finest OSU showing in any sport since 1961. Head coach Joe Wells returns national champion Les Gutches and All-American Chad Renner and Chad Flack to lead the Beavers toward a third consecutive top five finish. With another outstanding recruiting class on board, the team's sights are set on champion Iowa. OSU wrestling boasts the sport's winningest coach ever in Dale Thomas at 616-169-2.

## OSU Intercollegiate Athletics in the Classroom

- ✓ According to a 1991 survey in *USA Today*, Oregon State leads all other Pac-10 schools in freshman graduation rate. Of the freshman student-athletes who have completed their eligibility at OSU, 96% have also earned a degree.
- ✓ Oregon State's cumulative grade point average for student-athletes in all sports is 2.77. The average has exceeded the general student body grade point average in recent years.
- ✓ Work done in the athletic department areas of compliance and academic services provided a model for the NCAA's development of computer software to handle these facets of athletic administration. The NCAA has also recognized the research on drug testing and drug education programs carried out jointly by the OSU College of Health and Human Performance and the athletic training staff. OSU was one of two schools in the country given a substantial grant to continue this work.
- ✓ Former pitcher Knute Buehler (1983-84) was the first at Oregon State to study as a Rhodes Scholar. The Willamette River crew lays claim to another OSU graduate to earn a Rhodes Scholarship, Wes Sand. Sand and Buehler are both from Roseburg, Oregon.
- ✓ The OSU gymnastics team won the national academic championship in both 1991 and 1992 with grade point averages of 3.611 and 3.385, respectively.

## Recreational Sports 1995-96

### OPEN RECREATION FACILITIES

**Dixon Recreation Center** has open recreation opportunities for basketball, weight training, conditioning, aerobic exercise, racquetball, squash, badminton, table tennis, and volleyball. Students, as well as faculty, staff, and spouses who purchase memberships, are able to participate in all of the programs offered by Recreational Sports. Also included are men's and women's saunas and shower facilities.

**Stevens Natatorium** includes an 8-lane, 25-yard fitness pool, a deep water dive pool, and a spa with adjoining sun deck. This facility accommodates the recreational swim program as well as hydrofit aqua conditioning, water jogging, springboard diving, SCUBA, and kayaking.

**Memorial Union Recreation Center** offers bowling, billiards, video games, and a television lounge to members of the University community. Organized tournaments, classes, leagues, and special events are held throughout the year.

**Indoor Climbing Center** is one of the nation's largest. Located at the west end grandstand of Parker Stadium, it provides over 4,000 square feet of climbing surface with 36 climbing stations. State-of-the-art features include a stemming corner and a chimney climb, overhangs, pockets, a crack wall, and a climbing route which leads across the ceiling.

Other Recreational Sports facilities include: **Tennis Pavilion, Outdoor Tennis Courts, and McAlexander Fieldhouse.**

### PROGRAMS AND SERVICES

**Recreational Sports Fitness Programs** provide opportunities for members of the OSU community to achieve and maintain a measure of physical fitness, develop lifelong sport skills and interests, and achieve a feeling of mental and emotional fitness. Programs include non-credit fitness/sport skills classes, individual and group fitness consultation, body composition analysis, and an aerobic exercise incentive program.

**OSU Sports Clubs** involve over 600 students, faculty, and staff as members. These clubs provide opportunities for intercollegiate and inter-club competition throughout the Pacific Northwest as well as development of sport skills. Sports Clubs (17) include: Bowling, Cycling, Equestrian, Fencing, Lacrosse, Pistol, Rifle, Roller Hockey, Rugby, Sailing, Ski, Squash, Tennis, Triathlon, Ultimate Disc, Volleyball, and Water Polo.

**The Outdoor Recreation Program** offers trips and classes to OSU students, faculty, and staff members. Other outdoor opportunities include equipment rental, a resource library, and a bicycle and ski maintenance workshop located at the Outdoor Recreation Center.

**Intramural Sports** offers over thirty sports events that are open to students who are not college varsity athletes. Events are structured to accommodate a variety of skill levels with team sports, individual, dual and special tournaments.

## Oregon State University Faculty and Staff AWARDS AND HONORS

1995-1996

### Announced Winter Term, 1996

Oregon State University Distinguished Professor Award: 1996

- ◆ **Larry Boersma**, *Distinguished Professor of Soil Science, Department of Crop and Soil Science*
- ◆ **Frank L. Moore**, *Distinguished Professor of Zoology, Department of Zoology*

### Awarded During Commencement (June 11, 1995)

Honorary Degrees

- ◆ **Philip H. Abelson** ◆ **Doctor of Science**
- ◆ **Sanga Sabhasri** ◆ **Doctor of Science**

OSU Distinguished Service Award

- ◆ **Bruce Andrews**
- ◆ **Robert Chandler**

### Awarded During University Day (September 18, 1995)

OSU Alumni Association Distinguished Professor Award

- ◆ **Ludwig M. Eisgruber**, *College of Agricultural Sciences, Department of Agricultural and Resource Economics*

Elizabeth P. Ritchie Distinguished Professor Award

- ◆ **Joe B. Stevens**, *College of Agricultural Sciences, Department of Agricultural and Resource Economics*

Richard M. Bressler Senior Faculty Teaching Award

- ◆ **Dale Weber**, *College of Agricultural Sciences, Department of Animal Sciences*

Dar Reese Excellence in Advising Award

- ◆ **Berkley W. Chappell**, *College of Liberal Arts, Department of Art*

OSU Faculty Teaching Excellence Award

- ◆ **Patricia J. Lindsey**, *College of Agricultural Sciences, Department of Agricultural and Resource Economics*

OSU Extended Education Faculty Achievement Award

- ◆ **Bruce Weber**, *College of Agricultural Sciences, Department of Agricultural and Resource Economics*

D. Curtis Mumford Faculty Service Award

- ◆ **Carroll W. DeKock**, *College of Science, Department of Chemistry*

Outstanding Faculty Research Assistant Award

- ◆ **Camille Freitag**, *College of Forestry, Department of Forest Products*

Herbert F. Frolander Graduate Teaching Assistant Award

- ◆ **William E. Daley**, *College of Business, Department of Accounting, Finance and Information Management*

OSU Staff Development Award

- ◆ **Sandie Franklin**, *Department of Printing and Mailing Services*

OSU Exemplary Employee Award

- ◆ **Joseph Majeski**, *Facilities Services, Landscape Management*
- ◆ **Sandie Franklin**, *Department of Printing and Mailing Services*

