Talent Called

All sophomores interested in putting on entertainment for the sophomore dance during Sophomore day are asked to call Sue Beck at 674.

Spring Salon Awards Prize To Bob McCoy

M.U. Camera Club Announces Winners In Annual Contest

The grand prize in the Memorial Union Camera club's third annual Spring Salon was awarded to Robert C. McCoy, graduate student, Tom Callahan, '51, contest chairman, disclosed today. McCoy's winning photo, picked from approximately 100 entries, consists of a single Calla Lily against a dark background.

First prize winners in their divisions were, pictorial—"Mountain Climber" by Jim Hosmer, '51; people—"Arc Welder" by Dalton Johnson, '51; human interest—"Funny Me" by Richard C. Hix, '51; college life—"Science Research" by Wally Johnson, '51; amateur—"Crum-bum" or "Exploring Mouse" by Kenneth Walker, graduate student.

Other winners were, people—second, Dick Gilkey, '51; third, Hosmer; fourth, D. Johnson; human interest—second, McCoy; third and fourth, Hix; college life—second, Gilkey; third, D. Johnson; fourth, Hix; pictorial—second, Albert E. Dunklee, '53; third, D. Johnson; fourth, McCoy; amateur—second, John Erickson, '53; third, Walker; fourth, F. Edward Ehlers; honorable mention, R. L. Stearns and Fred John Miner, both graduate students.

Because of the limited number of entries received and in order to maintain the highest quality exhibition, the amateur class was condensed and judged together. The prizes have been divided proportionately among the different classes. The judges of the Spring Salon were Gordon Gilkey, head of art department; Vic Overman, Ball studios; and Frank Hise, Hise studios.

Speech Contest First Won by Bev Larch

Two orations, "I Wonder Why," by Beverly A. Larch, '52, and "A Blueprint for Mankind," by Frederick L. Laws, '51, and a five-minute humorous reading by Jim Ronne, '54, were delivered Monday night before a joint meeting of the Knights of Pythias and the Pythian Sisters held at the Corvallis lodge.

Miss Larch's oration won first place in the Oregon State Women's Old Line Oratorical contest held at Pacific university March 13. "A Blueprint for Mankind" was also delivered by Laws in the Oregon State Men's Old Line Oratorical contest held at the same time.

Managers to Elect Coop Board Members

The board of directors for the Cooperative Managers association will be elected tonight at 6:15 at the manager's meeting at the Lambda Chi Alpha house. From the four women and six men chosen by the nominating committee, two women and four men will be elected to the board. Additional nominations may be made from the floor if desired.

The other topic of the meeting will be a general survey of the number of high school seniors who were guests of fraternities and sororities during Senior weekend. If the sun comes out, dress for the meal will be shirts and slacks.

Senior Ball Plans Checked By Committee Members

SENIOR BALL COMMITTEE looks over plans for the ball to be held May 26 in Gill coliseum. From left to right, committee members are Claire Hartley, Jack Greenlund, Ernie Ivfer, Joanne Aune, and Jack Carlson. (Photo by Herb Altman.)

Stanley Johnson Has Play Lead

Have you ever wished that you could travel back through time and live a life that was lived years ago? Peter Standish was a fellow who wished this, but he is different from the rest of us; he got his wish.

Peter Standish is the leading character in the play, "Berkeley Square," by John Balderston. The part is played by Stanley Johnson, '52. Peter Standish is a young American architect who inherits an old English mansion in which one of his ancestors lived. On moving into the mansion he discovers that he can go back and forth through time at will.

The romantic interest is supplied by Jackie Pursell, '54, who plays the part of Helen Pettigrew, the younger daughter of a noble family. The only thing wrong with this romance is that it includes the wrong girl. According to historical records, Standish is supposed to marry Helen's sister Kate, who is played by Shirley Weigand. The results of this romance are told in the remainder of the play.

Supporting this cast will be Nancy Halliday, '53, as Lady Ann Pettigrew, the mother of the two girls; Dick Horne, '52, as Tom Pettigrew, the black sheep of the family; and Russel Parkinson, '52, portrays an artist.

Cosmopolitan Club Given Indonesian Republic Flag

The flag of Indonesian Republic was received yesterday by the Cosmopolitan club in answer to the request sent by the club earlier this year. The club received a notice from the Finnish and Portuguese embassies at the same time.

The red-white-red national banner of Indonesia, one of the most recently established states in the world, has a long and interesting history. It was the flag of the great Madjapahit empire which flourished about 500 years ago.

Flag Represents Freedom
It was the symbol of the God Vishnu, who embodied pure courage in the realization of material objectives and spiritual truth. The new republic has adopted this flag as an emblem of the recovered freedom.

