The university professor is a custodian of the knowledge, skills, and wisdom of the ages. He is a torchbearer for the race.

The university student is a trustee of the future. The racial heritage will serve the future through him.

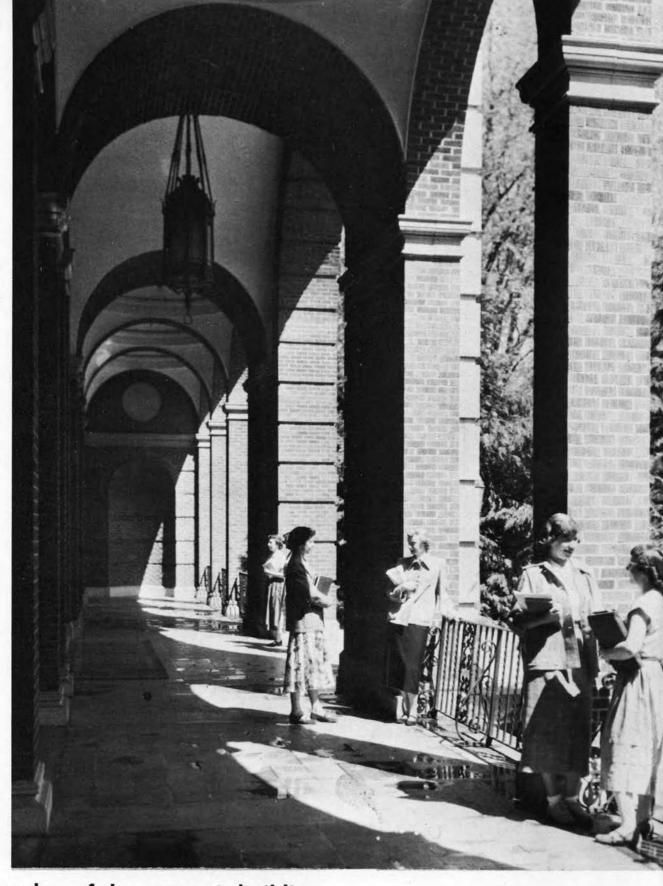

The university classroom is a crossroads. Every current problem links past and future. The Oregon of tomorrow, the nation, and the world, in part are shaped year by year in the classrooms and laboratories of Oregon State.

It matters what kind of teachers we have, the equipment we have, what we do in and out of the classroom. We students of Oregon State know this. On campus we have many pleasures, as this book will show. But under our gaiety can be found sincerity, industry, and purpose. We are in earnest.

arches of the women's building

As students we constantly talk together. We argue, we agree. We discuss sports, war and peace, personalities, our studies. We learn from each other because, even in the same class groups, one will always see something significant that others miss. We share ideals. We become fond of Alma Mater. We form ties that hold through life.

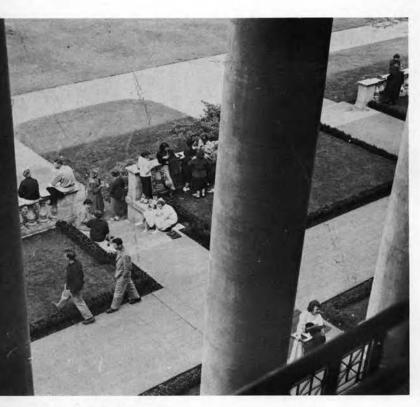

and in the summer

Through four undergraduate years, books are usually near at hand to remind us, even in our freer moments, that we have work to do, Books, of course, are not our only tools of study. On this scientific and technological campus organic and inorganic materials, apparatus and machines, and all manner of aids to teaching and learning are used. We deal with real things as well as read about them. We are tested for achievements and for aptitudes also. We find out what we can do best and choose our studies accordingly. But the man or the woman comes first. So we try also to make all we can of ourselves as individuals, regardless of profession.

Day by day we share the fun that belongs to university life. In the role of students we engage in activities of many kinds that crowd evenings and weekends. Sometimes we create temporary new worlds to enjoy-a tropical isle, a pleasure yacht, a pioneer tavern, a cannibal feast, a fireman's ball. In strange character and costume we feel at ease, forget ourselves, grow in the graces of social life, learn to know each other. Afterwards, when we have to settle down to study, we can do it better because of the fun we have had.

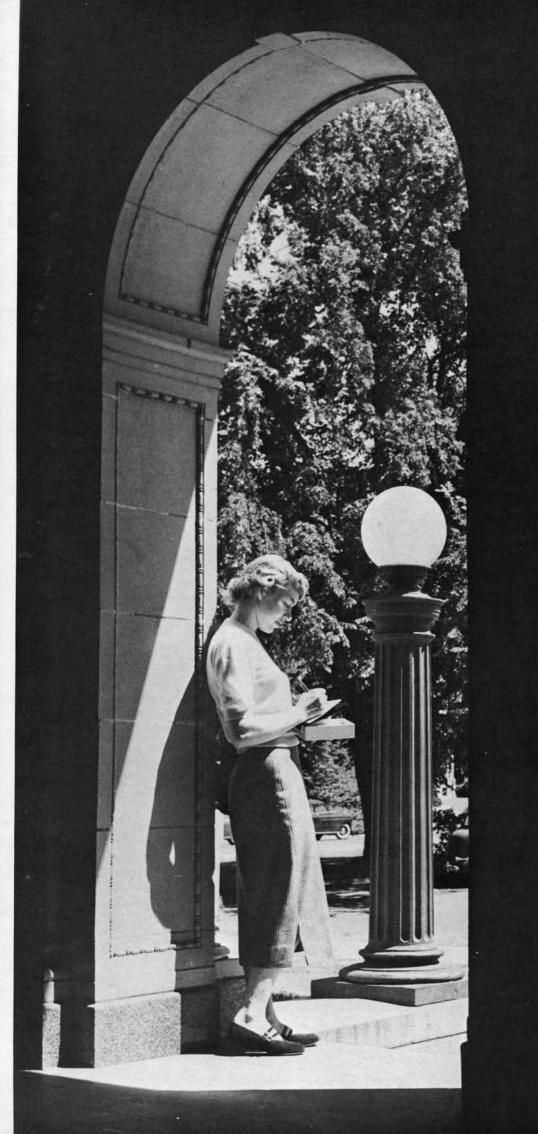

memorial union

This is a friendly campus. The west quadrangle that adjoins the Memorial Union we have dedicated especially to the democracy and neighborliness that belong to the West. Here at the heart of the campus we nourish the "far-reaching bond of Beaver brotherhood" by many a cheery "hello." Campus associations grow into friendships.

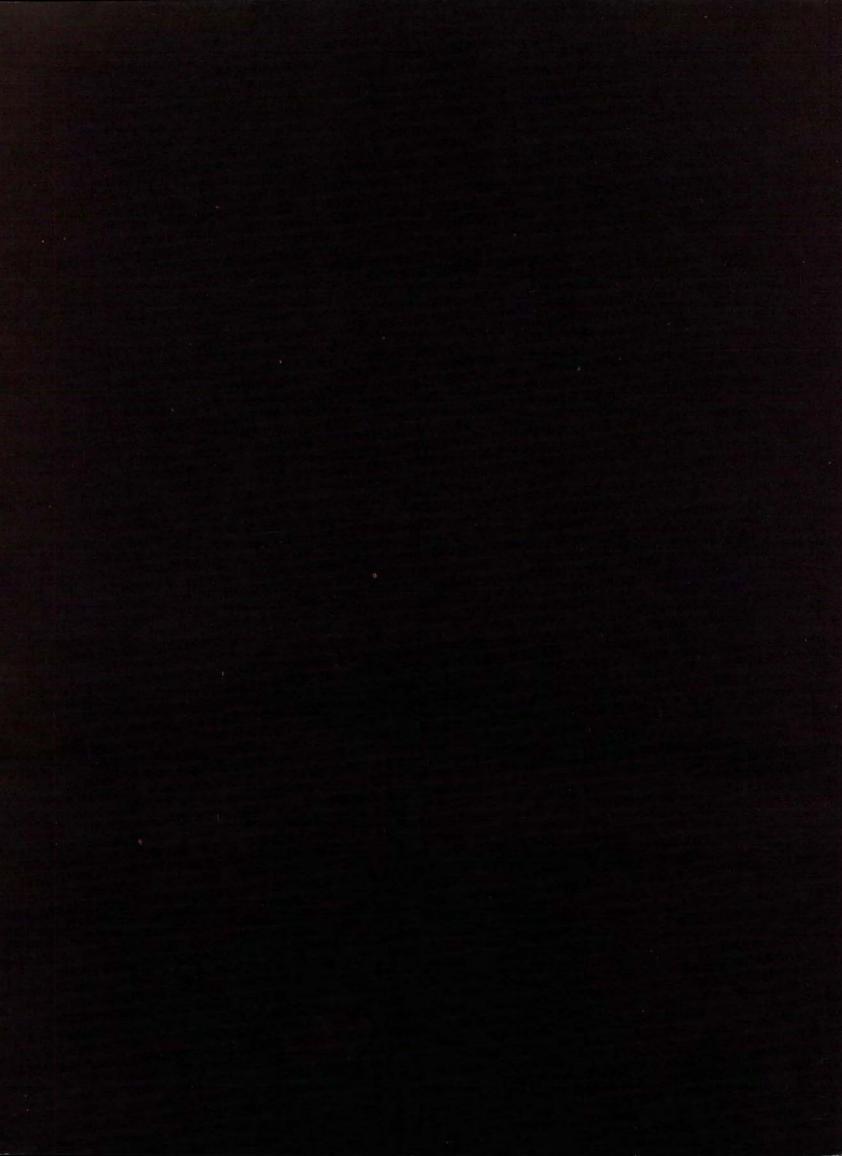

ancient symbols

A campus living group is like a family. We live together as sons or daughters of Alma Mater. Her expectations for us, her name and fame, her past and future, make their impress upon us. Our education becomes personalized. It shows us how to live constructively together, how to help each other, how to appreciate and support what is best and finest and subdue what is base. We find friends whom we would serve beyond thought of self. We discern, even though but dimly, those principles and ideals that are worth living for. Perhaps as we go out from the campus on Commencement Day, we shall have a vision of the part which each of us must have in that future of which we, and we alone, are trustees.

