Beaver Preview Will Start Tonight

High School Seniors To Register in Gym

Beaver Preview will begin today when an approximate 1400 high school seniors arrive to visit Oregon State college. Seniors arriving today will find a full schedule awaiting them upon their registration tonight in the Men's Gym. Registration will begin at 7 p.m.

Following registration there will be tours of the school and student life exhibits in women's building 118. All major departments and many organizations will have displays. Exhibits of student life include government, all phases of student living, publications, religious organizations, and honoraries.

Also in the exhibit will be displays of student services, sports, speech and dramatics, concerts, lectures, and music. All exhibits will be open from 7 until 10 a.m.

Exhibits of Activities Planned

These exhibits attempt to show the "other" side of college life. The exhibits will be something new to everyone as they present the seniors with a picture of Oregon State college outside the classroom.

The Memorial Union will be open at 9:30 tonight for their displays of M.U. activities. Among the many events being offered by the M.U. will be movies in room 105, television in 211, a photography exhibit in 212, records and music in the listening room, and refreshments in room 210 and the council room.

The concourse will be the scene of an art exhibit, "Small Paintings by Modern Americans," while the west end will be a display of colored slides. Checkers, chess and cards may be played in rooms 210 and 212. At 10 p.m. a dance will be held in the ballroom.

Closing Hours Set at Midnight

Closing hours have been set at 12 midnight tonight. This was set by the Associated Women students board of reference to enable living groups to hold firesides and social get-togethers before 1 o'clock.

Registration will continue tomorrow in the gym from 9 a.m. until noon. During the day the seniors will have a chance to meet with the dean and student advisers in all of the schools to discuss educational and vocational opportunities and responsibilities. From 10 a.m. until 12 noon educational exhibits will be held in all schools and departments. The afternoon will be highlighted by open houses, a style show, baseball game, and track meet.

The final event of the Preview will be the student variety show in the coliseum, followed by a date mixer dance. The evening show will start at 8:30.

Monday Night Concert Slated for Contralto

By PAT SEIDLER
Barometer Reporter

The training and career of Clara Turner, young contralto who will sing in the coliseum Monday night, is a positive answer to those who feel that opera singers are too much influenced by Europe and its traditions.

American folk music gave Miss Turner her start in music. The daughter of an engineer, she became interested in the folk music of various regions when, as a child,

Satire Characterizes Speech Production

"The Man Who Came to Dinner," speech department play to be presented April 28, 29, and May 1, was first produced by New York October 16, 1939. In reviewing this production Theatre Arts, November, 1939, states:

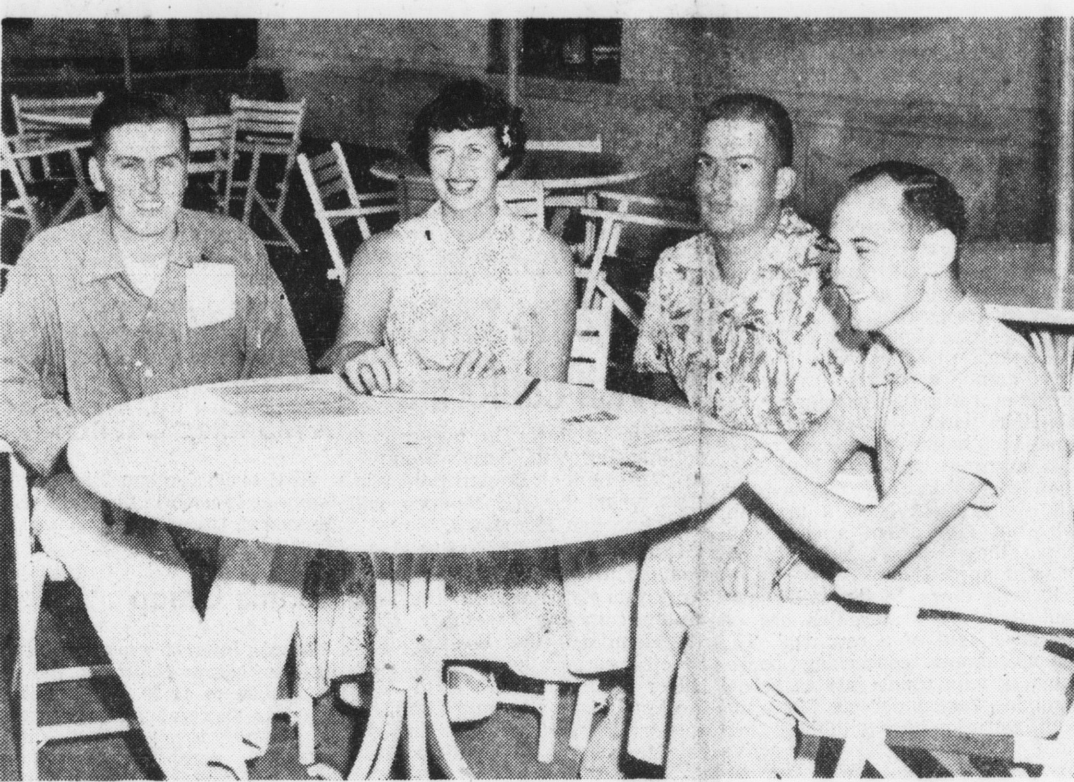

"The celebrated Kaufman-Hart satire on Alexander Woolcott displays that eminent critic, lecturer, radio orator and 'bon viveur' at his witziest and most caustic. The authors' obligingly strand their 'portly Falstaffian' hero with a broken hip in a home in Messina, Ohio, and leave it to him to create all the chaos necessary with the house and its unfortunate occupants to keep the play flowing with acid swiftness through three acts."

Whiteside, the hero, disrupts completely the life of everyone in and near the house. He takes charge of the home; forces the owners to use the service entrance, sends their children away from home and generally makes a lovable beast of himself. The plot of the story follows his outrageous attempt to thwart the desire of his secretary to marry a young doctor.

The Weather

Western Oregon - Generally fair Friday, Friday night and Saturday, except for patches of late night and early morning clouds. A little cooler. High both days 62-72, except 55-60 along coast and 75-80 southern interior valleys Friday. Low Friday night 36-42. Winds off coast north to northwest 25-35 MPH Friday and Saturday, increasing to 45 along south coast during afternoons.

