AGREEMENT BETWEEN THE
GOVERNMENT OF THE UNITED STATES OF AMERICA AND
THE GOVERNMENT OF THE UNITED MEXICAN STATES
CONCERNING THE ESTABLISHMENT OF A
BORDER ENVIRONMENT COOPERATION COMMISSION
AND A NORTH AMERICAN DEVELOPMENT BANK

The Government of the United States of America and the
Government of the United Mexican States ("the Parties"):

Convinced of the importance of the conservation, protection and
enhancement of their environments and the essential role of
cooperation in these areas in achieving sustainable development
for the well-being of present and future generations;

Recognizing the bilateral nature of many transboundary
environmental issues, and that such issues can be most
effectively addressed jointly;

Acknowledging that the border region of the United States and
Mexico is experiencing environmental problems which must be
addressed in order to promote sustainable development;

Recognizing the need for environmental infrastructure in the
border region, especially in the areas of water pollution,
wastewater treatment, municipal solid waste, and related
matters;

Affirming that, to the extent practicable, environmental
infrastructure projects should be financed by the private

sector, but that the urgency of the environmental problems in the border region requires that the Parties be prepared to assist in supporting these projects;

Affirming that, to the extent practicable, environmental infrastructure projects in the border region should be operated and maintained through user fees paid by polluters and those who benefit from the projects, and should be subject to local or private control;

Noting that the International Boundary and Water Commission, established pursuant to the Treaty between the United States and Mexico Relating to Utilization of Waters of the Colorado and Tijuana Rivers and of the Rio Grande, signed at Washington February 3, 1944, plays an important role in efforts to preserve the health and vitality of the river waters of the border region;

Recognizing that there is a need to establish a new organization to strengthen cooperation among interested parties and to facilitate the financing, construction, operation and maintenance of environmental infrastructure projects in the border region;

Affirming the desirability of encouraging increased investment in the environmental infrastructure in the border region, whether or not such investment is made under the auspices of this Agreement;

Convinced of the need to collaborate with states and localities, non-governmental organizations, and other members of the public in the effort to address environmental problems in the border region;

Seeking to assist community adjustment and investment in the United States and Mexico;

Reaffirming the importance of the environmental goals and objectives embodied in the Agreement on Cooperation for the Protection and Improvement of the Environment in the Border Area, signed at La Paz, Baja California Sur August 14, 1983; and

Wishing to follow upon the goals and objectives of the North American Free Trade Agreement, signed at Washington, Ottawa, and Mexico December 8, 11, 14, and 17, 1992, and the North American Agreement on Environmental Cooperation, signed at Mexico, Washington, and Ottawa September 8, 9, 12, and 14, 1993;

Have agreed as follows:

INTRODUCTORY ARTICLE

The Parties agree to establish the Border Environment Cooperation Commission and the North American Development Bank, which shall operate in accordance with the following provisions:

CHAPTER I

The Commission, with the concurrence of the United States Environmental Protection Agency and the Mexican Secretar a de Desarrollo Social, may carry out these functions with respect to an environmental infrastructure project outside the border region upon finding that the project would remedy a transboundary environmental or health problem.

CHAPTER II NORTH AMERICAN DEVELOPMENT BANK

Article I PURPOSES AND FUNCTIONS

Section 1. Purposes

The purposes of the North American Development Bank shall be:

(a) to provide financing for projects certified by the Border Environment Cooperation Commission, as appropriate, and, at the request of the Commission, to otherwise assist the Commission in fulfilling its purposes and functions;

(b) to provide financing endorsed by the United States, as appropriate, for community adjustment and investment in support of the purposes of the North American Free Trade Agreement; and

(c) to provide financing endorsed by Mexico, as appropriate, for community adjustment and investment in support

of the purposes of the North American Free Trade Agreement.

Section 2. Functions

To implement its purposes, the Bank shall utilize its own capital, funds raised by it in financial markets, and other available resources and shall fulfill the following functions:

- (a) to promote the investment of public and private capital contributing to its purposes;
- (b) to encourage private investment in projects, enterprises, and activities contributing to its purposes, and to supplement private investment when private capital is not available on reasonable terms and conditions; and
- (c) to provide technical and other assistance for the financing and, in coordination with the Commission, the implementation of plans and projects.

In carrying out its functions, the Bank shall cooperate as appropriate with national and international institutions and with private sources supplying investment capital.

Article II CAPITAL OF THE BANK

Section 1. Authorized capital

(a) The authorized capital stock of the Bank initially shall be in the amount of \$3,000,000,000 in United States dollars and shall be divided into 300,000 shares having a par value of \$10,000 each, which shall be available for subscription by the Parties in accordance with Section 2 of this Article.

