## IN MEMORIAM

The editors of this booklet would like to dedicate this wrestling press book to the memory of Nina Thomas, wife of Dale Thomas, who passed on recently after an extended illness.

Nina Thomas was first a devoted mother and wife, but she also had a special knack — perhaps you would call it understanding — about athletes and athletics. Her interest in her family also carried over to wrestling, and to intercollegiate sports.

Those who knew Nina Thomas indeed retain many wonderful memories.

## Wrestling Outlook

A pessimist, according to the dictionary, is one who has a gloomy or cynical view of affairs, while optimists are those who look on the right side of things.

Oregon State wrestling coach Dr. Dale Thomas, whose teams at OSU have won 243 of 286 dual meets during the past 16 seasons, is noted as a genuine pessimist, in fact some have even gone so far as to say Webster was thinking of Thomas when he wrote the dictionary.

The former Cornell of Iowa graduate and two-time Olympic grappler seldom approaches a season or match with optimism. He expects the toughest from any given situation and his teams are ready, always. Perhaps that is why his squads have won 86 percent of their dual meets and why they are among the top teams in the Nation each year.

At any rate, it really is news when Thomas looks forward to a coming season in an optimistic approach. It's not that he doesn't look forward to each season with genuine enthusiasm, just that he normally expects situations to be much tougher than they usually are.

Take note, Thomas has shed image and is viewing the 1972-73 season with a "lets get going and see how good we are" optimistic approach.

It is the first time in 16 seasons that he has admitted Oregon State just might have a chance at a national title, if everything goes right, that is. "For the first time I think we really have the guns to go after the NCAA title," Thomas notes, but is quick to add, "but everything must go just right, no injuries, everybody performing at 110 percent, maybe even a little help from the other teams."

Even a quick glance at the OSU roster indicates support to Thomas' statement. There are 10 weight divisions. In five of those, the Beavers should put national NCAA placewinners on the mat. If all five do as well in 1973 as they have the ability to do, the Beavers will be strong.

The BIG FIVE are All-Americans Tom Phillips (118), Mike R. Jones (158), Jim Crumley (177), Greg Strobel (190) and Jim Hagen (Hwt).

Phillips and Strobel captured fifth place honors last year and Hagen was sixth. Jones was runnerup in 1971 and Crumley is a two-time winner, second in 1970 and fifth in 1971. He missed last year with an early season injury and mono.

Oregon State's roster includes 16 returning lettermen, plus several who did not earn letters last year but have performed on the varsity squad.

In addition to the five regulars returning, several others are back from last season's "top 10" group. Rob Brown returns at 142 and Gordon liams is back at 134, along with Ron Sather at 177. All three were regulars last year, however, Sather is expected to sit out the season, providing Crumley stays healthy, a problem he has had every season.

Other lettermen back include Steve Ballard, a junior at 167; Joe Bold, junior at 134 who lettered two years ago but missed last season; Bill Dickson, junior at 126 and a regular when healthy for the past two seasons; Dan Elliott, junior at 134; Ben Gerding, junior at 150; Mike A. Jones, senior at 126-134; Jim Postlewait, also a senior at 167; and Jim Thorpe, junior at 150.

The Beavers only lost two members of last year's squad, one a senior, the other a junior who will go on to medical school, rather than stay on for a final year. Both were regulars, however. The two are also brothers and both are the sons of the coach; Steve and Ken Thomas.

OSU should have a veteran at each of the 10 weights, and in some cases veteran letterwinners two and three deep. However, Thomas had an excellent recruiting year and several freshman have made their presence known, including Mike Palmer, a three-time Oregon prep champ; Joe Kittel, twice Oregon prep champ; Ron Boucher, Ken Williams and Paul Jackson, all prep standouts in Oregon last year. Palmer is battling for a spot at 150, Kittel is number two at 118, Boucher is at 142, and 134, Williams right behind Mike R. Jones at 158 and Jackson behind Hagen at heavy-weight.

## DALE THOMAS

### Oregon State University Wrestling Coach

Dale Thomas is entering his 17th season at Oregon State, during which time he has become one of the winningest collegiate coaches in America. Twice he has been named College Coach of the Year in wrestling (1961 and 1970) and his teams have dominated wrestling circles on the West Coast. In 16 years the Beavers have won 13 Coast championships and only once have they not won the Pacific-8 title.

