

Marvin & Lilli Ann Killen Rosenberg **Art For Public Spaces**

4001 Little Applegate Road, Jacksonville OR 97530
(541) 899-7861 (Fax & Workshop) Email: marvin@grtech.com

As artists trained in architecture, sculpture, ceramics and social work, our goal is to integrate our work with the community and architectural environment. using concrete and mosaic as the medium, we embed a variety of materials such as ceramic, found objects and mosaics in cast or carved reinforced concrete. This medium is virtually indestructible and exists well in an environment that allows viewers to experience its tactile nature.

2003

LIBRARY: *Ruch, OR* - Interior entrance; 200 sq.ft. mural in mixed media