OSU Award for Service to Persons with Disabilities

- ◆ **William E. Daley**, *College of Business, Department of Accounting, Finance and Information Management*

## Named Chairs and Professorships at OREGON STATE UNIVERSITY 1995-96

Title	Held By	College/Department	Estab.
◆ Milton Harris Professor of Materials Science (Chair)	Dr. Arthur W. Sleight	Science/Chemistry	1984
◆ Wheat Industry Professor of Wheat Research (Chair)	Dr. Warren E. Kronstad	Agricultural Sciences/ Agricultural Experiment Station and Crop and Soil Science	1987
◆ Wayne and Gladys Valley Professor of Marine Biology (Chairs)	Dr. Jane Lubchenco Dr. Bruce Menge	Science/Zoology	1987
◆ Sara Hart Kimball Dean of Business (Chair)	Dr. Donald F. Parker	Business	1988
◆ Donald and Delpha Campbell University Librarian (Chair)	Dr. Melvin R. George	Kerr Library	1989
◆ Alice Rohm Professor of Oceanographic Education	Dr. Robert L. Smith	Oceanic and Atmospheric Sciences	1990
◆ Stewart Professor of Gene Research	Dr. Christopher K. Mathews	Science/Biochemistry and Biophysics	1990
◆ Oregon Professor of English	Dr. David Robinson	Liberal Arts/English	1991
◆ Barbara Emily Knudson Professor in Family Policy (Chair)	Dr. Clara C. Pratt	Home Economics and Education	1991
◆ Thomas Hart and Mary Jones Horning Professor in Humanities (Chairs)	Dr. Robert Nye Dr. Mary Jo Nye	Liberal Arts and Science/ History	1992
◆ Boeing Professor of Mechanical Engineering	Dr. William F. Reiter, Jr.	Engineering/ Mechanical Engineering	1992
◆ Emile F. Pernot Distinguished Professor in Microbiology	Dr. John L. Fryer	Agricultural Sciences and Science/Microbiology	1992
◆ L. W. "Bill" Lane, Jr. Professor in Family Business Management	Filled by Visiting Scholars	Business	1993
◆ Marine Mammal Research Professor (Chair)	Dr. Bruce Mate	Agricultural Sciences/Fisheries and Wildlife, Extension Service and Coastal Oregon Marine Experiment Station	1993
◆ Hundere Chair of Religion and Culture (Chair)	Dr. Marcus J. Borg	Liberal Arts/Philosophy	1993
◆ Walther H. Ott, Professor of Poultry Science (Chair)	(Currently Unfilled)	Agricultural Sciences/ Animal Sciences	1994

**Named Chairs and Professorships at Oregon State University 1995-96 (Con't.)**

<b>Title</b>	<b>Held By</b>	<b>College/Department</b>	<b>Estab.</b>
◆ Center for the Study of the First Americans Director (Chair)*	<b>Dr. Robson Bonnichsen</b>	<i>Liberal Arts/Anthropology</i>	1994
◆ Ward K. Richardson Family Forestry Faculty Endowment	(Currently Unfilled)	<i>Forestry</i>	1995
◆ Harold E. and Leona M. Rice Professor in Systematic Entomology (Chair)	<b>Dr. John D. Lattin</b>	<i>Agricultural Sciences and Science/Entomology</i>	1995
◆ JoAnn Leonard Peterson Professor in Gerontology and Family Studies (Chair)	<b>Dr. Alexis Walker</b>	<i>Home Economics and Education</i>	1995
◆ Construction Industry Endowed Professor*	(Currently Unfilled)	<i>Engineering/Civil, Construction, and Environmental Engineering</i>	1995
◆ Hatfield Marine Science Center Director	<b>Dr. Lavern J. Weber</b>	<i>Agricultural Sciences and Pharmacy/Fisheries and Wildlife, and Coastal Oregon Marine Experiment Station</i>	1995
◆ Nor' Wester Professor in Fermentation Science Technology	<b>Dr. Mark A. Daeschel</b>	<i>Agricultural Sciences/Food Science and Technology</i>	1996
◆ Jacobs-Root Professor of Food Science and Technology	<b>Dr. Daniel F. Farkas</b>	<i>Agricultural Sciences/Food Science and Technology</i>	1996

Total = 24      Total Fully Endowed = 22

Note: Establishing an endowed chair (Chair) currently requires a minimum of \$1.5 million. Prior to 1990, the minimum was \$1.0 million. All other endowed positions require a minimum of \$500,000.

\* Not fully funded.

VI.  
BUDGETS, FINANCE  
AND FACILITIES

# Introduction to the Financial Statements

## OREGON STATE UNIVERSITY

Fiscal Year Ending June 30, 1995

### Financial Reporting System

Oregon State University is operated as a not-for-profit organization, and its major functions are instruction, research, and public service. Since OSU uses available resources to provide services rather than to make a profit, the purpose of the financial reporting system is to account for resources received, held, and used rather than to determine net income.

To do this, and to conform with generally accepted accounting principles, OSU employs principles and practices of fund accounting. This is a system that identifies and classifies resources according to their intended use or to comply with restrictions that have been placed upon them.

Oregon State University uses **five primary funds** and **six sub-funds** to account for its financial resources. Within fund groups, costs are broken down by functions, such as instruction, research, and public service; and by object of expenditure, such as salaries and wages, other personnel expenses (OPE), and services and supplies.

### Current Funds

"**Current Funds**" is a group of three sub-funds used to account for resources available for the current operations of the University. Resources may be spent for instruction, research, public service, and related support services.

**1. Current General Fund** is used to account for revenue provided by state appropriations, student tuition and fees, and other unrestricted revenues.

**2. Current Auxiliary Enterprise Fund** is used to account for the operation of self-sustaining entities that provide goods and services to OSU students, faculty, or staff. Examples are intercollegiate athletics, residence halls, food service, parking, and student health services.

**3. Current Restricted Fund** is used to account for resources restricted by external donors or other outside agencies for specific current operating purposes such as sponsored research and student aid. Examples include federal or other grants and contracts and restricted gifts.

### Plant Funds

"**Plant Funds**" is a group of three sub-funds established as an accounting method to separate fixed assets from current funds available for regular operations.

**1. Unexpended Plant Fund** is used to account for resources specified for acquisition and renewal and replacement of plant and equipment.