It was first used in a revolt of people against a corrupt and tyrannical government. The red sym-

Tickets on Sale Now For Dance Concert

Tickets for Salute to Rhythm, modern dance concert to be presented Mothers weekend, May 4 and 5, in Gill coliseum, will be sold the rest of the week in the Memorial Union ticket office from 9 a.m. to 5 p.m. All seats are reserved and are 90 cents each.

Pharmacy Staffers To Attend Meeting

G. E. Crossen, dean of pharmacy, and two faculty members from the school of pharmacy here will attend the district seven meeting of American association of Colleges of Pharmacy and National association of Boards of Pharmacy at Idaho State college in Pocatello, Idaho, May 4 and 5. Faculty members, L. A. Sciuchetti, associate professor of pharmacy, H. C. Forslund, associate professor of pharmaceutical chemistry, and five members of the Oregon Board of Pharmacy will also attend the meet.

Five western states will be participating in this regional meet of A.A.C.P. and N.A.B.P. at Pocatello. Those included are Washington, Idaho, Montana, Wyoming, and Oregon.

Information gained in discussion of the problems mutual to all boards is pooled so that uniform conclusions may be arrived at.

6 Acts Planned In Mayhem Show

Six independent student organizations will be featured in the main acts of the Mayhem show, May 11, in Gill coliseum. Tickets go on sale today in the living groups. The admission charge is 50 cents.

Approximately 60 independent students from six organizations will participate in the show. The organizations providing skits in the show are Beaver lodge, Buxton, Hawley, Heather Rae, Phrateres, and Winston. Awards will be given for the three best acts.

Tickets will be sold at the ticket windows in the M.U. May 9, 10, and 11, from 8:45 to 12 noon and 12:45 to 5:30 p.m. all three days. Tickets will also be available at the door Friday night.

All participants in the show are invited to a party May 3 at 4 p.m. in the M.U. Refreshments will be served.

Violationists Appear Or Pay Fines Twice

Additional fines are being placed on many students for not answering campus traffic tickets promptly, said Desk Officer L. D. Porter of the campus police. Also students are warned by the campus police that failure to maintain an identification sticker on a vehicle results in a violation and a fine. A letter is written to the student for not answering to a violation before the time stated on the ticket and constitutes a second violation and fine. If this letter is not answered, a second letter is sent to the office of Dr. A. L. Strand, president of Oregon State college. This can result in cancellation of registration.

Cars not having an identification sticker are checked through the secretary of state's office to find the owner. Sometimes it is necessary to chase down a car that is not registered with the state.

Aluminum Employer To Interview Grads

H. R. Kelley, employment manager of the Vancouver works of the Aluminum Manufacturing Company of America, will be on campus today to interview engineering graduates.

The company has several openings in its mechanical engineering department for graduates qualified for design and maintenance work. Interviews may be scheduled in Dearborn hall 109, according to Tom Marshall, personnel and placement officer for the school of engineering.

Modern Dance To Give Show This Weekend

Variety of Numbers Included in Program By Student Dancers

Oregon State modern dancers will present Salute to Rhythm, annual OSC modern dance concert, in connection with Mothers weekend festivities on campus this weekend. Performances, under the direction of Miss Betty Lynd Thompson, will be given Friday and Saturday nights, at 8:30, in Gill coliseum.

The program will consist of dances offering entertainment both gay and serious. Over 75 student dancers will offer their own interpretations in the dances. Western Theme Planned
One of the numbers, "Dude Cowboy," concerns a colorful western town. The dancers project themselves into characters ranging from horses to typical western cowboys. A combination of colorful costumes, lithe movements of the dancers, and background music, will display to the audience a show not unlike one of the favorite western movies.

In the number, "Don't Sit Under the Apple Tree," male members of the modern dance group will display their agility in this contemporary dance.

Clippings Scheduled
The traditional "Clippings From A Special Edition" number will feature the dancer's originality. The dancers make up their own dances from newspaper advertisements, fashion notes, and front page articles and dance to the accompaniment of their own voices.

The complete "Salute to Rhythm" program, disclosed for the first time, is as follows: "A Mighty Fortress," Bach and Damrosch; "I Know Where I'm Goin'," arrangement by R. B. Walls, professor of music; "Masquerade Suite," Kachartian.

"Blue Room," Rodgers and Hart; "Study in Syncopation," Percussion accompaniment; "September Song," Weill; "London Again Suite," Eric Coates; "Dierdre Overture," Whitley; "The Orchestra Song," Schuman; "Polka Moderne," from the Golden Age Ballet by Shostakovich; "Answer the Drum," percussion and voice accompaniment.

