Linus C. Pauling

Oregon State University's most distinguished alumnus came to what was then Oregon Agricultural College in 1917 after dropping out of Portland's Washington High School upon learning that he had been accepted to OAC. He studied chemical engineering and became highly regarded for his intellectual prowess; after his sophomore year he taught quantitative chemistry for the Chemistry Department. Pauling graduated from OAC in 1922, and in 1925 received a Ph.D. in chemistry from the California Institute of Technology.

Pauling taught at Cal Tech for more than 40 years. In 1954 he won the first of two Nobel Prizes for his research on the nature of the chemical bond in molecules and its use in understanding the structure of complex substances such as proteins and antibodies. Pauling received a second Nobel Peace Prize in 1962 for his efforts that resulted in the banning of atmospheric nuclear tests, making him the only person to ever win two unshared Nobel Prizes. During his career, Pauling published hundreds of papers on a range of subjects, from chemistry to quantum mechanics. For many years before his death in 1994, he ardently promoted large doses of vitamin C as a treatment for colds and cancer.

Pauling's legacy at OSU continues today through the Ava Helen & Linus Pauling Papers, housed at the Valley Library's Special Collections, and the Linus Pauling Institute of Science and Medicine. The Pauling Papers, donated to OSU in 1986, contain the Paulings' personal and scientific papers, notebooks, and correspondence from 1916 to the present. Founded in 1973, the Pauling Institute is well known for its research in the areas of aging, virology, physiology, nutrition, immunology, heart disease, genetics and cancer. In 1996 the institute completed its move to Corvallis from Palo Alto, California. Balz Frei, associate professor of medicine and biochemistry at the Boston University School of Medicine and an expert on the role of antioxidants in atherosclerosis and heart disease, was named director of the institute in early 1997.

Middle Photo

Bruce Menge and Jane Lubchenco

Marine ecologists with a special interest in rocky intertidal habitats, Bruce Menge and Jane Lubchenco have collaborated on research projects from New England to New Zealand and the Oregon Coast to the Bay of Panama focusing on how fragile coastal ecosystems function and can suffer from human impacts such as pollution, overfishing, habitat destruction, and even scavenging tourists. Menge studies community structure, patterns of recruitment, the effects of environmental stress, and other biotic interactions among both tropical and temperate intertidal species. Lubchenco has special interests in biodiversity, global change, and sustainable ecological systems.

Lubchenco has been honored frequently in recent years for her accomplishments in research, student education, the promotion of better use of science in policy and management, and innovative leadership of some of the nation's leading science organizations. She has served as president of the 143,000-member American Association for the Advancement of Science and of the Ecological Society of America and been named a MacArthur Fellow, Pew Scholar, and Oregon Scientist of the Year. She was a leading national spokesperson for the Sustainable Biosphere Initiative, an international effort to address some of the Earth's more pressing environmental problems by bringing the most current scientific information and the best scientists together with citizens, policymakers, and resource managers to jointly craft sustainable resource policies and practices at the regional level.

Menge and Lubchenco joined the OSU Department of Zoology in 1976; Lubchenco became chair of the Zoology Department in 1989, a position she held until 1992. They have been co-holders of the Gladys and Wayne Valley Professorship of Marine Biology since 1995.

Bottom Photo

Bruce Mate

One of the sure signs of spring in Oregon is the annual trek of Oregonians to the coast to watch the migration of California gray whales from their winter home in Baja California to the Bering Sea in the Arctic. At various sites along the Oregon coast, viewers can learn about the whales from trained volunteers who are part of the Oregon Coast Whale Watch Program. The volunteers are trained by Bruce Mate, Professor of Fisheries and Wildlife at Oregon State University. The program, begun in the early 1980s with just a few volunteers, today utilizes more than 400 volunteers at 29 sites along the Oregon coast and is a major boon to tourism in many coastal communities.

Mate, a world renowned expert on whales and other marine mammals who works at OSU's Hatfield Marine Science Center in Newport, Oregon, came to OSU in 1972. He earned B.S. (1968) and Ph.D. (1973) degrees from the University of Oregon. Mate is well known in marine biology circles for his "high tech" migratory tracking of whales. Individual whales are "tagged" with transmitters that relay information to orbiting weather satellites. The information is relayed from the satellites to stations around the world and then transmitted via modem to a computer at the Marine Science Center. Mate's tracking system was featured in a 1995 episode of the PBS program, "The New Explorers." He has used his tracking system to help save the bottle nose dolphin in the Gulf of Mexico, and has also done research on seal pups and bowhead whales in the Arctic. Mate recently worked on a review of a proposed salt works in Baja, California and its potential effects on the environment. The location of the salt works is in a reserve that serves as a sanctuary for California gray whales.

Preface

This year's Fact Book symbolizes on "Oregon State University...a well-kept secret". The strengths and achievements of the University are numerous and yet, as President Risser found when he came here, they are all too often not well-known beyond the campus. The citizens of Oregon do not fully realize the strong attributes of this institution. Thus, OSU can be called a well-kept secret. But this is changing. Marketing and recruitment efforts are highlighting our outstanding characteristics. For this year's Fact Book we have chosen a few secrets we would like to share that represent the University's traditionally strong commitment to education, research and public service.

We have chosen Linus Pauling for his achievement in the fields of science and humanity, Bruce Menge and Jane Lubchenco for outstanding work in the field of marine biology, and Bruce Mate for his whale tracking system and the training of volunteers for the Oregon Whale Watch Program. These examples are representative of past and current contributions, holding the promise of many more successful stories for our alumni, faculty, students and staff as the OSU highly regarded tradition is carried on.

Producing the Fact Book involves compiling, analyzing and extracting information from all facets of the University. This process would not be possible without the continued help and support from many individuals and offices on campus. This is our opportunity to thank everyone involved in bringing the Fact Book together.

It is our goal to continually improve on the product through suggestions from our end readers. Please let those who have prepared this document know how we may improve this service to you. You may contact any of them through the Office of Budgets and Planning, (541) 737-4121.

GENERAL
INFORMATION

Mission of Oregon State University

OREGON STATE UNIVERSITY serves the people of Oregon, the nation, and the world through education, research, and service.

Oregon State extends its programs throughout the world, and is committed to providing access and educational opportunities to minorities and to challenged and disadvantaged students.

Oregon State has an inherent commitment to provide a comprehensive array of high-quality educational programs in the sciences, liberal arts, and selected professions. The University encourages students, both on and off campus, to develop an enriched awareness of themselves and their global environment.

Through research, **Oregon State** extends the frontiers of knowledge in the sciences, liberal arts, and in all aspects of natural, human, and economic resources. **Oregon State** contributes to the intellectual development and the economic and technological advancement of humankind.

As a Land Grant, Sea Grant, and Space Grant university, **Oregon State** has a special responsibility for education and research enabling the people of Oregon and the world to develop and utilize human, land, atmospheric, and oceanic resources. Unique programs of public service throughout Oregon supplement campus-based university teaching and research.

Charter Day Documents of OREGON STATE UNIVERSITY

Oregon Legislative Act

AN ACT to secure the Location of the Lands donated by Congress to the State for an agricultural College, and to establish such College.

Be it enacted by the Legislative Assembly of the State of Oregon:

Section 1. That J. F. Miller, J. H. Dauthitt, and J. C. Avery are hereby constituted a board of Commissioners, with power--

1. To locate all the lands to which this State is entitled by act of Congress, for the purpose of establishing an agricultural College, and as soon as such locations are made to report the same to the Secretary of State;
2. To take into consideration the further organization and perfecting of a plan for the permanent establishment of such College in accordance with the requirements of the act of Congress making such donation and report the same to the Governor by the first day of August 1870.
3. To fill all vacancies in the College by appointment that may occur in any Senatorial district under the provisions of this act.

Section 2. That until other provisions are made the Corvallis College is hereby designated and adopted as the agricultural College, in which all students sent under the provisions of this act shall be instructed in all the arts, sciences, and other studies in accordance with the requirements of the act of Congress making such donation.

Section 3. Each state Senator is hereby authorized and empowered to select one student not less than sixteen years of age who shall be received by the Faculty of said College and instructed by them in the manner provided in this Act for the space of two years unless such student shall be discharged for misconduct *provided, however,* that this Act shall not be binding until the Trustees of said College shall adopt a resolution and file a certified copy thereof with the Secretary of State assenting to and agreeing on their part to faithfully carry out the provisions of this act.

Section 4. Upon the certificate of the President of the Corvallis College that any Student so appointed is in attendance at School, it shall be the duty of the Secretary of State at the middle of each quarter to draw his warrant upon the State Treasurer in favor of the said College for the sum of \$11.25 for each student so attending and it shall be the duty of the State Treasurer to pay such warrants out of any funds in his hands not otherwise appropriated; and a separate account of such funds shall be kept and designated the agricultural College funds.

Section 5. All funds paid out in accordance with the provisions of the foregoing sections, with interest thereon at ten per cent per annum shall be refunded to the State Treasurer from the first interest that shall accrue from the proceeds of the sale of any lands located for said College.

Section 6. The board of Commissioners hereby created shall make all the reports required by law and shall each receive a salary of five dollars per day for the number of days actually employed to be paid upon the sworn statement of such Commissioner.

Whereas, It appears that unless an agricultural College is provided by law at this session of the Legislature the grant by Congress will be lost, therefore this act shall take effect from the date of its passage.

Approved October 27, A.D., 1868

Corvallis College Board of Trustees Acceptance

Whereas, The Legislative Assembly of the State of Oregon did on the twenty-fifth day of October A.D. 1868 pass an act entitled an "Act to secure the location of the lands donated to the State for an Agricultural College and to establish such College" the same having been approved October 27th.

And Whereas, Said Legislative Assembly did designate and adopt Corvallis College as the agricultural College in which all students sent under the provisions of said act should be instructed in all the arts, sciences and other studies in accordance with the requirements of the act of Congress making such donation.

Therefore, Be it resolved by the Trustees of Corvallis College that said act with all its privileges and requirements is hereby accepted; and we promise on our part to faithfully carry out the provisions of said act.

Approved October 31, 1868

W. B. Bryan, President *pro tem*
B. R. Biddle, Secretary

Chronological History of OREGON STATE UNIVERSITY

- 1845 - Future site of Corvallis and Oregon State University, near the confluence of the Willamette and Marys Rivers, first settled by Joseph C. Avery in October.
- 1851 - Oregon territorial legislature passed an act whereby a territorial university would be "located and established at Marysville" (the Oregon Territory extended from Canada to California and from the Rocky Mountains to the Pacific).
- 1853 - Territorial legislature named three commissioners to select the Marysville site and erect the university.
- Town name changed from Marysville to Corvallis, meaning the 'heart of the valley,' on December 20.
- 1855 - Corvallis briefly became the Oregon Territory capital.
- Site of the territorial university relocated from Corvallis to Jacksonville following legislative action in January.
- 1856 - Corvallis Academy, the first community school in the area, established.
- 1858 - Corvallis College, with no religious affiliation, incorporated by six local citizens on January 20. Instruction was co-educational at the primary and preparatory levels. There would be no college-level curriculum until 1865.
- 1860 - Corvallis College (building and land) sold at sheriff's auction to satisfy a mechanic's lien.
- The college, after financial difficulties, reopened in November with Rev. W. M. Culp as principal.
- 1861 - Sale of Corvallis College to a Corvallis community Board of Trustees in January (each a member of the Methodist Episcopal Church, South).
- 1862 - First Morrill Act, which established land-grant colleges, signed by President Lincoln on July 2. The act offers every state grants of public land to help support colleges in the areas of agriculture and mechanic arts.
- Morrill Act provisions "irrevocably adopted" by the Oregon Legislature on October 9, although no action is taken at that time to establish a state college.
- 1865 - Rev. William A. Finley, A.M., D.D., appointed the first president of Corvallis College (October, 1865-May 4, 1872).
- A Collegiate Department offering a four-year, collegiate-level, liberal arts curriculum added to the Primary and Preparatory Departments.
- 1867 - First class of collegiate standing enrolled (4 students).
- 1868 - Corvallis College reincorporated August 22 as a degree-granting "literary" institution of higher education.
- **OSU Charter Day** -- October 27, 1868; the first State support for higher education in Oregon.
 - State legislature "designated and adopted" Corvallis College on October 27 "as the Agricultural College" of the State of Oregon; conditions accepted by the Corvallis College Board of Trustees on October 31.
- 1870 - New agricultural curriculum begun with 25 students, appointed by state senators to obtain a higher education (with tuition paid by the State).
- First class--one woman and two men--graduated with bachelor of Science (B.S.) degrees. These are the first degrees granted in the Far West by a state-assisted college or university.
- On October 21, Corvallis College was "designated and permanently adopted as the Agricultural College of the State of Oregon" by the State Legislature.
- 1871 - First Bachelor of Arts (A.B.) degree conferred.
- The Corvallis College Board of Trustees purchased a farm, 34.85 acres in size, on April 17; thereafter referred to as the Experimental Farm (and as Lower Campus).
- 1872 - Benjamin Lee Arnold, A.M., appointed the second president of Corvallis College and the Agricultural College of Oregon (August 31, 1872-January 30, 1892).
- 1873 - Corvallis State Agricultural College published its first agricultural research bulletin; the topic was "White Soil."
- Capt. Benjamin D. Boswell appointed Professor of Military Science and Tactics, the first U.S. Army officer on active duty to hold such a position in any land-grant college in the West.
- 1874 - First Biennial Report (1872-1874) of the College issued.
- 1875 - Alumni Association organized.
- 1876 - First Master of Arts (A.M.) degree conferred.
- 1883 - Department of Agriculture established; first in the Pacific Northwest.
- 1884 - Agricultural College farm tendered to the State by the Board of Trustees.
- 1885 - State of Oregon assumed complete control of Corvallis College from the Methodist Episcopal Church, South on February 11. Policy of the college assigned to a Board of Regents appointed by the governor.
- 1888 - First Oregon Agricultural Experiment Station established on the Lower Campus college farm on July 2.
- On July 2, Governor Pennoyer accepted the new Administration Building (now Benton Hall) and property for the State; a gift from the citizens of Corvallis and Benton County.
- 1889 - College completes move from the 5th Street location to the new campus; first classes held in the new facility.
- Margaret Comstock Snell, M.D., appointed the first professor of Household Economy and Hygiene; the first such department and position in the Far West.
- 1892 - Upon the death of President Arnold on January 30, Professor John D. Letcher, C.E., senior faculty member, appointed acting president (February 17, 1892-May 31, 1892).
- John M. Bloss, A.B., A.M., M.D., appointed the third president of the State Agricultural College of the State of Oregon (June 1, 1892-June 24, 1896).
- 1893 - Orange selected as the school color on May 2. (By tradition, orange and black are generally used together.)
- Athletic program, including football, established.
 - In its 25th year after designation as a state college: collegiate enrollment--184 (179 undergraduate and 5 graduate students); degrees granted--19; teaching and research staff--16; library collection--1,950 volumes.
- 1894 - Farmers' Short Course, first in the West, offered.
- "Hayseed", forerunner of the Beaver yearbook, published by a group from the junior class; the first yearbook published in Oregon.