**2. Retirement of Indebtedness Plant Fund** is used to account for funds set aside to retire debts related to capital assets.

**3. Investment in Plant Fund** is used to account for the historical cost, liability payable, and ownership equity in capital assets — land, buildings, other improvements, equipment, and museum collections.

### Other Funds

The **Loan Fund** is used to account for federal, state, or private resources available for loans to students.

The **Endowment Fund** is used to account for resources that are invested to produce income. Income may be restricted or unrestricted as to use and is recorded in appropriate funds to comply with the donor's terms or other designations.

The **Agency Fund** accounts for monies held in trust from others, to be expended at the direction of the provider.

### Balance Sheet

The Balance Sheet is a statement of OSU's financial position at the end of the fiscal year. It details the assets, liabilities, and fund balances of the separate fund groups as of June 30. *Assets* listed support the University's activities; *liabilities* are sums owed to creditors; and *fund balances* show the aggregate net book value of the University.

### Statement of Current Funds Revenues, Expenditures, and Transfers

This is a statement of financial transactions that occurred during the fiscal year. It shows details of current funds revenues by source, and expenditures and transfers by function. This statement is not intended to show a profit or loss, as in a commercial enterprise, but can be used to determine the change in fund balances resulting from current funds revenues, expenditures, and transfers for the fiscal year.

## Financial Highlights

### OREGON STATE UNIVERSITY

Current Funds Expended	1993-94	1994-95	% Change
<b>Major Sources of Current Funds</b>			
Tuition and Fees	\$ 50,213,116	\$ 55,527,198	10.6%

## Financial Highlights (continued)

### Assets

Oregon State University's assets totalled \$618.0 million at the end of FY 1995, a net increase of \$59.5 million, or 10.7% over the 1994 level. The largest increases were Cash, which increased \$13.1 million, to a total of \$81.3 million, and Equipment, which increased by \$34.8 million to \$226.9 million.

**Assets: Fiscal Years ending June 30**

### Liabilities

As of June 30, 1995, liabilities were \$31.7 million, a net decrease of \$.8 million since the 1994 level. The largest decrease in any category was Accounts Payable, which decreased \$1.3 million to a total of \$23.4 million.

**Liabilities: Fiscal Years ending June 30**

### Fund Balances

As of June 30, 1995, the University's fund balances were \$586.3 million compared to \$526.0 million one year ago. The largest increase occurred in Net Investment in Plant.

**Fund Balances: Fiscal Years ending June 30**

## State Appropriations Fiscal Years 1991 through 1995

The state appropriation for the Oregon State System of Higher Education (OSSHE) is set by the Oregon State Legislature based on the biennial budget request sent by the Chancellor to the Governor's Office. The request is reviewed by the Legislature's fiscal analysts and submitted to the entire legislative body. The Legislature then sets the state budget for the biennium, including the budget for OSSHE. The Chancellor's Office allocates biennial funds to individual institutions. On the basis of this allocation, Oregon State University develops an annual budget for state-appropriated funds for each year of the biennium.

**Explanatory Notes:**

1. Legislative actions resulting from Ballot Measure 5 reduced state appropriations by \$23 million at the start of the 1993-95 biennium (see 1994 above), including all state appropriations for the Forest Research Laboratory.
2. Inflation adjustments of 3.3% in 1994 and 3.4% in 1995 were added to services and supplies and equipment. There were no salary adjustment funds in either year of the biennium.
3. In 1994, state appropriations were added for student service support, library support, and access funds to accommodate additional students.
4. After inflation adjustments and add-backs, the net decrease in state appropriations from 1993 to 1994 was \$16.1 million (13.7%).

## OSU Operating Budget Comparison

### Fiscal Years 1994-95 and 1995-96

## Oregon Agricultural Experiment Station

The **Oregon Agricultural Experiment Station** was organized July 1, 1888, in accordance with the Hatch Act of 1887. It now includes a central station at Corvallis and ten branch stations in the major crop and climate areas of Oregon, assuring that its research program is close to the people and the needs of Oregon agriculture.

The station is the principal agricultural research agency in the state. Its mission is to conduct research and demonstrations in the agricultural, biological, social, and environmental sciences that contribute to the economic and social welfare of Oregon.

The station carries out its research in some 300 projects intended to offer economic, social, and environmental benefits for Oregonians. Current annual economic benefits from 90 of the Agricultural Experiment Station's research projects are estimated at more than \$120 million. Five years from now, those annual benefits are expected to exceed \$275 million from 144 projects. More than 60 projects have high, positive environmental benefits: another 137 are expected to have significant environmental benefits. Almost 70 projects have high or moderate social benefits for Oregonians.

The station conducts research in the following departments and colleges: Agricultural and Resource Economics, Agricultural Chemistry, Animal Sciences, Bioresource Engineering, Botany and Plant Pathology, Crop and Soil Science, Entomology, Fisheries and Wildlife, Food Science and Technology, Forestry, Home Economics and Education, Horticulture, Microbiology, Rangeland Resources, Statistics, and Veterinary Medicine. Research is supported in other units such as the Center for Gene Research and Biotechnology, the Environmental Health Sciences Center, and the Western Rural Development Center.

Oregonians can learn more about the station's research through *Oregon's Agricultural Progress*, a magazine that reports to taxpayers in nontechnical language on station activities. Also, a publication called *Educational Materials* lists Agricultural Experiment Station and OSU Extension Service publications on a broad range of topics that are available to the public. Oregonians can sign up to receive *Oregon's Agricultural Progress*, and obtain a copy of *Educational Materials* by contacting Publications Orders, Department of Extension and Experiment Station Communications, 422 AdS, Oregon State University, Corvallis, Oregon 97331-2119. There is no charge.

## Forest Research Laboratory

The **Forest Research Laboratory** is Oregon's forestry research agency; its director is the dean of OSU's College of Forestry. Established by the Oregon Legislature in 1941, the program is supported by state and federal appropriations and by research grants from public and private sources. In addition to research in campus laboratories and University forests (McDonald and Dunn), studies are conducted cooperatively in public and private forests throughout Oregon.

Activities are organized within five program areas which draw upon faculty expertise in the College of Forestry's Departments of Forest Engineering, Forest Products, Forest Resources, and Forest Science and, to a lesser extent, from other departments in the University, including the Departments of Botany and Plant Pathology, Crop and Soil Science, Entomology, and Fisheries and Wildlife.