Junior-Senior Prom Committee Heads

MAKING PRELIMINARY DECORATION plans for the Junior-Senior ball are, from left to right, Don Denman, general co-chairman; Trudy Egger, Dick Hibbert, decorations co-chairmen; and Jerry Davis, general co-chairman, of the yearly formal dance. (Photo by Jerry Johnston).

Europe Theme Set for Dance

A European setting will greet Junior-Senior prom goers May 1, in the coliseum, Trudy Egger and Dick Hibbert, decorations chairmen, announced yesterday. They stated that this year's all-school dance will have tourist street scenes from Germany, Holland, France, and Switzerland.

The band stand will be done in a German setting, which will feature Ernie Fields and "America's sweetest swingband."

Dutch Garden to Be Included

To further carry out the continental theme of the dance, a large windmill will be set in the center of a Dutch garden. The queen announcement at intermission will be by a new plan, they said.

Judging of contestants for the queen contest is now underway, according to John Leffel, chairman. One unmarried senior woman from an other women's living group was eligible for the contest. They are being judged on appearance, poise, and personality.

Senior Woman to Be Queen

Because the prom is being given for the senior class, the prom committee felt stated Leffel, that the queen should be a senior. He also stated that the committee felt that senior girls were often neglected in other campus queen contests because of such restrictions as being pinned.

It is also planned to have pictures of the five queen finalists displayed in the coliseum during the dance.

Ticket sales are now on sale through junior class living group representatives, and general sales will begin at the Memorial Union ticket office Monday. Tickets are \$2.50.

Aaron Weekend Head

Glenn Aaron, '55, has been elected Engineers weekend chairman by the engineering student council, according to Hal Pritchett, '57.

The weekend will be May 21 and 22 and will include a banquet May 21 and a picnic outing May 22.

Waldo Co-eds in Uproar Over Sun Bathing Rule

A painting spree rocked Waldo hall Wednesday night as a group of Oregon State co-eds protested against prohibition of sun bathing on the lounge extension roof.

Things were in an "uproar" in the women's dorm from about 7 p.m. until about midnight, students reported.

Glazed top parts of nearly all room doors were painted black. Some were painted with cell bars, and others said "Stalag 17." Campus police went on the "second deck" after closing hours "for about five minutes" to quiet things down.

Sophomores Warned; Beard-Growing Starts

Sophomore men have been notified that the annual beard-growing contest will begin some time next week, according to Shirley Shackley and Mary Monjay, '56, co-chairmen. Members of Talons, sophomore women's service honorary, will visit men's living groups within the next week to open the contest.

Beards will be judged Saturday, May 8, at the traditional Rook-sophomore picnic at Avery park. The contest is one of many attractions scheduled for the annual picnic, said Dick Harris, '56, general chairman.

Rules set up for the contest are as follows:

1. All sophomore men must be cleanly shaven the opening day of the contest, and remain so until the day of the picnic. Freshmen in each living group will enforce the rules, and as in the past, will be responsible for penalizing any violators of the contest.
2. Minimum requirements for the contest are sideburns and a goatee.
3. Prizes donated by Corvallis merchants will be awarded winners with the reddest, the blackest, and the most novel beards, and with the best mustache.
4. A rotating trophy will be awarded for the best all-around beard.

Three Senior Women Honored at Matrix Table

Ethel Doyle, Elsie Laughlin, and Peggy Robb, all '54, were recognized as "Women of Achievement" Wednesday night at the annual Matrix Table banquet sponsored by Theta Sigma Phi, national professional fraternity for women in journalism.

Theta Sigma Phi awarded its feature writing trophy, tapped new pledges, and announced officers for the coming year. Three Corvallis women were recognized as community "Women of Achievement."

Senior "Women of Achievement" were selected as outstanding for contribution to campus welfare, possibilities for future achievement, and qualities of womanhood, from 43 senior women with grades above 2.7.

Ethel Doyle is president of Mortar Board and past president of Talons, Omicron Nu, Associated Independent students, and student body of reference.

Elsie Laughlin is past president of Women's Recreation association and Jameson house. Mortar Board, Orange O, Associated Women Students legislative council, Home Economics club, and Talons have been some of her other activities.

Peggy Robb is past president of Associated Women Students, a member of student senate, student board of reference, Mortar Board, and Orange O. She has been active in the Memorial Union, Intramurals, Talons, and Kappa Delta Pi, education honorary.

Kirby Brumfield, '54, received the Theta Sigma Phi feature writing trophy for writing the best features for the Barometer this year. Lorena McCafferty, '55, was awarded honorable mention.

Janet Beigle, Gail McGowan, Ann Williamson, all '56, and Betty Shideler, '54, were tapped as new pledges of Theta Sigma Phi. Officers for the coming year were announced. They are: Kathy Taylor, president; Betty Pritchard, vice

Election Error Cancels Vote On Wednesday

The ASOSC general election was held yesterday due to the cancellation of the election originally scheduled for Wednesday.

The election was voided by Howard Neal, ASOSC first vice president, because of a mix-up on the student body card numbers that were being punched for voting. Polling booths had been open for more than two hours when it was learned that the same number being used for the elections was used earlier in the year for a concert.

Numbers Assigned Yearly

Jerry Thomas, election committee chairman, explained the set-up for assigning student body card numbers for elections. The numbers, punched out of a mix-up on the student body card numbers that were being punched for voting. Polling booths had been open for more than two hours when it was learned that the same number being used for the elections was used earlier in the year for a concert.

Irwin Harris, director of educational activities, said Wednesday that the numbers on the right side of the cards are usually punched out in order, but that apparently the number assigned for the election today had been selected "at random" for the concert.

No master record is kept of numbers that have been assigned, said Harris. He added that "this is the first time we've had any trouble like this," and indicated that a master system would definitely be set up next year.

Senate Election Stopped

This is the second time in two years that an election has been voided. Don Van Allsburg, last year's student body president, stopped a Group II senatorial election in the fall of 1952 because "the elections were unconstitutional and involved several irregularities."