Chronological History of Oregon State University (Continued)

- 1896 - H. B. Miller, a member of the Board of Regents, appointed the fourth president of the State Agricultural College of the State of Oregon (July 28, 1896-June 30, 1897).
- Dean of the College Department established.
- 1897 - Thomas M. Gatch, A.B., A.M., Ph.D., D.D., appointed the fifth president of the Agricultural College of the State of Oregon (Summer, 1897-January 9, 1907).
- 1898 - Chair of Pharmacy established following a petition by druggists of the state for such a position.
- 1900 - Department of Commerce established, the 11th in the United States and the first in the Pacific Northwest.
- 1901 - First branch experiment station established at Union.
- 1902 - Oregon State joins the Northwest Intercollegiate Association.
- 1905 - Gamma Delta Phi becomes the first permanent Greek letter social organization on campus in April.
- 1907 - William Jasper Kerr, B.S., D.Sc., LL.D., appointed the sixth president of the Agricultural College of the State of Oregon (July 17, 1907-September 6, 1932).
- First professional degree conferred, an M.E. degree in engineering.
- 1908 - Summer School for teachers offered for the first time.
- Preparatory Department discontinued; entrance requirements raised--two years of high school or equivalent.
 - John C. Olmsted's long-range campus plan presented.
 - Establishment of professional schools in Agriculture (A.B. Cordley, M.S., Dean), Commerce (J.A. Bexell, A.M., Dean), Engineering and Mechanic Arts (G.A. Covell, M.E., Dean), and Domestic Science and Art (Juliet Greer, A.B., Dean).
 - Student yearbook began publication on an annual basis--entitled the Orange; retitled the Beaver in 1917.
- 1909 - State Board of Higher Curricula established in March (function/mission of Oregon Agricultural College defined).
- 1910 - First reference to "Beavers" as an athletic team name.
- 1913 - School of Forestry (George W. Peavy, Dean) and School of Mines (H. M. Parks, Dean) established on July 19.
- 1914 - Cooperative Extension Service in Agriculture, Home Economics, and Forestry established.
- OSU Bookstore founded.
- 1915 - Oregon State became a charter member of the Pacific Coast (Athletic) Conference.
- 1918 - In its 50th year after designation as a state college: enrollment--1,668; degrees conferred--181; teaching and research staff--160; library collection--36,478 volumes.
- 1919 - "Carry Me Back" adopted as Alma Mater.
- Food Technology Department, first in the United States, established.
- 1923 - All work of less than collegiate standing abolished.
- 1924 - Oregon Agricultural College accredited by the Northwest Association of Secondary and Higher Schools.
- Chapter of Phi Kappa Phi honor society installed on June 6.
- 1926 - Oregon Agricultural College placed on the accredited list of the Association of American Universities in November.
- 1929 - Memorial Union dedicated on June 1.
- Oregon State Agricultural College became part of the Oregon State System of Higher Education.
- 1932 - Reorganization of the Oregon State System of Higher Education adopted on March 7; operational management of OSSHE to be by a Board appointed Chancellor.
- On September 6, Dr. William Jasper Kerr appointed as the first Chancellor of the OSSHE.
 - George W. Peavy, Dean and Director of Forestry, and senior member of the Administrative Council, appointed acting president (October 10, 1932-January 15, 1934).
- 1934 - George Wilcox Peavy, B.L., M.S.F., Sc.D., LL.D., appointed the seventh president of Oregon State Agricultural College (January 15, 1934-June 30, 1940).
- 1935 - First Ph.D. degrees conferred (three in Science and one in Agriculture) during the 65th Commencement.
- 1940 - Frank Llewellyn Ballard, B.S., D.Sc., LL.D., appointed the eighth president of Oregon State College (July 1, 1940-September 10, 1941).
- 1941 - President Ballard resigns. Francois Archibald Gilfillan, Dean of the School of Science, appointed acting president (September 10, 1941-October 14, 1942).
- 1942 - August Leroy Strand, B.S., M.S., Ph.D., LL.D., appointed the ninth president of Oregon State College (October 15, 1942-August 22, 1961).
- 1943 - In its 75th year after dedication as a state college: enrollment--4,743 (summer-660); degrees conferred--611; library collection--193,479 volumes.
- 1947 - Oregon State College Foundation established.
- 1949 - ROTC established.
- 1951 - Pharmacy curriculum changed to five-year instead of four; one of the first in the country to establish this curriculum requirement.
- 1952 - First appearance of "Benny the Beaver."
- 1953 - The name of the institution officially recognized by the Oregon legislature as Oregon State College on April 15.
- 1954 - Forest Experiment Station established.
- 1957 - Oregon State College invited to become one of 62 members of the National Association of State Universities.
- 1961 - First oceanographic research vessel, the 80-foot *Acona*, acquired (the first United States academic vessel designed specifically for oceanographic research).
- On March 6, Governor Mark Hatfield signed into law the legislative act which changed the name of the institution to Oregon State University.
 - James Herbert Jensen, B.Sc., M.A., Ph.D., appointed the tenth president of Oregon State University (August 22, 1961-June 30, 1969).
- 1965 - OSU Marine Science Center at Newport dedicated.
- 1968 - OSU one of three universities in the nation selected to take part in the new Sea Grant program.
- 1968 - Oregon State University Centennial Celebration. In its 100th year after designation as a state college: enrollment is 15,791 (summer--4,908); degrees conferred--4,908; library collection--538,000 volumes.
- 1969 - Roy Alton Young, A.A., B.S., M.S., Ph.D., appointed acting president (June 16, 1969-June 30, 1970).
- 1970 - Robert William MacVicar, B.S. M.A., Ph.D., appointed the eleventh president of Oregon State University (July 1, 1970-November 16, 1984).

Chronological History of Oregon State University (Continued)

-
- 1971 - OSU/School of Oceanography designated as one of the nation's first four Sea Grant Colleges.
- 1972 - Dr. Harold J. Evans elected to the National Academy of Science--the first from Oregon State University.
- 1981 - LaSells Stewart Center completed (the largest private-gift project ever financed at an Oregon public college or university).
- 1982 - OSU and Western Oregon State College established the only jointly administered School of Education in the United States.
- 1984 - John Vincent Byrne, B.A., M.A., Ph.D., J.D., appointed as the twelfth president of Oregon State University (November 16, 1984- December 31, 1995).
- Milton Harris established an endowed chair in polymer chemistry in the Department of Chemistry; the first endowed chair established at OSU.
- 1986 - School of Education (OSU/WOSC) established the first "teacher warranty program" in the United States.
- Certificate program in Peace Studies established in the College of Liberal Arts (first in the Pacific Northwest).
 - OSU graduate Linus Pauling (the only person to be given two unshared Nobel awards in two different areas: Chemistry and Peace) designated OSU as the official repository of his papers and medals.
- 1987 - OSU's long-range planning document, "Preparing for the Future", published.
- In December, Knute Buehler (Class of 1986, with a B.S. degree in microbiology and a minor in History) awarded a Rhodes Scholarship (OSU's first Rhodes Scholar).
- 1988 - Trysting Tree Golf Course (18-Hole) dedicated.
- Baccalaureate Core, new undergraduate curriculum and graduation requirements for OSU students, approved; implementation set for Fall Term 1990.
 - First graduate degrees authorized in the College of Liberal Arts; masters degree in Scientific and Technical Communication, and masters/doctorate degrees in Economics.
 - Dedication of the Electrical and Computer Engineering Building--financed by Oregon State Lottery funds.
- 1989 - OSU Portland Center opens on January 9th.
- New OSU logo adopted on May 10.
 - State Police begin providing law enforcement coverage for campus on November 15.
- 1990 - OSU completed and equipped a new library at the Hatfield Marine Science Center in Newport.
- "Creating the Future" planning document published.
 - TQM (Total Quality Management) workshops initiated.
- 1991 - As a result of Ballot Measure 5, state general fund assistance is reduced by \$12.5 million. Colleges of Education and Home Economics are merged and several departments are targeted for closure, including Journalism, Religious Studies, and General Science.
- First TQM "Teamwork" Fair is held on April 23.
- 1992 - New B.A. degree in International Studies is approved.
- Vision statement is published on April 30.
 - New University organization structure is implemented.
 - Mercedes A. Bates Family Study Center opens October 3; the only U.S. facility dedicated to lifespan family study.
- 1993 - OSU became the first university in the U.S. to offer a concurrent baccalaureate degree program in International Studies--the International Degree.
- Telephone registration system is initiated Spring Term.
- 1994 - New OSU Portland Center opened in downtown Portland.
- In April, OSU was ranked as the only university in the state and one of two in the Pacific Northwest as a Research I higher education institution by the Carnegie Foundation.
 - OSU ranked as the safest in the Pac-10 according to a University of Southern California study in September.
 - University undergraduate degree requirements reduced from 192 to 180 credit hours, approved by the Faculty Senate.
- 1995 - In March, the Strategic Planning Committee published three "Aims" for the university: quality, stakeholder value, and diversity.
- Fall Term 1995, OSU initiated a new department and a B.A./B.S. degree program in Ethnic Studies.
 - Fall Term 1995, new Honors College initiated.
 - On December 31, 1995, John V. Byrne retired after 11 years as OSU's 12th President.
- 1996 - Paul Gillan Risser, B.A., M.S., Ph.D., D.Sc., appointed as the 13th president of Oregon State University (January 1, 1996).
- Linus Pauling Institute established.
 - OSU researchers, including Dr. Arthur Sleight, discovered a new compound, zirconium tungstate, that contracts rather than expands when heated over a wide range of temperatures. *Discovery* magazine designated this as one of the top 10 scientific discoveries of 1996.
 - Dr. Jane Trempey, Associate Professor in Microbiology, was selected as Oregon's Professor of the Year.
 - OSU is ranked 20th among universities in the nation in the number of Peace Corps volunteers produced in the last 35 years.
 - \$88 million in campus construction is underway, one of the most active construction periods in OSU history.
 - New Biological Engineering baccalaureate degree program approved; the first such program in the west.
 - OSU is ranked number one of Oregon's colleges and universities, and 198th in the nation in terms of gifts and donations.
-

History of Institution Name Changes

Year	Name
1856 to 1858	Corvallis Academy
1858 to 1868	Corvallis College
1868 to 1872	Corvallis College and Agricultural College (of the State)
1872 to 1876	Corvallis State Agricultural College
1876 to 1879	State Agricultural College (Corvallis College)
1879 to 1882	Corvallis College and State Agricultural College
1882 to 1885	Corvallis College and Oregon State Agricultural College
1885 to 1888	Corvallis and Oregon Agricultural College
1888 to 1896	State Agricultural College of the State of Oregon
1896 to 1908	Agricultural College of the State of Oregon
1908 to 1927	Oregon Agricultural College
1927 to 1937	Oregon State Agricultural College
1937 to 1961	Oregon State College ¹
1961 to Present	Oregon State University ²

¹ The name of the institution was officially recognized by the Oregon legislature as Oregon State College on April 15, 1953.

² On March 6, 1961 Governor Mark Hatfield signed into law the legislative act changing the name of the institution to Oregon State University.

