### TV OR NOT TV

The academic world has made its first tentative steps into television—a few lectures, a few seminars, a few lab demonstrations—but colleges have not yet begun to use television's vast capacity to dramatize, to amuse, to stir the senses, to unshackle the imagination. Like, for example, the following:

ANNOUNCER: Howdy, folksies. Well, it's time again for that lovable, laughable pair, Emmett Twonkey Magruder. Ph. D., and Felicia May Crimscott, M.A., in that rollicking, roistering fun show, American History 101 . . . And here they are-the team that took the "hiss" out of "history"-Emmet Twonkey Magruder and Felicia May Crimscott!

DR. MAGRUDER: Howdy, folksies. A funny thing happened to me on the way to my doctorate. A mendicant approached me and said, "Excuse me, sir, will you give me 25 cents for a sandwich?" and I replied, "Perhaps I will, my good man. Let me see the sandwich."

MISS CRIMSCOTT: Oh, how droll, Dr. Magruder! How delicious! You're a regular Joe Penner!... But enough of badinage. Let us turn to our rollicking, roistering fun show, American History 101.

DR. MAGRUDER: Today we will dramatize the taut and tingling story of John Smith and Pocahontas. I will play Captain Smith and Miss Magruder will play Pocahontas. ANNOUNCER: But first a message from our sponsor.. Folksies, have you tried Alpine Cigarettes yet? Have you treated yourself to that fresh filtration, that subtle coolness that extra-long, extra-efficient filter? Have you? Hmmm ... If not, wake your tobacconist and get some Alpines at once ... And now to our grim and gripping story. Picture, if you

will, a still summer night. An Indian maid stands by a moonlit

MISS CRIMSCOTT: Just washing out a few scalps. But what-um you-um want-um? DR. MAGRUDER: I came to see the Chief. MISS CRIMSCOTT: You-um can't-um. Chief is leaving for

DR. MAGRUDER: On what track? ANNOUNCER: And speaking of tracks, stay on the right pleasure, to fun, to frolic, to sweet content . . . And now back to those two gassers, Emmett Twonkey Magruder and Felicia

May Crimscott. DR. MAGRUDER: Well, folksies, that's all for today. See you next week, same time, same channel. MISS CRIMSCOTT: Stay tuned now for "William Cullen Breant-Girl Intern."

ANNOUNCER: And remember, folksies, there was a time when you needed to smoke two cigarettes to get what you get from one Alpine - one cigarette for light menthol, one for high filtration. Today you can get it all in a single Alpine, which means you no longer have to go around smoking two cigarettes at a time, causing your friends to snigger, and violating the fire laws. @ 1959 Max Shulman