All posters and other campaign material, originally scheduled to be taken down yesterday, must be taken down by 5 p.m. today.

M.U. Camera Club Reveals Salon Judges

Judges for the sixth annual Spring Salon, sponsored by the Memorial Union Camera club, are Robert Ball, of Ball studios; Bill Reasons, photographer No. 2, physics, Oregon State college; and Paul Gann, assistant professor of art, according to Lowell Brown, '57, chairman of the contest.

Judging of the entries for both divisions, and for all classes of each division, will be May 1.

The entries will be judged on originality and artistic merit. Photographic quality, while important, will not be the prime requisite of judging.

In addition to the prizes listed in the April 21 edition of the Barometer, a table slide viewer, given by the Brumbuger company, and a photo album given by Amberg film company, are offered. The lumitrol variable brilliance control and the two \$5 checks listed in that edition as prizes, are offered by the D-O company and the Simmons brothers.

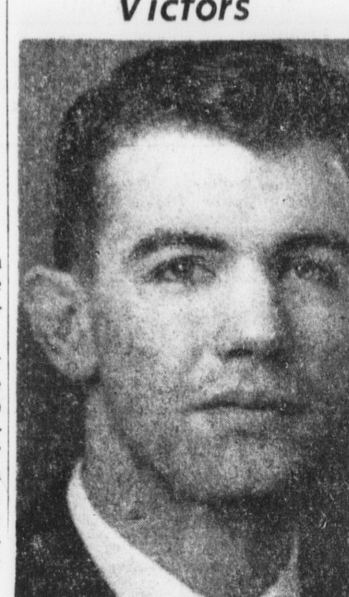

Entries for the contest will be accepted from Monday through Friday next week at the Memorial Union east bay.

Contest rules are available at the east bay.

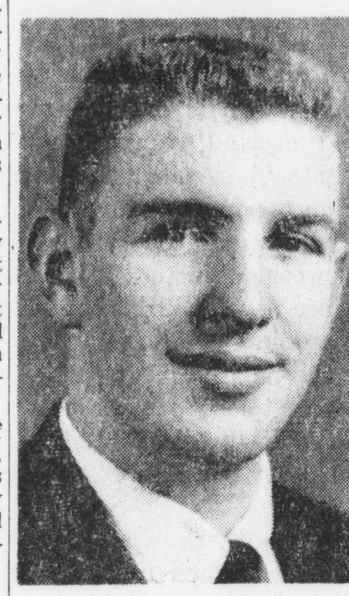

Applications Needed For Insurance Head

Students interested in applying for chairmanship of the ASOSC insurance committee are requested to write letters of application listing their qualifications and reasons for desiring the office. Letters may be addressed to Bill Noteboom, present chairman, and turned in at the student body office not later than May 1. Selection of the chairman will be made by the new student body president.

Victors

STAN BLINKHORN

FRANK FAHA

Oratory Crown Taken by USC

The winner of the Pacific Forensic league oratorical contest, held last night in the college playhouse, was Robert Wallace, from University of Southern California. Second place went to Kirby Brumfield, Oregon State college.

Other finalists were Gabe Solomon, University of California, and James Kruger, University of Idaho. Dr. Clifford E. Maser, dean of business and technology, served as chairman for the event.

Extempore speaking winners were David Jacobson of Stanford university, first; and Robert Wallace, University of Southern California, second. Other finalists were Charles Oldham, University of Idaho; and Stephen Stewart, University of Nevada.

ASC Musicians Entertain

The extemp contest was held Wednesday evening in the Home Ee auditorium. Prof. George W. Gleason, dean of engineering, presided. Trophies were presented to the winners by Dr. Earl W. Wells, chairman of speech and president of the PFL. Topics for the speeches were prepared by President A. L. Strand.

The Oregon State college music department provided soloists for both contests. They were Dorothy Brodersen, '57, pianist; Ernest Babikian, graduate, vocal solo; and Catherine Curtz, '57, accompanist.

The PFL concludes its conference with a banquet in the Hotel Benton at 6:30 p.m. this evening. During the banquet the after-dinner speaking contest will be held. Toastmaster will be Prof. Roy D. Mahaffey, head of speech at Linfield college.

Final Session Set for Today
Mahaffey prepared the after-dinner speaking topics. Contestants speak five minutes and are judged on wit, humor, taste, and adaptation. Judges, as in all PFL events, are faculty representatives.

The final session of group discussion will be held at 10 a.m. today in the Memorial Union. Recommendations on the topics "How can we improve the present procedures and practices of Congressional investigating committees?" will be presented.

New officers of the PFL will be elected during an afternoon business meeting.

M.U. President Election Taken By Frank Fahha

Stan Blinkhorn was elected student body president in yesterday's elections, and Frank Fahha won the Memorial Union presidential race.

Other student body posts will be filled by Dave Jabusch, ASOSC first vice president; and Violet Wong, second vice president.

Forty-six per cent of the Oregon State student body voted in the elections, according to the final figures released at 10:15 p.m. last night by the elections committee.

Class presidents are Johnnie Rice, senior class; Al Guidotti, junior class; and Larry Beck, sophomore president.

Write-ins made a showing in both the ASOSC and Memorial Union presidential races. Len Frank captured 53 votes on the student body ballots and John Hodecker drew 99 votes for M.U. president.

Total votes cast were as follows:

ASOSC
President
Stan Blinkhorn 1085
George Sloecker 869
Len Frank 53
First vice president
Dave Jabusch 1022
Eddie Thomas 985
Second vice president

Reed Editor to Talk Of Russian Menace

One of the five United States college editors who visited Russia last fall, Dave Barney of Reed college, will speak tonight at 8 p.m. in the home ec auditorium. His topic is "Is There a Soviet Menace America?"

Barney will also show movies of farm and urban life of Russia. Aspects of life in Moscow, Baku, Tbilisi, Kharkov, Odessa, and Kiev are depicted in the movies. Tonight's showing will be one of the first on the west coast. Eastern audiences have viewed them on CBS television from New York.

Several of Barney's articles about the experiences of the group in Russia were recently published in the Oregonian. Barney is past editor of the Reed college paper.