<u>Professional Academic Accreditation</u>				
Agricultural Sciences	Rangeland Resources (B,M,D)	Society for Range Management (SRM)	1992	2002
Business ²	Business (B,MBA); Accounting (B)	American Assembly of Collegiate Schools of Business (AACSB)	1986	1998
Engineering	Chemical, Civil, Computer, Electrical and Electronics, Industrial, Manufacturing, Mechanical, Nuclear (B)	*Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology (ABET)	1994	1998
	Construction Engineering Management (B)	*American Council for Construction Education (ACCE)	1996	2002
Forestry	Forest Engineering, Forest Management, Forest Recreation Resources (B); Forest Resources, Silviculture (M)	Society of American Foresters (SAF) ¹	1990	2000
	Forest Products (B)	Society of Wood Science and Technology (SWST)	1990	2000
Health and Human Performance	Environmental Health and Safety (B - Environmental Health Option)	National Environmental Health Science and Protection Accreditation Council (NEHSP)	1997	2002
	Environmental Health and Safety (B - Occupational Safety Option)	*Engineering Accreditation Commission of the Accreditation Board for Engineering and Technology (ABET)	1992	1997
	Exercise and Sport Science (B - Athletic Training Option)	*Commission on Accreditation of Allied Health Education Programs (CAAHEP)	1994	1999
	Health Care Administration (B)	Association of University Programs in Health Administration (AUPHA) ³	1996	2001
	Health Education (M)	*National Council for Accreditation of Teacher Education (NCATE) and the American Association for Health Education (AAHE) ⁴	1994	2004
	Health Promotion and Educ. (B)	Society for Public Health Education, Inc. (SOPHE) and American Association for Health Education (AAHE)	1996	2001
	Public Health (MPH - Options in Gerontology, Health Policy and Management, and Health Promotion Education)	*Council on Education for Public Health (CEPH) ⁵	1996	1999
Home Economics and Education	Home Economics (B)	Council for Professional Development of the American Association of Family and Consumer Sciences (AAFCS)	1995	2005
	Nutrition and Food Management (B - Dietetic Option)	*American Dietetic Association (ADA) ⁶	1990	2000
	Elementary/Secondary Education (M,D)	*National Council for Accreditation of Teacher Education (NCATE) ⁷	1994	2002

Institutional and Professional Accreditation (Continued)

College	Department/Major	Accrediting/Membership Group	Last	Next
Home Economics and Education (Cont.)	Teacher Education (MAT)	Oregon Teacher Standards and Practices Commission (TSPC) ⁸	1997	2002
	Counseling (M,D)	Council of Accreditation of Counseling and Related Educational Programs (CACREP), (NCATE), and (TSPC)	1992	1997
Pharmacy	Pharmacy (B)	*American Council on Pharmaceutical Education (ACPE)	1992	1998
Science	Chemistry (B)	American Chemical Society (ACS)	1992	1997
Veterinary Medicine	(M,D,FP)	*Council on Education of the American Veterinary Medical Association (AVMA)	1993	1997
<u>Other Professional Accreditation</u>				
Student Health Service		American Association for Ambulatory Health Care (AAAHC)	1995	1998

¹ Interim accreditation review was in 1995.

² Accreditation of the undergraduate and graduate programs in business and the undergraduate program in accounting.

³ Full membership in AUPHA.

⁴ Folio approved and nationally recognized program.

⁵ Pre-accreditation status (one of CEPH's accredited status ratings for the first three years of accreditation).

⁶ An ADA "approved" program.

⁷ NCATE approved Teacher Education programs include: Agriculture, Biology, Business, Chemistry, Elementary, Health, Home Economics, Integrated Science, Language Arts (English), Marketing, Mathematics (Advanced), Physical, Physics, and Technology.

⁸ TSPC approved programs include all those approved by NCATE and also includes Music Education.

* National institutional and specialized accrediting bodies recognized by the U.S. Secretary of Education.

B = Bachelors; M = Masters; D = Doctorate; FP = First Professional (DVM)

Sources: Colleges/Departments; Office of Academic Affairs (2/97).

Degree Types Awarded by Oregon State University

B.A.	Bachelor of Arts	
B.F.A.	Bachelor of Fine Arts	
B.S.	Bachelor of Science	
H.B.F.A.	Honors Baccalaureate in Fine Arts (Effective: Fall Term 1995)	
H.B.A.	Honors Baccalaureate in Arts (Effective: Fall Term 1995)	
H.B.S.	Honors Baccalaureate in Science (Effective: Fall Term 1995)	
M.Agr.	Master of Agriculture	
M.A.	Master of Arts	
M.A.I.S.	Master of Arts in Interdisciplinary Studies	C - Certificate
M.A.T.	Master of Arts in Teaching	Cu - Undergraduate
M.B.A.	Master of Business Administration	Cg - Graduate
Ed.M.	Master of Education	E - Endorsement
M.Eng.	Master of Engineering	Eb - Basic
M.F.	Master of Forestry	Es - Standard
M.Oc.E.	Master of Ocean Engineering	P - First Professional
M.P.H.	Master of Public Health	T - Pre-Professional/Transfer
M.S.	Master of Science	
Ed.D.	Doctor of Education	
Pharm.D.	Doctor of Pharmacy (Effective: Fall Term 1995)	
Ph.D.	Doctor of Philosophy	
D.V.M.	Doctor of Veterinary Medicine	

Academic Programs and Degrees at OSU: 1996-97 (Continued)

- () Joint college or department programs
Bold Departments
 → New program and/or degree
 ← Degree type suspended or terminated; see previous issue of OSU Fact Book. Excludes changes in M.Agr. and M.A.I.S. participation.

* IPEDS (Integrated Postsecondary Education Data System). The IPEDS code (also referred to as the "CIP" code—Classification of Instructional Programs), was developed by the National Center for Educational Statistics, U.S. Department of Education, and is used by higher education institutions in the United States for federal reporting purposes.

- Notes: √ Option programs are listed if (1) they are recognized by OSSHE, or (2) they have an OSU "Major" code number and a course designator.
 √ IPEDS code numbers have been reviewed and changed according to the revised U.S. Department of Education "Classification of Instructional Programs" (CIP); 1990 edition.

Endnotes

- ¹ Interdisciplinary program involving 15 departments in the Colleges of Agricultural Sciences, Forestry, and Science. Degrees are awarded in the College of Agricultural Sciences.
- ² Joint department funding with the College of Science. Degrees are awarded through the College of Science.
- ³ Master of Arts in Teaching (MAT) degree is awarded in the College of Home Economics and Education.
- ⁴ Degrees are awarded through the College of Engineering.
- ⁵ Diplomas are entitled "Business Administration."
- ⁶ Master of Engineering in Manufacturing Engineering is a joint program with Portland State University. Degrees are jointly awarded by OSU and PSU.
- ⁷ Interdisciplinary program involving the Colleges of Agricultural Sciences, Forestry, Liberal Arts, and Science. Degrees are awarded in the College of Forestry.
- ⁸ The M.P.H. is a collaborative degree program involving Portland State University and the Oregon Health Sciences University.
- ⁹ The College of Education closed on June 30, 1992. Graduate degrees and one baccalaureate degree program that remained were merged with the College of Home Economics. The School of Education is now located in the College of Home Economics and Education.
- ¹⁰ OSU's Secondary and K-12 Professional Teacher Education programs are a cooperative effort involving the Colleges of Agricultural Sciences, Health and Human Performance, Home Economics and Education, Liberal Arts, and Science.
- ¹¹ The M.A. and M.S. degrees in Scientific and Technical Communication are awarded through a joint program of the Departments of English and Speech Communication.
- ¹² The M.A./M.S. and Ph.D. degrees are part of a joint program (with the Colleges of Agricultural Sciences and Forestry) in Economics.
- ¹³ Diplomas are entitled "Speech Communication."
- ¹⁴ Interdisciplinary program involving the Colleges of Agricultural Sciences, Engineering, Forestry, Health and Human Performance, Liberal Arts, Oceanic and Atmospheric Sciences, and Science. Degrees are awarded in the College of Science.
- ¹⁵ Concurrent degree; must be completed in combination with another baccalaureate degree program. Degrees can be awarded by any academic college.
- ¹⁶ Coordinated by the Water Resources Research Institute.

OSU Extended Education Programs

As a leading Land Grant University, OSU's mission has three parts: resident instruction, research, and extended education. Extended education is education for people who are not resident at the University's campus and which draws upon the knowledge base of the University. Our goal is to improve the total university response to local educational needs.

Implementation of the OSU Extended Education mission began in 1995. Leadership for Extended Education is provided by a team consisting of the Provost, Associate Provost for Information Services, and the Dean of Extended Education. Others are added to the team as needed to accomplish specific goals.

Extended Education includes the OSU Extension Service, Continuing Higher Education, and all other college outreach programs. The Dean of Extended Education also serves as the Director of the OSU Extension Service. In this role, the Dean and Director has administrative responsibilities for the Extension Service and the Office of Continuing Education.

The Dean of Extended Education works closely with the Extended Education Council (academic deans), to provide leadership and policy guidance to assure that OSU is a leader in identifying needs of Oregonians and meeting them through extended education programs.

An Extended Education Coordinating Committee is a working group that assists in coordination of planning and programming in extended education. The coordinating committee includes one person from each college and Sea Grant, the Associate Director of the Extension Service, the Director of Continuing Higher Education, three county Extension staff chairs, and one representative each from information services, development, and communications.

The involvement of local users is essential to the direction and success of extended education programs state-wide. OSU will involve local people and user groups in an advisory capacity to represent Oregon needs and issues.

OSU Extension Service

The OSU Extension Service is the University's off-campus, informal education link with the people of Oregon. Extension Service programs help people solve problems and improve skills in the areas of agriculture, energy, forestry, home economics, sea grant and 4-H youth development.

Leadership for Extension Service programs is provided through assigned academic colleges. Leadership for the Extension Service is provided by the Dean of Extended Education and Director of the OSU Extension Service. All Extension Service faculty, county agents, and specialists have academic appointments in appropriate colleges.

Some 175 Extension Service faculty are located in more than 40 offices around the state, including at least one office in each of Oregon's counties. In addition, more than 90 faculty are located in OSU colleges where they work side by side with laboratory and classroom colleagues. These professionals are the eyes and ears of the University, working closely with Oregonians in all walks of life. They provide programs to local groups based on identified needs. They listen to what Oregonians are saying and provide feedback to the University for determining research needs.

OSU Extension Service has been a part of the University for more than 80 years. It was officially created in 1911 by action of the Oregon Legislature, and recognized nationally in 1914 by the Smith-Lever Act. Funding for Extension Service programs comes from federal, state, and county government, and from fees, grants, and contacts.

PROGRAMS: ♦ Agriculture ♦ Energy ♦ Forestry ♦ Home Economics
♦ Sea Grant ♦ 4-H Youth Development

OSU Extension Service Offices and Agricultural Experiment Station Facilities

Continuing Higher Education

The Office of Continuing Higher Education's (OCHE) mission, within the overall mission of extended education at Oregon State, is to extend the academic and related support services of the University to learners across the state. OCHE provides essential administrative support to OSU academic units and their faculty, thus enabling participants at a variety of locations to have convenient access to education and training opportunities.

OCHE concentrates on three primary areas, each designed to meet the needs of particular groups, organizations, and individuals:

Degree Completion Programs and Courses

Liberal Studies Program for Distance Learners

An upper division bachelor's (B.A., B.S.) degree program with courses delivered via Oregon EdNet to Astoria, Bend, Coos Bay, Hood River, and Newport.

Evening/Weekend Degree Program

An upper division Liberal Studies bachelor's (B.A., B.S.) degree program with live weekend and evening classes on the OSU campus.

Individualized Directed Learning

Over 50 independent study courses taught by OSU faculty used to supplement both on-campus and distance learning programs.

Doctor of Education (Ed.D.) with an Emphasis in Community College Leadership

Master's of Education (M.Ed.) with an Emphasis in Adult Basic Education

Designed for cohorts of working professionals to complete graduate degrees, with courses both on and off campus.

Specialized Courses

Intensive language programs and computer courses are two examples of programs offered in a variety of locations and formats.

Partnerships with Business, Industry, and Public Organizations

OCHE promotes partnerships with the private sector and public groups to serve their specialized needs for education and training. Design of customized programs and courses, needs assessment, and innovative delivery methods that match expertise with needs, are provided by these partners. Courses have included credit/non-credit workshops, management training seminars, and graduate level technical courses. Examples include OSU/Good Samaritan Hospital Institute for Management and Professional Development and COSTCO Leadership training.

Continuing Professional Development

Courses, seminars, and workshops for professional certification and licensure, or for updating skills, are offered for teachers, foresters, engineers, and many other professional groups. These programs are offered for academic credit, and/or continuing education units.

In addition, OCHE provides a variety of special workshops, training programs, and planning and evaluation assistance to public and private organizations.