"The Lord's Prayer," Malotte; "Negro Spirituals," arrangement by Walls; "Were You Here 1931," by Orchestral Seniors 1951; "Gypsy Air," Ritter; "Under the Apple Tree," Tobis; "Hobo Holiday," Poling; "Dude Cowboy," Poling; "Old Joe Clark," Clippings From a Special Edition; "With Singing Heart," by Miss Thompson, concert director; and "Song of Man" by Kountz.

Banquet Speaker

CHARLES D. BYRNE, chancellor of the Oregon system of higher education, will present the principal address at the inter-fraternity banquet tonight at 6:15 in the M.U. ballroom.

Byrne to Give Banquet Speech

Charles D. Byrne, chancellor of the Oregon system of higher education, will give the principal address at the inter-fraternity banquet tonight at 6:15 in the M.U. ballroom.

Chancellor Byrne obtained his bachelor of science degree from the University of Wisconsin in 1921 and his master of science degree in 1922. He is a member of Delta Upsilon fraternity. In 1929 he was named professor of journalism and head of the department at Oregon State college where he served until 1932. He then acted as secretary of the board and administrative assistant to the chancellor until 1950 when he assumed the position of chancellor of higher education. He is author of a book, "Coordinated Control of Higher Education in Oregon," and has been a correspondent for the Associated Press.

Dean of Administration E. B. Lemon will also speak as will Dan W. Poling, dean of men. Dean Lemon is affiliated with Delta Chi fraternity, and will speak for the college administration. Dean Poling, a Beta Theta Pi, will speak on fraternity responsibility.

The purpose of the banquet, said Dean Poling, is to have the fraternities on the campus realize how much they have in common and to improve inter-fraternity relations. Acting as toastmaster will be Tom Fish, '51. He will give a summary of the functions of the inter-fraternity council.

Phi Kaps Pledge Two

Phi Kappa Sigma, national social fraternity, recently pledged Charles A. Schuler and Kenneth M. Swain, both '54, announced Laude Adamski, chapter president.

Honor Convocation To be in Coliseum

Program to Include Former Honor Girl, Award Winners, New Mortar Boards

Group and individual awards for senior women, will be introduced at the Associated Women Student's honor assembly today at 1 p.m. in Gill coliseum. Helen Harstad Strickler, senior honor girl in 1946, will be the guest speaker for the program, stated Sue Ellis, '52, assembly chairman.

A luncheon for presidents of honoraries, Associated Women Students council, and honored guests, including Mrs. Strickler, will be held before the convocation in the Memorial Union tea room. This will also be an honor day for all women tapped for honoraries this term. They will wear their ribbons to the convocation.

New honorary members of groups will be introduced by the presidents of the organizations and tapping of new Mortar Board members will be carried out by retiring members.

Mrs. Strickler, who will speak on "The Responsibilities of a College Education," graduated from Oregon State college in 1946. During her college career, she was Associated Women Students president and belonged to Mortar Board, Phi Kappa Phi, scholastic honor society for sophomore women; Omicron Nu, home economics honor society; Kappa Delta Pi, education honor society; Talons, service honor society for sophomore women; and Alpha Lambda Delta, scholastic honor society for junior and senior women.

Scholarships Offered By Business Group

Seniors and graduate students are eligible for scholarships in the Institute of Northwest Resources to be held during the first two weeks of the summer session, June 18 to 30, according to Dr. J. G. Jensen, professor of geography.

Announcements to date have been made of scholarships supported by the following organizations:

Portland Gas and Coke Company, for a Portland resident; Mountain States Power Company, for a resident of an area served by it; Cascade Plywood Company, to be assigned to a Lebanon teacher; Albany Plylock Company, to be assigned to an Albany teacher; Sweet Home or Lebanon resident; Crown Zellerbach Corporation, two scholarships; and Pacific Supply Coop, headquarters in Walla Walla, Wash., to be assigned to a person from Eastern Oregon or Washington.

Students interested in these and other scholarships should apply to Dr. J. G. Jensen, coordinator of the institute. Most scholarships are for \$75.

AWS Council Elects Heads

AWS legislative council elected three women students to fill major chairmanships for next fall term at their meeting yesterday. The new chairmen are Mary Nixon, '53, nickle hops; Phyllis Meeker, '53, transfer program; and Rosanne Carmony, '53, freshman open house.

The nickle hops chairman will take charge of planning the nickle hops so that they will be entertaining and interesting for all students. The transfer program is for new students entering in the fall and will consist of a banquet at which the transfer students may become acquainted with Oregon State college's activities and make friends in their new surroundings. Miss Carmony will have the responsibility of organizing an entirely new program to orient freshmen to the Memorial Union and to the activities offered on the campus in her position as open house chairman.

The three chairmen were selected on the basis of their qualifications as stated in their petitions which were distributed to all living organizations.