Tonight's program is sponsored by Cosmopolitan club, and all students are invited to attend. Neighbor colleges and Corvallis civic groups have also been invited, according to Barbara Viles, '55, general chairman.

A coffee hour in the Memorial Union will be held after the talk, and all guests will be able to meet Barney personally.

Chairmanship Open For Freshman Week

The deadline for New Student week chairmanship interviews will be today from 5 to 6 p.m., according to Dale Thomas and Shirley Roper, both '55, general chairmen. Interviews will be held in the "R" Room Table office, Memorial Union 215.

Chairmanships open are Rook and Rookess counselors, (co-chairmen), information booths, library tours, freshman mix, (co-chairmen), publicity, letters to Rookesses, secretary, foreign student and transfer students, and "R" emblems.

Any student who is planning to return for New Student week next fall is invited to apply for a chairmanship, Thomas said.

Preview Balance

The first "Senior Weekend" was held at OAC over 40 years ago. The weekend was conceived to promote colleges in general and Oregon State in particular. It was to give the high school senior an opportunity to see for himself the advantages that might be gained from a college education. At that time the weekend lasted for a four day period. The weekend has since developed into a wide social as well as educational program. One thought, however, should prevail, and that's the purpose that justifies the weekend's existence. That is that it is a weekend devoted to the promotion of Oregon State college and is a means for future freshmen to get a glimpse of college life.

The past few years has seen the growth of a program of rushing for the individual living groups rather than the college. Although such an attitude is near-sighted and narrow-minded, we should certainly recognize its existence. The spring visit of high school seniors has presented an opportunity for the living groups to promote their own interests with prospective freshmen. It is an opportunity that may be taken advantage of; however, one fact has been overlooked in many cases by the living groups. Living groups cannot hope to maintain any relationships with prospective students unless the students are first sold on the institution and will plan to continue their education there.

Senior Weekend has been planned for the purpose of providing the visiting students an opportunity to visit and find out just what we have to offer in the way of education as well as give them a glimpse of our social life. The Senior Weekend committee has prepared exhibits and programs designed to show the seniors just what we have to offer in the way of an education. And a social program has been arranged for the visitors' enjoyment.

Neither one of these is complete without the other, but only the students of Oregon State can insure that the visitors get the opportunity to see both. If we cannot accomplish that aim, then we have cheated ourselves, our school, and, most of all, the high school senior who is trying to decide where to spend his next four years.

Elections are over. The whole affair was a little punchy, and the student body cards of voters look like swiss cheese... the Baro broke a precedent by putting out two papers in one day and ending up with extra EXTRAS that won't fit in the bound files... Talons and Thanos working as both tenders didn't get time to clean their sweaters before Senior weekend... and candidates spent another anxious day in a daze. To the candidates who won and will soon be taking positions of responsibility the Barometer offers congratulations. Good Luck.

Music Association Begins Annual Drive

The annual membership drive of the Corvallis-Oregon State college Civic Music Association will be next week, Dr. Benjamin Goldberg, association president, announced yesterday.

Student body officers met yesterday for a preliminary planning meeting of the year's concert series.

The New York Philharmonic symphony orchestra will appear in Corvallis May 7, 1954, and the Robert Shaw Chorale is also scheduled for an appearance next fall. Three or four other top attractions will be contracted for in the near future, Goldberg said.

Faculty members and townspeople may purchase tickets for the entire season next week, April 26 to 31, at \$6 each. Students are admitted to the concerts on their student body cards.

Pi Kaps Initiate, Elect

Recently initiated into Pi Kappa Phi, national social fraternity, were Sam Goforth, Al Thiess, and Dave Hardy.

Elected to offices were Dick Baxter, archon; Herm Cavelli, treasurer; Bob Peterson, secretary; Mickey Enyeart, historian; Ray Perhune, chaplain; Russ Mitchell, warden; Bob Bogue, steward; Neil Schonert, manager; and Walt Bandy, IFC representative.

Show Participants Due

All students who are helping with the Seaboard water pageant this evening should be in the Women's building by 8 p.m.

Walking upstairs requires 150 per cent more energy than sawing wood.

IFC Schedules Film

An educational film on fraternities entitled "Toast To Our Brothers" will be shown continuously from 7:30 to 10:30 tonight in Memorial Union 105.

Inter-Fraternity council is sponsoring the movie, and recommends all visiting seniors, and anyone interested, to see it. The movie is 25 minutes long and is in color.

The Inter-Fraternity council has placed an exhibit in the women's building from each fraternity along with the other student living organizations which will be shown from 7:30 to 10 p.m. The fraternity exhibits will consist of one fraternity trophy, the fraternity's national magazine, and a picture of the fraternity house.

Geology Field Trip Set

The Geology department will sponsor a field trip to areas northeast of Corvallis Sunday to observe and study the structure and stratigraphy of the eastern margin of the Coast Range in that region. Those interested in going should make arrangements with Dr. Allison, department head, for transportation. The party will leave at 8 a.m. from education hall and return at approximately 4:30 p.m. Sack lunches are advised.

Dietician Attends Meet

Margaret L. Fincke, head of foods and nutrition, will attend the state dietetic association meeting at Providence hospital in Portland this Saturday.

Mrs. Grace Merrill, first dietitian for the Union Pacific railroad, will be guest speaker. Film strips and exhibits will be shown. Dr. Fincke is chairman of the nominating committee.

The term sirlon supposedly came from the jesting expression of a king who dubbed a particularly good roast "Sir Loin."

Cheers 'n' Jeers

DEAR EDITOR AND MISS DOUGLAS:

The girls of Waldo hall would like to know the reason for all the rules that have now been imposed upon us. The last rule about not being able to sun-bathe on our sun-porch was the last straw. Wouldn't it be better if the girls sun-bathed on the sun duck where they are meant to sunbathe instead of in front of Waldo where all the public can see them?

The majority of us are 18 and 19 years of age and are supposed to be old enough to take care of ourselves. How can we if we're treated like two-year-olds? The boys have always had more privileges than the girls yet the girls are supposed to be more mature. Still we're herded around like an R.O.T.C. Marching Unit. These rules will force a revolt which will cause a lot of trouble for the college.