OSU Telecommunicated Distance Education Programs in Oregon

Oregon State University uses a variety of telecommunication systems to extend programs and services throughout Oregon. These include:

Oregon ED-NET. OSU originates and receives programs over ED-NET's two satellite based networks. Network I is a full motion, broadcast quality network that reaches 225 Oregon sites located at high schools, community centers, hospitals, state offices, community colleges, and all OSSHE institutions. Network II is a digitally compressed network capable of two-way audio and video interaction between 37 specially equipped sites in Oregon. Network II sites include all OSSHE institutions, the community colleges, and several community sites. ED-NET allows OSU to deliver quality degree and certificate programs and special events directly to communities throughout Oregon.

Instructional Television Fixed Service (ITFS). ITFS is a low power, omni-directional, line-of-sight television transmitting system that enables broadcasting to Willamette Valley homes, schools, and businesses. The Federal Communications Commission has approved the award of the ITFS channels, and the system is expected to be built during academic year 1997-98. The Oregon Wireless Instructional Network (Oregon WIN), a consortium of all the OSSHE (Oregon State System of Higher Education) institutions in the Valley and Linn Benton and Lane Community Colleges, will be able to use some of the ITFS channels to broadcast courses. Several channels of ITFS are also available to OSU through Central Oregon Community College in the Bend area.

Terrestrial Microwave. A terrestrial microwave system connecting OSU with the Oregon Public Broadcasting system allows OSU to link to Oregon ED-NET, Portland TV stations and cable companies and the Portland area ITFS system.

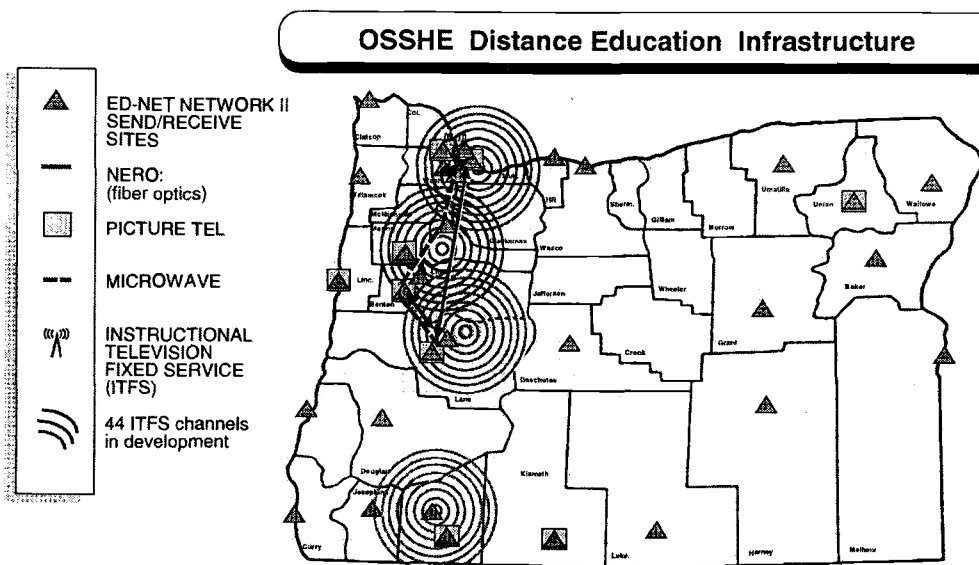

NERO (The Network for Education and Research in Oregon). NERO is a leased data system that links the graduate schools of engineering at PSU, OSU, UO and OGI. It uses compressed video, audio and graphics to share courses and data between institutions. The system originally was funded through a NASA grant and is a test site for the new ATM (Asynchronous Transfer Mode) data distribution protocol.

OSU Extension Service. The OSU Extension Service includes sites in most of Oregon counties. Satellite downlinking facilities are located at 34 of the 36 county offices. Many county Extension Offices are able to receive programming from Oregon ED-NET or directly from OSU's ADEC uplink. OSU, a charter member of ADEC, has a steerable satellite uplink located on campus. The uplink offers OSU the ability to originate programs to state, national, and international audiences.

Internet and World-Wide Web. Through Internet and World-Wide Web access, OSU provides a growing number of full course and partial course offerings to students with internet access no matter where they reside. These offerings can be previewed by linking through the OSU Home Page.

PictureTel. The PictureTel system is a compressed video and audio system which utilized special telephone lines. The video-conferencing system is part of the OSSHE system and can be used statewide between institutions. PictureTel can also be used for national and international video-conferences. The system is generally used for meetings, however, some distance education classes are using this system.

The HOSE (Hewlett-Packard OSU Sonet Experiment). The HOSE is a joint project of OSU's College of Engineering and Hewlett-Packard (HP). Using a dedicated OC3 line and ATM network technology, it provides two 2-way video channels between HP and OSU. HP employees use the HOSE to participate in OSU courses, and OSU students use the HOSE to participate in HP laboratory activities.

OREGON STATE UNIVERSITY

International Study Abroad and Student Exchange Programs

1996-97

Opportunities for students to study abroad continue to expand at OSU. There are now 46 programs in 17 countries. A new policy on international exchange, implemented in 1992 by a faculty Study Abroad Advisory Committee (SAAC), encourages departments to initiate and administer international exchange and study abroad programs specific to their academic units. The purpose of the new policy is to encourage faculty initiatives and to expand the diversity of academic programs and geographic locations available through study abroad and student/faculty exchange programs. Study Abroad and Student Exchange Programs at OSU are defined as Category A or Category B programs.

Category A: The Office of International Education continues to administer programs with a broad scope involving students from a number of academic units. These include the Oregon State System of Higher Education (OSSHE) programs in China, Ecuador, France, Germany, Hungary, Japan, Korea, Mexico, and Thailand. Also included are the Northwest Council on Study Abroad (NCSA) programs in Avignon, France; London, England; Cologne, Germany; and Siena, Italy. Programs in Bathurst, Australia; Sussex, England; and the Former Soviet Union are open to all students and are administered in the Office of International Education.

Category B: Programs involving students from one department or college will be the responsibility of that academic unit with the Office of International Education providing assistance, support, and budget review. This new policy has already generated several new programs and administrative changes. The College of Engineering has year-long programs for engineering students at the University of Nottingham, the University of Sussex, and the University of Mexico. College of Science students may spend a year at the University of Lancaster or the University of Sussex. Agriculture students have programs at the University of British Columbia and at Lincoln College in New Zealand. A College of Liberal Arts program in Guadalajara, Mexico places education students in bilingual schools for field experience, and Spanish language majors work in language schools. The College of Business has programs at Agder College in Kristiansand, Norway and Aarhus and Copenhagen, Denmark.

Intercollegiate Athletics 1996-97

Oregon State's 15 sports are recognized at the Division I level of the National Collegiate Athletic Association (NCAA). In 1915, OSU became a charter member of the Pacific Coast (Athletic) Conference, now the Pacific-10 Conference.

Women's Sports

Basketball

Head Coach: Judy Spoelstra
Participants: 15 **Scholarships:** 15
Facility: Gill Coliseum **Seats:** 10,400
Championships: Nor-Pac: 1983; Region Nine: 1979, 1981.

The Beavers advanced to the NCAA Tournament the last three years, finishing 19-9 overall in 1995-96 under the guidance of first-year coach Judy Spoelstra. That season, OSU took second in the Pac-10 with an 11-7 record, and was ranked nationally the entire season. The Beavers were 22nd in the final AP poll. Senior Tanja Kostic became OSU's fourth All-American in the sport of women's basketball, breaking school records for both career scoring and rebounding. Coach Spoelstra returns to her second season with one returning starter, center Tina Lelas, and a core of newcomers.

Crew

Head Coach: Charlie Owen
Participants: 56 **Scholarships:** 1.65
Facility: Stevens Crew House

Charlie Owen, fourth-year head coach of the Beavers, led the Varsity Eight to a fourth place finish at the 1996 Pac-10 Championships. The Varsity narrowly missed qualifying for the National Championships, but did finish ahead of a tough University of California team in the league finals. Team captain Amy Martin completed her final season, earning Pac-10 All-Conference honors for the second time. Martin also garnered Academic All-Conference honors. Martin was the only Varsity member lost to graduation from the 1996 squad.

Golf

Head Coach: Rise Lakowske
Participants: 8 **Scholarships:** 4.8
Facility: Trysting Tree Golf Club 7,104 yards, par 72

For the fourth time in five years, head coach Rise Lakowske's team advanced to the NCAA Regionals. The Beavers finished 18th in the West Regionals, led by sophomore Kathleen Takaishi. Their top tournament finish of the season was a second place showing at the Utah-Dixie Classic in St. George, Utah. The 1996-97 team features a trio of newcomers, Rachel Borcherts, Andrea Hehn and Carina Olsson. The student athletes are considered to be the best crop of newcomers in the history of the golf program.

Gymnastics

Head Coach: Jim Turpin
Participants: 14 **Scholarships:** 12
Facility: Gill Coliseum **Seats:** 9,000
Championships: Nor-Pac: 1983, 1985; Pac-10: 1991, 1992, 1994, 1995; Regional: 1979, 1980, 1981, 1982, 1985, 1988, 1991, 1992, 1994.

The Beavers returned six All-Americans after finishing fifth in the nation at the NCAA Championships in 1996. Jim Turpin, 12th-year head coach, led his team to their 10th consecutive NCAA Championship appearance and fourth Pac-10 Conference title. OSU gymnastics ranks among the top women's sports programs in the nation for attendance, averaging over 5,000 fans a meet since 1992, and averaging over 6,000 the current season. In addition to their competitive success, the Beavers are among the best academically, as well.

Soccer

Head Coach: Tom Rowney
Participants: 16 **Scholarships:** 6.6
Facility: Women's Field **Seats:** 1,200

Fifth-year head coach Tom Rowney led his 1995 squad to a 14-6 record, narrowly missing the NCAA playoffs. Ten letterwinners returned in 1996, including seven starters. Among the returning players were seniors Karey Dyson, Michelle Mitchell, Alexa Pengelly and Jeanette Scotti. Rowney's squad finished the 1995 season ranked No. 21 ISSA and No. 17 Soccer America.

Softball

Head Coach: Kirk Walker
Participants: 29 **Scholarships:** 11.24
Facility: Ropes-Fetrow Field **Seats:** 500

Beaver softball may be the most improved OSU team in 1997. Under the direction of third-year head coach Kirk Walker, OSU finished 15-35 overall and 3-22 in the Pac-10 Conference in 1996. All-Conference pick Alycia Stevens (outfielder) returned after setting a school record for hitting. Joining a core of veterans was a recruiting class that Walker considers to be among the top five in the nation.

Swimming

Head Coach: Mariusz Podkoscielny
Participants: 18 **Scholarships:** 5.1
Facility: Osborn Aquatic Center **Seats:** 650

A new era began in the Beaver swimming program with first-year head coach Mariusz Podkoscielny, a nine-time All-American and two-time Olympian. Podkoscielny came to Corvallis after serving three years as an assistant at the University of Arizona. Seven swimmers returned for the 1996-97 season, including seniors Tristy Barrett, J.J. Townsend and Shireen Taylor.

Volleyball

Head Coach: Jeff Mozzochi
Participants: 13 **Scholarships:** 12
Facility: Gill Coliseum **Seats:** 10,400

Fourth-year head coach Jeff Mozzochi welcomed a team of veterans for the 1996-97 season. All six starters returned, including the offensive leader in 1995, junior hitter Heather Lowe. The anchor of the team, setter Miya Malauulu, was back for her third season at the starting position. The Beavers went 19-12 overall during the 1996 season, winning their first 11 matches of the season. Pac-10 Conference victories included, for the first time in OSU school history, a sweep of 11th-ranked USC. As head coach at Portland State prior to coming to OSU, Coach Mozzochi led his team to four Division II National Championships.

Intercollegiate Athletics

1996-97

Men's Sports

Baseball

Head Coach: Pat Casey
 Participants: 47 Scholarships: 10.83
 Facility: Coleman Field Seats: 3,000
 Championships: Pac-10 Northern Division:
 1938, 1940, 1943, 1951, 1952, 1958, 1962, 1963,
 1975, 1981, 1982, 1984, 1994.

The Beavers finished the season second in the Pac-10 with a 14-10 record, and 32-16-1 overall. Seven players were named to the Pac-10 All-Northern Division team, including returning players Chris Pine (pitcher), Ryan Lipe (third base) and Ryan McDonald (second base). Pat Casey returned for his third season as head coach. This is the 90th season of varsity baseball at OSU. Since 1990, 18 Beavers have gone on to play pro baseball. Casey succeeded Jack Riley, who retired as OSU's winningest baseball coach ever with the 1994 Pac-10 Northern Division Championship.

Basketball

Head Coach: Eddie Payne
 Participants: 16 Scholarships: 13
 Facility: Gill Coliseum Seats: 10,400
 Championships: Pac-10: 1916, 1933, 1947,
 1949, 1955, 1958, 1966, 1980, 1981, 1982, 1984,
 1990; Regional: 1949, 1963.

The Beavers concluded the 1995-96 season with just four victories. However, a strong recruiting class should result in more wins for Eddie Payne's future basketball teams. Coach Payne, now in his second season, signed nine athletes last season, including blue-chip forward Corey Benjamin - a high school All-American. OSU has one of the richest collegiate traditions in the nation. Two Basketball hall of Fame coaches, Amory "Slats" Gill and Ralph Miller, have produced the vast majority of the more than 1,400 victories.

