PTA Convention Convenes Today

By GWIL EVANS
Barometer Staff Writer
"PTA in Oregon's Second Century" is the theme of the 46th annual convention of the Oregon Congress of Parents and Teachers which begins today at Oregon State. A thousand delegates representing Parent-Teacher associations throughout Oregon are expected at the three-day convention.

Editorial Page Functions Told

The editorial page should influence the reader's thinking, not tell the reader how to think, Robert Frazier, associate editor of the Eugene Register-Guard told a meeting of Sigma Delta Chi men at Oregon State College Saturday. Frazier spoke on "The Editorial Page," to representatives of four Northwest colleges who were here for the second annual Northwest Regional Sigma Delta Chi conference. SDX is the national professional journalistic fraternity for men.

"The primary function and reason that we're (the editorial page) there is to be an extremely valuable citizen of the community," Frazier commented. "It is not the function of a newspaper to tell the readers how to think because they will resent it as it would insult their intelligence," he continued.

Exchange Ideas Column
An opportunity for readers and the paper to exchange ideas is provided through the letters-to-the-editor column. If handled in a discreet manner they may become well read, he added.

Frazier advocated that the editorial page not be secretive about how it stands concerning the governor, legislator, etc., but to come out in the open, "make it an open book."
"If you have no enemies you deserve no friends," he quoted from Bill Tugman, former editor of the Register-Guard.

Tackle Home First
The editorial page should keep readers thinking about solving home front problems before going abroad, he continued. Rather than thinking about "medievalism in Saudi Arabia" the editorial page should keep readers thinking about "medievalism in the courthouse."

Another must for the editorial page, said Frazier, is vision, "to solve a problem not only for today, but in a way that will rate the thanks of the community for years hence."
Washington State College, University of Idaho, University of Oregon and Oregon State College delegates attended the conference.

Research Grant Is Awarded to Grad
Oregon State College graduate, Jerry Peterson '58, was recently appointed to a research-teaching assistantship at Columbia University.

The appointment came as a result of Peterson's successful research in the field of heat transfer. His work has been classed as "a breakthrough in the field of heat transfer which will make possible smaller nuclear reactors."
As an assistant he will teach classes and construct a nuclear reactor. He has technicians, research equipment, and a large generator to help further his research at his disposal. He will be working for his master's degree, after which he plans to work for a doctorate.

Polls to Open For Miss OSC Beauty Contest

"Miss OSC" will be chosen in an all-school election tomorrow. Voting held in connection with the run-off election for class officers and school senators will take place in the quad if weather permits.

Marilyn Cave '60, Lee Ann Merserve '60, Kay Murray '60, Diane Myers '61 and Carolyn Vanderzanden '60 are finalists for the title.

A run-off election between Peg-Cruikshank and Marcia McClure for Home Economics senator and between Jim Davenport and Jim Hamner for sophomore class treasurer will be held tomorrow from 8 a.m. to 5 p.m.

The winner will be determined by a majority vote.

Being held jointly with the election for Miss OSC, the polls will be set up near the entrance of the Home Economics Auditorium and either in the quad or by the 'O' Club of the Memorial Union, depending on the weather, announced Harley Smith, chairman of Elections Committee.

Student body cards are needed to vote for Home Economics senator and Miss OSC, and class cards are required to vote for sophomore class treasurer, Smith added.

Financial forms of all candidates who ran in last week's election are due in the student body office by May 6, he emphasized.

See Hall '59, "Miss OSC" for 1958, will crown "Miss OSC" during intermission at the IFC sing Saturday night. Larry Hogle '60, Associated Independent Students president, will present the winner. The court will also be introduced during the mothers luncheon Saturday.

First Day Totals Far Under Goal

By BOB MOODY
Barometer Staff Writer

A disappointing turnout of 253 students and faculty members responded to the first day of the campus blood drive yesterday. 223 pints were received, which was far short of the 500-pint goal.

"If yesterday's turn-out is an indication, there is a possibility of no blood being available for those who need it in the future," stated Bill McKalip, faculty co-chairman of the drive. The blood received during the two-day drive must satisfy state-wide needs.