Modernistic touches for buildings—food technology and Withcome hall—are replacing worn out structures and expanding campus area.

campus building and remodeling follows world note of progress

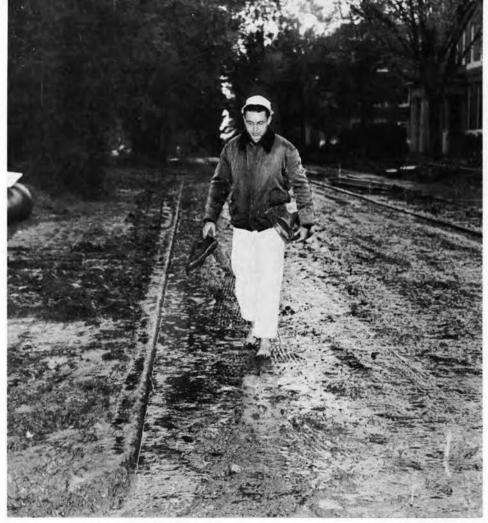

World progress has been poking into about everything it can recently. This year the Beavers have been pummeled with progress. Classes changed to new buildings, torn up streets with convenient holes to slip into and mud everywhere were a part of the progress. The happy results are showing up now. Remodeling of the home economics and dairy buildings have provided students with modern classrooms. Plans for comfortable chairs to sleep through lectures have not been made by the administration as yet. A heating tunnel for campus buildings has caused comment, rather scorching comments, as victim number 5367 goes down in the mud.

new costumes add brilliance to choir's performances

A Cappella Choir is another of the many music groups which both participate on the campus and travel to other cities. Portland, Newberg, Independence, and Wallowa have been on the agenda this year. Campus activities, according to Prof. R. B. Walls, the director, have been the Christmas program, the Homecoming program, and also participation in Religious Embassy week—a finger in every campus pie. The class meets four times a week under Professor Wall's direction and a spring picnic is the usual social function.

DIVERSIFIED TRAINING OFFERED IN AGRICULTURE

As Oregon's agriculture is particularly diversified, so is the college program in the field of agriculture. It includes the School of Agriculture, the Agricultural Experiment Station, the Federal Cooperative Extension Service. These three agencies are coordinated under one dean and director.

The resident teaching program here, as in all land grant colleges, offers thorough technical education to students who will soon become leaders in the continuing development of Oregon's rich land, water, and wildlife resources.

The extension program is conducted cooperatively with the federal government. Staff members, many of whom are Oregon State graduates, maintain offices in every county of the State, offer advice and specialized training in all phases of agriculture and home economics, and work for a better Oregon through the 4-H Club youth programs.

INDUSTRIALIZATION NEED MET BY B&T SCHOOL

The rapid and widespread industrialization of the United States, and of the Pacific Coast in particular, has created an insistent demand for college-trained men and women versed not only in the techniques of administration and management but also educated in the basic technology and terminology of specific industrial operations and materials.

Unique preparation to enter a field of administration and management is provided in the school through the combination of major work in business with minors offered by some of the outstanding technical schools in the West, which are located on this campus.

The secretarial science division of the school offers students preparation for responsible secretarial positions. The business education division prepares students to teach business in the secondary schools.

OREGON STATE PROMOTES SECONDARY EDUCATION

The School of Education is especially concerned with the preparation of teachers for Oregon high schools, and with the promotion of high standards of secondary education.

The school's curricula recognizes three qualifications of a good teacher; mastery of subject matter, a broad liberal education, and an understanding of child and adolescent psychology and professional problems and techniques.

Besides training teachers for high school positions, the College has entered into a cooperative arrangement with the state colleges of education for providing preparation for elementary teaching, under a five-year plan which will end July 1, 1956.

A placement service, maintained by the School, aids qualified graduates in locating teaching positions in the secondary schools.

SCHOOL OF ENGINEERING IS NATIONALLY KNOWN

The several departments in the School of Engineering, including agricultural, chemical, electrical, civil, industrial, and mechanical engineering, are accredited by the Engineers Counsel for Professional Development.

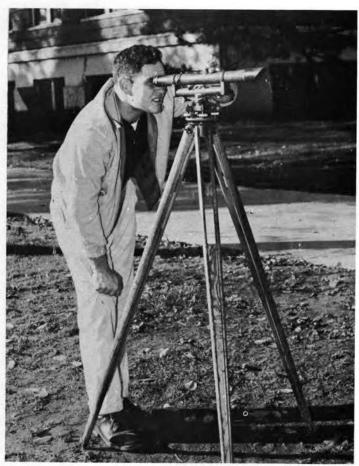

Associated with the professional curricula is a program in industrial administration which is designed to meet the ever-increasing demand in industry for men with basic skills and technical knowledge, supplemented with studies in scientific management and in business administration.

The accredited programs, the large student enrollment, adequate buildings and facilities, and a competent staff provide a strong field of technical studies which has become nationally recognized.

VARIETY-TYPE TRAINING GIVEN OSC FORESTERS

Oregon has an interest in forestry greater than any other state in the Union. Approximately 30,000,000 acres within its boundaries are classified as forest land and it is the leader in volume of standing timber and lumber production.

The purpose of the School of Forestry is to develop men as individuals, citizens and foresters. The forestry profession has grown so much in recent years that no one type of training is adequate for the needs of the profession. To meet these varied needs the School offers training in three major fields: forest management, forest engineering and forest products.

Facilities for forestry instruction and research at Oregon State are unequalled by any other institution. The 11,000-acre forest adjacent to the campus, the Oregon Forest Products laboratory, nearby tree farms, forest experimental units, sawmill and plywood plants, pulp and paper mills are all readily available to the classes and are contacted regularly.

GRADUATE SCHOOL OFFERS ADVANCED SPECIALIZATION

The primary objectives of the Oregon State college Graduate School are to give the student the opportunity for advanced training and specialization in the technological fields of his profession and vocation, to encourage independent thinking, to train him in a wide variety of fields and to stimulate and develop his scholarship in the broader disciplines of culture and society.

The graduate student is encouraged to participate in a broad program and yet gain intensive knowledge in his area. He is expected to specialize without becoming narrow. He is taught the importance of intellectual honesty, the philosophy of a democratic and respectful attitude toward other fields of knowledge and tolerance and appreciation of the research of others.

OREGON HOMES SERVED BY SCHOOL OF HOME EC

The School of Home Economics seeks to serve, directly or indirectly, every Oregon home. The students are prepared for the responsibilities of homemaking and parenthood, for teaching, administration and management, and for other work in home economics and allied fields. The true homemaker must be able to deal with the problems of the changing modern home with its complex social and civic relationships. Hence the home economics curricula must be both liberal and technical.

This year, the home economics building over went a complete remodeling program. Construction of a new wing on the old building was begun this spring to aid the expanded program of this department.

LIBERAL ARTS CENTER IS LOWER DIVISION

Non-specialized education at Oregon State college is centered in the Lower Division of Liberal Arts. It serves the student who wishes a broad general education for its cultural value and its preparation for intelligent citizenship. It serves the student who expects to specialize later in some field of arts and letters or social science, or who plans to follow a professional course.

The Lower Division of Liberal Arts provides both lower and upper division courses to meet the needs of those enrolled in the technical and professional schools on the campus, supplying basic courses and liberal minors. It supports activities in art, music, journalism, dramatics, and public speaking which enrich the college years and prepare for a fuller life.

OSC PHARMACY SCHOOL IS RATED AS CLASS A

Oregon State's School of Pharmacy, under the direction of Dean George E. Crossen, is nationally accredited and rated as Class A.

Its curriculum, now of five years' duration, is designed to provide educational background as well as practical and theoretical training for its students, at the same time giving them opportunity to prepare for entry into any of the areas of practice for which they are in demand.

Modern and fully equipped laboratories for manufacturing pharmacy, pharmacology, pharmaceutical analysis, operative pharmacy and prescription compounding are among the finest in the nation.

SCIENCE IS "HEART" OF TECHNICAL SCHOOLS

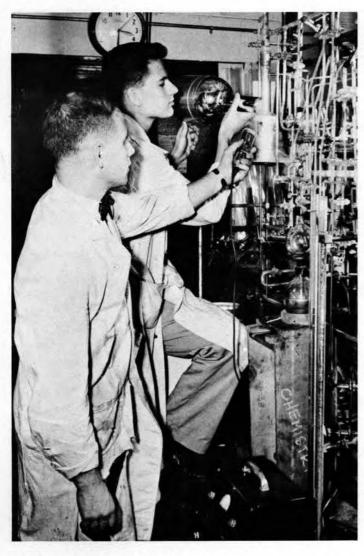

The School of Science is the heart of Oregon State College, supplying as it does, the scientific foundation in biology, chemistry, physics, geology, or mathematics, upon which each professional school is built.

The excellence of this foundation is evidenced by the reputation of the College in engineering, forestry, agriculture, pharmacy, home economics, and business.

But Science has more recently begun to win national acclaim in its own right. Since 1932, it has been designated as the center of science in the State System of Higher Education, and its alumni are being recognized for their achievements at home and abroad.

A vigorous research program has required the acquisition of an electron microscope, a seismograph, a large spectrometer, and now a cyclotron.

STUDENTS AND FACULTY PROVIDED LIBRARY USE

Oregon State college has a fine library which contains approximately 256,891 volumes for the use of both student and faculty. The collection is developed to meet the special needs of this campus. Thousands of periodicals, newspapers from every section of the country, and the best in fiction are currently received by the library.

The library also has in the Mary J. L. McDonald Room a collection of fine and rare books. This collection, and the attractively decorated and furnished room which houses it, came to the library by a gift from Mrs. McDonald.

spartans edge beavers, 6-0

Four Beavers are all ready to pounce on MSC's fullback Wayne Benson. OSC men shown in the picture are: Bob Redkey, 13; Art Charette, 25; Jim Cordial, 80; Cub Houck, 24.

This Spartan was stopped by Bill Sheffold, as Cub Houck comes in to assist with the tackle. MSC went on to victory, 6 to 0.

An underrated Oregon State team nearly scored an upset in its first game of the grid season against the highly touted Michigan State Spartans at East Lansing, Michigan. Although Coach Kip Taylor's men were ahead in the statistics department, the Spartans came out on the long end of a 6-to-0 score.