Phi Sigs to Honor Campus 'Mothers'

This evening at 5:30 the Theta chapter of Phi Sigma Kappa will honor all house mothers on the campus with a dinner at the chapter house.

Also invited are Miss Mary I. Bash, dean of women, and Miss Martha R. Morton, assistant dean of women.

The affair was started by the Washington State college chapter of Phi Sigma Kappa and was held here for the first time last spring term. According to Tom Batterton, house president last year, the dinner proved to be so popular with the men in the chapter and the house mothers that it will be held as an annual affair from now on.

Geographers to Meet

The Oregon State Geographers association will meet today at 1 p.m. in hut D-1 to elect officers and plan a program for next year. All interested students are urged to attend.

Veteran Assistance To Be Cut July 25

Veterans are reminded that GI bill assistance for scholastic studies will end, for those not in a continuous program of study, on the cutoff date, July 25, 1951.

No aid will be given after that date except to the following: (1) students in a regular course taking a regular summer vacation; (2) students attending summer school; (3) disabled students.

Therefore, anyone not attending school this term, must attend summer session in order to be eligible for GI benefits. Any interruption after this term in the normal course of studies, except for normal vacations, will cause veteran aid to be cancelled.

OSC Delegates Represent Syria In Model United Nations Session

Over 300 students from 50 western colleges and universities gathered in Cubberly auditorium at Stanford university Thursday to represent 62 nations in the opening General Assembly session of the three-day model United Nations conference. Six Oregon State delegates attended the conference representing Syria.

Dr. Ralph Bunche, director of the U.N. Trusteeship Division and the 1950 Nobel Peace Prize winner presided at the model General Assembly Friday and Saturday. He closed the sessions Saturday night with his presentation of "The United Nations and Prospects for Peace."

Representing OSC were Hugh C. Brooks, instructor in geography, Mrs. Brooks, Marge Taube, '51, Jan Johnson, '51, Charles Banford, '52, and Joe Sonnenfeld, '53. The main program of the conference, discussion of the separate phases of the Korean and Yugoslavian situations, were discussed

by three smaller councils. Resolutions proposed by these groups were presented to the General Assembly.

Emergency Session Called
At an emergency meeting of the security council Friday night, word was received of Yugoslavian aggression against Bulgaria. This action resulted in a proposal passed Saturday branding Yugoslavia as an aggressor, calling for a cease fire and withdrawal, and this having been achieved, attempting direct negotiations between the parties to this dispute.

A Cuban resolution was passed Saturday which called for the establishment of a permanent world police force to be financed and trained by the United Nations.

Students Learn Mechanics
Dr. Bunche expressed his belief that the model U.N. was successful in so far as students were learning the actual mechanics of the U.N.
The OSC delegation will present a detailed report of the resolutions and proposals passed next week.

body now that they have seen that we deal with human differences, he explained. When you have people representing 55 or 60 different points of view you cannot help but be bogged down, he said.
Bunche Expresses Hope
If there is to be peace and security for people today it will come through collective efforts and common work, Dr. Bunche claimed. It will come through the United Nations or not at all for that is the only real hope we have for world peace, he said.

The idea for the model U.N. was born over a year ago in the Collegiate Council for the U.N. At that time, Stanford through the Institute of International Relations agreed to take on the burden of the conference and gradually four other sponsoring organizations joined to produce this three-day replica of the U.N.

The OSC delegation will present a detailed report of the resolutions and proposals passed next week.

The Conflicting Draft Bills

Intermittent reports from congress regarding the status of draft measures now pending are extremely confusing to the average reader because of conflicting provisions in different bills, and the intricacies of legislative and administrative procedure.

A bulletin from the American Council on Education does the best job we have found yet in covering the basic elements of the bills now being considered by a conference committee of the congress.

Both bills contain certain identical provisions of interest to educational institutions. These, then, seem certain to be in the final bill.

1. Students who, while regularly enrolled in full-time college or university courses and making satisfactory progress, shall be deferred until the end of the academic year.

2. A local board is prohibited from calling for induction any registrant who has not reached his 19th birthday, until all of the 19 through 25 age registrants available to the local board have been ordered for induction.

3. Within such numbers as are authorized by the secretary of defense, students who have been or are hereafter accepted for enrollment in the ROTC and other recognized officer procurement or training programs are to be deferred as long as they fulfill the requirements of their contracts with the armed services.

4. The president is authorized to provide regulations for the deferment of "any category or categories of students for such periods of time as he deems necessary."

This is the time of year when every senior gets a thrill from form-letter questionnaires and business offers addressing him as one of a 'selected group of college seniors,' and then a subsequent letdown when they find that the entire senior class belongs to the same 'selected group'.

Stringent fire safety rules at Washington State prohibit smoking in all "classrooms, student laboratories, all store room, closets, and attics."

