OSC Daily Barometer, Tuesday, October 12, 1954

## Mural Football Resumes Play

Four games started off the second week of intramural football, with Sigma Phi Epsilon, Phi Delta Theta, Hawley Hall, and Alpha Tau Omega notching victories in their respective leagues.

Theta Xi took another beating in league "D" when Sigma Phi Epsilon racked up a 23 to 0 triumph. The first touchdown came when the SAE's intercepted a pass and returned it all the way. Down Poling hit Jerry Clark with a pass for the second touchdown. Sig Ep then went on to score two more times with Poling and Clark passing and catching a touchdown apiece. Clark kicked four extra points to give them 28 points.

Phi Delta Theta walked over Delta Tau Delta 19 to 9 in a well played game. The Phi Delta drew first blood with Jan Christianson passing to Bruce Boylen for a TD. On the next touchdown, Christian-

son passed to Jim Coleman for six more points. Christianson scored the last touchdown on a run around right end.

In a previous issue of the Barometer it was announced that a Sigma Phi Epsilon protest of a football game with Phi Delta Theta had been upheld. This was an error. As the situation now stands, the Phi Deltas won the game on first downs with a Sig Ep protest being filed in the intramural office. Action on the protest should be completed by the end of the week.

In league "G", Sigma Alpha Epsilon lost to the ATO's in an overtime period. At the end of regular playing time, the game was tied at five first downs apiece. The game was extended five plays for each team. In this overtime period, Joe McDonald caught a pass for ATO, giving them their sixth and winning first down.

Hawley hall won the only independent game of the evening by beating McNary hall, 6 to 0. The only touchdown of the game came when Ron Gillaspie of Hawley intercepted a pass and ran 28 yards to score. McNary had four first downs to Hawley's three.

## Along the Bench

By JACK RICKARD

It was rather a disastrous weekend for the Orangemen on their trip into the Palouse hills. The Beavers really took it on the chin as the Cougars administered one of the worst beatings they have ever given an Oregon State team. The 34 points the Cougars scored was a new high for WSC in the rivalry between the two schools, the former maximum being registered in 1945 when the Cougars scored a 33 to 0 triumph.

For the second straight week, the team suffered from "fumbleitis." Seven times the Beavers bobbled the ball, and on four of these occasions the alert Cougars recovered to either stifle a possible Beaver scoring threat or give them a golden opportunity to score. WSC also fumbled seven times and lost four of these, but with the ball game being played almost entirely in Beaver territory, these fumbles didn't hurt much except to keep the score down.

**Cougars Really Controlled The Ball**  
It was amazing how the Cougars controlled the ball during the game. The victors ran 60 rushing plays to only 16 for OSC, and attempted 25 passes to the Beavers' 19. This adds up to 85 scrimmage plays for WSC to 35 for OSC. Besides losing the ball on fumbles, the Beavers were forced to kick seven times to three for WSC.

The passing of quarterback Ray Westfall again was the only Beaver offensive spark. The sophomore from Honolulu hit on 8 of 15 passes for 106 yards, and passed for the only team score when Jack Peterson got behind the Cougar safety to grab a 30-yard pass. However, Westfall came out of the game with a pulled leg muscle and will miss the Nebraska game next week. Unless the Beaver backs come up with a much-needed ground game, things look bad next weekend on the offensive side of it.

**Twenge Handles Two Scouting Assignments**  
Freshman coach Dick Twenge handled the scouting chores for the Beaver grid staff last weekend, and saw quite a weekend of football. Twenge journeyed to Los Angeles Friday night and scouted the USC Trojans in their 20 to 7 loss to the Texas Christian Horned Owls.

Twenge was greatly impressed with the speed of the TCU backfield, especially quarterback Ronnie Clinkscales, who runs the 109-yard dash in 9.7. Clinkscales scored two touchdowns the first two times he carried the ball on runs of 60 and 58 yards. USC is also loaded with fast backs, and used eight different passers in this game. However, they were slightly erratic as TCU intercepted five Trojan passes, three of them in the end zone. Top backs on the USC squad who will probably give the Beavers plenty of trouble in their meeting later this year are Lindon Crowe, sophomore Jim Arnett, and Aramis Dandoy, chosen on several all-coast teams last year.

From this game, Twenge flew to Seattle for the UCLA-Washington game. Although the score was close, 21 to 20, the Bruins were in complete command until Coach Red Sanders started substituting. Twenge reported. Leading 21-0 in the third period and with UCLA's reserves in, Washington recovered two costly fumbles and scored three quick touchdowns behind the running and passing of sophomore quarterback Bobby Cox.