Crew

Head Coach: Dave Reischman
 Participants: 61 Scholarships: 1
 Facility: Stevens Crew House

Men's crew made its second consecutive trip to the Intercollegiate Rowing Championship in New Jersey after the varsity eight boat qualified with a third place finish at the Pac-10 Championships. The Beavers finished fourth in the Petite Finals to place 10th overall at the New Jersey Championships. Third-year varsity head coach Dave Reischman had five rowers in the 1997 varsity boat. The Willamette River has been home to a dozen national team members. Three crews have now won national championships.

Football

Head Coach: Mike Riley
 Participants: 95 Scholarships: 79
 Facility: Parker Stadium Seats: 35,547
 Championships: Pac-10: 1941, 1956, 1964;
 Rose Bowl: 1942; other Rose Bowl appearances: 1957, 1965; Liberty Bowl: 1962.

At the conclusion of the 1996 season, six-year head coach of the Beavers, Jerry Pettibone, retired from coaching and Mike Riley became the school's 26th head coach. Riley, a Corvallis native, came to OSU from the University of Southern California where he served as assistant head coach and offensive coordinator. The football program has to its credit 20 former All-Americans and, in Terry Baker, a rare west coast Heisman trophy winner and Sports Illustrated's 1962 Sportsman of the Year. In the past, Coach Tommy Prothro led the Beavers to three bowl games, two of them Rose Bowl appearances.

Golf

Head Coach: Mike Ketcham
 Participants: 10 Scholarships: 3.92
 Facility: Trysting Tree Golf Club 7,104 yards,
 par 72

In 1996, the Beavers welcomed first-year head coach Mike Ketcham. Ketcham inherited a program that has made huge strides the last five seasons, making three appearances in the NCAA West Regional and qualifying for the NCAA Tournament. The program has been ranked consistently in the top 25 during the last three years. Nine letterwinners returned, led by senior Charles Kingsbaker who is a two-time All-Pac-10 Conference selection. Five of the Beavers' nine returning letterwinners have competed in postseason.

Soccer

Head Coach: James Conway
 Participants: 24 Scholarships: 6.8
 Facility: Women's Field Seats: 1,200
 Championships: Northwest Collegiate Conference: 1990.

Men's soccer started the 1996 season winning three of its first four games, but wound up losing the last four contests and finishing 8-10 overall and 2-2 in league play for third place. Junior Josh Dodson led the MPSF Mountain Divisions scoring race much of the season, finishing with 10 goals and three assists for 23 points, and second in the division. Dodson and sophomore Fredrik Kummernes were named to the All-Conference team. Jimmy Conway, who has been the only coach in the program's seven-year history, won the Northwest conference crown in its third year. OSU moved up to the Mountain Pacific Sports Federation in 1993.

Wrestling

Head Coach: Joe Wells
 Participants: 35 Scholarships: 9.88
 Facility: Gill Coliseum Seats: 9,000
 Championships: Pac-10: 1913, 1915, 1916, 1917,
 1918, 1920, 1921, 1922, 1923, 1924, 1925, 1926, 1941,
 1942, 1948, 1950, 1955, 1956, 1957, 1959, 1960, 1961,
 1962, 1963, 1964, 1965, 1966, 1967, 1968, 1969, 1970,
 1971, 1972, 1973, 1976, 1977, 1978, 1979, 1983, 1984,
 1992, 1994.

Head coach Joe Wells is in his fifth season as the Beavers' mentor. In 1996 OSU was ranked 18th in the nation. The Beavers concluded the 1995-96 season with an eighth place showing at the NCAA Championships. Senior Les Gutches became the fourth wrestler in OSU history to repeat as national champion. Gutches won his last 69 matches to set a new school record. The Beavers returned seven full-time starters for the 1996-97 season, including sophomore All-American Oscar Wood, who placed seventh at the NCAA Championships. OSU wrestling boasts the sport's winningest coach ever in Dale Thomas at 616-169-2.

OSU Intercollegiate Athletics in the Classroom

- ✓ 1996 National Academic Champions: No university with a Division 1-A football team graduated a higher percentage of its athletes during a six-year period surveyed in the most recent edition of the NCAA's graduation rates report than Oregon State University.
- ✓ According to a 1991 survey in *USA Today*, Oregon State leads all other Pac-10 schools in freshman graduation rate. Of the freshman student-athletes who have completed their eligibility at OSU, 96% have also earned a degree.
- ✓ Oregon State's cumulative grade point average for student-athletes in all sports is 2.77. The average has exceeded the general student body grade point average in recent years.
- ✓ In the areas of compliance and academic services the Department of Intercollegiate Athletics provided a model for the NCAA's development of computer software to handle these facets of athletic administration. The NCAA has also recognized OSU for its research on drug testing and drug education programs carried out jointly by the OSU College of Health and Human Performance and the athletic training staff. OSU was one of two schools in the country given a substantial grant to continue this work.
- ✓ Former pitcher Knute Buehler (1983-84) was the first at Oregon State to study as a Rhodes Scholar. The Willamette River crew lays claim to another OSU graduate to earn a Rhodes Scholarship, Wes Sand. Sand and Buehler are both from Roseburg, Oregon.
- ✓ The OSU gymnastics team won the national academic championship in both 1991 and 1992 with grade point averages of 3.6 and 3.4, respectively.

Recreational Sports 1996-97

OPEN RECREATION FACILITIES

Dixon Recreation Center has open recreation opportunities for basketball, weight training, conditioning, aerobic exercise, racquetball, squash, badminton, table tennis, and volleyball. Students, as well as faculty, staff, and spouses who purchase memberships, are able to participate in all of the programs offered by Recreational Sports. Also included are men's and women's saunas and shower facilities.

Stevens Natatorium includes an 8-lane, 25-yard fitness pool, a deep water dive pool, and a spa with adjoining sun deck. This facility accommodates the recreational swim program as well as HYDRO-FIT aqua conditioning, classes, springboard diving, and weekend Family Swim Program.

Memorial Union Recreation Center offers bowling, billiards, video games, and a television lounge to members of the University community. Organized tournaments, classes, leagues, and special events are held throughout the year.

Indoor Climbing Center is one of the nation's largest. Located at the west end grandstand of Parker Stadium, it provides over 4,000 square feet of climbing surface with 36 climbing stations. State-of-the-art features include a stemming corner and a chimney climb, overhangs, pockets, a crack wall, and a climbing route which leads across the ceiling.

Other Recreational Sports facilities include: **Tennis Pavilion, Outdoor Tennis Courts, and McAlexander Fieldhouse.**

PROGRAMS AND SERVICES

Recreational Sports Fitness Programs provide opportunities for members of the OSU community to achieve and maintain a measure of physical fitness, develop lifelong sport skills and interests, and achieve a feeling of mental and emotional fitness. Programs include non-credit fitness/sport skills classes, individual and group fitness consultation, body composition analysis, and an aerobic exercise incentive program.

OSU Sports Clubs offer social support and a competitive outlet for those interested in bowling, cycling, equestrian events, fencing, lacrosse, pistol, rifle, roller hockey, sailing, skiing, tennis, triathlon, ultimate disc, volleyball, and water polo.

The Outdoor Recreation Program includes resources for planning outings and trips, operates an equipment rental service, and develops the Outdoor Adventure Trip Program which schedules seasonal trips and instruction in such activities as mountain and rock climbing, cross country skiing, white water rafting, kayaking, and backpacking.

Intramural Sports offers over thirty sports events that are open to students who are not college varsity athletes. Events are structured to accommodate a variety of skill levels with team sports, individual, dual and special tournaments. Men's, women's, and co-ed divisions are offered, giving students an opportunity to meet new people, practice sports skills, and enjoy the challenges that sports provide. Sports sponsored through the Department of Intramural Sports are: flag football, mountain bike rodeo, golf, cross country 5k runs, bowling, table tennis, skeet shoot, badminton, swimming, indoor soccer, tennis, racquetball, basketball, water polo, billiards, wrestling, softball, par-3 golf and track.

Oregon State University Faculty and Staff AWARDS AND HONORS

1996-1997

Announced Winter Term, 1997

Oregon State University Distinguished Professor Award: 1997

- ◆ William Robbins, *Distinguished Professor of History, Department of History*
- ◆ Fredrick Stormshak, *Distinguished Professor of Animal Sciences, Department of Animal Sciences*

Awarded During Commencement (June 16, 1996)

Honorary Degrees

- ◆ Senator Mark O. Hatfield ◆ Doctor of Humane Letters

OSU Distinguished Service Award

- ◆ John V. Byrne
- ◆ Jack Ward Thomas

Awarded During University Day (September 16, 1996)

OSU Alumni Association Distinguished Professor Award

- ◆ Lisa Ede, *College of Liberal Arts, Department of English*

Elizabeth P. Ritchie Distinguished Professor Award

- ◆ Cheryl Glenn, *College of Liberal Arts, Department of English*

Richard M. Bressler Senior Faculty Teaching Award

- ◆ John S. Gillis, *College of Liberal Arts, Department of Psychology*

Dar Reese Excellence in Advising Award

- ◆ Dianne W. Hart, *College of Liberal Arts, Department of Foreign Languages and Literatures*

OSU Faculty Teaching Excellence Award

- ◆ Setsuko Nakajima, *College of Liberal Arts, Department of Foreign Languages and Literatures*

OSU Extended Education Faculty Achievement Award

- ◆ Philip B. Hamm, *Hermiston Agricultural Research and Extension Center/Botany and Plant Pathology*

D. Curtis Mumford Faculty Service Award

- ◆ Kenneth S. Krane, *College of Science, Department of Physics*
- ◆ Bill Winkler, *College of Health and Human Performance, Department of Exercise and Sport Science*

Outstanding Faculty Research Assistant Award

- ◆ Jim Crane, *College of Agricultural Sciences, Department of Crop and Soil Science*

Herbert F. Frolander Graduate Teaching Assistant Award

- ◆ Dillon Sanders, *College of Liberal Arts, Department of Economics*

OSU Staff Development Award

- ◆ Sandra Lewis, *Department of Forest Science*

OSU Exemplary Employee Award

- ◆ Timothy Taylor, *Department of Physics*
- ◆ Jim Ervin, *Greenhouse Operations*

OSU Award for Service to Persons with Disabilities

- ◆ Katharine Hunter-Zaworski, *College of Engineering, Department of Civil Engineering*

OSU, 1996. University Day, September 16, 1996. Corvallis, Oregon: Oregon State University

Named Chairs and Professorships at OREGON STATE UNIVERSITY 1996-97

Title	Held By	College/Department	Estab.
◆ Milton Harris Professor of Materials Science (Chair)	Dr. Arthur W. Sleight	Science/Chemistry	1984
◆ Wheat Industry Professor of Wheat Research (Chair)	Dr. Warren E. Kronstad	Agricultural Sciences/ Agricultural Experiment Station and Crop and Soil Science	1987
◆ Wayne and Gladys Valley Professor of Marine Biology (Chairs)	Dr. Jane Lubchenco Dr. Bruce Menge	Science/Zoology	1987
◆ Sara Hart Kimball Dean of Business (Chair)	Dr. Donald F. Parker	Business	1988
◆ Donald and Delpha Campbell University Librarian (Chair)	(Search Scheduled)	Valley Library	1989
◆ Alice Rohm Professor of Oceanographic Education	Dr. Robert L. Smith	Oceanic and Atmospheric Sciences	1990
◆ Stewart Professor of Gene Research	Dr. Christopher K. Mathews	Science/Biochemistry and Biophysics	1990
◆ Oregon Professor of English	Dr. David Robinson	Liberal Arts/English	1991
◆ Barbara Emily Knudson Professor in Family Policy (Chair)	Dr. Clara C. Pratt	Home Economics and Education	1991
◆ Thomas Hart and Mary Jones Horning Professor in Humanities (Chairs)	Dr. Robert Nye Dr. Mary Jo Nye	Liberal Arts and Science/ History	1992
◆ Boeing Professor of Mechanical Engineering	Dr. William F. Reiter, Jr.	Engineering/ Mechanical Engineering	1992
◆ Emile F. Pernot Distinguished Professor in Microbiology	Dr. John L. Fryer	Agricultural Sciences and Science/Microbiology	1992
◆ L. W. "Bill" Lane, Jr. Professor in Family Business Management	Filled by Visiting Scholars	Business	1993
◆ Marine Mammal Research Professor (Chair)	Dr. Bruce Mate	Agricultural Sciences/Fisheries and Wildlife, Extension Service and Coastal Oregon Marine Experiment Station	1993
◆ Hundere Chair of Religion and Culture (Chair)	Dr. Marcus J. Borg	Liberal Arts/Philosophy	1993
◆ Walther H. Ott, Professor of Poultry Science	(Currently Unfilled)	Agricultural Sciences/ Animal Sciences	1994

Named Chairs and Professorships at Oregon State University 1995-96 (Con't.)