A former Olympian himself, Thomas has also officiated in two different Olympic Games and several world championships. He participated in both the 1952 and 1956 Olympics. He was a freestyler in 1952 and in 1956 he was a member of the first U.S. Greco-Roman team sent to the Olympics.

In 1970 he coached the U.S. Wrestling Federation team which toured two European countries for dual meets and tournaments.

Thomas' accomplishments include:

- \* Captain of Cornell of Iowa's 1947 NCAA and National AAU Championship team;
- \* Recently named (1970) to Cornell of Iowa's Sports Hall of Fame;
- \* Winner of nine national championships in collegiate, freestyle and Greco-Roman competition and competed on two U.S. Olympic teams (1952 and 1956);
- \* Coach of the only West Coast team to finish in the top three at the NCAA championships (OSU was tied for fourth in 1971, fourth in 1961);
- \* Started Oregon high school AAU freestyle tournament in 1962. Since then State has added freestyle and G-R tournaments.
- \* Conducts and participates in numerous clinics in collegiate, freestyle and Greco-Roman, including high school and college camps and Olympic development programs;
- \* Coached Oregon State to a record 109 points scored in the 1967 Pacific-8 championships;
- \* Has coached four NCAA champions, five runnerups, three thirds, five fourths, six fifths and three sixths while at Oregon State;
- \* Developed and directs one of the largest wrestling tournaments in the world in the annual Oregon high school meet, with over 400 contestants using eight mats—52 matches per hour;
- \* Brought the NCAA championships to the West Coast for the first time in 1961 (hosted by OSU);
- \* Started and developed the Kid's Wrestling program in Oregon and now nationally;
- \* National Collegiate Clinic staff in 1958 at Laramie, Wyoming; 1962 at Stillwater, Oklahoma; and 1965 at Laramie;
- \* Taught and studied wrestling in Yugoslavia and Poland in 1963 and in Mexico in 1965 and South Africa during the summer of 1968;
- \* Voted College Coach of the Year by his fellow coaches in 1961 and 1970;

- \* Organized and directs the Oregon high school Wrestling Cultural Exchange which started in 1962. Has included exchanges with Japan, Europe, Mexico, New Zealand and South Africa;
- \* Officiated in 1960 and 1964 Olympic Games and several World Championships and is ranked in the highest officiating category;
- \* Coached the U.S. Greco-Roman teams in 1961 and 1966.

## LEN KAUFFMAN

Assistant wrestling coach Len Kauffman is one of the all-time great Beaver grapplers. A graduate of OSU in 1965, Kauffman is a member of the wrestling Hall of Fame and has won numerous honors, including the 1969 National AAU freestyle "Outstanding Wrestler" award.

A veteran of Viet Nam, where he was a helicopter pilot, Kauffman was three times conference champion, twice in the old PCC and as a senior in the Pacific-8 (then called the AAWU) conference.

He finished second in the collegiates in his senior year (1965) and third as a junior. Kauffman, in 1964, won the National AAU championship. He was also fourth in the world in freestyle in 1966. During his final two years at Oregon State, Kauffman was known as the "Pinningest" wrestler in America, much to the delight of Beaver fans. He recorded the most pins at both the NCAA finals and the AAWU championships, and during his senior year he pinned every opponent met in dual competition.

## "Hustle Award" Winners At Oregon State University

Year	Name	Score
1964	Len Kauffman	12.01
1965	Len Kauffman	12.70
1966	Mike Walker	9.70
1967	Jeff Smith	7.89
1968	Jerry Chapin	11.35
1969	Jess Lewis	10.85
1970	Bob Tomasovic	11.60
1971	Greg Strobel	13.68
1972	Greg Strobel	11.32

### HOW THE HUSTLE AWARD IS SCORED

The "Hustle" score is found by multiplying the individual's average dual meet score by the wrestler's accumulative grade point average.

The GPA (grade point average) is based on this point distribution:

A—4.0, B—3.0, C—2.0, D—1.0, F—0.

To be eligible for the "Hustle Award", the wrestler must wrestle 60% of the dual meets.