Also, we would like an intelligent explanation of the leniency of the rules at Sackett and the strictness of these at Waldo.

Sincerely yours, Jude Wisdom, Terry McKenzie, Carole Brooks, Barbara Hyde, Peggy Brown, Kathryn Seymour, Nancy Pace, Maurine Snyder, Ann Payne, Marlene Pettyjohn, Barbara Jones, Janet Cunningham, Tish Lambert, Susie Horn, Carole Maxson, Sally Gabriel, Dolores Bennett, Barbie Raines, Nancy Miller, Betty Jo Stubbs, Geri K. White, Pat Covey, Betsy Krieger, Janet Van Saun, Carolann Bass, Marva Frost, Pat Herren, Lois Bige, Gloria Dupree, Jean Eyeman, Janet Jones, Rae Charlton, Barbara Exley, Sue Cliff, Carol Malmgreen, Betty Silva, Kaye Large, Shirley Aydelott, Mimi Becker, Marlene Beisinger, Paula Tubbs, Sue Robinson, Sharon Barnhart, Ruth Burger, Julie Beacon, Dorothy Shaw, Myrna Matson, Donna Morris, Annie Kinser, Joanne Brunk, and the rest of the girls in Waldo.

Name Bands

DEAR MR. DAVIS:

Last Sunday, as I was reclining upon my rack in my dorm cubby hole, I could hear the young, immature products of the atomic age intently yelling at each other while discussing seriously, "Dean Dan's Deliberations," politics, baseball scores, and even Tempest Storm's measurements into oblivion.

Allow me to quote from our good daily scandal sheet, "The Tommy and Jimmy Dorsey orchestra has been booked for a performance Friday, May 21, at the Palais Royale Ballroom. The orchestra also will play the preceding night for the University of Portland Military Band, also at the Palais Royale."

No doubt there is some mistake concerning this news item. It has been proven that an institution of higher learning, such as ours and other situated throughout our state, cannot possibly afford to have a "name" band for a formal. With the acceptance of Ernie Fields for the Prom, we seem to be slowly climbing the ladder. But Ernie Fields costs \$2.75, no doubt the Dorseys demand and receive a guarantee that is somewhere around 2.3 times what Fields will receive, therefore it is safe to assume that the U of P ball attenders will have to fork over \$6.37 per couple. I certainly am glad that I am not living north in the land of inflated prices on dances, where the school goes way off the deep end for a silly formal. I much rather prefer it here where we play safe, have moderately priced small-time combos, which will not increase promal attending interest. Me for the land of the po' folks.

The Drumbeater

Housemother Woes

DEAR EDITOR:

The fraternity men at Oregon State have been urged by men of supposedly higher intelligence, including Dean of Men, Dan Poling, to keep their eyes wide open and to meet privately on the sod to get the dictionary definition of compulsory housemothers.

"Don't do anything rash, boys," seems to be the attitude of the higher-ups at the moment. Yet, how can a fraternity man keep a peaceful tongue and a clear mind when they feel their personal rights as grown-up Americans have definitely been infringed upon? I am not saying that the infringement upon their rights is that they will have a humorless, short-tempered, yet gracious and mature woman at their disposal and expense to wipe their runny little noses and tie the shoes of those poor unfortunate "night riders" who just haven't quite made that all-important break from boyhood to manhood. The infringement upon their rights, as not only freedom-lovers but freedom-seeking individuals, is that this is not a case of

Signing DEAR EDITOR: In reference to Doug Shepard's letter complaining about people who don't sign their names, I would like to come to the defense of such people.

You see, Doug, not everyone is an extrovert, and, if the content of the letter is there, exactly what difference does it make? You say they are spineless. I say more power to them with freedom of name. You lose!

A STUDENT

Barton Interviews Grads

W. W. Barton, representative of the Food Machinery and Chemical corporation, San Jose, Calif., will be on the campus next Monday and Tuesday to interview graduates in mechanical, chemical, and industrial engineering and chemistry.

Interview arrangements may be made in Dearborn hall 219.

Automotive Seniors To Visit California

Senior students in automotive engineering will leave Monday, April 26, on their annual field trip. This year the AE seniors will travel to San Francisco.

During their field trip the students will visit the Shell Oil company plant at Martinez, the Ford Motor company assembly plant at Richmond, the Westinghouse Electric corporation at Sunnyvale, Hiller Helicopters at Palo Alto, the Food Machinery and Chemical corporation at San Jose, and the Engineering Laboratories at Stanford university.

The seniors will be accompanied by W. H. Paul, professor of automotive engineering. The group plans to return May 1.

Alpha Sigs Elect

Robert C. Ruhl was recently elected president of Alpha Sigma Phi, national social fraternity. Other new officers are Paul J. Riddle, vice president; Richard V. Green, secretary; Peter Geiger, corresponding secretary; Douglas Thornton, treasurer; Richard England, marshal; Charles Neale, crotidian; Mark DeCew, associate editor; and Lynn Trail, manager.

Appointed to office were Joe Sanders, pledge trainer; Alex Hillekitch, rush chairman; Lud Hartung, social chairman; John Walker, alumni chairman; Richard Stevens, athletic chairman; Don Adams, song chairman; and Paul Riddle, public relations chairman.

Recently initiated into the fraternity were Robert R. Cameron, Gerald F. Rodgers, Laurence E. Golding, Charles F. Neale, Jr., al '57, and Harold B. Goforth, '56.

Church Notes

By GAIL MCGOWAN

Barometer Church Editor

There is seldom a better group on campus in which to find the answers to some of the problems faced by students than the church group. Religion should not be tucked onto college life as an extra. It should be an essential part of the learning process.

BAPTIST YOUTH FELLOWSHIP

An "open house" will be held at the church tonight. Ping-pong and other games will be available. Sunday night at 6 o'clock the group will assemble at the church to go to the Children's Farm home. Several of the group will present a program for them. A fireside-inspiration will be held after the evening service. Refreshments will be served.

Students are reminded of the Senior banquet to be held Friday, May 7. This is given each year to honor the high school and college seniors. For further information phone Loretta Kelley, '57, 2-9134. Seniors will be admitted free.