A fluke play gave the Spartans the only score of the game. The MSC team had powered down to the OSC one-foot line when a bad pass from center was fumbled by quarterback Al Darrow, who scooped it up and lobbed out a lateral to Left Half Don McAuliffe, who went over for the lone touchdown.

Outstanding for Oregon State were Fred Burri and Clarence Womack, guards; John Thomas and Bill Storey, ends; and Jack Peterson and Ralph Carr, halfbacks.

Michigan State players attempt to block out quarterback Gene Morrow on a punt return as a Beaver applies a tackle to the ball carrier. Halfback Dave Mann peers around the referee and Bill Farnham and Don Zarosinski watch the play's progress.

Bill Anderson, Oregon State halfback, prepares to hurdle his way through Utah defense. The Beavers didn't have any trouble in rambling over the Rocky Mountain lads, scoring in every quarter. Coach Kip Taylor used over 40 men in the Beaver's first home game.

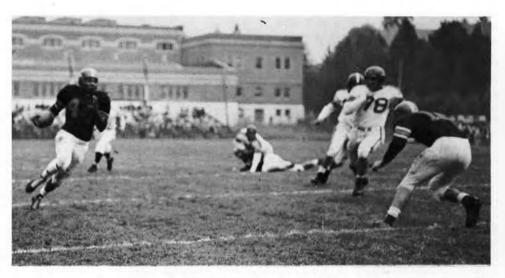

taylormen swamp utah, 61 to 28

Coach Kip Taylor's football team went touchdown crazy in rolling over the visiting University of Utah football team, 61 to 28. The Utes couldn't stop the Beavers who scored nine touchdowns, crossing the goal at least once in every quarter.

Fullback Sam Baker paced the OSC attack with three touchdowns, followed by righthalf Ralph Carr and lefthalf Dave Mann with two each. Righthalfs Ken Brown and Bill Anderson also picked up a T.D. apiece. Jim Cordial split the uprights seven times out of nine conversion attempts.

The Beaver's offense was almost entirely on the ground. Of the total OSC offense of 703 yards, which broke many records and put the Beavers in the national spotlight, 616 were from rushing.

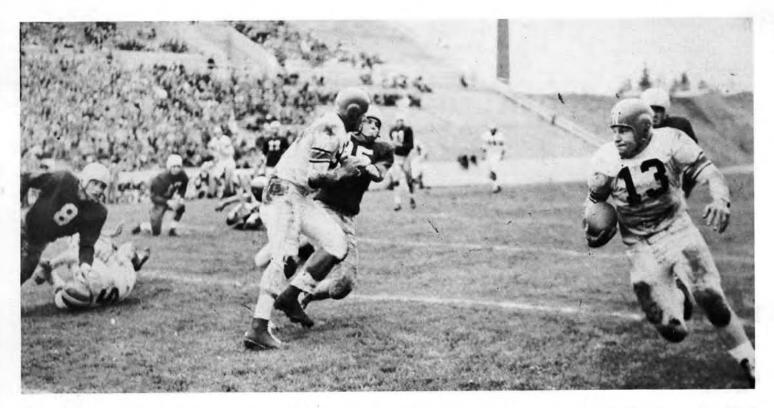

Outstanding line play was a deciding factor in the Beavers all-out victory, as was the excellent downfield blocking. All in all, over 40 Orangemen saw action in the game.

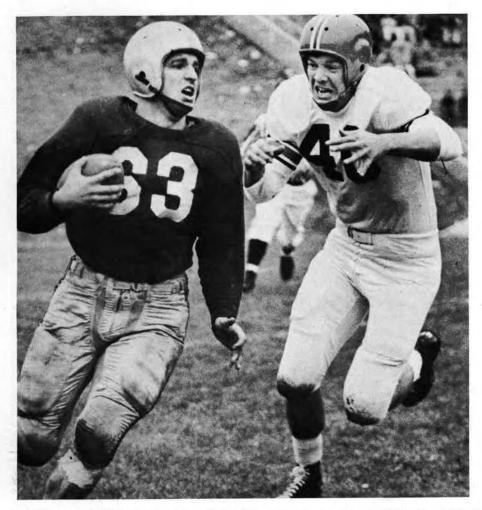

Dave Mann and Sam Baker were two standout backs of the game. Here Mann starts moving in the manner that earned him a 21.2 yard average for the tilt on 11 times carried.

Sam Baker has plenty of blocking backs supporting him on this play. Dave Mann applies a block to a Ute to help pave the way, and Bill Anderson has his man all picked out.

OSC fullback, Bob Redkey, starts on a ground gaining venture for the fired up Orangemen as Captain John Thomas puts in a block on an Idaho defender. The Beavers walloped the boys from the Palouse country, 34 to 6, for their second consecutive win.

Bill West, an OSC linebacker from LaGrande, prepares to stop an Idaho Vandal in his tracks. West, a freshman, was one of the reliable standbys of the Orange gridders.

beavers stop vandals for second triumph

Unleashing a powerful passing attack, the Beavers of Oregon State fought their way to victory over the University of Idaho by a 34-to-6 count. Quarterback Gene Morrow and halfback Dave Mann hit their receivers with the pigskin to earn the Beavers 200 yards via the aerial path.

It was the second win in a row for the OSC crew. Fired up after the win over Utah, the Beavers scored five touchdowns, three through the air, one on an interception, and only one by rushing. John Thomas and Dwane Helbig, OSC ends, were the main targets for the passes of Mann and Morrow, while the latter two each accounted for touchdowns on passes. Jim Cordial scored on the interception, and fullback Bob Redkey powered over for the only OSC T.D. on a running play.

USC was awarded a 16-to-14 decision over the Beavers, but much speculation was raised as to whether or not this touchdown pass by Frank Gifford to Bob Buckly was legal. Beaver fans believe that the Trojan back was past the scrimmage line on the play.

osc: illegal play usc: no, 'tain't so result: 'tain't so

The OSC-USC game of '51 will be remembered for a long time by coast grid fans. The Trojans had to come from behind to edge the Beavers 16-to-14 in a questioned game.

Two quick T.D.'s were picked up by the Orange in the first frame for a 14-to-0 lead. A blocked punt and a fumble set the Beavers up for the scores with Sam Baker and John Thomas earning the points.

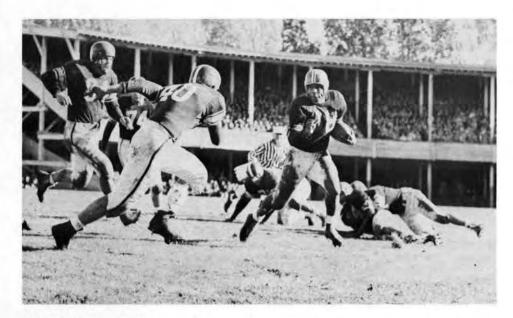

Jess Hill's club came flying back to hit paydirt and make the score 14-to-6 in the second quarter. In the third Gifford passed for another T.D. Onlookers thought he had crossed the scrimmage line before passing, but the score stood 14-to-13. A field goal later gave the Trojans three important points.

USC's Gifford is stopped for a one-yard gain by several Beavers. Players identified include Jim Cordial, 80; Bob Redkey, 13; Herm Clark, 77; and Don Zarosinski, 74.

A Trojan end slipped thru to stop Baker on a pitchout play. A few plays later Baker scored. Thomas, 90, caught a Morrow pass for the other T.D.

cougars stop beavers in homecoming game

Al Charlton, Washington State back, rushes in to put a tackle on OSC wingback Bill Anderson. The inspired band from Pullman topped the Orangemen by a 26-to-13 score.

A passing combination of Bob Burkhart to Ed Barker sparked the Washington State Cougars to a rousing 26-to-13 win over Coach Kip Taylor's Beavers. The game, played before a homecoming crowd, was a close battle throughout the first half, with the halftime score reading 13-all. The Pullman lads came roaring back in the second half to score two more T.D.'s while holding the Orange scoreless.

Halfbacks Bill Anderson and Dave Mann each romped over for the Orange scores. Fullback Sam Baker played his usual good game for the Beavers and was one of the outstanding men on offense.

The setback quelled all hopes of "Roses" for the Orangemen who were rated pre-game favorites to tip the gridders of Forest Evashevski.

Sam Baker leads the way for Dave Mann on an end sweep. This pair of Orangemen kept the victorious Cougars on their toes all afternoon. Both were constant yard gainers.

Mann would have been long gone on this play had it not been for an able Cougar who caught him from behind on a flying tackle.

Head Coach Kip Taylor checks with observer on the top of the stadium. Taylor completed his third season as Beaver head man.

Backfield Coach "Bump" Elliot and End Coach Ray "Butch" Morse look over the opposing team's offensive and defensive lineups.

End Dwane Helbig had just enough time to pull this pass in before a Golden Bear tackled him. The Orange completed 19 passes.

California's mighty Bears stomped and romped their way to a 34-to-14 victory over Oregon State's Beavers. It was one of the two worst defeats received by the Orangemen. Despite the setback it was the first time since 1946 that an OSC team was able to score against "Pappy" Waldorf's Golden Bears.

Another bright spot of the game was the play of Tailback Gene Taft. He ran 76 yards for a touchdown on an intercepted pass, only to have the play nullified on a penalty. With the ball on the 37 it took the Beavers eight plays to score with Sam Baker doing the honors. Later in the fourth period Taft galloped 54 yards to the Cal 5. Baker scored two plays later.

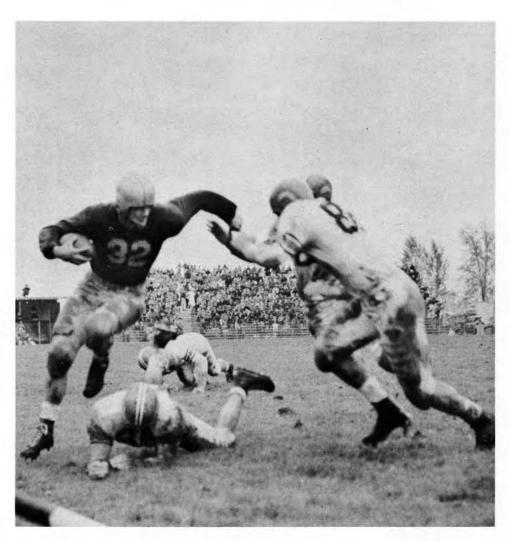

California was one of two teams to give the Beavers a 34-to-14 setback. Here a Bear back gets stopped by an Orangeman. Jim Clark is No. 63 and Capt. John Thomas, No. 91.