### Research Program Areas

- ✓ forest regeneration
- ✓ forest ecology, culture, and productivity
- ✓ integrated protection of forests and watersheds
- ✓ forest uses, practices, and policies
- ✓ wood processing and product performance

Interdisciplinary teamwork is characteristic of many of the research projects. The program supports research of graduate students in:

- ◆ forest biometrics, ◆ forest ecology, ◆ forest economics, ◆ forest engineering, ◆ forest entomology, ◆ forest hydrology, ◆ forest genetics, ◆ forest pathology, ◆ forest physiology, ◆ forest policy, ◆ forest recreation, ◆ forest soils, ◆ silviculture, and
- ◆ wood science.

The **Forest Research Laboratory** program is designed to provide information concerning the management and use of Oregon's forest resources and the operation of the state's wood-using industries. As a result of this research:

- ◆ Oregon's forests and forest-dependent industries produce more wood products, water, forage, fish, wildlife, and recreation;
- ◆ wood products are harvested and used more efficiently and appropriately;
- ◆ forests are used more intensively and effectively;
- ◆ complex environmental objectives and protection issues are addressed;
- ◆ employment, production, and profitability in dependent industries are strengthened; and
- ◆ a quality environment for all Oregonians is assured.

The **Forest Research Laboratory**, the Corvallis Forestry Sciences Laboratory of the U. S. Forest Service, the Environmental Laboratory of the Environmental Protection Agency (EPA), the Forest and Rangeland Ecosystem Science Center of the National Biological Service (NBS), and related research conducted elsewhere on campus combine to form the largest concentration of forestry science research in North America.

## Research Organizations and Facilities

Name	Established
<b>Research Units, Centers, Consortia, Institutes and Collaborations</b>	
<b>Research Units</b>	
Agricultural Experiment Station -- Thayne R. Dutson, Director	1888
Engineering Experiment Station -- R. Gary Hicks, Director	1927
Environmental Remote Sensing Applications Laboratory -- William J. Ripple, Director	1972
Forest Research Laboratory -- George W. Brown, Director	1941
Sea Grant College Program -- Robert E. Malouf, Director	1968
<b>Research Centers</b>	
Center for Advanced Materials Research -- Arthur W. Sleight, Coordinator	1986
Center for the Analysis of Environmental Change -- Michael H. Unsworth, Director	1991
Center for Gene Research and Biotechnology -- Russel H. Meints, Director	1984
Center for Salmon Disease Research -- John L. Fryer, Director	1994
Center for the Humanities -- Peter J. Copek, Director	1984
Center for the Study of First Americans -- Rob Bonnicksen, Director	1991
Environmental Health Sciences Center -- Donald J. Reed, Director	1967
Integrated Plant Protection Center -- Marcos Kogan, Director	1969
Marine/Freshwater Biomedical Sciences Research Center -- George S. Bailey, Director	1990
Mark O. Hatfield Marine Science Center (Newport) -- Lavem J. Weber, Director	1965
Oregon Productivity and Technology Center -- David H. Gobeli, Director	1980
Radiation Center -- Brian Dodd, Director	1964
Survey Research Center -- Virginia M. Lesser, Director	1973
Western Center for Community College Professional Development -- Ronald D. Daugherty, Exec. Director	1991
Western Rural Development Center -- Russell C. Youmans, Director	1972
<b>Research Consortia</b>	
Advanced Science and Technology Institute -- Robert S. McQuate, Director	1984
Association of Western Universities, Inc. -- George Keller/R. Gary Hicks, Institutional Representatives	----
Center for Design of Analog Digital Integrated Circuits (U of W and WSU) -- Vejai Tripathi, Assoc. Director	1991
Consortium for International Development (11 Universities) -- George Keller/Thayne Dutson, Trustees	1975
Consortium for International Fisheries and Aquaculture Develop.(5 Universities) -- Richard S. Johnson	1979
Cooperative Institute for Marine Resources Studies (OSU/NOAA) -- Lavem J. Weber, Director	1982
Inter-University Consortium for Political and Social Research -- Melvin R. George, Director	1991
Joint Oceanographic Institutions, Inc. - G. Brent Dalrymple, Coordinator	----
Oregon Center for Advanced Technology Education (OSSHE) -- John T. Owen, Vice Chancellor	1985
Oregon Cooperative Fishery/Wildlife Research Unit -- C. B. Schreck and R. G. Anthony, Directors	----
University Corporation for Atmospheric Research (National) -- R. A. Scanlan/J. R. Barnes, Inst. Reps.	1971
<b>Research Institutes</b>	
Nuclear Science and Engineering Institute -- Brian Dodd, Director	1966
Nutrition Research Institute -- Philip D. Whanger, Coordinator	1965
Transportation Research Institute -- Christopher A. Bell, Director	1964
Water Resources Research Institute -- Kenneth J. Williamson, Director	1960
<b>Research Collaborations</b> (Federal or State agencies with facilities/offices at OSU or in Corvallis)	
Oregon Department of Fish and Wildlife, Research and Development Section/Laboratory	
U. S. Department of Agriculture, Agricultural Research Service -- Forage Seed and Cereal Research; Horticultural Crops Research; National Germplasm Repository; NW Center for Small Fruits Research	
U.S. Department of Agriculture, Forest Service -- Forest Sciences Laboratory	
U.S. Department of Agriculture, Soil Conservation Service -- Plant Materials Center	
U.S. Department of Interior, Fish and Wildlife Service -- Oregon Cooperative Fishery/Wildlife Research Units	
U.S. Environmental Protection Agency -- Corvallis Environmental Research Laboratory

# Educational Opportunities Programs Fall Term 1995

Oregon State University's Educational Opportunities Programs Department (EOP) is designed to recruit to the university and assist in the retention of minority, disadvantaged, and disabled students who have traditionally been denied equal access to higher education. EOP serves those students who may or may not meet the current university admission requirements but are recognized as having the potential to successfully complete a college degree program.

The EOP recruits in Oregon communities which have concentrations of ethnic minority and non-traditional students. Recruited and referred students are assisted in gaining admission to the university. As a part of retention, students are provided information about available financial aid and given academic placement testing, access to developmental courses, tutoring, and counseling.

Two federally-funded programs are housed in the EOP. The College Assistance Migrant Program (CAMP) recruits and supports students from migrant and seasonal farmworker families during their freshman year at college. In addition to the services provided by the EOP, CAMP students may be eligible for a summer orientation program and supplemental financial aid.