The wrestler's dual meet score is figured as follows:

Win by fall, forfeit, or default	5 points
Win by decision	3 points
Draw	2 points
Loss by decision	1 point
Loss by fall, forfeit or default	0 points

Last year Iowa won the Minnesota, Northern Iowa and Iowa Invationals and finished eleventh in the NCAA meet. Two NCAA place winners were back, Dan Sherman, 118; and Jan Sanderson, 158. Both finished sixth. Paul Zander, fourth at 190, graduated. However, his brother Lloyd, also at 190, joins the Iowa team as a freshman. Other lettermen returning who placed in the conference meet are Russ Winegardner and Matt Clark, each third at 126 and 167, respectively, and Dan Holm, fourth at 150. First meeting between two schools.

### **NEBRASKA-OMAHA — February 9 at Omaha**

Nebraska at Omaha finished 17-3-1 last year, coach Mike Palmisano's first season. His lifetime record is 74-24-3, having served as head coach at Ohio Northern prior to taking over at Nebraska. # Summary of the 1973 NCAA Wrestling Rules

The individual match point system in wrestling is an evaluation of the activity used to determine a winner in case there is no fall. It is the referee's duty, among other things, to analyze the situation and signal the points to the scorer. The points signaled by the referee are usually a reward to a wrestler for his action. Once in a while a wrestler is penalized and points are awarded to his opponent for infractions such as illegal holds and/or unnecessary roughness as well as four various technical violations relating mainly to stalling. First, let us consider the rewards or positive legislation of the rules. There are actually only seven things that a wrestler tries to do including the fall, and he is given points for all except the latter. The fall terminates the bout. Keep in mind, also, the wrestler must be on defense at the time he is on offense. Sometimes he may counter moves made by his opponent rather than just stop them.

# Individual Match Points

Take-down	2 (scored only from a neutral or up position)
Escape	1 (scored only from position of disadvantage)
Reversal	2 (scored only from position of disadvantage)
Near Fall	2 or 3 (scored only from a position of advantage)
Time Advantage	1 (scored only from a position of advantage)

## Wrestling Terms

Following are the definitions of the five maneuvers for which a wrestler is awarded points and also the definition of the fall. (Note key words are in boldface.)

<b>TAKEDOWN</b>	From a <b>neutral</b> position wrestler gains control of opponent <b>on the mat</b> . <b>Two</b> points awarded wrestler who gains <b>position of advantage</b> .
<b>ESCAPE</b>	<b>Defensive</b> wrestler gains a <b>neutral position</b> . <b>One</b> point awarded wrestler who escapes.
<b>REVERSAL</b>	When <b>defensive</b> wrestler comes from underneath and <b>gains control</b> of his opponent, either on the mat or in a rear standing position. <b>Two</b> points awarded for reversal.
<b>NEAR FALL</b>	When <b>both</b> shoulders of defensive wrestler are held momentarily stopped within <b>four</b> inches of mat ( <b>or less</b> ), or when <b>one</b> shoulder is touching the mat and the other shoulder is held at an angle of <b>45 degrees</b> or less with the mat, <b>two</b> points shall be awarded wrestler in position of advantage. If the above criteria for near fall is met for <b>five</b> uninterrupted seconds, <b>three</b> points shall be awarded wrestler in position of advantage.
<b>TIME ADVANTAGE</b>	The <b>difference in time</b> accumulated by <b>each</b> wrestler in the <b>position of advantage</b> . If one wrestler has <b>one full minute</b> or more of <b>net</b> time advantage, he shall be awarded <b>one</b> point. Point awarded only at conclusion of match and does figure in total score.
<b>FALL</b>	<b>Any part</b> of <b>both shoulders</b> or area of both scapulas held in <b>contact</b> with the mat for <b>one second</b> . Can be made from any position. Do not award fall if shoulders of defensive wrestler are out of bounds, if either wrestler is handicapped by having any portion of his body out-of-bounds. A fall terminates match.
<b>DECISIONS</b>	If <b>no</b> fall has occurred at the end of match (three periods), referee shall award the match to wrestler who has <b>scored greatest number of points</b> . In dual meets, if wrestlers end in a tie, draw is declared.
<b>DEFAULT</b>	When one of the wrestlers is unable to continue for any reason.
<b>FORFEIT</b>	A wrestler receives a forfeit when his opponent, for any reason, <b>fails to appear for the match</b> . However, wrestler receiving forfeit must be dressed in wrestling uniform and must appear at mat.