Title	Held By	College/Department	Estab.
◆ Center for the Study of the First Americans Director (Chair)*	Dr. Robson Bonnichsen	<i>Liberal Arts/Anthropology</i>	1994
◆ Ward K. Richardson Family Forestry Faculty Endowment	(Program) ¹	<i>Forestry</i>	1995
◆ Harold E. and Leona M. Rice Professor in Systematic Entomology	Dr. John D. Lattin ² (Recruitment Underway)	<i>Agricultural Sciences and Science/Entomology</i>	1995
◆ JoAnn Leonard Petersen Professor in Gerontology and Family Studies (Chair)	Dr. Alexis Walker	<i>Home Economics and Education</i>	1995
◆ Construction Industry Endowed Professor*	(Currently Unfilled)	<i>Engineering/Civil, Construction, and Environmental Engineering</i>	1995
◆ Hatfield Marine Science Center Director	Dr. Lavern J. Weber	<i>Agricultural Sciences and Pharmacy/Fisheries and Wildlife, and Coastal Oregon Marine Experiment Station</i>	1995
◆ Nor' Wester Professor in Fermentation Science	Dr. Mark A. Daeschel	<i>Agricultural Sciences/Food Science and Technology</i>	1996
◆ Jacobs-Root Professor of Food Science and Technology	Dr. Daniel F. Farkas	<i>Agricultural Sciences/Food Science and Technology</i>	1996
◆ Baffett-Frazier Vegetable Breeder Professor	Dr. Jim Myers	<i>Agricultural Sciences/Horticulture</i>	1996
◆ Starker Endowed Chair (Chair)	(Recruitment Underway)	<i>Forestry</i>	1996
◆ Linus Pauling Institute Endowed Directorship (Chair)	Dr. Balz Frei	<i>Linus Pauling Institute</i>	1996
◆ George R. Hyslop Professor for Oregon Grass Seed Research and Education	(Recruitment Underway)	<i>Agricultural Sciences/Crop and Soil Science</i>	1997

Total = 28 Total Fully Endowed = 26

Note: Establishing an endowed chair (Chair) currently requires a minimum of \$1.5 million. Prior to 1990, the minimum was \$1.0 million. All other endowed positions require a minimum of \$500,000.

* Not fully funded.

¹ Funds used for program. No one person will be named to the position.

² Dr. Lattin held the position until his retirement on December 31, 1996. Recruitment for the next person to hold the Rice Professorship in Systematic Entomology is underway.

VI.
BUDGETS, FINANCE
AND FACILITIES

Introduction to the Financial Statements

OREGON STATE UNIVERSITY

Fiscal Year Ending June 30, 1996

Financial Reporting System

Oregon State University is operated as a not-for-profit organization, and its major functions are instruction, research, and public service. Since OSU uses available resources to provide services rather than to make a profit, the purpose of the financial reporting system is to account for resources received, held, and used rather than to determine net income.

To do this, and to conform with generally accepted accounting principles, OSU employs principles and practices of fund accounting. This is a system that identifies and classifies resources according to their intended use or to comply with restrictions that have been placed upon them.

Oregon State University uses **five primary funds** and **six sub-funds** to account for its financial resources. Within fund groups, costs are broken down by functions, such as instruction, research, and public service; and by object of expenditure, such as salaries and wages, other personnel expenses (OPE), and services and supplies.

Current Funds

"**Current Funds**" is a group of three sub-funds used to account for resources available for the current operations of the University. Resources may be spent for instruction, research, public service, and related support services.

1. **Current General Fund** is used to account for revenue provided by state appropriations, student tuition and fees, and other unrestricted revenues.

2. **Current Auxiliary Enterprise Fund** is used to account for the operation of self-sustaining entities that provide goods and services to OSU students, faculty, or staff. Examples are intercollegiate athletics, residence halls, food service, parking, and student health services.

3. **Current Restricted Fund** is used to account for resources restricted by external donors or other outside agencies for specific current operating purposes such as sponsored research and student aid. Examples include federal or other grants and contracts and restricted gifts.

Plant Funds

"**Plant Funds**" is a group of three sub-funds established as an accounting method to separate fixed assets from current funds available for regular operations.

1. **Unexpended Plant Fund** is used to account for resources specified for acquisition and renewal and replacement of plant and equipment.

2. **Retirement of Indebtedness Plant Fund** is used to account for funds set aside to retire debts related to capital assets.

3. **Investment in Plant Fund** is used to account for the historical cost, liability payable, and ownership equity in capital assets — land, buildings, other improvements, equipment, and museum collections.

Other Funds

The **Loan Fund** is used to account for federal, state, or private resources available for loans to students.

The **Endowment Fund** is used to account for resources that are invested to produce income. Income may be restricted or unrestricted as to use and is recorded in appropriate funds to comply with the donor's terms or other designations.

The **Agency Fund** accounts for monies held in trust from others, to be expended at the direction of the provider.

Balance Sheet

The Balance Sheet is a statement of OSU's financial position at the end of the fiscal year. It details the assets, liabilities, and fund balances of the separate fund groups as of June 30. *Assets* listed support the University's activities; *liabilities* are sums owed to creditors; and *fund balances* show the aggregate net book value of the University.

Statement of Current Funds Revenues, Expenditures, and Transfers

This is a statement of financial transactions that occurred during the fiscal year. It shows details of current funds revenues by source, and expenditures and transfers by function. This statement is not intended to show a profit or loss, as in a commercial enterprise, but can be used to determine the change in fund balances resulting from current funds revenues, expenditures, and transfers for the fiscal year.

Financial Highlights

OREGON STATE UNIVERSITY

Current Funds Expended	1994-95	1995-96	% Change
Major Sources of Current Funds			
Tuition and Fees	\$ 55,527,198	\$ 63,093,314	13.6%
State Appropriations	102,166,634	88,118,805	-13.7%
Government Grants and Contracts	95,886,065	97,657,964	1.8%
Federal and County Appropriations	12,999,595	10,073,228	-22.5%

Improvements other than Buildings	15,645,235	15,833,555	1.2%

Financial Highlights (continued)

Assets

Oregon State University's assets totalled \$560.4 million at the end of FY 1996, a net decrease of \$57.6 million, or 9.3% over the 1995 level. The largest decreases were cash, which decreased \$11.5 million, to a total of \$69.8 million, and equipment, which decreased by \$70.2 million to \$156.7 million. The decrease in equipment is due to a change in accounting policy (see Methodology).

Assets: Fiscal Years ending June 30

Liabilities

As of June 30, 1996, liabilities were \$21.9 million, a net decrease of \$9.8 million since the 1995 level. The largest decrease in any category was accounts payable and accrued expense, which decreased \$10.9 million to a total of \$12.5 million.

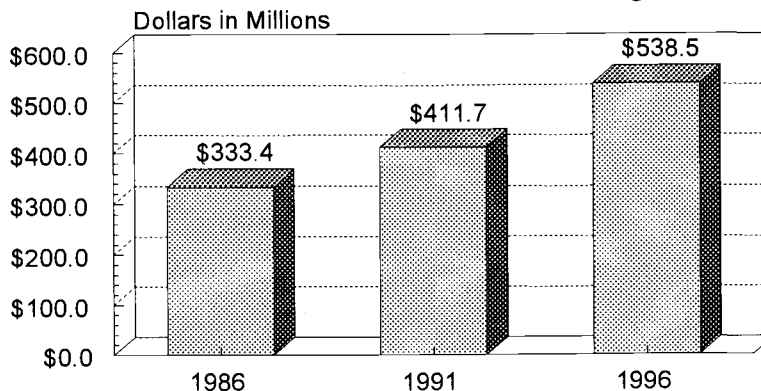

Liabilities: Fiscal Years ending June 30

Fund Balances

As of June 30, 1996, the University's fund balances were \$538.5 million compared to \$586.3 million one year ago. The largest decrease occurred in net investment in plant.

Fund Balances: Fiscal Years ending June 30

State Appropriations Fiscal Years 1992 through 1996

The state appropriation for the Oregon State System of Higher Education (OSSHE) is set by the Oregon State Legislature based on the biennial budget request sent by the Chancellor to the Governor's Office. The request is reviewed by the Legislature's fiscal analysts and submitted to the entire legislative body. The Legislature then sets the state budget for the biennium, including the budget for OSSHE. The Chancellor's Office allocates biennial funds to individual institutions. On the basis of this allocation, Oregon State University develops an annual budget for state-appropriated funds for each year of the biennium.

Explanatory Notes:

1. State appropriations were reduced \$14.1 million from 1995 to 1996. This is the final Ballot Measure 5 biennial budget reduction. Ballot Measure 5 reductions were implemented over a three-biennium, six-year period.
2. Inflation adjustments in 1995 were 3% for academic salaries and 3.3% for services and supplies, and equipment.

OSU Operating Budget Comparison

Fiscal Years 1995-96 and 1996-97

Budget Category	1995-96 Budget	1996-97 Budget
Colleges		
Agricultural Sciences	\$ 4,923,361	\$ 5,261,590

Oregon Agricultural Experiment Station

The **Oregon Agricultural Experiment Station** was organized July 1, 1888, in accordance with the Hatch Act of 1887. It now includes a central station at Corvallis and ten branch stations in the major crop and climate areas of Oregon, assuring that its research program is close to the people and the needs of Oregon agriculture.

The station is the principal agricultural research agency in the state. Its mission is to conduct research and demonstrations in the agricultural, biological, social, and environmental sciences that contribute to the economic and social welfare of Oregon.

The station carries out its research in some 300 projects intended to offer economic, social, and environmental benefits for Oregonians. Current annual economic benefits from 90 of the Agricultural Experiment Station's research projects are estimated at more than \$120 million. Five years from now, those annual benefits are expected to exceed \$275 million from 144 projects. More than 60 projects have high, positive environmental benefits; another 137 are expected to have significant environmental benefits. Almost 70 projects have high or moderate social benefits for Oregonians.

The station conducts research in the following departments and colleges: Agricultural and Resource Economics, Agricultural Chemistry, Animal Sciences, Bioresource Engineering, Botany and Plant Pathology, Crop and Soil Science, Entomology, Fisheries and Wildlife, Food Science and Technology, Forestry, Home Economics and Education, Horticulture, Microbiology, Rangeland Resources, Statistics, and Veterinary Medicine. Research is supported in other units such as the Center for Gene Research and Biotechnology, the Environmental Health Sciences Center, and the Western Rural Development Center.

Oregonians can learn more about the station's research through *Oregon's Agricultural Progress*, a magazine that reports to taxpayers in nontechnical language on station activities. Also, a publication called *Educational Materials* lists Agricultural Experiment Station and OSU Extension Service publications on a broad range of topics that are available to the public. Oregonians can sign up to receive *Oregon's Agricultural Progress*, and obtain a copy of *Educational Materials* by contacting Publications Orders, Department of Extension and Experiment Station Communications, 422 AdS, Oregon State University, Corvallis, Oregon 97331-2119. There is no charge.

Forest Research Laboratory

The **Forest Research Laboratory** is Oregon's forestry research agency; its director is the dean of OSU's College of Forestry. Established by the Oregon Legislature in 1941, the program is supported by state and federal appropriations and by research grants from public and private sources. In addition to research in campus laboratories and University forests (McDonald and Dunn), studies are conducted cooperatively in public and private forests throughout Oregon.

Activities are organized within five program areas which draw upon faculty expertise in the College of Forestry's Departments of Forest Engineering, Forest Products, Forest Resources, and Forest Science and, to a lesser extent, from other departments in the University, including the Departments of Botany and Plant Pathology, Crop and Soil Science, Entomology, and Fisheries and Wildlife.

Research Program Areas

- ✓ forest regeneration
- ✓ forest ecology, culture, and productivity
- ✓ integrated protection of forests and watersheds
- ✓ forest uses, practices, and policies
- ✓ wood processing and product performance

Interdisciplinary teamwork is characteristic of many of the research projects. The program supports research of graduate students in:

- ♦ forest biometrics ♦ forest ecology ♦ forest economics ♦ forest engineering ♦ forest entomology ♦ forest hydrology ♦ forest genetics ♦ forest pathology ♦ forest physiology
- ♦ forest policy ♦ forest recreation ♦ forest soils ♦ silviculture ♦ wood science.

The **Forest Research Laboratory** program is designed to provide information concerning the management and use of Oregon's forest resources and the operation of the state's wood-using industries. As a result of this research:

- ♦ Oregon's forests and forest-dependent industries produce more wood products, water, forage, fish, wildlife, and recreation;
- ♦ wood products are harvested and used more efficiently and appropriately;
- ♦ forests are used more intensively and effectively;
- ♦ complex environmental objectives and protection issues are addressed;
- ♦ employment, production, and profitability in dependent industries are strengthened; and
- ♦ a quality environment for all Oregonians is assured.

The **Forest Research Laboratory**, the Corvallis Forestry Sciences Laboratory of the U. S. Forest Service, the Environmental Laboratory of the Environmental Protection Agency (EPA), the Forest and Rangeland Ecosystem Science Center of the Biological Resources Division of the U.S. Geological Survey, and related research conducted elsewhere on campus combine to form the largest concentration of forestry science research in North America.