The Special Services Project (SSP) provides academic assistance to students from low-income backgrounds, or whose parents did not graduate from a college or university, or who have disabilities. Special Services provides counseling and tutoring for all program students and classroom accommodation for students with disabilities.

## General Access and Departmental Computing Facilities 1995-96

Oregon State University is known for the extensive and sophisticated computing facilities it provides to students. Facilities range from supercomputers to multimedia labs and from word processing to computer-aided design, digital video, and CD multimedia development. Operating systems include MAC, Windows, Novell, Unix, and NT. Local area networks, fiber in the residence halls, and high-speed broad-band networks expand students' computing capabilities. Add to this computers in labs, kiosks in the Memorial Union, networked workstations in the Cultural Centers, and networked printers in residence halls, and the opportunities at OSU far exceed those available in the typical university.

All students may use the Internet, and new students are given accounts automatically once they register for classes. The University offers an extensive array of workshops and courses to bring students up to speed on these new technologies, including training during the freshman seminar course. Training is also available for students of all majors who want on-campus employment assisting faculty and departments in developing Web pages.

Two central computers, both Digital 7000/620 AXP Open/VMS, support administrative computing. A Digital 2100 AXP OSF/1 computer is dedicated to general academic use. The latter is augmented by a variety of high-performance computers in the colleges.

## Oregon State University Press 1994-95

The Oregon State University Press -- one of only four university presses in the Pacific Northwest and the only university press in Oregon -- is a publisher of scholarly and regional books. The Press, founded in 1961, publishes mainly books dealing with the history, natural history, cultures, and literature of the Pacific Northwest or with natural resources or natural resource issues.

### Performing Arts Events

- 1994**
- Oct 14 Concert - Eugene Symphony
  - Oct 21 Concert - London Chamber Orchestra
  - Nov 19 Concert - Leonardo Trio
- 1995**
- Jan 17 Concert - Orion String Quartet
  - Feb 7 Concert - Baltimore Consort
  - Feb 14 Concert - Anonymous Four
  - Mar 9 Show - Little Eagles of Siberia
  - Mar 12 Concert - John McCutcheon
  - Apr 11 Concert - Ames Piano Quartet
  - May 2 Concert - David Golub and Gary Hoffman
  - May 15 Concert - Leon Bates

### Lectures/Speakers

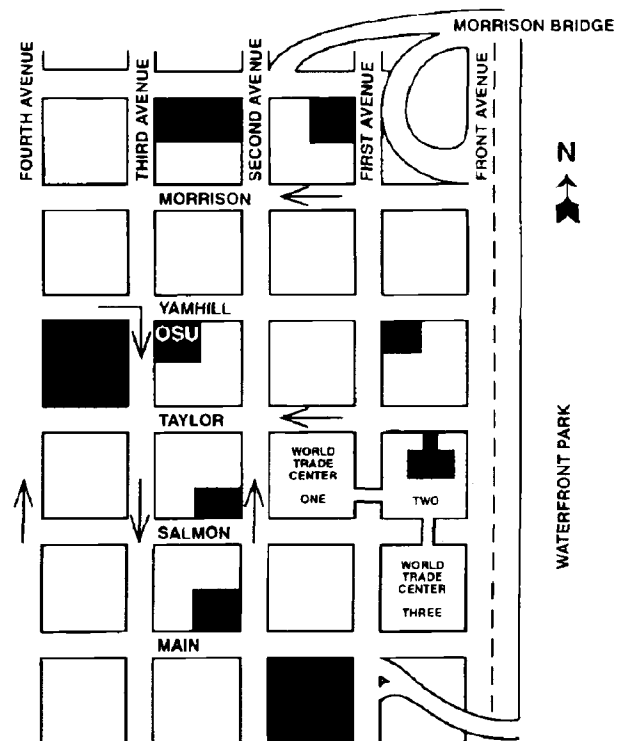

- 1994**
- Jul 22 da Vinci Days Lecture - Leonard Shlain
  - Oct 19 Pauling Lecture - Arun Ghandi
  - Oct 25 Convocations/Lectures - David Maybury-Lewis
- 1995**
- Jan 24 Convocations/Lectures - Niles Eldredge
  - Jan 31 Horning Lecture - Joe Buhler
  - Apr 26 Convocations/Lectures - Jane Smiley
  - Apr 26 Knudson Lecture - Ed Krebs
  - Apr 27 Speaker - Robert Fulgham

## OSU Portland Center

The **OSU Portland Center** is the home for Oregon State University services in the Portland metropolitan area. In carrying out this role, the center provides services both to the public and to OSU faculty and staff.

For Oregon State's faculty and staff, the OSU Portland Center functions as a home base for activities in the Portland area. Faculty are constantly visiting Portland to maintain OSU's close working relationships with the state's agricultural, forestry, and high-technology industries, and to strengthen its leadership in international trade and development. The OSU Portland Center serves as a home-away-from-home for such faculty, providing them with an office and rooms for meetings and small conferences.

For the public, the OSU Portland Center serves as an information center for prospective students and for citizens seeking Extension Service publications. It also provides a headquarters and activities center for OSU's 28,000 Portland-area alumni. The Center's meeting rooms support externally-focused activities of OSU's Alumni Association, Development Office, Beaver Club, and Continuing Higher Education specialists.

The OSU Portland Center is in the Director Building on the southeast corner of S.W. 3rd and Yamhill. OSU II, a branch of the OSU Bookstore, is also located here and offers a large inventory of logo merchandise and gifts for OSU friends and alums.