(b) The authorized capital stock shall be divided into paid-in shares and callable shares. \$450,000,000 shall be

paid-in shares, and \$2,550,000,000 shall be callable for the purposes specified in Section 3(d) of this Article.

(c) The authorized capital stock may be increased when the Board of the Bank by a unanimous vote deems it advisable, subject to the domestic legal requirements of the Parties.

Section 2. Subscription of shares

(a) Each Party shall subscribe to shares of the capital stock of the Bank. The number of shares to be subscribed by the Parties shall be those set forth in Annex A of this Agreement, which specifies the obligation of each Party as to both paid-in and callable capital.

(b) Shares of capital stock initially subscribed by the Parties shall be issued at par. Other shares shall be issued at par unless the Board of the Bank decides in special circumstances to issue them on other terms.

(c) The liability of the Parties on capital shares shall be limited to the unpaid portion of their issue price.

(d) Shares of capital stock shall not be pledged or encumbered in any manner, and they shall be transferable only to the Bank.

Section 3. Payment of subscriptions

Payment of the subscriptions to the capital stock of the Bank as set forth in Annex A shall be made as follows:

(a) As soon as possible after this Agreement enters into force pursuant to Article I of Chapter III, but no later than thirty days thereafter, each Party shall deposit with the Bank an Instrument of Subscription in which it agrees to pay in either Party's currency to the Bank the amount of paid-in

capital set forth for it in Annex A, and to accept the obligations of callable shares ("Unqualified Subscription"). Payment of the paid-in capital shall be due according to a schedule to be established by the Board of the Bank after entry into force of this Agreement.

(b) Notwithstanding the provisions of paragraph (a) of this Section regarding Unqualified Subscriptions, as an exceptional case, a Party may deposit an Instrument of Subscription in which it agrees that payment of all installments of paid-in capital, and its obligations with respect to all callable shares, are subject to subsequent budgetary legislation ("Qualified Subscription"). In such an instrument, the Party shall undertake to seek to obtain the necessary legislation to pay the full amount of paid-in capital and to accept the full amount of corresponding obligations for callable shares, by the payment dates determined in accordance with paragraph (a) of this Section. Payment of an installment due after any such date shall be made within sixty days after the requisite legislation has been obtained.

(c) If any Party which has made a Qualified Subscription has not obtained the legislation to make payment in full of any installment (or to accept obligations in respect of callable shares) by the dates determined in accordance with paragraph (a) of this Section, then a Party which has paid the corresponding installment on time and in full, may, after consultation with the Board of the Bank, direct the Bank in writing to restrict commitments against that installment. That restriction shall not exceed the percentage which the unpaid portion of the installment, due from the Party which has made

the Qualified Subscription, bears to the entire amount of the installment to be paid by that Party, and shall be in effect only for the time that unpaid portion remains unpaid.

(d) The callable portion of the subscription for capital shares of the Bank shall be subject to call only when required to meet the obligations of the Bank created under Article III, Section 2(b) and (c) of this Chapter on borrowings of funds for inclusion in the Bank's capital resources or guarantees chargeable to such resources. In the event of such a call, payment shall be made in either Party's currency. Calls on unpaid subscriptions shall be uniform in percentage on all shares.

Section 4. Capital resources

As used in this Chapter, the term "capital resources" of the Bank shall be deemed to include the following:

(1) authorized capital, including both paid-in and callable shares, subscribed pursuant to Sections 2 and 3 of this Article;

(2) all funds raised by borrowings under the authority of Article V, Section 1(a) of this Chapter to which the commitment set forth in Section 3(d) of this Article is applicable;

(3) all funds received in repayment of loans made with the resources indicated in paragraphs (1) and (2) of this section;

(4) all income derived from loans made from the aforementioned funds or from guarantees to which the commitment set forth in Section 3(d) of this Article is applicable; and

(a) by making or participating in direct loans with funds corresponding to the unimpaired paid-in capital and to its reserves and undistributed surplus;

(b) by making or participating in direct loans with funds raised by the Bank in capital markets, or borrowed or acquired in any other manner, for inclusion in the capital resources of the Bank; and

(c) by guaranteeing in whole or in part loans made to, or securities issued in connection with, projects.