9:30-2:30 Donation Time
Donations may be given from 9:30 a.m. to 2:30 p.m. in the Memorial Union ballroom today. The goal is also 500 pints. A special hour has been set aside today from 2:30-3:30 p.m. for donations of O-negative blood. 26 pints of this rare type are needed for an open heart operation on Susan, a six-year-old girl, in Portland Wednesday.

Donated blood is provided for a small service fee to persons receiving transfusions in hospitals under agreement with the Red Cross.

"Students and faculty member can do a great service by merely giving up 45 minutes of their time," said Dave Barry, blood drive chairman.

Trophies to Be Given
Trophies will be presented to the groups who have donated the most blood on a total membership basis. Trophies will go to the winning man's and woman's living groups and ROTC unit. Winners will be determined when sign-up sheets are tabulated after the drive is completed tonight. The trophies are on display in the Co-op Book store window.

Persons giving blood for the first have their blood typed free of charge and will receive cards bearing this information a few days after donating. Persons under 21 years of age must have parental permission to donate. Pink slips are available in the M.U. east bay.

Coffee, fruit juices and pastries are served all donors by the Daughters of Minerva, a women's service group sponsored by Sigma Alpha Epsilon, national social fraternity. The drive is sponsored by Alpha Phi Omega, national service fraternity.

Members of Spanish classes and the Spanish honorary fraternity meet for lunch in the M.U. cafeteria on Wednesday.

A Russian group meets on the same noon in Kidder Hall, room 314.

Interesting experiences and general topics give students an opportunity to use a foreign language in everyday conversation.

Mural Softball Second Week Team Results

Intramural softball at OSC went into the second week of play on Monday April 20. Beaver Lodge shut out Kaun Staun Ilix, 13-0; the Moles crushed Yar Yar Logar, 16-1, and McNary Hall lost to Wyn Tyr, 13-1. Three close scores showed Quorth Staun an 8-7 victor over Wyn Thorn; Tyr Peoh Kaun 6-5 over Peavy Hall, and Civil Engineers 6-5 over Fin and Antler Club. Heckard Lodge defeated Campus Club 9-3 in the day's other contest.
On Tuesday April 21 Theta Chi shut out Delta Chi, 14-0, and Alpha Lambda downed Phi Sigma Kappa, 13-2. Other results showed Phi Kappa Psi a 10-4 victor over Delta Sigma Phi, 3-2; Alpha Gamma Rho, 8-4 over Acacia; Theta Xi, 7-2 over Theta Phi; Gatch Hall 13, Kaun Ilix 9. The Kappa Delta Rho vs. Delta Tau Delta game was postponed.

K. Bradshaw Leads Hitters

Kim Bradshaw, Oregon State's senior outfielder, has found northern division pitchers more stingy with base hits than he did non-conference moundmen but still leads his team mates for the full season with a .448 average.
Latest statistics released Monday show that Bradshaw, in 19 games the Beavers have played, has batted out 29 safeties in 66 trips that resulted in 31 runs batted in. He also leads OSC in that department.
Other regulars above the .300 level are catcher Dan Luby (.370) and Jerry Droscher (.314). In the pitching department, Gary Moore has the best win and lost record at 4-1, but Roy Critser sports the lowest earned run average at 1.26.
For all games, Oregon State has won 16 and lost three. Two of the losses were in league play, against Oregon and WSC, and the third was to the Eugene Emeralds. The Beavers resume play here Wednesday in the first of a two-game series against Idaho.