**OSU Portland Center**  
**220 S.W. Yamhill St.**  
**Portland, OR 97204**  
**(503) 725-3073**  
**FAX (503) 725-5753**

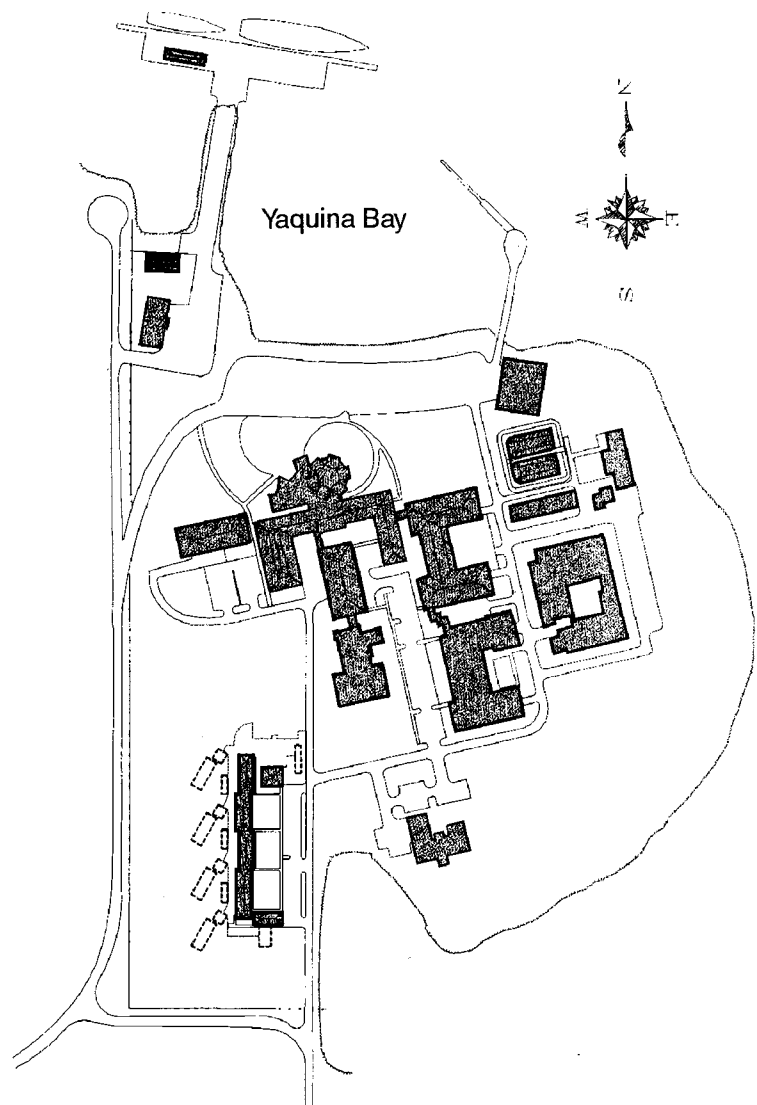

## OSU Hatfield Marine Science Center

The **Hatfield Marine Science Center** is the hub of Oregon State University's coastal research, teaching and marine extension activities. The public aquarium is a window to the ocean for about 300,000 visitors each year. Newport is home port for the National Science Foundation's 180-foot ship WECOMA, operated by the OSU College of Oceanic and Atmospheric Sciences.

The Center houses marine-related research projects of Oregon State University as well as the Coastal Oregon Marine Experiment Station, Coastal Oregon Productivity Enhancement Program, National Oceanic and Atmospheric Administration's National Marine Fisheries Service and Pacific Marine Environmental Laboratory, Environmental Protection Agency, Oregon Department of Fish and Wildlife, and U. S. Fish and Wildlife Service.

The instructional program focuses on aquaculture and marine biological aspects of tidal, estuarine and nearshore marine environments. Extension work concentrates on programs of interest to the general public and to the coastal fishing industry. Much of the research and extension work of the OSU Sea Grant College Program is conducted at the Center.

Renovation of the public visitor center began in January 1996 with a grant of \$5 million from HUD. The renovation and redesign is scheduled to be completed in the fall of 1996. The renovated displays will feature marine-related research at Oregon State University and its cooperating agencies. Displays will range from global remote sensing down to the microscopic level.

## OSU Security Services 1995

The primary mission of Oregon State University Security Services is the protection and safety of persons, property, and buildings on campus. Security Services employs five full-time public safety officers, one public safety supervisor, four dispatchers, two records clerks, and one manager who provide comprehensive security services to the University community 24 hours a day. Services include regular patrols of buildings and grounds, crime prevention assistance and training, internal investigations, event security, animal control, and enforcement of University regulations. Officers respond to all incidents, building alarms, injuries, and fires. Security Services monitors fire, intrusion, and maintenance alarms on campus and through its dispatch center receives more than 25,000 calls for service annually.

Law enforcement on campus is provided by Oregon State Police. OSP officers respond to all criminal activity on campus, investigate accidents and criminal activity, conduct patrols of buildings and grounds, enforce state statute and traffic laws on campus, and work with Security Services to provide crime prevention assistance to staff and students through community policing.

IX.  
FOUNDATION AND  
ALUMNI

## OSU Foundation Highlights

### Fiscal Year 1994-95

The OSU Foundation is a nonprofit corporation that provides a legally sound, inclusive, charitable agency separate from, but working in close coordination with, the University. The Foundation receives gifts of cash, securities, real and personal property, and deferred gifts such as bequests, life insurance, and life income agreements, to support the University's programs.

The Office of Development builds relationships with individuals, corporations, and foundations to encourage them to support the University with contributions of both time and financial resources. The staff also works with the campus community to develop fund-raising programs.

### Significant Events of 1994-95

In 1994-95, gifts to the OSU Foundation and the University totaled \$36.7 million, the second highest year in the Foundation's history. The Foundation's assets topped \$200 million, and the market value of its endowment grew to \$100 million. New planned gifts totaled \$13 million; a record-breaking \$9 million of this total is in the new life income agreements.

It was a tremendously successful year in terms of money raised for priority projects: the total raised for the OSU Library Campaign reached \$40 million; gifts for scholarships and fellowships totaled \$3.5 million; faculty endowments increased by \$2 million; and the Alumni Association raised \$5.6 million in cash and pledges for the CH2M-Hill Alumni Center.

More than 31,000 donors made gifts and bequests. Among them:

- Elizabeth Starker Cameron gave 260 acres of forest land to benefit the OSU Library Campaign and the College of Forestry.
- The late Dr. Helen Edwina Plinkeiwisch left more than \$1 million to endow two chairs, one in the Department of Art and the other in the Department of Music.
- Jo Anne Leonard Petersen and her husband, Don, established the Jo Anne Leonard Petersen Endowed Chair in Gerontology and Family Studies.