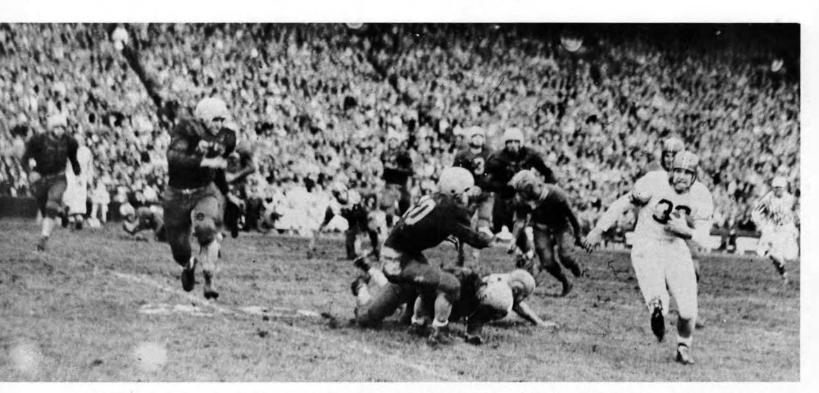

Gene Taft intercepted a Cal aerial and ran for a touchdown, but the score was nullified on a Beaver clipping penalty.

osc upsets huskies by 40-to-14 count

Washington's prize fullback, Hugh McEllheny, didn't have such a good day against the Beavers. Here several Staters close in on the "Hurricane" to bring him to a stop.

Jack Pinion broke loose for the longest touchdown jaunt of the day as he galloped 41 yards. Pinion's other touchdown sprint went for 17 yards. Pinion was a substitute fullback. The regular, Sam Baker, scored three T.D.'s to outplay McEllheny.

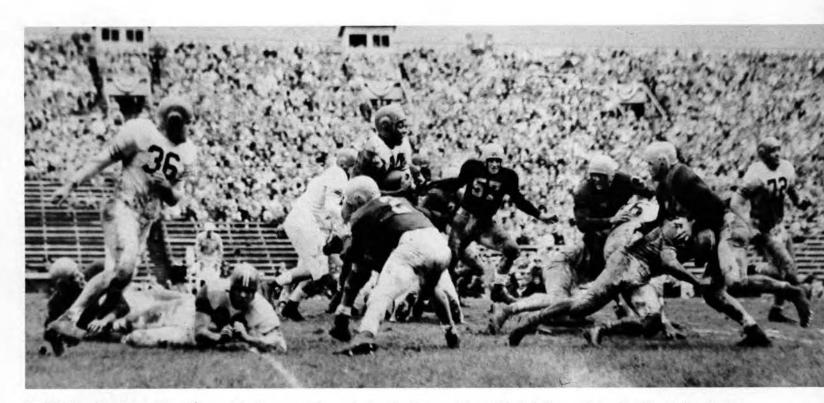

Washington relied mostly on passes for offense. Here Bill Albrecht hauls one in as Cub Houck prepares to haul him down.

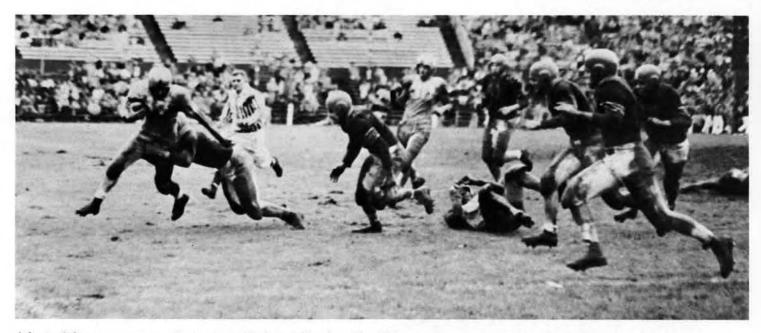

The Beaver clan had a field day in grand style as the Orangemen brought home their most impressive win of the season, turning back the Huskies of Washington 40-to-14.

Sparked by Sam Baker and a host of others, the Beavers completely out-played the Seattle team and recorded the worst drubbing the Huskies had ever received from an OSC club.

Baker scored three of the six Orange touchdowns, sub-fullback Jack Pinion crossed for two, and halfback Bill Anderson collected the other. The Beavers relied almost entirely on ground power to outscore the Odellmen. It was the first OSC victory in four starts. The contest, played in Seattle, was witnessed by some 500 State students, and about 33,000 other football fans. The Huskies were 10-point favorites.

On this line play Stater Dave Mann picked up a couple yards for the Beavers. The tackle is being made by Jim Warsinske, Huskie end. Other Beavers identified are Sam Baker, 36; Doug Hogland, 72. The Orangemen played one of their better games.

A host of Orangemen swarm in to stop a Bruin on this play. The Uclans managed to put over one touchdown to give the Beavers a 7-to-0 defeat before a partial Portland crowd. The scoring was accomplished through a pass play into the end zone.

ucla bruins edge orangemen, 7 to 0

In one of the hardest fought ball games of OSC's grid season, the Bruins of UCLA eked out a 7-to-0 victory over the Beavers. The Uclans tallied for a touchdown in the first quarter for the game's only scoring action, and proceeded to hold the Beavers scoreless for the remainder of the contest.

The Orangemen played a hard game but lacked the scoring punch necessary to cross the Bruins' goal stripe. The Beaver line put up a great fight all the way. On defense Jim Cordial and Dwane Helbig played an exceptional game. Helbig also sparked on offensive play as well as backfield men Gene Taft and Sam Baker.

This Bruin was brought down in rugged style. The camera catches Jim Clark in mid-air. The day was a gloomy one for OSC fans as their favorites lost a heart breaker.

Managing to evade one tackler, Dave Mann faces another. Beavers in background are too late to be of much aid, however.

Company Troubled

Stanford's Rose Bowl-bound Indians handed the Oregon State Beavers one of their worst defeats of the season as the Orangemen received a 35-to-14 setback. Here Fullback Sam Baker is stopped by Tribe as Don Nibblett flys into an Indian's waiting arms.

bowl-bound stanford stops osc, 35 to 14

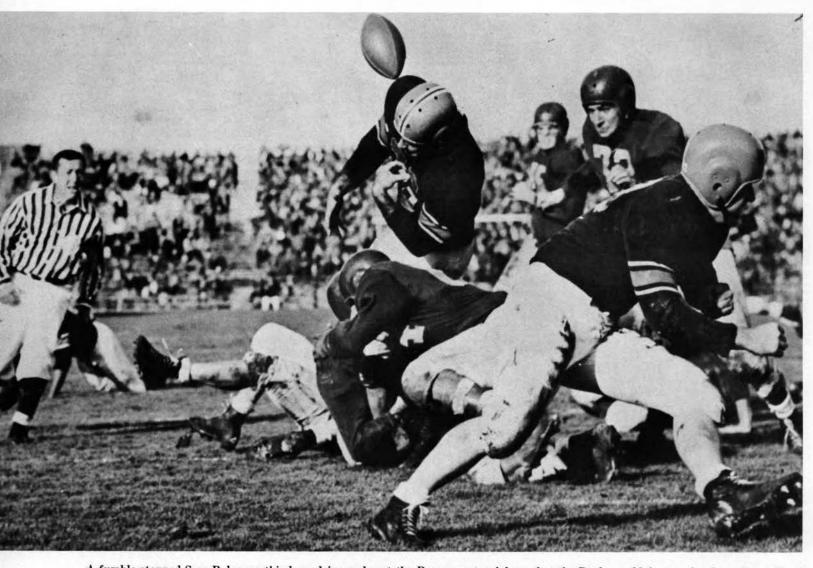

Coach Chuck Taylor's Stanford Indians had little trouble overwhelming OSC's Orangemen as they romped merrily on their way to the Rose Bowl. Little trouble, that is, after the second half started. At the end of the first half the score was knotted up at 7 all.

A Beaver fumble on the OSC 19 set up a Stanford T.D. only two plays after the second half started, and from then on the Indians rolled. The Beavers did collect one more touchdown before the contest ended but the Indians had been scoring almost at will with their several all-Americans in the midst of the fury. When the final gun sounded the score read: OSC 14, Stanford 35.

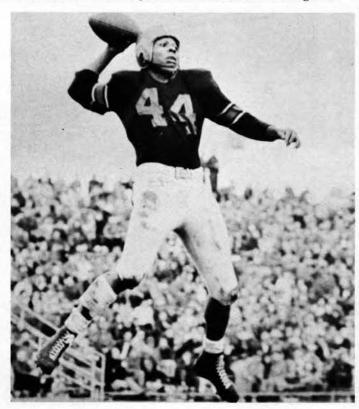

This Indian shouldn't go too far. Bob Redkey, 13, and teammates close in on him to make the tackle. Jim Cordial prepares to grab his legs as Bill Storey, 91, looks on.

A fumble stopped Sam Baker on this long drive and cost the Beavers a touchdown, but the Ducks couldn't stop the slamming fullback as he led his mates to a 14-to-7 victory. The victorious Orangemen had to score two fourth-period touchdowns to win the game.

Passes by Dave Mann were a potential threat to the Ducks. He was one of Coach Kip Taylor's top ground gainers.

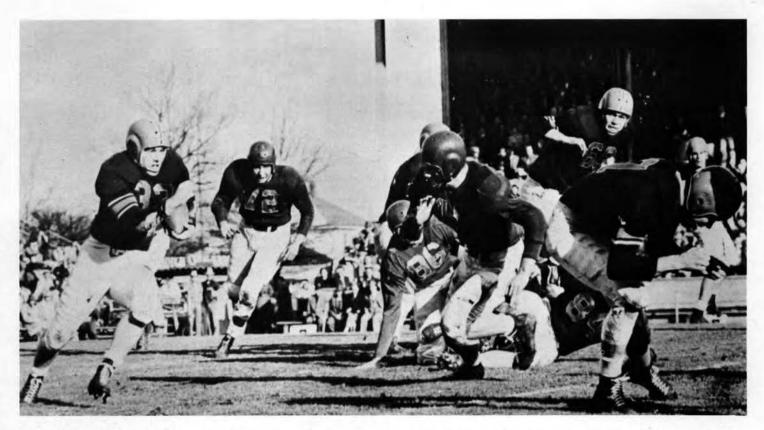

A key block by End Don Nibblett paves the way for Sam Baker. Many considered Baker the difference between win and lose for the Beavers in the season's final grid contest.

beavers stop ducks at eugene, 14 to 7

Sparked by Sam Baker, Oregon State's Beavers turned the tables on the Oregon Ducks in the season's finale. Behind 7-to-0 entering the fourth quarter, Baker and company proceeded to collect two touchdowns and a 14-to-7 victory.