LUTHER HOUSE

Open house will be held tonight. Bring your senior friends over for coffee, games, and a chat. "Is Faith Necessary for Moral Living?" will be the topic. Don Clinton from Beaverton will speak on Sunday at 6:30 p.m. At 8 p.m. Sophie Muenster from Germany will speak at Grace church. She is with a group of German women leaders on tour in this country sponsored by Women's Leader American Council of Social Welfare. She is the mother of one of the members, Lutz Muenster.

The All-Oregon retreat will be held at Camp Westwind May 7 to 9. Sign up for it now. The graduate group will meet Monday night at 8:30. The Wednesday Bible study will meet at 8:30 and the Thursday Jens Haug's group will meet at 8:30 p.m.

NEWMAN CLUB

The Sunday coffee hour will be held after the 10 o'clock mass. Transportation will be provided for high school seniors. Cars will stop at Sackett hall, Waldo hall, and 26th and Monroe street. Anyone else needing transportation may call Steve Gent at 3-5400.

WESTMINSTER HOUSE

"More fun—more friends" will be the theme of the party tonight at 8 p.m. Ivan Vaughn, '57, and Earlene Williams, '56, planned it. Laddella Crombie, '55, and Sue Moffitt, '57, will be in charge of refreshments. Bring your senior

Broomsticks come from the stork of broomsticks which were first introduced in this country by Benjamin Franklin.

guests. The house will also be open Saturday morning for seniors. Coffee will be served.

The breakfast class will meet Sunday morning at 8:30. Lyle Hylen, '56, will lead the discussion. "A Wonderful Life" will be shown at 6:30 Sunday night. This film was jointly produced by the Congregational and Presbyterian churches. It is about the basic values of life.

Letters have been sent out announcing the annual "One-Thousand Dollar" dinner which will be held in education hall of the Federated church on Monday night, May 3, at 6:15. Reservations for the dinner may be made by calling Westminister house. No reservations will be taken after April 27. Single tickets will sell for \$5. For one dollar more a second person may attend. Proceeds from the dinner will be used to complete the purchase of the lot adjoining Westminister house, which is essential to its development.

The "One-Thousand Dollar" dinner through the years has been an important factor in the growth of Westminister house and its program on the campus.

WELL-SHER BUILDING MADISON BETWEEN 4TH AND 5TH

Eye Tests Made by Ludwig

Of the students with reading problems, 17 percent have below standard eye performance and no glasses. More than 40 percent of those people who had eye tests at the recent Corvallis Industrial Exposition scored below par.

The visual screening program, not diagnosis, was made possible by the use of the "Ortho-Rater," a Bausch and Lomb optical instrument recently purchased by the English department for use in the effective reading program.

According to Ludwig, the most important cause of reading difficulty is a set of poor reading habits. Organic eye defects are one cause, and if one percent of the students have difficulty, the discovery of that one percent is important. Stu-

Local AFROTC Men Recieve Trophy Aggies Set Date For Weekend

CADET LT. COL. NORR WELLMAN, '54, is shown accepting The City of Tacoma group achievement award from Marc Anderson, acting mayor and city manager of Tacoma, Wash. Pictured from left to right are Lt. Col. J. A. Herrmann, as associate professor of air science; Anderson; A. L. Strand, president of Oregon State College; Cadet Wellman; and Charles Fogg, president of the Tacoma Chamber of Commerce.

May 7 and 8 has been set as the date for Ag weekend this year. Since it started 34 years ago, Ag weekend has become an annual affair.

This year's activities will start on May 7 with a 6:30 p.m. steak fry, followed by a dance in authentic western surroundings at the Oregon State college hay barn.

A. W. Oliver, associate professor of animal husbandry, will be chef at the steak fry, according to Louis Hemrich, '54, chairman of Ag weekend.

Booths to be Judged Booth judging will take place Friday evening. In an effort to centralize the weekend activities, booths will be constructed in the stock judging pavilion.

Saturday events will start with the livestock fitting and showmanship contests. A large variety of judging contests will follow, to which 4-H club members and high school Future Farmers of America chapters throughout Oregon have been invited to participate, Hemrich stated.

Rodeo, Awards Planned A rodeo and presentation of awards will climax the weekend. Horses for the rodeo will be furnished by Anderreg, Portland, and cattle will be furnished by Purdy, Lorane.

Hemrich has named his assistant chairman and 10 committee chairmen. They are Robert McNeal, assistant chairman; Harry McLaughlin, budget; Ralph Burns, contests; Vernon Hult, awards; Duane Borker, publicity; Harry Lacerstatt, exhibits; Don Reed, program; William Wu, hostess selection; William Pruitt, rodeo; Betty Brande-jsky, steak fry; Marilyn Bohnert, dance; and Don Davis, concessions.

Two-Day Program Planned by Society \$14,500 Arc Furnace Installed by College

The Northwest section of American Society for Engineering Education will be at Oregon State college to hold their annual meeting today and tomorrow. Expected to be here are 125 engineering teachers from colleges in Idaho, Montana, Washington and Oregon.

During the two-day meeting there will be three technical sessions in conjunction with tours of OSC engineering laboratories and the U.S. bureau of mines laboratories in Albany.

Boeing Man to Speak One of the technical sessions will be led by A. A. Soderquist, administrative engineer, Boeing Airplane company, Seattle. Future demands on engineering education will be covered. Another technical session will consider content and scope of engineering curricula.

Standards of accreditation and evaluation of engineering faculty and problems of young engineering teachers will also be discussed.

Friday Banquet at Club Friday noon, luncheons are scheduled in several engineering departments for the teachers. The annual banquet will be held at the Corvallis Country club tonight.

Session chairman is Louis Siegel, professor of mechanical engineering at OSC. Vice-chairman and in charge of program arrangements is James W. Smith, industrial engineering department, OSC.

The United States official weather forecasts are correct 88 percent of the time.

Faculty, Staff Salaries Said Below Average

Staff salaries at Oregon State college still do not provide as high a standard of living as the staff enjoyed in 1939, according to the report presented by the salaries committee of the American Association of University Professors. Sixty-five members of the association heard the report yesterday at a luncheon and business meeting in the Memorial Union tea room.