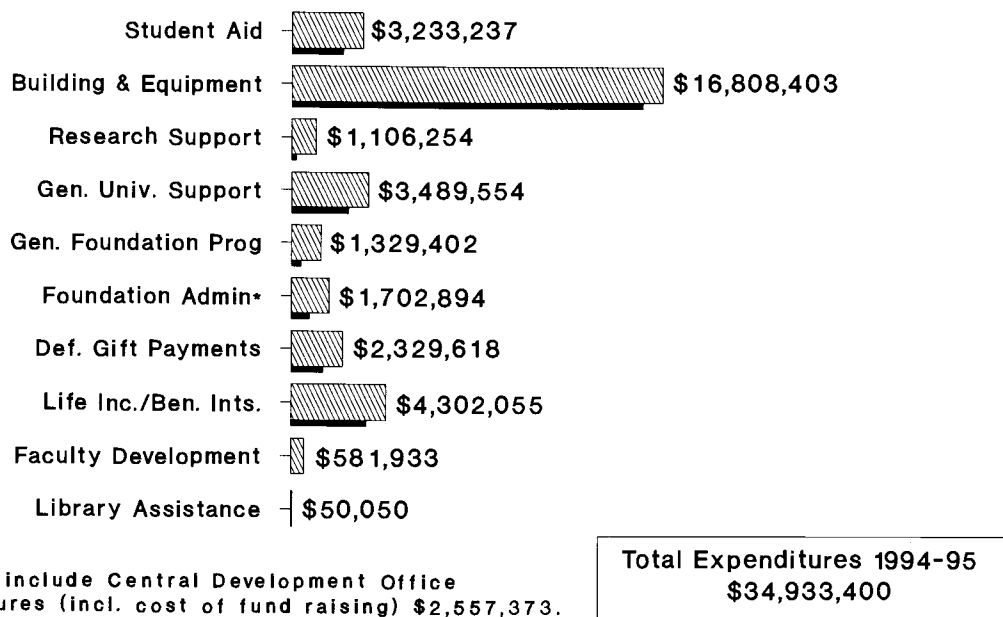

**Corporate gifts** included equipment donated by Hewlett-Packard, valued at over \$1.5 million, to benefit the College of Engineering and a number of other programs across campus, and a \$300,000 grant from the U S West Foundation to benefit pre-college programs developed by the Department of Science and Math Education. Other major industry support came from Chevron, the GE Foundation, the PacifiCorp Foundation, A-dec, and Tektronix, among others.

**Foundation gifts** included a pledge of \$10 million from the Wayne and Gladys Valley Foundation for the OSU Library Campaign and a \$340,000 grant made by the W. M. Keck Foundation to help purchase equipment for the University's highfield NMR research program. Other major foundation support came from the M. J. Murdock Charitable Trust, the Oregon Community Foundation, and the Pew Charitable trusts.

# TERMS AND METHODOLOGY

## Fact Book Definitions

### ACADEMIC YEAR

The time period containing the academic sessions held during consecutive Fall, Spring, and Winter terms (currently September 15th through June 15th).

### ACT

American College Testing.

### CENTER

An administrative structure established for the promotion of research on selected topics in a subject area, discipline, or field of study.

### CERTIFICATE

An approved academic award given in conjunction with the satisfactory completion of an instructional program which indicates one has adequate training or competence to pass a qualifying exam in a given field or has attained professional standing and may officially practice or hold position in the field.

### CREDIT HOURS

The credit hour value of a course multiplied by the number of students enrolled in the course.

### DEGREE

An academic award granted upon satisfactory completion of a set of collegiate level educational requirements through an instructional program which includes the following: (1) institutional general education requirements; (2) major area of study requirements; and (3) may include minor, supporting area, or elective requirements.

Baccalaureate Degree: An approved academic award given for the satisfactory completion of an instructional program requiring at least four but not more than five years of full-time equivalent college level academic work. The conditions and conferral of the award are governed by the faculty and ratified by the Oregon State Board of Higher Education.

Doctoral Degree: An approved academic award given as a sign of proficiency in scholarship and for the satisfactory completion of an instructional program requiring at least three years of full-time equivalent academic work beyond the baccalaureate degree, the completion of which signifies recognized competence, original research and/or the capacity to do independent advanced graduate level analysis. The conditions and conferral of the award are governed by the faculty and ratified by the Oregon State Board of Higher Education.

First Professional Degree: An academic award granted for an instructional program the completion of which (1) signifies completion of the academic requirements to begin practice in the profession, (2) requires at least two years of full-time equivalent college level work prior to entrance, and (3) usually requires a total of at least five years of full-time equivalent academic work to complete the degree program, including prior required college level work plus the length of the professional program itself (example, D.V.M. in Veterinary Medicine). The conditions and conferral of the award are governed by the faculty and ratified by the Oregon State Board of Higher Education.

Master's Degree: An approved academic award given as a mark of proficiency in scholarship and for the satisfactory completion of an instructional program requiring at least one but not more than two years of full-time equivalent academic work beyond the baccalaureate degree. The conditions and conferral of the award are governed by the faculty and ratified by the Oregon State Board of Higher Education.

### ENROLLMENT

Officially reported Fall Term headcount.

**FISCAL YEAR**

The 12-month period from July 1 through the following June 30.

**FTE**

Faculty, staff, and student FTE is defined in the Methodology.

**HEP**

Higher Education Publications, Inc.

**INSTITUTE**

An academic association of persons or organizations that collectively constitute a technical or professional authority in an area or field of study.

**IPEDS**

Integrated Post-Secondary Education Data System, a U.S. Department of Education data collection system.

**OSSHE**

Oregon State System of Higher Education

**RESIDENT**

An Oregon resident is a person with a bona fide fixed and permanent physical presence established and maintained in Oregon of not less than twelve consecutive months immediately prior to the term for which residence status is requested. Administrative rules governing residence classification (i.e., resident or nonresident), are specified in OAR 580-10-030.

**ROOM TYPES**

Classroom Facilities: Classroom facilities are those types of space that are subject to regular assignment by the Registrar and are a necessary and vital part of the instructional facilities.

Laboratory Facilities: Laboratory facilities are characterized by special purpose equipment or specific room configuration which tie instructional or research activities to a particular discipline or a closely related group of disciplines. These activities may be individual or group in nature, with or without supervision. Laboratories may be found in all fields of study including humanities, natural sciences, social sciences, vocational, and technical disciplines.

Office Facilities: Office facilities are those types of space that consist of rooms or suites of rooms with office type equipment that are assigned to one or more persons primarily for the performance of administrative, clerical, or faculty duties other than the meeting of classes.

Study Facilities: Study facilities are those types of space used for the collection, storage, circulation, and use of books, periodicals, manuscripts, and other reading or reference materials.