Baker and Mann combined talents for the first score, with Baker receiving the honors after pushing over from the two. For the second tally Jack Pinion entered into the picture with a nine-yard run that climaxed a forty-yard, seven-play scoring drive.

Sixteen seniors played their last game for the Beavers, 16 seniors that were never beaten by an Oregon team.

Jackie Pinion, who operated from the right-half position for this game, reels off for a gain as a couple of Ducks prepare to stop his rambling. Pinion scored the second Oregon State touchdown to help his mates to victory in the "Civil War" battle.

The Beavers put up a good fight against the Stewart champs. Here a Stewart post man gets a shot off behind Ted Romanoff, OSC center. Stewart beat the Orange, 54 to 44.

Coach Slats Gill's Oregon State varsity quintet warmed up for conference play by engaging in 10 preseason games.

The Beavers met two Oregon colleges as well as teams from the midwest, California, and two AAU teams. The AAU teams, Phillips Oilers and the Stewart Chevrolets, gave the Orangemen their stiffest competition. In 1951 Stewart was the national AAU champion and the Oilers were runner-ups.

Gill had several veterans and numerous freshmen and transfers to build his team with. The veterans included Jim Padgett, Bob Edwards, Jack Orr, Dan Johnston, and Jim Nau.

Bill Harper, Dan Torrey, Cliff Crandall, Bob Payne, Ray Synder all ex-Staters, started for the Stewart national AAU champs.

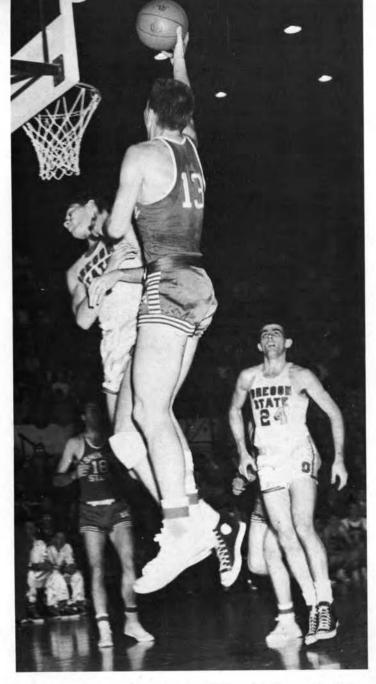

Danny Johnston fires a jump shot during the OSC-Northwestern game on the Orange home court. The Beavers won this one, 69 to 58. It was their last pre-conference game.

The Beavers opened the northern division basketball race with a good start. They were hosts to the Cougars of Washington State for a two game stand. In the first contest the Orangemen played heads-up ball to emerge victors, 53 to 45. The tide turned the next night, however, as the Cougars found the mark and stopped the Orange 54 to 44.

Later in the season the Beavers travelled to Pullman for the remaining two games of the WSC series. The Cougars again mastered the Orangemen as they collected two additional wins.

When the Washington Huskies finished with them, the Beavers of Oregon State wished they had never heard of such a team. The Seattle outfit dominated the four-game series by winning every contest. In a two-night stand at Corvallis the Huskies, without the services of Bob Houbregs, their ace center, stopped the Orange 46 to 37, and 49 to 41. When the two teams met at Seattle the scores read 69 to 56, and 54 to 37 as the Huskies clouted the Beavers further into the cellar.

Four Braves appear to be a bit late to stop Jack Orr on this scoring attempt. Orr was one of the reasons the Beavers swept the two games from Bradley. Guard Ron Fundingsland, No. 27, moves into position for a rebound. The wins were a bright spot for the Beavers.

Bradley U. was riding a seven-game win streak when the Braves met the Beavers for a two-game series. Orange Coach Slats Gill shuffled his lineup for the series, and the result favored the Beavers, 57 to 53, and 61 to 55.

The first contest was held in Portland. With OSC's Dan Johnston pacing the attack, the game seesawed back and forth with the Orange in front at the final whistle. Johnston bucketed 25 points.

For the second meeting the scene switched to Corvallis. The Staters again stopped the Braves. Ron Fundingsland, up from the Jayvees, earned 13 points, and Johnston, Jack Orr, and Jim Padgett each potted 10 points.

Idaho, one of the strongest quintets in the conference, stopped the Beavers in three of the four contests. The Orangemen lost two to the Vandals on the disastrous inland journey, but managed to stop them in the first of the two games played on the Gill coliseum court.

The lone Beaver victory was sparked by high-scoring Danny Johnston. The Orange forward potted 23 points to lead the Staters to the win. Freshman Center Tex Whiteman dumped in 12 points. A slim four point margin of 53 to 49 favored the Orange in this tilt.

Close scores typified the three Orange losses. In the first meeting of the two clubs the Vandals won by a one-point margin, only to turn around the next night and trim the Bevos by 24 points. In the last contest of the season between the two clubs the Beavers gave the game to Idaho by excessive fouling. The Vandals squeezed by with a three-point win.

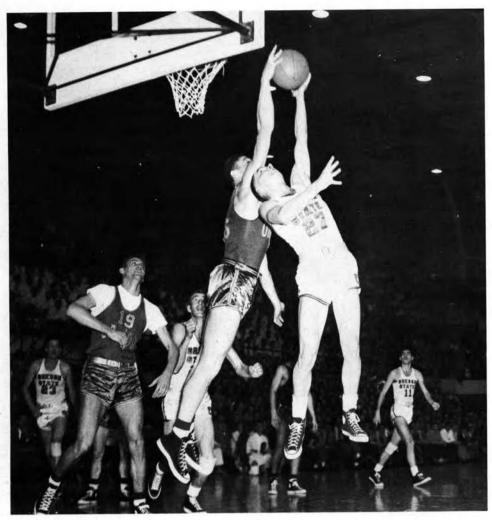

Orr drives past a Vandal on this try for points, but Idaho's Krueger appears to have the upper hand. Orr was a starter for Coach Slats Gill in many contests.

The Oregon State Beavers finished their worst season in the 24 years under the guidance of Coach Slats Gill. One consolation the team earned however, is that they kept the Webfoots from a second place finish by winning the first tilt of the final two game series.

In the first meeting of the two teams, Oregon State's fallacy for fouling resulted in a sound trouncing by the Southern branch. An encouraging note in the second fray was the fine shooting and floor play of Bill Toole.

The first game of the second series was typical of the fierce rivalry between the two schools with the Orange emerging victors. The following night the Ducks pulled ahead and won the contest in the final three minutes. Three of the OSC regulars, Jack Orr, Jim Padgett, and Jim Nau, donned the Orange and Black livery for the last time.

Five Beavers circle the Duck's big Bob Peterson, but none are able to put a check on this shot. Peterson was the favorite player of interest of OSC basketball fans.

beavers end season in division cellar

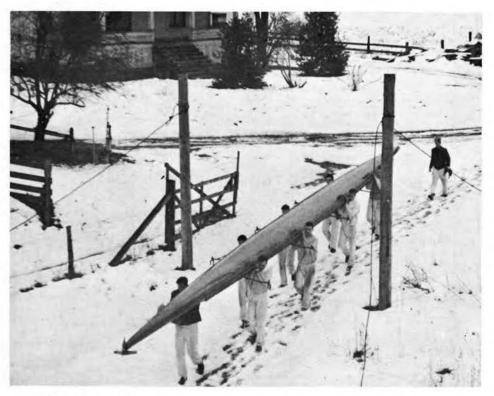

Oregon State basketball hit its lowest ebb under the guidance of Amory T. "Slats" Gill. In 24 years of OSC coaching Gill had never witnessed as depressing a season as the 1952 campaign.

Only bright spots the Beavers could point to were two wins over highly touted Bradley U, and a single win over Oregon which put the Ducks into a third instead of a second place finish.

In single series the Orange dumped John Warren hardware and Mahoney Chambers. The Beavers, led by Bud Shirtcliff with 161 points, amassed a total of 978 points, a 69.8 average, to the opponents' 662. Hard-driving Bob Houck followed Shirtcliff in scoring with 108.

varsity rowing club has full schedule

The varsity rowing club is one of the least known but one of the hardest working athletic groups on campus. Their season starts in the fall and runs through spring term.

Among the schools scheduled, it is possible to find the powerhouses of the University of California, the University of Washington, and USC. Others on the schedule include the University of British Columbia and the Vancouver Rowing club.

Coach Karl Drilica's team consists of Jim Hill, Roy Mason, Vic Bringle, Wally Portouw, Pat Davis, John Bree, Thereon Skyles, and Don Treganza.

On the mighty Willamette OSC crewmen hit their first spring practice with enthusiasm and joy. The number one shell pictured here has raced against some of the top crews in the nation. All those participating in crew belong to the OSC rowing club.

The varsity rifle team completed a very successful year under the direction of Sergeant Jobie Boggs. The sharpshooters ended in first place in the Willamette small bore rifle league. William Briskie, a freshman, turned in many fine performances and is expected to turn in more good marksmanship in seasons to come. The team won the league by beating Springfield in the latter part of its schedule.

Pre-season dopesters picked the Beaver diamond crew for the cellar, and there was a lot of support for their contentions.

Riddled by graduation and faced with the problem of making ball players out of sophomore material, Coach Ralph Coleman installed a batting cage in the armory and put his charges to work early. The results were self-evident . . . a ND championship for OSC and the longest win streak in the school's baseball history at 18 straight games.

Power, backed by the masterful clutch hurling of Don White and Bailey Brem, was the keynote of the Beaver campaign. When the chips were down, the ringing crack of a huge Stater hickory stick meeting horsehide, time and again saved the day.