Worthal has just found out that most automobile accidents occur between the speeds of 30 and 50 miles and hour and has come up with a solution to the traffic problem; simply pass a law against driving at speeds in that range.

"Cheers and Jeers"

Battle of The Trough Hats Off to Phi Tau

TO THE EDITOR: It is indeed a sorry state of affairs when such outstanding labor statesmen as Grandma Green, Old Lady Murray and Walter "The Ambitious" Reuther attempt to push the big boys from the trough.

In March, Beaver Lodge, with a total membership of 34 men, donated 13 pints (16% of all the blood given by Benton county that month). Our total donations to date are 40 pints and we have already pledged 16 pints for May.

We challenge any men's organization, regardless of size, to top our record for the year. Also, in view of the notoriously poor turnout of the women, we challenge all of the sororities en masse, or any of the women's dorms to beat this record.

By some odd coincidence, unknown to the authors, profits went up 62 percent in the first three-quarters of 1950 while wages went up 13 percent. Yet in the battle of the trough, Mr. Wilson states that labor is unwilling to share in the equality of sacrifice.

Just what does he mean by equality of sacrifice, five to one! The Unfed, J.H.N., D.L.K.

Politics A Science

TO THE EDITOR: Politics is no longer a sum total of intuitional understandings or personal whims and day-dreamings. It has become a science by itself, a science of political occurrences, a natural and material science. It offers a method of understanding all the political forces at work.

It is for the above mentioned reasons that the discussion of any political subject in the hands of our local politicians is reduced to a mere personal battle of soybean haters and yogurt eaters or naive misunderstandings of newspapermen who limit themselves to hideous readings of Labor Action (a rather subversive act in this great land of freedom and democracy).

The validity of such statements as "Russia is a Socialist country" or "America is a war-monger" is not to be found in one's personal feelings but in an objective study of the problem and the available facts.

I suggest that among different sources, we use our political science instructors as reference. Signed, Said Salehi.

Know Your College Cauthorn Hall

By Members Of Alpha Phi Omega

Cauthorn club is the oldest of five halls in the main dorm. It was named after Senator Thomas Cauthorn who was instrumental in developing the early Corvallis college into a state school and getting funds to build the first men's dorm in 1889.

This was one of the first buildings built on the campus, along with the administration building, mechanical building, Alpha hall, the old chemistry building, and a dairy barn.

The original building is now Kidder hall. It was occupied in 1891 and it was governed by cadet officers until 1903. In 1908, Cauthorn club was formed and the hall became self-governing.

In 1928, the main dormitory was built and a wing was named Cauthorn hall in honor of Senator Cauthorn. Much of the spirit and many of the traditions of the old Cauthorn club still carry on among the 50 men who are living in the hall today.

From Other Camps Idaho Veterans Invade Realm of City Politics

Veteran students at the University of Idaho rebelled recently when city fathers of Moscow told them they couldn't vote in the city's mayoralty elections, even though they maintained a year round home in the town.

The veteran students formed a committee called Ex Service Men's Committee for the Right of Franchise, and paraded through Moscow's streets with a sound truck, asking voters to write in W. L. Anderson as mayor.

Then came the Evergreen punchline: "Wonder how some of the damn kids feel, now that they have to go back to war again." (And the Barometer punchline: too many of them still feel like doing nothing but raise hell.)

Then came the Evergreen punchline: "Wonder how some of the damn kids feel, now that they have to go back to war again." (And the Barometer punchline: too many of them still feel like doing nothing but raise hell.)

Then came the Evergreen punchline: "Wonder how some of the damn kids feel, now that they have to go back to war again." (And the Barometer punchline: too many of them still feel like doing nothing but raise hell.)

**OREGON STATE COLLEGE
EXAMINATION SCHEDULE
SPRING TERM - 1951
June 4-9 Inclusive**

STUDENTS: TO FIND WHEN AN EXAMINATION IS TO BE GIVEN SEE THE LONG ALPHABETICAL LIST BELOW.

The schedule below follows the plan established last term, 1949, and reprinted in the Faculty Bulletin this spring.

Only graduating seniors are exempt from taking examinations as scheduled on this sheet.

Because of the time taken from examination week by graduation exercises and the desirability of completing the week before 5 o'clock on Saturday, it was considered wise to schedule examinations for Monday, June 4, at 3 p.m. and 7:30 p.m. In these periods as in all others the schedule allows two hours for each examination.

Conflicts are inevitable in a complicated schedule. One period, Thursday at 1, is left open for any conflicts that occur during the week. No other time shall be used for conflicted examinations.

Below is an alphabetical list of classes which have scheduled examinations. Opposite each class or section are given the day and hour of examination and the room in which it will be held. If you do not find a class listed ask your instructor.