Research Organizations and Facilities

Name	Established
Research Units, Centers, Consortia, Institutes and Collaborations	
Research Units	
Agricultural Experiment Station -- Thayne R. Dutton, Director	1888
Engineering Experiment Station -- R. Gary Hicks, Director	1927
Environmental Remote Sensing Applications Laboratory -- William J. Ripple, Director	1972
Forest Research Laboratory -- George W. Brown, Director	1941
Sea Grant College Program -- Robert E. Malouf, Director	1968
Research Centers	
Center for Advanced Materials Research -- Arthur W. Sleight, Coordinator	1986
Center for the Analysis of Environmental Change -- Michael H. Unsworth, Director	1991
Center for Gene Research and Biotechnology -- Russel H. Meints, Director	1984
Center for Salmon Disease Research -- John L. Fryer, Director	1994
Center for the Humanities -- Peter J. Copek, Director	1984
Center for the Study of First Americans -- Rob Bonnicksen, Director	1991
Environmental Health Sciences Center -- Donald J. Reed, Director	1967
Integrated Plant Protection Center -- Marcos Kogan, Director	1969
Marine/Freshwater Biomedical Sciences Research Center -- George S. Bailey, Director	1990
Mark O. Hatfield Marine Science Center (Newport) -- Lavern J. Weber, Director	1965
Oregon Productivity and Technology Center -- David H. Gobeli, Director	1980
Radiation Center -- Brian Dodd, Director	1964
Survey Research Center -- Virginia M. Lesser, Director	1973
Western Center for Community College Professional Development -- Ronald D. Daugherty, Exec. Director	1991
Western Rural Development Center -- Russell C. Youmans, Director	1972
Research Consortia	
Association of Western Universities, Inc. -- George Keller/R. Gary Hicks, Institutional Representatives	----
Consortium for International Development (11 Universities) -- George Keller/Thayne Dutton, Trustees	1975
Consortium for International Fisheries and Aquaculture Develop.(5 Universities) -- Richard S. Johnston	1979
Cooperative Institute for Marine Resources Studies (OSU/NOAA) -- Lavern J. Weber, Director	1982
Inter-University Consortium for Political and Social Research -- Karyle Butcher, Director	1991
Joint Oceanographic Institutions, Inc. -- G. Brent Dalrymple, Coordinator	----
Oregon Center for Advanced Technology Education (OSSHE) -- Vacant	1985
Oregon Cooperative Fishery/Wildlife Research Unit -- C. B. Schreck and R. G. Anthony, Directors	----
University Corporation for Atmospheric Research (National) -- R. A. Scanlan/J. R. Barnes, Inst. Reps.	1971
Research Institutes	
Linus Pauling Institute -- Balz Frei, Director	1996
Nuclear Science and Engineering Institute -- Brian Dodd, Director	1966
Nutrition Research Institute -- Philip D. Whanger, Coordinator	1965
Oregon Health Policy Institute (OSU and OHSU) -- Ann Rossignol, CO-Director	1995
Transportation Research Institute -- Christopher A. Bell, Director	1964
Water Resources Research Institute -- Kenneth J. Williamson, Director	1960
Research Collaborations (Federal or State agencies with facilities/offices at OSU or in Corvallis)	
Oregon Department of Fish and Wildlife, Research and Development Section/Laboratory	
U. S. Department of Agriculture, Agricultural Research Service -- Forage Seed and Cereal Research; Horticultural Crops Research; National Germplasm Repository; NW Center for Small Fruits Research	
U.S. Department of Agriculture, Forest Service -- Forest Sciences Laboratory	
U.S. Department of Agriculture, Soil Conservation Service -- Plant Materials Center	
U.S. Department of Interior, Fish and Wildlife Service -- Oregon Cooperative Fishery/Wildlife Research Units	
U.S. Environmental Protection Agency -- Corvallis Environmental Research Laboratory	
Research Facilities

Educational Opportunities Programs Fall Term 1996

Oregon State University's Educational Opportunities Programs Department (EOP) is designed to recruit to the university and assist in the retention of minority, disadvantaged, and disabled students who have traditionally been denied equal access to higher education. EOP serves those students who may or may not meet the current university admission requirements but are recognized as having the potential to successfully complete a college degree program.

The EOP recruits in Oregon communities which have concentrations of ethnic minority and non-traditional students. Recruited and referred students are assisted in gaining admission to the university. As a part of retention, students are provided information about available financial aid and given academic placement testing, access to developmental courses, tutoring, and counseling.

Two federally-funded programs are housed in the EOP. The College Assistance Migrant Program (CAMP) recruits and supports students from migrant and seasonal farmworker families during their freshman year at college. In addition to the services provided by the EOP, CAMP students may be eligible for a summer orientation program and supplemental financial aid.

The Special Services Project (SSP) provides academic assistance to students from low-income backgrounds, or whose parents did not graduate from a college or university, or who have disabilities. Special Services provides counseling and tutoring for all program students and classroom accommodation for students with disabilities.

General Access and Departmental Computing Facilities 1996-97

Oregon State University is known for the extensive and sophisticated computing facilities it provides to students. Facilities range from supercomputers to multimedia labs and from word processing to computer-aided design, digital video, and CD multimedia development. Operating systems include MAC, Windows, Novell, Unix, and NT. Local area networks, fiber in the residence halls, and high-speed broad-band networks expand students' computing capabilities. Add to this computers in labs, kiosks, networked workstations in the Cultural Centers, and networked printers in residence halls, and the opportunities at OSU far exceed those available in the typical university.

All students may use the Internet, and new students are given accounts automatically once they register for classes. The University offers an extensive array of workshops and courses to bring students up to speed on these new technologies, including training during the freshman seminar course. Training is also available for students of all majors who want on-campus employment assisting faculty and departments in developing Web pages.

Two central computers, both Digital 7000/620 AXP Open/VMS, support administrative computing. A Digital 2100 AXP OSF/1 computer is dedicated to general academic use. The latter is augmented by a variety of high-performance computers in the colleges.

Oregon State University Press 1995-96

The Oregon State University Press -- one of only four university presses in the Pacific Northwest and the only university press in Oregon -- is a publisher of scholarly and regional books. The Press, founded in 1961, publishes mainly books dealing with the history, natural history, cultures, and literature of the Pacific Northwest or with natural resources or natural resource issues.

Statistics

(as of June 30, 1996)

Gross sales of books previous 12 months:	\$187,791.00
Number of titles published this year:	6
Total number of titles published:	202
Number of titles in print:	152
Where books are marketed:	All 50 states and many foreign countries

LaSells Stewart Center

The OSU LaSells Stewart Center for Conferences and Performing Arts facility comprises 45,000 square feet of auditoriums, conference rooms, gallery space, patio, and offices. The Center provides for the cultural, performing arts, and conference needs of Oregon State University, the community, and visitors.

Selected Special Events 1995-96

Performing Arts Events

1995	
Jul 6	Concert - Oregon Bach Festival
Oct 11	Concert - Kremlin Chamber Orchestra
Oct 25	Show - Andre Kole
Nov 10	Concert - Peterson String Quartet
Dec 12	Concert - Oregon Trail Band
Dec 20	Show - Nutcracker Ballet
1996	
Jan 29	Show - Chinese Imperial Acrobats and Magicians
Feb 12	Concert - Cavani String Quartet
Mar 11	Concert - Westminster Gospel Choir
Apr 29	Concert - Ensemble Wien
May 16	Concert - Oregon Symphony

Lectures/Speakers

1995	
Jul 20	da Vinci Days Lectures - Larry Mercuri / Peter Katz
Oct 24	Pauling Lecture - Noam Chomsky
1996	
Jan 20	Fiction Reading - Grace Paley
Feb 7	Jesus 2000 Teleconference
Feb 29	Horning Lecture - Kellen Winslow
Mar 4	Convocations & Lectures - Anita Hill
Apr 17	Convocations & Lectures - Leon Lederman
Apr 18	Holocaust memorial - Robert Jay Lifton
Apr 23	Memorial Union Program Council - Nadine Strossen

OSU Portland Center

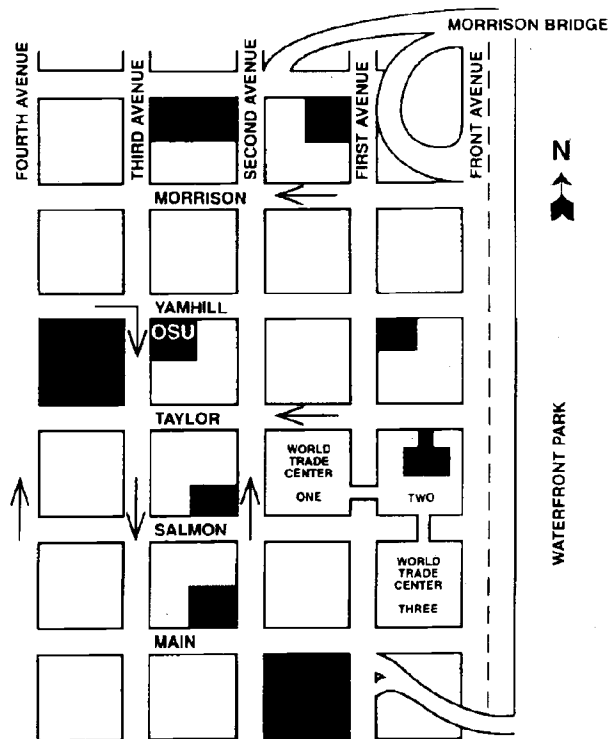

The **OSU Portland Center** is the home for Oregon State University services in the Portland metropolitan area. In carrying out this role, the center provides services both to the public and to OSU faculty and staff.

For Oregon State's faculty and staff, the OSU Portland Center functions as a home base for activities in the Portland area. Faculty are constantly visiting Portland to maintain OSU's working relationships with the state's agricultural, forestry, and high-technology industries, and to strengthen its leadership in international trade and development. The OSU Portland Center serves as a home-away-from-home for such faculty, providing them with an office and rooms for meetings and small conferences.

For the public, the OSU Portland Center serves as an information center for prospective students and for citizens seeking Extension Service publications. It also provides a headquarters and activities center for OSU's 28,000 Portland-area alumni. The Center's meeting rooms support externally-focused activities of OSU's Alumni Association, Development Office, Beaver Club, and Continuing Higher Education specialists.

The OSU Portland Center is in the Director Building on the southeast corner of S.W. 3rd and Yamhill. OSU II, a branch of the OSU Bookstore, is also located here and offers a large inventory of logo merchandise and gifts for OSU friends and alums.

OSU Portland Center
220 S.W. Yamhill St.

FAX (503) 725-5753

OSU Medford Center

Oregon State University participates in the Education and Resource Center at the Rogue Valley Mall, Medford. The office serves as a one-stop center, providing information on OSU's business and partnership resources, extended education programs, local Beaver Club and alumni activities, and assistance to prospective students and parents. More than 5,000 OSU alumni, students and friends live in the Jackson-Josephine county area. Thousands more are involved with programs and services offered through the Southern Oregon Experiment and Extension Center. The OSU Medford Center is open weekdays from 10 a.m. to 5 p.m. Area residents also may call 541-608-6462 for information and assistance.

OSU Hatfield Marine Science Center

The **Hatfield Marine Science Center** is the hub of Oregon State University's coastal research, teaching and marine extension activities. The public aquarium is a window to the ocean for about 300,000 visitors each year. Newport is home port for the National Science Foundation's 180-foot ship WECOMA, operated by the OSU College of Oceanic and Atmospheric Sciences.

The Center houses marine-related research projects of Oregon State University as well as the Coastal Oregon Marine Experiment Station, Coastal Oregon Productivity Enhancement Program, National Oceanic and Atmospheric Administration's National Marine Fisheries Service and Pacific Marine Environmental Laboratory, Environmental Protection Agency, Oregon Department of Fish and Wildlife, and U. S. Fish and Wildlife Service.

The instructional program focuses on aquaculture and marine biological aspects of tidal, estuarine and nearshore marine environments. Extension work concentrates on programs of interest to the general public and to the coastal fishing industry. Much of the research and extension work of the OSU Sea Grant College Program is conducted at the Center.

Renovation of the public visitor center began in January 1996 with a grant of \$5 million from HUD. The renovation is now complete. A grand re-opening of the Center was held on May 17, 1997. The renovated displays feature marine-related research at Oregon State University and its cooperating agencies. Displays range from global remote sensing down to the microscopic level.

OSU Security Services 1996

The primary mission of Oregon State University Security Services is the protection and safety of persons, property, and buildings on campus. Security Services employs five full-time public safety officers, one public safety supervisor, four dispatchers, two records clerks, and one manager who provide comprehensive security services to the University community 24 hours a day. Services include regular patrols of buildings and grounds, crime prevention assistance and training, internal investigations, event security, animal control, and enforcement of University regulations. Officers respond to all incidents, building alarms, injuries, and fires. Security Services monitors fire, intrusion, and maintenance alarms on campus and through its dispatch center receives more than 25,000 calls for service annually.