The grey-clad Staters gave notice to their ND opponents by sweeping 10 early season games, then in rapid order, they dumped Idaho, WSC, and Washington each twice, winding up with wins over Willamette and Linfield before starting on the rugged Inland Empire trip. The importance of playing on the home field was never more ably demonstrated, as the Staters walked into a beartrap, dropping three out of four to Washington and WSC. They returned home and shifted to Eugene to try their luck against the on-and-off Ducks, losing the opener, 10 to 2.

Two rained-out games with Idaho placed the percentage in favor of powerful Washington and the experts said OSC was through. Determined after the hard up-hill battle during the season, the Beavers walloped the Ducks three straight to write a fitting "finis" to a thrilling season.

Coleman keeps an intent eye on his charges during a crucial moment in Oregon State climb to the 1951 ND pennant.

pcc playoffs

The true story behind OSC's loss to USC in the PCC playoffs was experience over power. Clouting the ball with the lust which carried them to the ND title, the Beavers, nevertheless, dropped two games to the Trojans via the mental error route. They lost their first outing, 6 to 4, when two USC men crossed the plate while an argument was ensuing with the umpire. Bailey Brem called the shots in the second tilt, hurling a four-hitter while the Orangemen blasted their way to a 12-to-1 win. Coach Coleman elected to continue using Brem, who was red-hot, in the third and deciding game. The pace finally caught up with Brem, however, and he had to be removed. His relief fared no better and the Trojans eked out the final contest and the coveted Coast crown, 10 to 7.

The story of the 1951 track season is a story of a few who could, some who could not, a few who were, and some who were not.

The entire season's performances were marked by lack of both depth and experience. Of the 17 lettermen who formed last year's team, only six returned to wear the orange and black. In no event, with the possible exception of the javelin, were there two men who could take points consistently. The Beaver front rank was often good enough to hold its own against the opposition, but depending on the weak rear echelons proved fruitless. Pre-season placings picked the Beavers for fifth spot, both in the Northern Division championships and conference meets, and that is just where Coach Grant Swan's team ended.

All was not dim, however. Oregon State bolstered some outstanding performers for this season and for seasons to come. Outstanding men were Lyle Dickey, pole vault; Merv Brock, 100-220 yard sprints; Jack Peterson, 440 yard; Duaine Eby, shot put; Jerry McCafferty, broad jump; Danny Miller, high jump and high hurdles.

Looking back, one does not see many meets won, but he does see new records, a few good performances, great heart, and steady guidance. The 1951 Oregon State track team was a credit to the College.

The Oregon State varsity swimming team, which finished fourth in the northern division last year, had little hope for a better season this year, and the meet results proved its fears were more than speculation. Bob Laughter, left, and Bob Knollin are caught by the camera in the form that won them the mural trophy in team handball.

Jack Saling, left, and Don Megale teamed up to take the mural cup in team badminton. This sport was among the most popular.

Kappa Sigma went all out to bring home a team trophy in mural wrestling. Several team members were all-school champions.

Alpha Tau Omega proved superior in team ski competition and won the mural trophy. One member was the all-school champ.

Trophies weren't lacking to give added hopes of winning the different championships.

Neil Skill, all around (all-school) gymnast shows form that won him the title.

McNary and Phi Sigma Kappa vied in the finals of baseball competition during intramural open house. McNary edged the Phi Sig's for its second major all-school trophy.

McNary won both major trophies, basketball and football. Here Mark Groves, McNary's coach, receives one from Chuck Dailey, acting head of murals, while staff watches.

The foul throwing competition was won by Phi Delta Theta. It was a repeat performance for the cup by the 13th Street boys.

Carlyle Staab displays three cups he won in the all-school individual track meet.

Dave McKenzie and Charles Heinrick combined talents to take the ping pong doubles cup. Fast action typified this sport.

Jack Pimentel captured the trophy in the singles table tennis tournament. It was the second straight championship for him.

oregon state is proud of mural program

Oregon State College can well boast of one of the most well developed intramural programs of colleges of any size.

Some 30 sports are part of the intramural program which Chuck Dailey, acting director of the department, and his assistant, Bill Peden, are responsible for. Trophies are awarded to all winning teams and individuals.

Approximately 70 percent competition from member organizations, and about 45 percent participation from the total student body keep the mural department one of the busiest on campus. Some students who major in physical education help with the planning and perfecting of the intramural program.

Chuck Trapp displays mural cup he won in individual handball tourney competition.

Rugged action was common in intramural touch football. This sport was considered to be one of the most hotly contested.

Brothers Neil Skill, left, and Wayne Skill, as well as excelling in trampoling antics, were experienced gymnast performers.

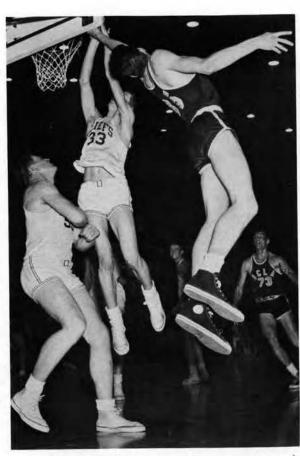

Court action was rough and tumble style when the camera stopped this fray. The Broncos went on to down UCLA, 68 to 59.

broncos overcome cowboys for ncaa division title

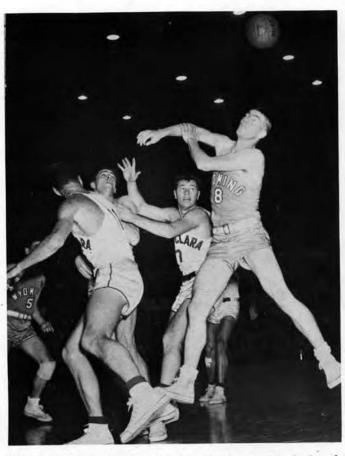

Oregon State had the honor of playing host to the NCAA Western Regional playoffs this year. Four teams entered the competition, two independents and two conference champions. The first game of the Friday night double bill saw an unheralded Santa Clara five upset the highly touted Bruins from UCLA, 68 to 59. In the nightcap the Wyoming Cowboys outclassed Oklahoma City, 54 to 48.

Saturday night's game between Wyoming and the upset-minded Broncos from Santa Clara brought a large crowd of Bronco well-wishers into Gill Coliseum. It looked as if the experts were right as the deadly Cowboys built up a commanding lead in the first quarter. Then the boys from the Mission caught fire and outplayed and outhustled their opponents for the remainder of the game. When the final gun sounded, the score read Santa Clara 56, Wyoming 53. In the preliminary, UCLA lost to Oklahoma City 55 to 53.

Sporting their OSC letterman sweaters as an emblem of their accomplishment in college athletics, members of Varsity "O" are kept busy promoting Oregon State to high school prospects. Assistance was given by the group in conducting the state high school track and wrestling meets. Sponsorship of the all-school boxing matches was one of the activities designed to create interest in Oregon State athletics.

Paul Riddle, right, TKO'd Jack Crabtree of Delta Chi in the 175 lb. division.

Dave Mann of McNary outboxed and eventually topped Wes Hogland of Phi Delta Theta for his second heavyweight championship. It was, however, considered to be the best fight.

Dusty Plog, left, decisioned George Frisbie in the 135 lb. class. It was a close battle but Plog landed more punches.

In the 145 lb. class, two Phi Delts, Marlin De Haas and Nick Marineau traded blows for the individual cup. However, the greater experience of Marineau won him the battle.

varsity o smoker

The annual Varsity "O" smoker team trophy was won for the second straight time by Delta Chi. The 13th Street lads totaled 42 points to lead their nearest contender by 11½ points.

In the first bout of the event, Chuck Vaughan, Theta Chi 125 pounder, decisioned David Moore, an independent. Dusty Plog of Delta Chi, outpointed George Frisbie, Sigma Nu, in the 135 pound class. Two Phi Delts battled it out in the 145 class with Nick Marinear receiving the nod over Marlin DeHaas. Jon Skovlin, Phi Kappa Tau, outpointed Delta Chi's Bob Murphy in the 155 class.

Hal Tyler, DC TKO'd Harry Tavenner, Poling, for his second straight title in the 165 class. Paul Riddle, SN, TKO'd Jack Crabtree, DC, for the 175 title. Footballers Dave Mann, McNary, and Wes Hogland, PDT, vied in the heavy decision with Mann getting a win.

moldy old seniors

Drowning his troubles in cigar and player piano, Jerry Heston finds diversion from his work as senior class president. His garb typifies "our last fling attitude."

"Bend over, Rook!" Chuck Knox takes his sergeant-at-arms work seriously in the house as well as at class meetings.

Who said girls were vain? Here last minute grooming is done by Bob Feldcamp before picking up his date for the Junior Prom.

Mary Kay Reeves may be short, but that doesn't hinder her from trimming the top of the Pifi Christmas tree or taking a record of class meetings.

Breakfast finds Jeannette Workman, senior class vice president, applying her home economics training to best advantage.

Campus cut up! Helen Wrolstad, junior class secretary, does a great deal of snipping for her home ec projects.

juniors

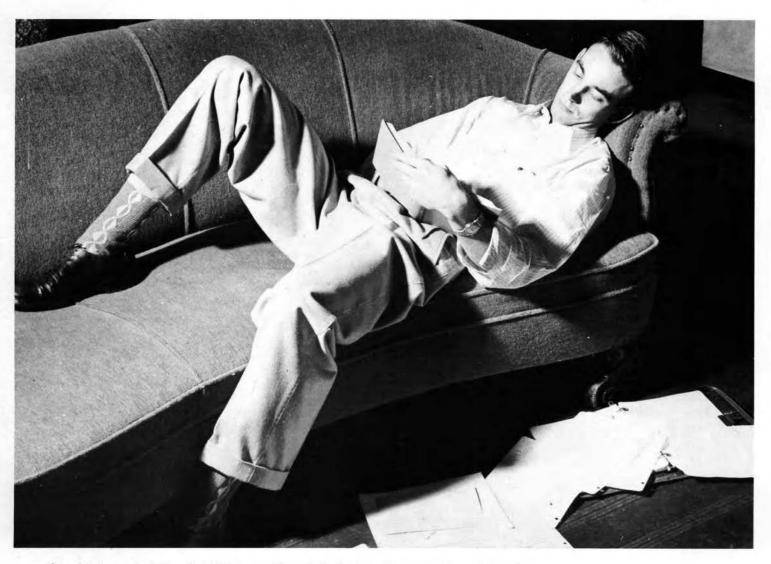

Parting with a \$1.25 is hard for some college boys, but junior class treasurer, Bill Story finds it no problem.