Key to Building Abbreviations

- Ad—Administration Building
- AE—Agricultural Engineering
- Ag—Agricultural Hall
- AH—Apperson Hall
- BH—Benton Hall

AFTER FINAL EXAMS</

WSC Gymnast Team Beats Orange in Invitation Meet Skill Stands out For OSC

The Washington State gymnastic team racked up a decisive victory over the Beaver squad here Saturday in the men's gym. The final score was 80-44 with the Cougars on the long end of the score.

Mural Crew Races Deadline Scheduled

First round crew races must be completed not later than Friday, May 11. Crew captains will make time schedule and arrange for races with varsity coach Drlica at the boat house. Do not delay!

Fiji's, DX Cop League Titles

Phi Gamma Delta sent Beta Theta Pi reeling Tuesday, and picked up the intramural horse-shoe "A"-A league championship. Delta Chi became "A"-B league champions by running through Sigma Chi Thursday.

Fiji's powerful team, led by Al Lindstrom and Vince Manchec, didn't lose a game. Lindstrom and Manchec rolled over Beta's Rod Daniel and Marv Mix, 21 to 5 and 21 to 12. Jerry Reilly and John Deniston scored a victory over Ben Larson and Gene Cosette of the Beta house, 21 to 14 and 21 to 13, and brought home the championship laurels.

In a similar match, Delta Chi, following the power of Darren Webster and Jack Crabtree, resoundingly defeated the Sigma Chi horseshoers. Campus club downed Cauthorn hall in "A"-D league play Thursday. Warren Pope and Gil Batty ousted Cauthorn players Ben Doolley and Bob Wittaker, 21 to 7 and 21 to 1. In the second game, Bob McDole and Dale Lingle lost a hard fought victory to Ernie Dell and Ed Kawaschi, Campus club, 21 to 10, 21 to 21, and 21 to 17.

Tau Kappa Epsilon ran into trouble when they bumped against Theta Chi Wednesday. Theta Chi was an unstoppable crew, and led by Ed DeGroot and Bruno Majnara, who downed Bob Austin and Ray Stamba, 21 to 7 and 21 to 9, went on to victory.

Rook Baseball Nine Meet Albany High

The Rook baseball team will meet the Albany high school team at Albany this afternoon. Probable pitcher will either be Norm Wellman or Dick Penrose. The rest of the lineup will probably be the same as previous games.

The Rooks will put their five game winning streak up against Albany. The Bulldogs are very capable of ending the current streak.

Softball Teams Post Victories

Holcombe house hit the win column again as they belted the Half-Shots 9 to 3 in Monday afternoon's softball game. Holcombe house scored in every inning including a four-run rally in the second frame. Hits by Bill Louie, Al Urban, Dean Peterson, and Nathan Bean contributed largely to Holcombe's win. Marvin Wallingford, Holcombe's pitcher, allowed only four hits while Marion Unruh, the Half-Shots' pitcher, gave up 11. With this win the Holcombe house is tied for league "G" leadership with the Intervarsity Christian Fellowship.

Davenport house finally broke into the win column Monday as they beat the Beaver lodge team 5 to 3. Although the game only lasted one and one-half innings, it was a slug-fest as 12 hits were evenly distributed between the two teams. The Davenport team was able to garner the win by bunching their hits at the right time whereas the Beaver lodge team scattered their hits. Key hitters for the Davenport team were Dave Tallman and Harry Weinert who smashed out a homer in the bottom of the first inning.

Teams Forfeit Tilts In Women's Softball

Delta Delta Delta and Sackett A profited by forfeits in Monday's women's intramural softball games. Waldo forfeited its game to the Tri Deltas for a 1-to-0 score. Sackett A won its game over Phraters by a 1-to-0 forfeit.

Wednesday's softball games are, Pi Beta Phi against Chi Omega on field 1, Sigma Kappa and Sackett C on field 2, Kappa Kappa Gamma and Alpha Phi on field 3, and Heather Rae against Sackett D on field 4.

Lambda Chi's Edge DU in Diamond Tilt

Lambda Chi Alpha beat Delta Upsilon, 10 to 7, in D-league softball Monday afternoon. DU took a 6 to 1 lead in the first inning. They added another in the second, making the score 7 to 1. Then LCA Pitcher Harold Anderson held DU to one hit in the last two innings while his teammates scored four runs in the third and five in the fourth inning.

Beavers Win Again

SEATTLE, Wash., May 1.—(UP)—The first place Portland Beavers put together two big innings tonight to swamp the Seattle Rainiers, 13-2, in a Pacific Coast league game before 4,390 fans.

All babies have blue eyes because the pigment cells of the iris, which determine eye color, have not developed between six and twelve months after birth. Then the eyes assume the color they will have through life.