Immediate advantages of the proposed system are simplicity and adaptability to current dollar values.

Engineers to Leave On Annual Field Trip The annual field trip for seniors in mechanical engineering will be held April 26 to 30, in Oregon, Washington, and British Columbia, Canada.

Mothers to Sponsor May Art Sale, Tea Sculpture and paintings created by the staff and students of Oregon State college will be on sale at the annual mothers' tea, Saturday afternoon, May 14. The art sale and tea will be held in the southeast corner of the coliseum basement, near the museum.

104 ROTC Cadets Scheduled for Camp One hundred four army ROTC cadets from the various units at Oregon State college will attend summer camp this year, according to Colonel Sanford J. Goodman, professor of military science and tactics. Ninety-two of the cadets are Juniors this year. The camp session will run from June 19 to August 1.

GIRLS!

start as an Officer...earn \$270 a month with quarters furnished!

YOU CAN QUALIFY IF YOU MEET THESE REQUIREMENTS:

For Army Dietitian—A bachelor's degree with a major in foods and nutrition or institution management. If you have your degree or expect to receive it within 6 months, you may apply for a commission. You will receive a 12-month Army Dietetic internship approved by the American Dietetic Association and then be assigned to duty as a qualified Dietitian.

For Army Occupational Therapist—If you have a bachelor's degree with at least 15 semester hours in psychology, sciences or sociology or in any combination of these subjects, you may apply for a commission. You will take an Army Occupational Therapy course and then be assigned to duty as a qualified Occupational Therapist.

If you can meet the qualifications in any of these fields, you are eligible for the fine medical training offered in the Women's Medical Specialist Corps. To get the facts, fill out this coupon today!

For Army Physical Therapist—A bachelor's degree with satisfactory courses in the biological and physical sciences and psychology. Upon completion of these requirements, or six months prior to their completion, you may apply for the 12-month Army Physical Therapy course, which is approved by the American Medical Association. If you are selected, you will be commissioned in the Women's Medical Specialist Corps, U. S. Army Reserve. Upon completion of the course, you will be assigned to duty as a qualified Physical Therapist in the United States Army.

HUSKY LINEUP
1b—Watson, Larry
2b—Jarvis, Harvey
3b—McClary, Dave
ss—Stuht, Bill

Oregon State's league-leading Beaver baseball team will face its toughest competition so far this season this afternoon and tomorrow when the Orange will host the also league-leading Washington Huskies. Both OSC and the Huskies are far in front of the other three northern division clubs with perfect records of four wins and no losses.

The Beavers rate the underdog role, however, by virtue of the impressive records the Washington nine has compiled in its first four games. Statistics available after the first two games of the young N.D. season show the Huskies way out in front in team batting with a remarkable .324 average. Oregon is second with .293; OSC, third, .254; WSC, fourth, .203; and Idaho, .179.

Two Husky batters are also out in front in the individual race for hitting honors. First baseman, Larry Watson, has a tremendous .325 average, is tops in doubles with two, and is second to teammate Roland Halle in stolen bases with four. Right behind Watson is another Husky, Harvey Jarvis, who is hitting at a strong .353 clip.

Halle set some sort of a record in the first two Washington games by stealing a total of seven bases. The modern record for an entire N.D. season is 11. Halle also is hitting .375.

Huskies Hustling Under Coach
The entire Husky team stole 10 bases in its first two tilts. Thirty-eight for a season is the modern record. Washington is coached by Bill Marx, who is making his debut in northern division baseball this year. He is known for keeping his squads hustling all the time, and apparently it has paid off.

Marx's work will be cut out for him when he comes to Corvallis today for Husky teams have won only one game here in the past five years, that was in 1950. The Huskies will bring a 17-man squad to Corvallis. Following today's and tomorrow's games here, they will continue south to Eugene for a two-game set with Oregon Monday and Tuesday.

ONE OF THE LOWEST earned run averages in collegiate baseball is held at the present by Oregon State's 1954 pitching staff. The Beaver hurlers have allowed only 2.25 earned runs per game to opposing batters in four northern division games to date. Their entire season's average is an even lower 1.38 for eight games. The five regulars who comprise the bulk of the OSC pitching staff are from left to right: Jim Niernan, Marlin DeHaas, Al Guidotti, Dick Wilson, and Norb Wellman.

Mural Softball In Full Swing; 32 Teams Play

Pi Kappa Coffee's Marion Craft pitched one-hit ball past Ballard hall as the Mocha Men clubbed the Ballard team, 29 to 0 in an intramural softball contest yesterday. Campus Club's Delbert Bottens pitched a two-hitter to topple Buxton hall, 7 to 1, and Jefferson hall notched a 10-to-4 win over Gatch hall in other mural play yesterday.

Phi Kapp Wins in a One-Hitter
Wednesday, Phi Kappa defeated Delta Sigma Phi, 21 to 0, behind the one-hit hurling of Dick Eiters. In other Wednesday action, Phi Kappa Psi tallied ten runs in the first frame to top Tau Kappa Epsilon, 12 to 6; Sigma Pi edged Chi Phi, 8 to 5, in extra innings; Hawthorne Manor clubbed Beaver Lodge, 11 to 4; and Alpha Tau Omega edged Sigma Chi, 5 to 3.

Charles Bronson was the only Ballard Hall batter to reach base against Craft, but Bronson poked out a long triple to center field with two out in the last inning. Craft fanned nine Ballard batters and walked none. Bronson's hit was the first off Pi Kappa Coffee pitching this year as Mike Wetherbee chucked a no-hit, no-run contest past Jefferson hall last week to give the Java Boys a 13-to-0 win.

Rickard Hits Two Home Runs
Jack Rickard and Denzil Porter each hit four for five for the Coffee Timers, Rickard clubbing two home runs and a double. Danny Hart hit three for four and a home run, and Cliff Kuhlman got two for four. The winners tallied 19 runs in the first inning.

Jefferson hall bounced back from last week's loss to Pi Kappa Coffee to hand Gatch hall, defending independent champs, its second loss of the season, 10 to 4. Wayne Burke pitched a five-hitter as Porter hit two for three for the winners.