Pin-up girl, Louise Morrison, junior class veep, checks the student calendar to be sure activities are posted.

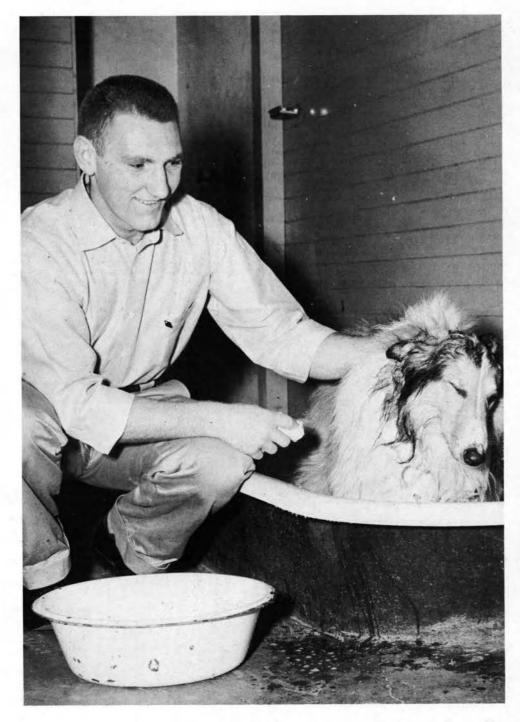

Drifting and dreaming! Jim Riley, sergeant-at-arms, meditates over the latest hit tune before going to class meeting.

Completely comfortable—Bob Bates, president of the juniors, likes to do his studying the hard way. Soft couches and sleep just seem to go together.

sophomores

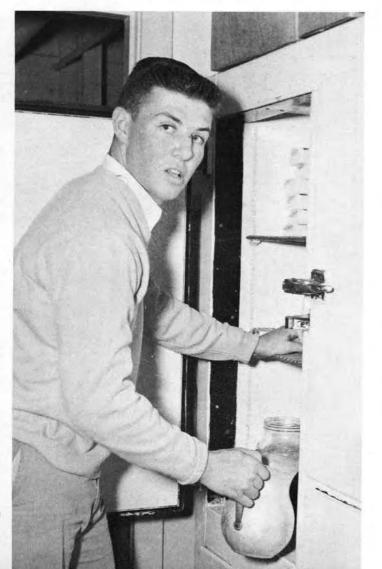

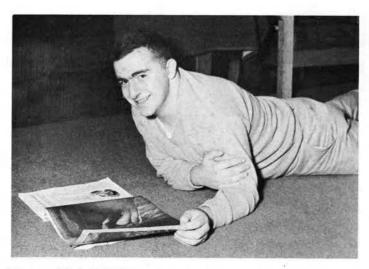

Hey! It's wet! Water and Fiji mascot, Terry Bones, may prove to be as trying to Don Foss, sophomore class president, as his many class activities.

Phone on one! Caught in the act of calling her Theta sister to the phone is vice president Joan Gustafson.

"Varga girls in ESQUIRE are better than any text book," claims Ed Zottola, burly sophomore class sergeant-at-arms.

Knitting for "father" keeps Phyllis Jorgenson, sophomore class secretary, busy in her spare moments away from class duties.

Doing a quick touch-up in the mirror following a Rook class meeting, is secretary Margaret Shaffer.

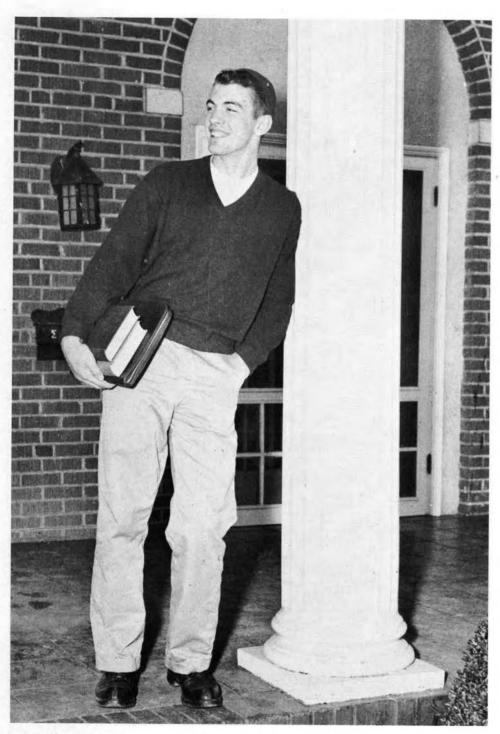

Alice Freeland, vice president, uses one of her scarce spare moments to tidy up her bed.

"Neatness starts at home," says treasurer Don Blevins as he wields a rake on his fraternity lawn.

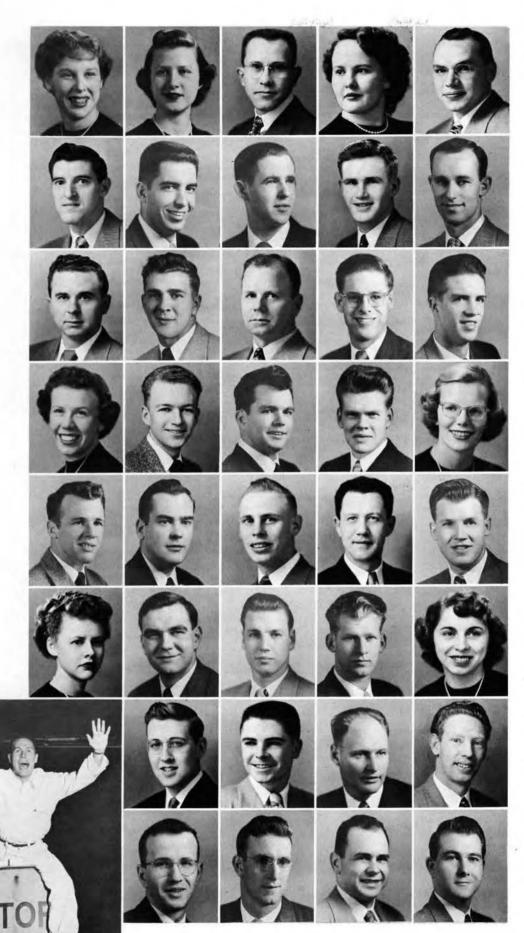

Bill Spicer finds that a quick game of basketball helps keep him in shape for his job as Rook sergeant-at-arms.

Stan Blinkhorn, Rook class prexy, stops for a moment to soak up the seldom-seen sun before walking to campus and tangling with knotty problems which face a class leader.

alpha zeta

Are you interested in advancement?

Advancement of what? High standards of scholarship, character, leadership, and fellowship. These are the aims of the Alpha Zeta, national honorary fraternity to promote the profession of agriculture.

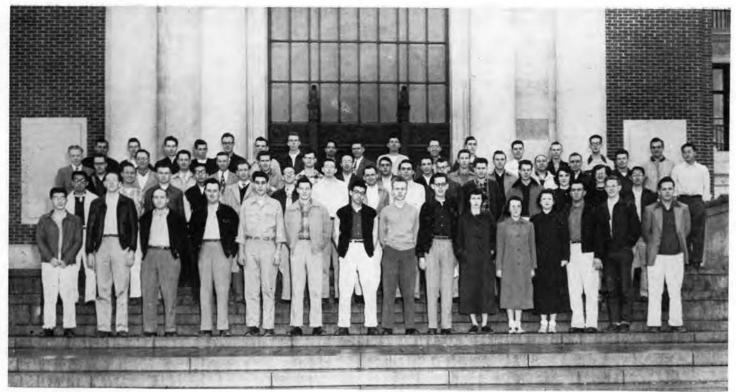

SOS or counseling service for agriculture freshmen are offered by them. A trophy is awarded to the outstanding agriculture freshman student, and another trophy is given to the winner of the display contest on Ag weekend.

the american chemical society

Keep your eye on The American Chemical Society and a listening ear for its present program for under-graduate students majoring in chemistry and chemical engineering. Some of their activities included field trips throughout the year, helping make arrangements for the Student Science Conference each spring, and sponsoring the annual chemistry picnic.

campus religious council

Campus Religious council coordinates the activities of the various campus religious groups. The council strives to promote understanding and cooperation among the church groups. Religious Embassy week during winter term highlights activities for the council.

baptist youth fellowship

Always busy are the young people of the Baptist faith on campus. Their program includes Bible study, personal evangelism, social and spiritual fellowship to promote growth and training in Christian living. The smiling faces of Gene Thompson, president, and Evelyn Neuman, vice president will greet you at their meetings.

canterbury

Extra—Extra—Canterbury group sponsored by the Episcopal church on campus, presented a program emphasizing Sunday morning worship services and Sunday evening discussion meets. Those who took time to attend their weekly study groups were well rewarded with Christian knowledge.

christian student fellowship

Giving the all important "word about Christian House," is a group organized for Christian student fellowship. Broad smiles beam on their faces as they carry on their many activities which include radio meditations, spiritual life retreats, sponsoring of a displaced person, and active participation in Campus Religious Council.

deseret club

Deseret club strives to integrate college life with the gospel teachings, and to help students solve their questions and problems. Firesides, social parties, and Sunday evening church services compose part of the club's activities.

gamma delta

A full program with religious and recreational activities has been underway this school year for the Gamma Deltas, Missouri Synod Lutheran group on campus. Tom Wheeler, president, and Clarence Rousch, vice president, led the group in their wholesome Christian program with outstanding speakers, and interesting topic studies.

inter-varsity christian fellowship

There is plenty of spirit in the Inter-Varsity Christian Fellowship. It is a group of students who felt that Christ should be made known on a secular campus. This organization is independent of any off-campus church group or denominational affiliation.

hillel club

With the common purpose of promoting universal brotherhood and friendliness are the members of Hillel club presided over by Ted Berman and advised by Dr. J. W. Ellison. Through this club the Jewish students on campus gain a cultural and religious program.

lutheran student association

Busy as a bee is the Lutheran Student Center which is open to all students on the campus. This organization grew out of a need to share and learn about Christian faith as it relates to everyday life and experiences on campus.