As the SPORTS PAGE Goes to Press

By JACK SALING
Barometer Sports Writer

About four weeks ago we mentioned something about Bob Peterson, Curt Barclay and Jim Loscutt, the three basketball stars from last year's second-place Oregon team, and the fact that none of them were still on the Oregon campus. It seems that the information was false, and such was not the case at all.

But yesterday, the announcement came — officially — that Loscutt and Barclay, who also was a promising baseball pitcher, had been suspended from school for one year. Athletic officials and the two individuals concerned weren't available for quotation and John M. Foskett, the chairman of the University disciplinary committee that made the announcement, declined to give the reason for their dismissal.

Certainly the actions of these two athletes must have been extremely serious. For it is a known fact that neither of them have received the best of grades, or even a far cry from it, and have been called on the carpet on other occasions in the past — yet they have still managed to stay in school.

We wonder, then, what sort of misdemeanor Barclay and Loscutt made to have gotten the University, usually a school which will keep its athletes in school regardless of their actions, to suspend them for a year. Certainly there are others who are wondering the same thing.

But we would be willing to bet that no one will ever find out the real story. There will naturally be many guesses, and probably a few supposedly "authentic" stories surrounding the incident, but probably the real story will remain untold.

DeLay Gets Principal's Job at Monroe

We notice where Don DeLay, an Oregon State graduate last year, has landed the job of principal of Monroe high school. His duties will entail the regular duties of a principal, but will also include the additional functions of football coach and he will teach one class.

DeLay, in being named to the position, becomes the youngest principal in the state of Oregon. He won the nomination over 11 other applicants, only two of which didn't have a master's degree, which speaks pretty well for Mr. DeLay. Congratulations, Don.

Golf, Tennis Teams Situation Not Bleak

Although things may look pretty bleak for Oregon State's golf and tennis teams when Northern Division championships are mentioned, actually, the situation isn't as hopeless as it may seem. Although the golf team has already lost its first two matches of the season to Washington and Oregon, and the tennis team has been defeated by Washington, perennial champions, there is still a good chance that the Beaver athletes could come home with the coveted crown.

The reason for this is that the dual-meet winners are not necessarily the ND champions. The dual-meet crown is merely an honorary title, and the actual winner of the ND is decided in a tournament at the end of the season. And this is where the Beavers have their chance in both sports.

For in the ND meets, only four men are allowed to participate from each school, instead of the six which are allowed in dual-meet matches. And so far this season, the Beavers, in both tennis and golf have been very strong in their first four positions, but have lost the matches through a weak fifth and sixth man.

Therefore, when these top four men on both squads enter the playoffs, they should do quite well, and definitely cannot yet be counted entirely out of the race for the crown.

Johnston Commits First Error

Danny Johnston, converted basketballer who is now playing a mighty fine second base and is one of Coach Ralph Coleman's leading hitters, had not committed an error in the field this season until Monday's game with Washington. He then bobbled a ball, to break his long string of errorless innings. And then it was not more than two or three innings later that he committed another error, proving the old adage that bad things seem to come in streaks.

Hawley Cindermen Edge Peavy Hall

In the closest meet of the season Hawley hall defeated Peavy hall in intramural dual track Monday afternoon, 33 to 26. The results of the contest were uncertain until the last event was run off.

Bill Warner, Peavy, was high point man with 10 points. He took first in the broadjump and the century.

The relay proved to be the most exciting event of the day. Going into this race Hawley was ahead 28 to 26. Tony Lopez of Hawley was running in the anchor spot and had a 30 yard lead on Warner who was running anchor for Peavy. At the finish Warner had cut Lopez down to 5 yards but couldn't quite close the gap.

A limiting factor on the meet was the bad weather. Many of the times posted were poor.

Summary:
High jump: Won by Dale Aichele, Hawley; 2nd, Randall, Peavy; 3rd, Dittel, Peavy. Height 4'9".
Broadjump: Won by Bill Warner, Peavy; 2nd, Ruben Heffel, Hawley; 3rd, Tony Lopez, Hawley. Distance 19'1/2".
Shotput: Won by Vernon Usher, Peavy; 2nd, Chuck Woosley, Hawley; 3rd, Jim Stanton, Hawley. Distance 36'4".
100 yd. dash: Won by Bill Warner, Peavy; 2nd, Dick Arbuckle, Peavy; 3rd, Norman Rausch, Hawley. Time :11.7.
220 yd. dash: Won by Tony Lopez, Hawley; 2nd, Dale Aichele, Hawley; 3rd, Bob Adams, Peavy. Time :23.5.
800 yd. run: Won by Chuck Woosley, Hawley; 2nd, Jerry Anderson, Peavy; 3rd, Norman Taube, Hawley. Time 2:44.
Relay: Won by Hawley (Dale Aichele, Ruben Heffel, Norman Rausch, Tony Lopez). Time 1:52.