**UCLA Boasts Strong Ground Attack**  
UCLA, who will be here in Corvallis on October 23 against the Beavers, is strictly a power team, the red-hatched Rook mentor reported. Their running game is concentrated between the tackles, with fullback Bob Davenport supplying the power. Although their passing attack is not too potent, tailback Primo Villaneuva can throw to keep the defense honest.

In the other coast game, the boys from Oregon grabbed off a "win-it-or-else" victory from the favored California Golden Bears with a tremendous two-period scoring show. George Shaw proved that he may be the All-American he is supposed to be as he pulled it out of the fire for the Webfoots. With this victory, the Ducks kept a slim hope alive for a trip to the Roses. All they have to do is beat UCLA, USC, WSC, Washington, and their big downfall, OSC.

## Washington State Clobbers Beavers

By JACK RICHARD  
Assistant Sports Editor

A powerful Washington State college Cougar eleven, aided by seven Oregon State fumbles, completely dominated their Homecoming clash with the Beavers last Saturday as they ground out a 34 to 6 victory.

Playing before a good crowd of 15,000, the Cougars jumped to a 20 to 0 lead before the Beavers could dent the scoring ice. After receiving the opening kickoff, the red and white clad hosts promptly marched 67 yards for their first score. The TD came when Russ Quackenbush, lanky WSC left end, grabbed a 19-yard pass from quarterback Frank Sarno. Sarno kicked the conversion, one kick conversions.

WSC added two more touchdowns to their total in the second period, the first coming on a sensational run by their ace halfback, Duke Washington. The speedy Washington, leading ground gainer on the coast, rambled 46 yards on a fourth down situation after faking a pass.

Oregon State finally broke into the scoring column in the first half when sophomore quarterback Ray Westfall hit Jack Peterson with a 30-yard pass and Peterson rambled another 30 yards to score. Westfall's conversion attempt was blocked.

The Cougars added two more insurance touchdowns in the last half, both coming in the final quarter. After Leon Hittner had punted poorly from the Beaver 2 out to the 21, the victors scored easily with Iverson crashing across from the 2-yard stripe. Iverson was also the spark of the Cougars last touchdown drive, passing 18 yards to Arnie Pellur and 26 yards to Pete Toomey, the last pass being for the score. The drive covered 83 yards.

**Lineups:**  
**Oregon State:** Left ends, Van Lom Hittner, Brattain; left tackles, Buettgenbach, Skief; left guards, Riggert, Roberts; centers, Stevens, Cabbage; right guards, Johnson, Daniels, Ellison, Sniffen; right tackles, Ash-

## Moe Issues Call For Cross Country Men

"The cross country team needs more men," blasted Hal Moe, team mentor. "If Oregon State College is to be well represented at cross country meets this year additional team runners a must," Moe added.  
Coach Moe further said that last year's team was at a two-strike disadvantage because of the lack of squad depth, and as a result, squad wins were few.  
"I'm certain there are men on campus who are interested in cross country running, but are reluctant to turn out. Those students who would like to compete for the O.S.C. cross country team contact me in Coliseum 109," asserted Moe.  
Fifty men turned out for cross country at Washington State College. Only four men turned out at O.S.C.

## 88 College Teams Remain Undefeated

NEW YORK (UP)—Eighty-eight college football teams, ranging from Peru (Neb.) State to such powers as Oklahoma of the Big Seven and the Big Ten's Wisconsin, Ohio State and Minnesota, take perfect records into this week's drills, a United Press survey revealed today.  
Peru tops the list of undefeated-untied teams with five victories. The little powerhouse has a 26-victory string extending over a three-year period.  
Oklahoma, the nation's top team, has a 3-0 1954 record and a string of 12 triumphs extending into 1953. Cincinnati, with a 4-0 record this season, also has won 12 in a row. The 12-game strings are the longest victory streaks currently boasted among the 18 major undefeated-untied schools.

**McDonald Forest Available to Archers**  
Archery hunters bagged 39 deer in the McDonald forest archery area during the past weekend according to Roger Vorderstrasse, graduate student in fish and game management at Oregon State college. The 39 deer were the result of the efforts of 653 archers admitted to the area during the two days.  
In conjunction with Game Commission personnel, students of big game management, under the supervision of Lee W. Kuhn, associate professor of fish and game management at OSC, manned the checking station at the northwest regional Game Commission office. All archers were required to check in and out at the office which was located 8 miles north of Corvallis on highway 99W.  
Information gathered by the students included data on the sex, age and weight of the deer killed. Blood samples were taken for the study of possible blood parasites.  
McDonald forest is administered by OSC and is defined by law as a game refuge. Hunting is permitted by agreement with the college whereby the Game Commission supervises checking stations and closely patrols the area. The area is used as an outdoor laboratory by the fish and game man-