**NEUTRAL POSITIONS** When **neither** wrestler has **control** of the other.

**OUT-OF-BOUNDS** Wrestlers are considered in bounds if **supporting** parts of **either** wrestler are inside the boundary lines. Supporting parts are the parts of the body touching the mat which bears the wrestlers weight, other than those parts with which he is holding his opponent. Wrestling shall continue as long as the supporting parts of either wrestler remain in-bounds, however, nearfall or fall may be earned only while shoulder(s) of defensive wrestler are in bounds.

**STALEMATE** When wrestlers are **interlocked** in a position other than a pinning situation in which **neither** wrestler can improve his position.

Now let us consider penalty points on the things that a wrestler should not do. These come, for main part under two categories. First, illegal holds and unnecessary roughness which is for the safety of the wrestlers. Second, technical violations. These are put in for the main part to discourage the wrestlers from being purely defensive. The rule whereby the wrestler in the position of advantage cannot lock his hands or arms around his opponent's body or both legs, unless his opponent has all of his weight supported entirely on his feet or has him in a pinning situation is an example. Such things as leaving mat with outpermission, delaying match, intentional forcing opponent off mat, intentional going off mat, stalling and grasping clothing are all considered technical violations. Illegal holds are such things as the hammerlock above the right angle; the twisting hammerlock; front headlock; headlock without the arm; the straight head scissors (even though the arm is included); over-scissors; flying mare with the palm up, full (double) nelson; strangle holds; all body slams; toe holds; twisting knee lock; key lock; overhead double arm bar; the bending, twisting, or forcing of the head or any limb beyond its normal limits of movement; locking the hands behind the back in a double arm bar from a neutral position and any hold used for punishment alone.

The referee shall caution the user of a potentially dangerous hold in order to prevent possible injury. Such holds should be stopped by the referee, if possible, before reaching the dangerous stage.

Penalties are awarded as follows:

Infractions	Penalties			
	1st	2nd	3rd	4th
Illegal Holds	1 pt.	1 pt.	2 pt.	Disqualify
Technical Violations	1 pt.	1 pt.	2 pt.	Disqualify
Stalling*	1 pt.	1 pt.	2 pt.	Disqualify
Unnecessary Roughness	1 pt.	1 pt.	2 pt.	Disqualify

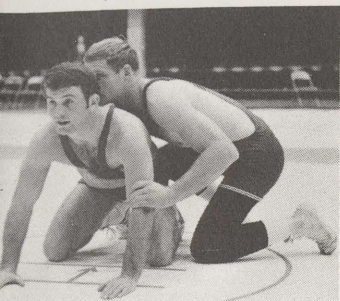

**\*Note:** One warning is given for stalling, but not for other infractions.

If a wrestler is guilty of flagrant misconduct, he is disqualified on first offense and one team point is deducted. If wrestler is guilty of abusive and/or unsportsmanlike conduct, no warning is given and one team point is deducted. If such action occurs a second time, wrestler is removed from the premises.

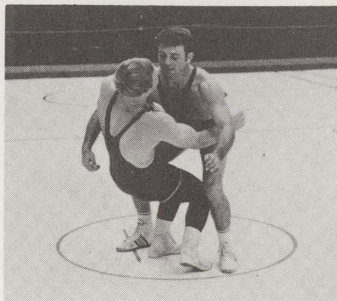

It is the responsibility of contestants, officials and coaches to avoid the use of stalling tactics or allowing the use thereof and action is to be maintained throughout he match by the contestants making an honest attempt to stay in the circle and to wrestle aggressively whether on the top, bottom, or neutral positions. This concept shall be demonstrated by those responsible with strict enforcement by officials.

EACH MATCH IS OF 8 MINUTES DURATION WITH PERIODS of 2 - 3 - 3. The referee will allow a maximum time-out of 3 minutes which is cumulative throughout the match for injury or equipment problems. No time-out is allowed for rest or consultation.

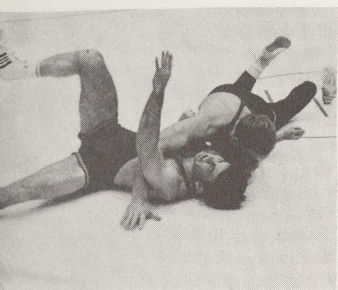

First period starts with both wrestlers neutral or standing — Second period starts with one wrestler in the position of advantage — Third period starts with the other wrestler in the position of advantage.