Campus Club Trips Buxton
David Wagner's triple sparked a five-run, first-inning rally for Campus Club as the clubbers bopped Buxton hall, 7 to 1.

Dick Vogmid hit two for two and Ray Grap three for three to lead Phi Kappa Psi to its 12-to-6 win. Both hit homers for the winners. Phi Kappa Psi tallied ten runs in the first frame.

Phi Kappa got 12 runs in the third inning of Wednesday's game with Delta Sigma Phi. John Krautscheid and Jerry Jones hit two for three for the winners; Don Johnson and Tim Plumb hit two for two. The only hit off Eiters came in the first inning.

Chi Phi Plays Extra Innings
Chi Phi tallied two runs in the bottom of the fifth to send its contest with Sigma Pi into extra innings. The Chi Phi rally was to no avail, however, as Sigma Pi and Bob Augustine hit a homer for the losers.

John Berg led ATC to its win over Sigma Chi with two hits in two trips to the plate.

Ex-OSC Athlete Dies

Paul Sliper, ex-OSC basketball player, died of a heart attack in San Francisco yesterday. He was 27. Sliper was on the Beaver team that placed fourth in the nation in 1949. He also played in 1950 and played at both forward and center positions.

Sliper is survived by his widow, Gloria Jean, and his parents, Mr. and Mrs. Lewis Sliper of Portland. Burial will be in Portland tomorrow.

Oregon State Rooks Meet UO

Freshman baseball teams from Oregon State college and University of Oregon tangle for the first time this season in a 3 o'clock game at Howe field in Eugene tomorrow.

It will be the fifth game of the season for coach Paul Valenti's OSC Rooks. They have won two games and lost twice. Both wins were over Roseburg high school and both losses to the professional Salem Senators.

Valenti has named Syl Johnson to start against the Oregon Frosh tomorrow.

Bevo Golfers Meet Webfoots

Possibly the Northern division championship and probably the state of Oregon mythical collegiate golf title will be decided at the Corvallis country club Friday when Oregon's defending match-play champs take on the Oregon State college link crew.

When the season started, Oregon was expected to win the Northern division title with Washington and OSC to battle it out for second, and Idaho next followed by Washington State. Up to this time, Oregon has played no dual matches but has participated in the Northern California Intercollegiate at Stanford where two men, Don Krieger and Al Mundle, placed high individually.

On the other hand, OSC has won five dual matches, lost one and tied its only conference match with Washington at Seattle 13 1/2 to 13 1/2.

Feature match Friday will be in the afternoon when Bob Donnelly of the Beavers tangles with Krieger of Oregon. Also in the same foursome will be Jerry Cloninger of OSC and Mundle of Oregon. Best ball matches will be played in the morning starting at 9 o'clock for 18 holes with 18 holes of afternoon match play slated.

Coach Jim Barratt of the Beavers will pick the remainder of the team from Ray Lindquist, Ron Grabler, Fred Duncan, Roy two and Don Motz two for three for Chi Phi.

Catcher Bob Stockhoff led Hawthorne Manor to its win with two hits in two trips to the plate. Leroy Presley hit three for four and Bob Augustine hit a homer for the losers.

John Berg led ATC to its win over Sigma Chi with two hits in two trips to the plate.

Barometer SPORTS

OSC Daily Barometer, Friday, April 23, 1954

Salem Edges Rooks Diamond-Men, 9-4

Despite the Rooks' good playing effort, they bowed to the much-improved Salem Senators last Tuesday, 9 to 4. John Fredericks continued his outstanding hitting against the Senators, getting three for four. This made a string of seven hits against the Senators for Frederick before he lined out to the Salem left fielder.

Lowell Pearce started the game but got into trouble in the second inning when the Senators got five runs from six hits. Bob Allord relieved Pearce and pitched good ball until the bottom of the fifth inning when he gave up four runs on five hits.

The Rooks collected one run in the first and third, and two in the fifth when they knocked Salem's Jim Peterson out of the box. Senators Are Improved Club

Coach Paul Valenti was well-pleased by the Rooks' performance and said, "They didn't beat themselves, the Senators were a vastly improved ball team."

Gene Tanselli hit three for three for the Senators and Phil Jantze got two for three at the plate for the Rooks.

Tom Hunt didn't see action in right field last Tuesday because of a strained back muscle but should be ready to play today against the Oregon Frosh.

Pearce Starts on Mound
In today's game Valenti will start left hander Syl Johnson on the mound with Lowell Pearce and Frank Wiest in relief. Oregon's record for this season is four wins, no losses.

Six Teams Scheduled Horseshoes Monday
Two more horseshoe games were forfeited Tuesday night in league C play. Beta Theta Pi won their game from Pi Kappa Phi by default and Alpha Tau Omega won their game from Sigma Alpha Epsilon by default. The next horseshoe games are scheduled for Monday, April 26.

Teams playing will be Gauthron hall vs. Beaver lodge in league A, Theta Xi vs. Sigma Nu in league B, and Alpha Sigma Phi vs. Alpha Gamma Rho, also in league B.

Strand, Jerry Clausson, Bob Grendale and Larry Trogen. Here for 18 holes of match play Saturday morning will be the Seattle University team, the only sextet to beat the Beavers so far this season.

Make your own "proving ground" test

... and we know this is what you'll find

Chevrolet is out ahead in powerful performance

You can easily tell the difference between engines when you drive—and the difference is all in Chevrolet's favor! That's because Chevrolet's great engines deliver full horsepower where it counts—on the road. What Chevrolet promises, Chevrolet delivers!

Chevrolet is out ahead in economy

There's new power, new performance and new economy in both 1954 Chevrolet engines—the "Blue-Flame 125" in Powerglide models and the "Blue-Flame 115" in gearslipt models. And they bring you the highest compression ratio of any leading low-priced car. That's why they can deliver a big gain in power, acceleration and all-around performance, along with important gasoline savings!

Your test car's ready now... We'll be glad to have you compare the smooth, quiet performance of this new Chevrolet with any other car in its field. Come in and put it through any kind of "proving ground" test you care to, and judge its performance for yourself. Your test car's ready now and we hope you are, too.

Year after year more people buy Chevrolets than any other car!