Their calendar of social events featured Sunday evening vespers, Bible study, Friday parties, and retreats to the beach.

newman club

Newman club has its purpose in providing a diversified program of social and religious activities for the Catholic element on the campus. In addition to the more serious sides of their program a fall retreat was held at Santiam lodge, and a Christmas party was given for orphans.

wesley foundation

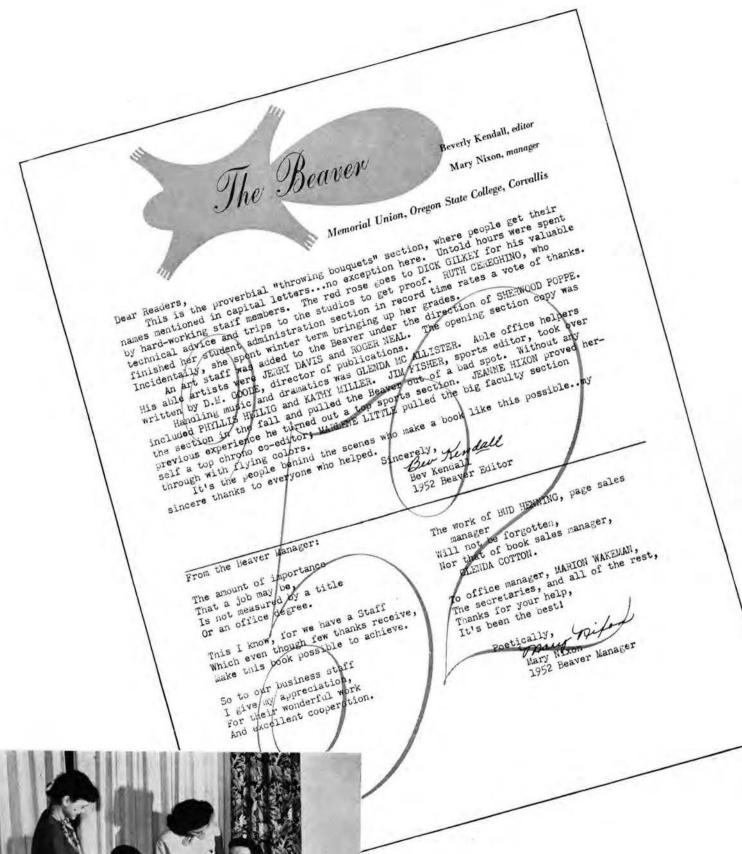

Is the way to man's heart through his stomach? Ask the students at Wesley Foundation who sponsored the Dine-A-Mite suppers and forum Sunday evenings. Fellowship was offered through singing, worship, and discussions that helped bring enriched fellowship.

westminister association

With the motto: "a program with a purpose," the Presbyterian-Congregational students are organized to hold firesides, forums, parties and informal get-togethers. Through these meetings, Bible studies, and worship the group has found a more Christian outlook.

Receiving awards for outstanding contributions to the Beaver progress are Bill Marker and Bob Bragg, official chauffeurs and morale builders. Giving the medals are the Editor and Manager.

introducing . . . personalities

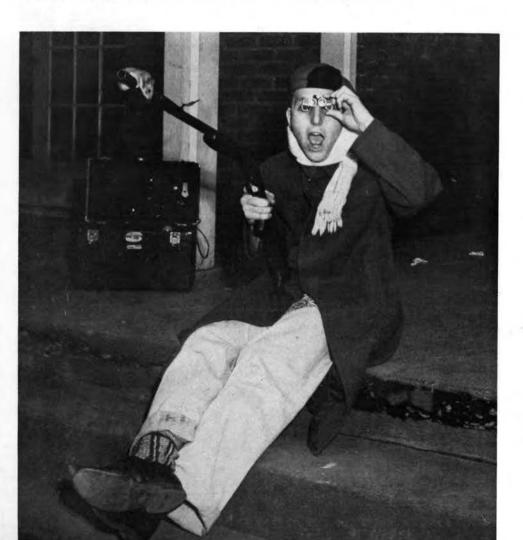

Editor: Nancy Halladay

"Can't have a sleek convertible? Then just drive from a car roof. But watch those steps, they're rough," says Bill Brady.

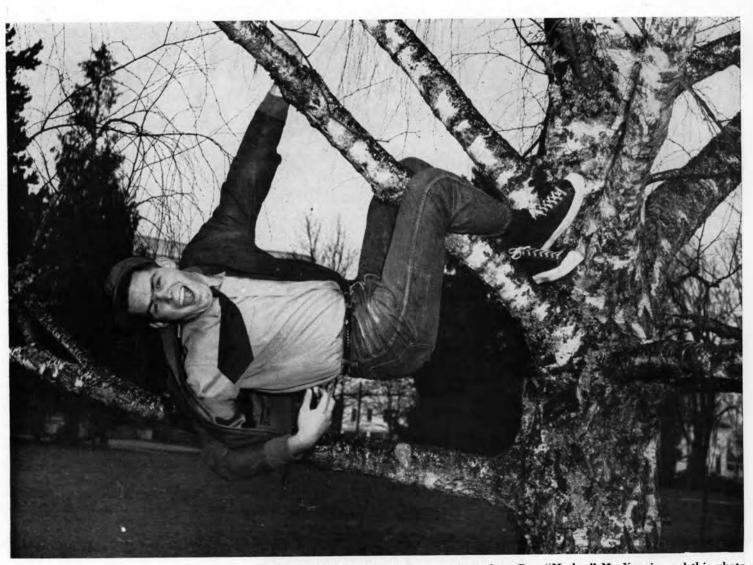

Hey, this looks interesting. Wonder what Bev Orton sees on the DG sleeping porch. Oh well, probably just a mouse, or maybe one of us stray photographers.

Tony Van Vliet has had the same problem ever since Mortar Boards chose him "Mr. Leap Year." Even the poor mouse, "female," draped over the gun barrel had heard of his most eligible bachelor status.

Just an old soak? Or is this suds in your eye? Newest unsolved mystery of the campus is what will they find next in the D.U. bathtub. This, by the way, is Dick Horne.

Some people have had secret suspicions about Don "Mother" MacKenzie, and this photo may confirm them. It's amazing what majoring in forestry can do to a man.

Now, just tip this one at an angle and you'll see a reasonable facsimile of "Rosebud" Carmody. She's the gal who keeps things hopping at the Chi O House.

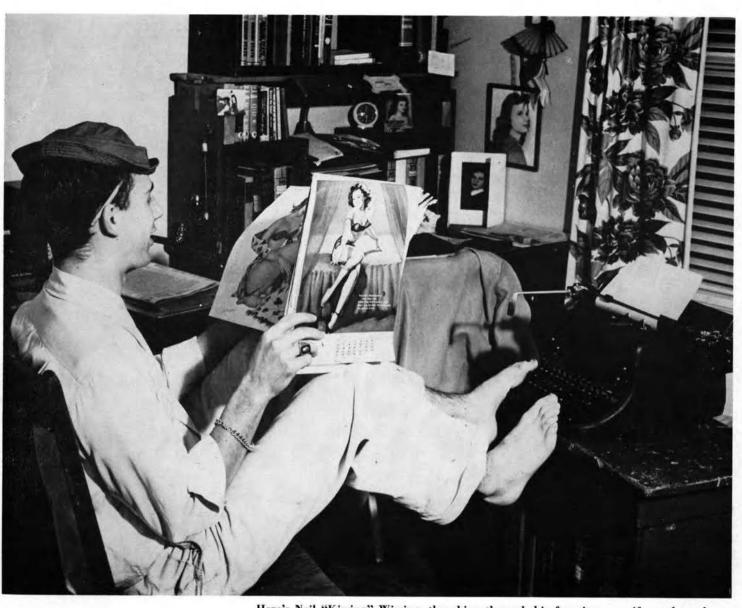

Mary Ann McKy's got her fingers in just about everything, mainly dramatics. She even found time to work at the "O" Club.

Jonny Haner is a whiz at cards as well as grades . . . she's the pride and joy of the Tri Delt's GPA.

You can tell she's from California . . . Sally McCracken sprouts rain hat and bumber-shoot for the Oregon mist. As anybody can see, Sally brought her sunny southern smile along.

Here's Neil "Kissing" Wissing, thumbing through his favorites . . . if you haven't met him, just look through old Baros and find inches of sports copy by Sir Wissing.

A newcomer to the Beaver clan, Sue Skelton soon made herself at home here. She's the tall, dark, and beautiful gal the fellows have been asking about.

This is called sheer comfort! Marjorie Peak, new Pi Phi prexy, actually lives in this room. Notice the books all neatly filed away.

Okay, Patty Miller, you don't have to go to these lengths to prove you're a home ec major. Hey, what happened to the Chi O cook?

'A steppin' the light fantastic, we find Jack McPhillips, a little winded, but still smiling. His main claim to fame is his membership in the Six-Foot-Four quartette.

Only thing needed here is snow in the Tri Delt's yard to make Jackie Purcell's skiing costume look authentic. But you will have to agree . . . Jackie would look good in any background.

What with haircutting prices going sky-high, it's a wonder Jerry Shields can smile during the process.

interfraternity council

Fraternity problems which are forever arising (even OSC men are not perfect) are solved by a group made up of one representative from each fraternity. The group, known as the Interfraternity Council, works with the college administration to smooth out the problems. A campus-known event is the Interfraternity Banquet and Sing put on by the men each spring.

Interfraternity Council officers are: Ted Woodhouse, secretary-treasurer; Doug Decker, president; and Kent Garland, vice president.

panhellenic association

The feminine "Greek world" heads compose the Panhellenic Association. Miss Bash helpfully assists the sorority presidents and helps with their continual work to prepare new and better programs and rules. The big occasion, which is held annually during the winter term of the school year, is the Panhellenic Banquet in honor of all sorority pledges.

Panhellenic council officers confer about rush problems. They are: Alice Rowland, secretary; Cheri Knox, president; Mrs. Flood, advisor; and Joan Rutter, vice president.

Junior Interfraternity Council is made up of elected representatives of each fraternity on campus and is the governing body of freshmen fraternity members. Joint meeting with Junior Panhellenic furnished the most interest for JIFC members this year. In addition, the group sponsored the "Beat Oregon" campaign that brought a double dose of pep to O. S. C.

inter-hall council

When good folks get together, that is the Inter-Hall Council. They direct the social life of the women's dormitories.