Law enforcement on campus is provided by Oregon State Police. OSP officers respond to all criminal activity on campus, investigate accidents and criminal activity, conduct patrols of buildings and grounds, enforce state statute and traffic laws on campus, and work with Security Services to provide crime prevention assistance to staff and students through community policing.

IX.
FOUNDATION AND
ALUMNI

OSU Foundation Highlights

Fiscal Year 1995-96

The OSU Foundation is a nonprofit corporation that provides a legally sound, inclusive, charitable agency separate from, but working in close coordination with, the University. The Foundation receives gifts of cash, securities, real and personal property, and deferred gifts such as bequests, life insurance, and life income agreements, to support the University's programs.

The Office of Development, part of the University system, builds relationships with individuals, corporations, and foundations to encourage them to support the University with contributions of both time and financial resources. The staff also works with the campus community to develop fund-raising programs.

Significant Events of 1995-96

In 1995-96, gifts to the OSU Foundation and the University totaled \$24.7 million, bringing the Foundation's assets to over \$221.4 million. The market value of its endowment grew to \$136.8 million. New planned gifts totaled \$7.2 million.

Three major construction projects at OSU broke ground during 1996: The Valley Library expansion and renovation, a \$40 million project; the new CH2M Hill Alumni Center, a \$9 million project; and the Valley Football Center renovation and expansion, a \$5.5 million project.

More than 33,600 donors made gifts and bequests. Among them:

- Jim Bernau of Portland gave stock in his company valued at \$500,000 to establish the Nor'Wester Endowed Professorship in Fermentation in the Department of Food Science and Technology. This position is thought to be the only one of its kind in the nation.
- The Linus Pauling Institute moved to OSU and brought a \$41.5 million gift to establish an endowed directorship position.
- Several former OSU presidential scholars created a new presidential scholarship in honor of Franz Haun who retired from OSU after 32 years.
- Almost 2,500 companies--large and small, from A-dec to Zymo--contributed to the OSU Foundation. Over 250 companies matched their employees' gifts, providing an additional \$342,899 in support.
- Nearly 200 private foundations contributed to the OSU Foundation, including the Robert Wood Johnson Foundation with a \$238,500 grant to study a new intervention program designed to stop pregnant women from smoking, and the Camille and Henry Dreyfus Foundation with a \$43,000 grant to develop a stereographic classroom to give students a "virtual reality" view of three-dimensional molecular structures.

OSU Foundation

Receipts -- Fiscal Year 1995-96 (Unaudited)

* New rules concerning pledges for future operations require changes in recording estimated future cash flows.

Expenditures -- Fiscal Year 1995-96 (Unaudited)

* Does not include Central Development Office Expenditures (incl. cost of fund raising) \$2,600,791.

Oregon State University in FY 94: Rank (60); Total Funds (\$119,772,000).

Notes: (1) Figures cover only Research and Development expenditures in science and engineering, and exclude spending in such disciplines as the arts, education, the humanities, law, and physical education.

(2) **Bold** indicates Oregon State University's peer institutions. Kansas State University (105/\$71,103,000) and the University of Oregon (150/\$30,386,000) are not on this list.

TERMS AND METHODOLOGY

Fact Book Definitions

ACADEMIC YEAR

The time period containing the academic sessions held during consecutive Fall, Spring, and Winter terms (currently September 15th through June 15th).

ACT

American College Testing.

CENTER

An administrative structure established for the promotion of research on selected topics in a subject area, discipline, or field of study.

CERTIFICATE

An approved academic award given in conjunction with the satisfactory completion of an instructional program which indicates one has adequate training or competence to pass a qualifying exam in a given field or has attained professional standing and may officially practice or hold position in the field.

CREDIT HOURS

The credit hour value of a course multiplied by the number of students enrolled in the course.

DEGREE

An academic award granted upon satisfactory completion of a set of collegiate level educational requirements through an instructional program which includes the following: (1) institutional general education requirements; (2) major area of study requirements; and (3) may include minor, supporting area, or elective requirements.

Baccalaureate Degree: An approved academic award given for the satisfactory completion of an instructional program requiring at least four but not more than five years of full-time equivalent college level academic work. The conditions and conferral of the award are governed by the faculty and ratified by the Oregon State Board of Higher Education.

Doctoral Degree: An approved academic award given as a sign of proficiency in scholarship and for the satisfactory completion of an instructional program requiring at least three years of full-time equivalent academic work beyond the baccalaureate degree, the completion of which signifies recognized competence, original research and/or the capacity to do independent advanced graduate level analysis. The conditions and conferral of the award are governed by the faculty and ratified by the Oregon State Board of Higher Education.

First Professional Degree: An academic award granted for an instructional program the completion of which (1) signifies completion of the academic requirements to begin practice in the profession, (2) requires at least two years of full-time equivalent college level work prior to entrance, and (3) usually requires a total of at least five years of full-time equivalent academic work to complete the degree program, including prior required college level work plus the length of the professional program itself (example, D.V.M. in Veterinary Medicine). The conditions and conferral of the award are governed by the faculty and ratified by the Oregon State Board of Higher Education.

Master's Degree: An approved academic award given as a mark of proficiency in scholarship and for the satisfactory completion of an instructional program requiring at least one but not more than two years of full-time equivalent academic work beyond the baccalaureate degree. The conditions and conferral of the award are governed by the faculty and ratified by the Oregon State Board of Higher Education.

ENROLLMENT

Officially reported Fall Term headcount.

FISCAL YEAR

The 12-month period from July 1 through the following June 30.

FTE

Faculty, staff, and student FTE is defined in the Methodology.

HEP

Higher Education Publications, Inc.

INSTITUTE

An academic association of persons or organizations that collectively constitute a technical or professional authority in an area or field of study.

IPEDS

Integrated Post-Secondary Education Data System, a U.S. Department of Education data collection system.

OSSHE

Oregon State System of Higher Education

RESIDENT

An Oregon resident is a person with a bona fide fixed and permanent physical presence established and maintained in Oregon of not less than twelve consecutive months immediately prior to the term for which residence status is requested. Administrative rules governing residence classification (i.e., resident or nonresident), are specified in OAR 580-10-030.

ROOM TYPES

Classroom Facilities: Classroom facilities are those types of space that are subject to regular assignment by the Registrar and are a necessary and vital part of the instructional facilities.

Laboratory Facilities: Laboratory facilities are characterized by special purpose equipment or specific room configuration which tie instructional or research activities to a particular discipline or a closely related group of disciplines. These activities may be individual or group in nature, with or without supervision. Laboratories may be found in all fields of study including humanities, natural sciences, social sciences, vocational, and technical disciplines.

Office Facilities: Office facilities are those types of space that consist of rooms or suites of rooms with office type equipment that are assigned to one or more persons primarily for the performance of administrative, clerical, or faculty duties other than the meeting of classes.

Study Facilities: Study facilities are those types of space used for the collection, storage, circulation, and use of books, periodicals, manuscripts, and other reading or reference materials.

Special Use Facilities: Special use facilities are those types of space that are generally thought of and referred to as instructional-related space. Their main function is to support the instructional programs of the institution.

General Use Facilities: General use facilities are those types of spaces generally associated with student-related activities. These general use facilities are the supporting services for the general student body.

Support Facilities: Support facilities are those types of space that generally support the entire institution by providing the necessary services and facilities for the day-to-day operation of the institution.

Health Care Facilities: Health care facilities are those types of space that are associated with student health facilities and veterinary facilities.

Residential Facilities: Residential facilities are those types of space used to house undergraduate students and occasionally faculty or staff members. This category does not include residences that are occupied by non-institutional personnel.

Unassigned Areas: Unassigned areas are those types of spaces that are necessary for the general use and operation of a building but are not assigned to any organizational unit.

SAT

Scholastic Aptitude Test.

SPACE USE PROGRAM CLASSIFICATIONS

Instruction: Principal use includes General and/or Lower Division Formal Instruction, Upper Division and/or Graduate Formal Instruction, Physical Education Activity, and Formal Instructional Support.

Organized Research: Principal use includes Agricultural Experiment Station, Forest Research Laboratory, Departmental Research, Separately Sponsored Research and Separately Sponsored Instruction.

Public Service: Principal use includes Federal Cooperative Extension and Public Service.

Academic Support: Principal use includes Museum, Centralized Services, Library Reader Space, Stacks, Media Services, Library Services and Administration, Archives, and Departmental Administration.

Student Services: Principal use includes Student Services, Health Services, Student Union and/or Activities, Food Service, Bookstore, Intercollegiate Athletics, Residential, Recreational, and Auxiliary Enterprises - Other.

Institutional Support: Principal use includes General Administration, Physical Plant, and Miscellaneous.

Independent Operations: Principal use includes Non-Institutional Administration, U.S. Department of Agriculture, and Inactive.

STUDENT CREDIT HOUR

Number of credits per course multiplied by the number of students enrolled in the course.

TENURE

A status given to university faculty who have demonstrated high ability and achievement in their dedication to the growth of human knowledge.

Methodology

Budget

Change in accounting policy. In accordance with Office and Management Budget Circular A-21, several System institutions purged fixed assets (non-expendable personal property) having a value less than \$5,000 from their inventories. Oregon State University chose to retain their present threshold of \$1,500 for fixed assets of auxiliary enterprises.

Faculty

Source of data - mid-fiscal year operational file. The individual records are identical to those used to generate the annual Academic Staff Statistic reports. All data is taken from the OSSHE Honeywell Personnel Database files which were downloaded on January 1, 1997.

Age - calculated by subtracting the birth date from January 1, 1997.

Degree groupings (as reported in OSBHE Financial Administration Standard Operating Manual) -

Doctorate: PHD, DED, DSC, MD, MD-PHD, DMD/DDS, DMD/DDS - MS, DMD/DDS - PHD, doctoral - other.

Master: MA, MS, MS-RN, master - other.

Baccalaureate: BA, BS, bachelor - other.

Other degree: certificate or diploma, no degree, unknown - other.

Full-Time faculty = .9 to 1.0 FTE.

Part-Time faculty = less than .9 FTE.

Salary rates - 12-month base annual salary rates have been converted to 9-month by dividing salary rate by 1.222222.

Tenured - those faculty holding indefinite tenure.

Years of service - calculated by subtracting the service anniversary date year from December 31, 1996.

Staff (Classified)

FTE - A numerical designator for an appointment based on 100% for full-time. A full-time classified or management service employee, for analysis purposes in the "OSU Fact Book", is .5 to 1.0 FTE.

Students

A special student status is given to those students who are not planning to complete degree requirements or who do not meet regular admission requirements.

Class standings

Freshman

students with fewer than 45 hours of credit.

Sophomore

students with at least 45 hours of credit and fewer than 90 hours of credit.

Junior

students with at least 90 hours credit and fewer than 135 hours of credit.

Senior

students with at least 135 hours of credit and a grade point average of at least 2.0.

Students (Cont.)

- Postbaccalaureate** students holding a baccalaureate degree who are admitted to work toward a second degree or teaching certificate.
- Graduate Student** students who have been admitted to the Graduate School.

FTE - Student FTE is calculated by dividing total student credit hours for a given class level by a constant. These constants by class level are:

- Undergraduate 15 credit hours
- Post-baccalaureate Non-graduate 15 credit hours
- Master 12 credit hours
- Doctoral 9 credit hours
- Post-baccalaureate Graduate 12 credit hours
- Doctor of Veterinary Medicine 1 headcount = 1 FTE
- Non-admitted Undergraduate 15 credit hours
- Non-admitted Graduate 12 credit hours

Grants and Proposals

Starting in FY 1994, the following changes were made in the database system:

- a. gifts were recorded as awards.
- b. a grant that corresponds to one proposal may be counted more than once if the grant has more than one transaction (e.g., is split between more than one department, etc.).

As a result, an accurate comparison between the Number of Grants and the Amount of Grants is not possible after this time. In addition, this has affected the ratio of the Number of Proposals to the Number of Grants.

OSU SEAL

The **Oregon State University Seal** was adopted by the State Agricultural College of Oregon Board of Regents on June 21, 1888. The seal is basically the same as the State of Oregon seal which was adopted in 1857 except that the legend which encircles the escutcheon, or shield, has been changed to "OREGON STATE UNIVERSITY...1868." In addition, the OSU seal uses a wreath of Oregon holly (Oregon grape) rather than the 33 stars used in the State of Oregon seal.

Originally, the seal was to be affixed to signify ownership and/or receipt of all official deeds, papers, and documents directed by the Board, and only in the presence of and signed by the President and Secretary of the Board of Regents (Article VIII, Board of Regents By-laws).

The elements in common with the State of Oregon seal include the following:

- a central escutcheon divided by an ordinary, or ribbon, with the inscription "The Union";
- above the legend, mountains, the seashore, pine trees (forests), an elk with branching antlers, and a covered emigrant wagon being pulled westward by two oxen;
- the Pacific Ocean, with a British man-of-war departing, signifying the departure of British influence in the region; an American merchant steamer arriving signifying the rise of American power and commerce; and the setting sun in the distant horizon (a westward view toward the Pacific Basin);
- below the ordinary, a quartering with a sheaf of grain (wheat), a plow, and a pickax, representing Oregon's mining and agricultural resources;
- the crest, the American (Bald) Eagle.