Section 3. Grants

Section 3. Methods of conserving currencies

The Bank shall accept from either Party promissory notes or similar securities issued by the government of the Party, or by the depository designated by such Party, in lieu of any part of the currency of the Party representing the paid-in portion of its subscription to the Bank's authorized capital, provided such currency is not required by the Bank for the conduct of its operations. Such notes or securities shall be

non-negotiable, non-interest-bearing, and payable to the Bank at their par value on demand. On the same conditions, the Bank shall also accept such notes or securities in lieu of any part of the subscription of a Party with respect to which part the terms of the subscription do not require payment in cash.

Article V
MISCELLANEOUS POWERS AND DISTRIBUTION OF PROFITS

Section 1. Miscellaneous powers of the Bank

In addition to the powers specified elsewhere in this Chapter, the Bank shall have the power to:

(a) borrow funds and in that connection to furnish such collateral or other security therefor as the Bank shall determine, provided that, before making a sale of its obligations in the markets of a Party, the Bank shall have obtained the approval of that country and of the Party in whose currency the obligations are denominated.

(a) In cases of arrears or default on loans made, participated in, or guaranteed by the Bank, the Bank shall take such action as it deems appropriate. The Bank shall maintain appropriate provisions against possible losses.

(b) Losses arising in the Bank's operations shall be charged first, to the provisions referred to in paragraph (a); second, to net income; third, against its general reserve and surpluses; and fourth, against the unimpaired paid-in capital.

(c) Whenever necessary to meet contractual payments of interest, other charges, or amortization on the Bank's borrowings payable out of its capital resources, or to meet the Bank's liabilities with respect to similar payments on loans guaranteed by it chargeable to its capital resources, the Bank may call upon both Parties to pay an appropriate amount of their callable capital subscriptions, in accordance with Article II, Section 3 of this Chapter. Moreover, if the Bank believes that a default may be of long duration, it may call an additional part of such subscriptions not to exceed in any one year one per cent of the total subscriptions of the Parties to the capital resources, for the following purposes:

(1) to redeem prior to maturity, or otherwise discharge its liability on, all or part of the outstanding principal of any loan guaranteed by it chargeable to its capital resources in respect of which the debtor is in default; and

(2) to repurchase, or otherwise discharge its liability on, all or part of its own outstanding obligations payable out of its capital resources.

(c) Payments pursuant to paragraph (a) of this section shall be made in such manner and in such currency or currencies as the Board of the Bank shall determine. If such payments are made to a Party in currencies other than its own, the transfer of such currencies and their use by the receiving country shall be without restriction by either Party.

In unusual circumstances, when neither a Board member nor his or her alternate is able to attend a meeting, the Board member may designate a temporary alternate.

The Manager or his or her designee shall be the legal representative of the Bank. The term of office of the Manager shall be three years. The Manager may be elected to successive terms. He or she shall cease to hold office when the Board of the Bank so decides.

(b) The Manager, officers and staff of the Bank, in the discharge of their offices, shall owe their duty entirely to the Bank and to no other authority. The Parties shall respect the international character of this duty and shall refrain from all attempts to influence any of them in the discharge of their duties.

(d) The Bank, its officers and staff shall not interfere in the political affairs of either Party, nor shall they be influenced in their decisions by the political character of the Party or Parties concerned. Only economic/financial considerations shall be relevant to their decisions, and these

However, at any time before the withdrawal becomes finally effective, the Party may notify the Bank in writing of

the cancellation of its notice of intention to withdraw. The Bank shall terminate its operations on the effective date of any notice of withdrawal from the Bank.

(b) After such termination of operations the Bank shall forthwith cease all activities, except those incident to the conservation, preservation, and realization of its assets and settlement of its obligations.

Section 3. Liability of the Parties and payment of claims

(a) The liability of the Parties arising from their subscriptions to the capital stock of the Bank shall continue until all direct and contingent obligations shall have been discharged.

(b) All creditors holding direct claims shall be paid out of the assets of the Bank and then out of payments to the Bank on unpaid or callable subscriptions. Before making any payments to creditors holding direct claims, the Board of the Bank shall make such arrangements as are necessary, in its judgment, to ensure a pro rata distribution among holders of direct and contingent claims.

Section 4. Distribution of assets

(a) No distribution of assets shall be made to either Party on account of their subscriptions to the capital stock of the Bank until all liabilities to creditors chargeable to such capital stock shall have been discharged or provided for. Moreover, such distribution must be approved by a decision of the Board of the Bank.

(b) Any distribution of the assets of the Bank to the Parties shall be in proportion to payments on capital stock held by each Party and shall be effected at such times and under such

conditions as the Bank shall deem fair and equitable. The shares of assets distributed need not be uniform as to type of assets. No Party shall be entitled to receive its share in such a distribution of assets until it has settled all of its obligations to the Bank.