Beavers Notch 16th To Sweep Series

White, Moen, '50 ND All-Stars, Locked In Pitching Duel; Each Allows 7 Hits

By NEIL WISSING
Barometer Sports Editor

Intent on keeping their amazingly long win streak intact, the undefeated Oregon State baseball team roared to its 16th consecutive win of the season yesterday afternoon on Coleman field by downing the visiting Washington Huskies, 5 to 2, in the last game of an important two-game series.

The win gives the Beavers a four-game lead in the Northern Division standings, ahead of the University of Oregon which is resting in the No. 2 spot with a four-two record.

Easing off their usual powerful hitting stride, the Beavers only managed to collect seven hits off Capt. Bob Moen, the top Washington hurler and an all-Northern Division selection last year. However, Moen is considered one of the toughest chucks that the Orange-men will have to face in the race for the ND title and their showing against him was impressive.

Catcher John Thomas led the State stickers with two hits in three official trips to the plate. In the extra base department, Third Baseman Cub Houck blasted a long home run into left field in the third inning with no one aboard. Second Baseman Danny Johnston and First Baseman Nace Taylor each caught hold of one of Moen's offerings for a triple. The Huskies were unable to connect for any extra base blows.

Southpaw Don White, an all-Northern Division selection last year, looked his season's best in yesterday's contest. He held the Huskies to seven hits, gave up

three walks, and struck out one. Washington Catcher Dave Lewis was the only man to cause White any serious trouble. Lewis garnered three singles in four appearances before White.

Double Plays Aid Beavers
The Beavers played near-flawless ball effort, committing only two errors, both on close plays at first base. Heads up ball was the order of the day for the Beavers as they garnered three double plays off the Huskies, a near-record for college baseball.

White, backed by excellent fielding on the part of his teammates, set the Washington nine down one-two-three in the first three innings.

Stalers Score First
The Stalers nabbed two runs in the opening stanza. With two away, Taylor tripled, then scored on Thomas's single. Thomas advanced on a walk, then came home on an overthrow at first base.

In the second, Houck caught hold of a Moen fast ball and lambasted the ball clear to the fence in left field for a home run.

After three scoreless innings, the Huskies moved to within one run of the Beavers in the fourth when they pushed in two runs on three, singles, a walk, and a fielder's choice.

Johnston's Stretch Falls
Johnston came near adding an-

other OSC tally in the fourth when he pounded a ball over the left fielder's head. He was nabbed at home plate when he attempted to stretch the triple into a home run.

The Beavers added two more runs in the last of the seventh to sew up the ball game. Singles by Taylor, Thomas, and Left Fielder Ed Nelson accounted for the runs.

The Beavers take a break from the rugged ND competition next Friday and Saturday when they travel to Willamette and Linfield for non-conference tilts.

Summary:
Oregon State AB R H E

White and Thomas; Moen and Dewitz. Runs batted in: Thomas, Tansell; Nelson, Houck; Houbregs (2).
Extra base hits: Home runs—Houck; Triples: Johnston, Taylor.

Thomas Paces OSC Batters

After six games in the rugged Northern Division competition, Catcher John Thomas is leading the regular Beaver lineup in the hitting department. Thomas boosted his average to .400 during the Washington series.

Cub Houck, Gene Tanselli, Don Taylor, and Pete Goodbrod also found the Husky pitching to their liking and boosted their averages at the Huskies' expense.

Tanselli is far out in front of his team mates, both in home runs and in runs batted in. He has driven 12 Beaver runs across the plate.

Don White and Bailey Brem, Coach Ralph Coleman's two top hurlers, each have a record of three wins and no losses to date. Averages (after six games):

	AB	H	Pct.	RBI
Al Edwards	1	1	1.000	0
Ed Nelson	4	2	.500	1
Jim Jenks	2	1	.500	0
John Thomas	20	8	.400	6
Danny Johnston	27	9	.333	6
Cub Houck	18	6	.333	1
Pete Goodbrod	25	8	.320	1
Gene Tanselli	22	7	.318	12
Don Taylor	19	6	.316	1
Bud Shirteff	24	6	.250	5
Don White	9	1	.111	0
Bailey Brem	10	1	.100	1
Bud Berg	1	0	.000	0
Ken Vannice	2	0	.000	1

Home runs: Tanselli (3), Shirteff, Johnston, Brem, and Houck. Triples: Johnston (2), Tanselli, Shirteff, Edwards, Thomas, Taylor, and Goodbrod.

Doubles: Shirteff and Krafve.