Special Use Facilities: Special use facilities are those types of space that are generally thought of and referred to as instructional-related space. Their main function is to support the instructional programs of the institution.

General Use Facilities: General use facilities are those types of spaces generally associated with student-related activities. These general use facilities are the supporting services for the general student body.

Support Facilities: Support facilities are those types of space that generally support the entire institution by providing the necessary services and facilities for the day-to-day operation of the institution.

Health Care Facilities: Health care facilities are those types of space that are associated with student health facilities and veterinary facilities.

Residential Facilities: Residential facilities are those types of space used to house undergraduate students and occasionally faculty or staff members. This category does not include residences that are occupied by non-institutional personnel.

Unassigned Areas: Unassigned areas are those types of spaces that are necessary for the general use and operation of a building but are not assigned to any organizational unit.

**SAT**

Scholastic Aptitude Test.

**SPACE USE PROGRAM CLASSIFICATIONS**

Instruction: Principal use includes General and/or Lower Division Formal Instruction, Upper Division and/or Graduate Formal Instruction, Physical Education Activity, and Formal Instructional Support.

Organized Research: Principal use includes Agricultural Experiment Station, Forest Research Laboratory, Departmental Research, Separately Sponsored Research and Separately Sponsored Instruction.

Public Service: Principal use includes Federal Cooperative Extension and Public Service.

Academic Support: Principal use includes Museum, Centralized Services, Library Reader Space, Stacks, Media Services, Library Services and Administration, Archives, and Departmental Administration.

Student Services: Principal use includes Student Services, Health Services, Student Union and/or Activities, Food Service, Bookstore, Intercollegiate Athletics, Residential, Recreational, and Auxiliary Enterprises - Other.

Institutional Support: Principal use includes General Administration, Physical Plant, and Miscellaneous.

Independent Operations: Principal use includes Non-Institutional Administration, U.S. Department of Agriculture, and Inactive.

**STUDENT CREDIT HOUR**

Number of credits per course multiplied by the number of students enrolled in the course.

**TENURE**

A status given to university faculty who have demonstrated high ability and achievement in their dedication to the growth of human knowledge.

## Methodology

### Faculty

*Source of data* - mid-fiscal year operational file. The individual records are identical to those used to generate the annual Academic Staff Statistic reports. All data is taken from the OSSHE Honeywell Personnel Database files which were downloaded on January 1, 1996.

*Age* - calculated by subtracting the birth date from January 1, 1996.

*Degree groupings* (as reported in OSBHE Financial Administration Standard Operating Manual) -

Doctorate: PHD, DED, DSC, MD, MD-PHD, DMD/DDS, DMD/DDS - MS,  
DMD/DDS - PHD, doctoral - other.

Master: MA, MS, MS-RN, master - other.

Baccalaureate: BA, BS, bachelor - other.

Other degree: certificate or diploma, no degree, unknown - other.

*Full-Time faculty* = .9 to 1.0 FTE.

*Part-Time faculty* = less than .9 FTE.

*Salary rates* - 12-month base annual salary rates have been converted to 9-month by dividing salary rate by 1.222222.

*Tenured* - those faculty holding indefinite tenure.

*Years of service* - calculated by subtracting the service anniversary date year from December 31, 1995.

### Staff (Classified and Management Service)

FTE - A numerical designator for an appointment based on 100% for full-time. A full-time classified or management service employee, for analysis purposes in the "OSU Fact Book", is .5 to 1.0 FTE.

### Students

A special student status is given to those students who are not planning to complete degree requirements or who do not meet regular admission requirements.

#### Class standings

##### **Freshman**

students with fewer than 45 hours of credit.

##### **Sophomore**

students with at least 45 hours of credit and fewer than 90 hours of credit.

##### **Junior**

students with at least 90 hours credit and fewer than 135 hours of credit.

##### **Senior**

students with at least 135 hours of credit and a grade point average of at least 2.0.

##### **Postbaccalaureate**

students holding a baccalaureate degree who are admitted to work toward a second degree or teaching certificate.

##### **Graduate Student**

students who have been admitted to the Graduate School.

FTE - Student FTE is calculated by dividing total student credit hours for a given class level by a constant. These constants by class level are:

- Undergraduate 15 credit hours
- Post-baccalaureate Non-graduate 15 credit hours
- Master 12 credit hours
- Doctoral 9 credit hours
- Post-baccalaureate Graduate 12 credit hours
- Doctor of Veterinary Medicine 1 headcount = 1 FTE
- Non-admitted Undergraduate 15 credit hours
- Non-admitted Graduate 12 credit hours

**Grants and Proposals**

Starting in FY 1994, the following changes were made in the database system:

- a. gifts were recorded as awards.
- b. a grant that corresponds to one proposal may be counted more than once if the grant has more than one transaction (e.g., is split between more than one department, etc.).

As a result, an accurate comparison between the Number of Grants and the Amount of Grants is not possible after this time. In addition, this has affected the ratio of the Number of Proposals to the Number of Grants.

## OSU SEAL

The **Oregon State University Seal** was adopted by the State Agricultural College of Oregon Board of Regents on June 21, 1888. The seal is basically the same as the State of Oregon seal which was adopted in 1857 except that the legend which encircles the escutcheon, or shield, has been changed to "OREGON STATE UNIVERSITY...1868." In addition, the OSU seal uses a wreath of Oregon holly (Oregon grape) rather than the 33 stars used in the State of Oregon seal.

Originally, the seal was to be affixed to signify ownership and/or receipt of all official deeds, papers, and documents directed by the Board, and only in the presence of and signed by the President and Secretary of the Board of Regents (Article VIII, Board of Regents By-laws).

The elements in common with the State of Oregon seal include the following:

- a central escutcheon divided by an ordinary, or ribbon, with the inscription "The Union";
- above the legend, mountains, the seashore, pine trees (forests), an elk with branching antlers, and a covered emigrant wagon being pulled westward by two oxen;
- the Pacific Ocean, with a British man-of-war departing, signifying the departure of British influence in the region; an American merchant steamer arriving signifying the rise of American power and commerce; and the setting sun in the distant horizon (a westward view toward the Pacific Basin);
- below the ordinary, a quartering with a sheaf of grain (wheat), a plow, and a pickax, representing Oregon's mining and agricultural resources;
- the crest, the American (Bald) Eagle.

Two thin, parallel horizontal lines in a reddish-brown color, positioned below the photograph.