Four-Run Rally in Ninth Gives Orangemen 6-5 Win

Oregon State's baseball team pulled a four-run outburst in the ninth inning to beat Washington State 6-5, in a thrilling come-from-behind victory, Saturday afternoon on Coleman Field.
The Beaver bats clicked like clock-work in the ninth inning as Bill Wagner opened the inning with a single. Catcher Dan Luby followed with a single to right field. Jerry Droscher, not to be outdone, belted one to right field to score Wagner from second base. Grimm Mason then sent a looper into right that tied the ball game, as Luby and Droscher scored.
Bradshaw Fakes WSC
Kim Bradshaw kept the OSC clock ticking as he cracked one to left for the Beavers' fifth straight single. WSC was all set for the sacrifice bunt but Bradshaw faked them with a perfect fake-bunt-hit.
Gary Baker was intentionally walked to load the bases, another WSC defensive maneuver, setting the stage for a potential double play. It looked as if the strategy would pay off as OSC pitcher Roy Critser hit a sharp ball to second baseman Vern Welo who fielded the ball cleanly, and then fired low in the dirt to the Cougar catcher Arlie Kangas, allowing Mason to score the winning run.

compared to 10 for the Cougars, but greater Beaver depth paid off with many seconds and thirds. Simpson Wins Again
John Simpson, a Beaver sophomore, ran a 4:15.7 mile to top the school record of 4:16.4 set by Grant Swan in 1920. He also topped the meet mark of 4:19.6. Simpson ran a 4:12.8 in a losing cause a week ago in Seattle.
Simpson also won the two-mile when he came from behind in the last 200 yards. Teammate Don Ferguson finished second after repeatedly fighting off the efforts of Cougar Fritz Kohne.
Three Bell Field marks and one dual meet record were set by the Cougars. Spike Arlt ran the high hurdles in 14.4 to top the Bell Field mark of 14.5 and meet record of 14.7. Arlt held both records. He also set a new field record in the lows.
Steve Frye heaved the shot 54 feet 6 1/2 inches and Dick Ruben set tossed the javelin 224 feet for the other new records.
Darrrel Horn, one of the nation's leading broad jumpers, did not compete. He pulled a muscle at the start of the season, and it has been slow to heal.

afternoon. He got a poor start and was last much of the way. At the 200 mark he was fourth, far behind the leader. However, he passed the leaders coming down the finish stretch to win going away.
Amos Marsh gave the Beavers a first in the 100-yard dash by edging Don Maw and Perry Harper of the Cougars with a 9.9. Marsh was third in the 220 finishing behind Maw and Harper.
Wayne Moss provided the Beavers' final first when he cleared 6 feet 4 inches in the high jump. John Hunter of the Beavers took second.
Cliff Cordy won the 440 in one of the most exciting races of the

tennis players to Corvallis, and Oregon State's one win came as a forfeiture.
Willamette University will be host to Oregon State Wednesday afternoon in Salem at 3 p.m. Willamette lost by only one match previously this year at Oregon.
The results of Saturday's match were:
Singles—Omar Pabst, P, def. Paul Skvarna, 6-2, 6-4; Lou Surville, P, def. Denny Todd, 6-1, 6-0; Bob Kerr, P, def. Roy Stangeby, 6-4, 6-4; Bill Sheehan, P, def. Ron Guenther, 8-6, 6-3; Dick Burke, OSC—a forfeiture.
Doubles—Pabst and Surville, P, def. Skvarna and Todd, 6-1, 6-0; Kerr and Sheehan, P, def. Steve Hall and Dick Staford, 4-6, 6-2, 6-1.

Three shutout games Wednesday showed Theta Chi a 16-0 winner over Phi Kappa Tau; Pi Kappa Phi over Chi Phi, 14-0, and Reed lodge over Jefferson Hall, 9-0. Yar Ilix Yar crushed Kaun Raad, 13-1, and Alpha Tau Omega won from Delta Chi by a 16-2 margin. Ilix Lix Ilix lost a 9-2 contest to Hagall Staun, and Davenport Housa nosed out Naud Ilix, 8-7.
Last Thursday's results were as follows: Hui-O-Hawaii 23-11 over Hawthorne Manor; Sigma Nu over Sigma Phi Epsilon, 14-8; Fatty Acids over Natural Resources, 7-0; Delta Upsilon 8-1 over Phi Gamma Delta; Tau Kappa Epsilon 17 Sigma Pi 16; Sigma Chi 2, Kappa Sig-ma 1; and Phi Delta Theta 6-2 over Lambda Chi Alpha.
